NEW HALL SCHOOL TRUST TRUSTEES' REPORT FOR THE YEAR ENDED 31 JULY 2021

The Trustees present their statutory report together with the consolidated financial statements of New Hall School Trust ("NHST") and its subsidiaries, New Hall School Enterprises Limited ("NHSE"), a general trading company, and New Hall Multi Academy Trust ("NHMAT"), an exempt charity, which operates Messing Primary School as an academy, for the year ended 31 July 2021.

This report has been prepared in accordance with the Companies Act 2006 and constitutes a directors' report for the purposes of company legislation.

The financial statements have been prepared in accordance with the accounting policies set out on pages 21 to 24 of the attached financial statements and comply with the Charities Act 2011, the Companies Act 2006, the Memorandum and Articles of Association, and the Charities Statement of Recommended Practice ('Charities SORP') (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland; FRS 102) issued in October 2019.

TRUSTEES' REPORT

CONSTITUTION AND OBJECTS

New Hall School was founded in 1642 by the Religious Community known as 'The Regular Canonesses of the Order of the Holy Sepulchre of Our Lord in Jerusalem'. In 1799, the School moved to its present site of King Henry VIII's former palace of Beaulieu.

In 2005, a new charity was formed to continue the work of the School. New Hall School Trust was incorporated as a company limited by guarantee on 6 June 2005 (Company Registration No. 5472420 (England and Wales)). On 1 July 2005, NHST was registered with the Charity Commission (Charity Registration No. 1110286). On 1 August 2005, the activities and net assets of The Charity of the Regular Canonesses of the Order of the Holy Sepulchre of Our Lord in Jerusalem connected with the operation of an independent school were transferred to this new charitable company. The buildings, grounds and facilities necessary for the functioning of the school thus form the assets of NHST.

The School is governed by its Memorandum of Association and Articles of Association last amended on 5 December 2017.

The School aims:

- to give students an experience of life in a Christian community:
 - affirming each individual as a unique part of God's creation, and nurturing in each person a sense of dignity and self-worth
 - fostering caring relationships, a sense of team spirit, and respect for others
- to inspire students to develop their God-given gifts and talents to their full potential:
 - intellectual
 - spiritual
 - social and emotional
 - aesthetic and physical
- to provide a broad and balanced education, rooted in the School's Catholic foundation, which is responsive to and supportive of the needs and aspirations of the individual:
 - fostering intellectual curiosity, a desire to seek truth, and a life-long love of learning
 - enabling students to discover their own strengths and weaknesses, to learn from 'failures', and to develop the self-discipline and determination to persevere, in order to pursue their goals in a rapidly changing world
- to enable staff to be aware of the values and vision of the School and to give them support and encouragement to carry out their professional duties and responsibilities in the pursuit of excellence, with pride and commitment

The object of NHST, as set out in the Memorandum and Articles, is "to advance the Roman Catholic religion by the conduct of Roman Catholic schools".

The School shares its teaching expertise and other resources and facilities with children in the local and wider community who do not attend the School. Educational initiatives include running NHMAT, through which NHST sponsors a primary academy.

NHST is also committed to operate its school on the New Hall campus in Chelmsford, which is the site of the magnificent former Tudor palace of Beaulieu. The main building is Grade I listed and the historic avenue of trees is also a listed park and garden. The charity, therefore, has a commitment to maintain and enhance the heritage buildings and setting of New Hall, not just for the students but for the wider community and public interest. New Hall is ranked by English Heritage in the top 2% of heritage buildings in the country.

NEW HALL SCHOOL TRUST TRUSTEES' REPORT FOR THE YEAR ENDED 31 JULY 2021

The ethos of the charity

At NHST, the ethos is inspired by the founding Religious Community, The Canonesses of the Order of the Holy Sepulchre; their beliefs and values remain essential to the character of the charity today. The distinctive Catholic ethos of the School has a special emphasis on welcome, community, prayer and service to others. The charity, in accordance with its objects, founding ethos and aims, seeks to support students, and those in the wider community, in their faith development. The charity also lives out Christian beliefs and values through community work, hospitality and voluntary and charitable service to those in need.

When setting the objectives and planning the work of the charity for the year, the Trustees have given careful consideration to the Charity Commission's general guidance on public benefit and in particular to its supplementary guidance on the advancement of religion, advancing education and fee charging. The principal work of the charity during the year was to own and operate an independent school for day and boarding students between the ages of 1 and 18. In July 2021, there were 1,329 students, of whom 231 were boarders.

The distinctive 'diamond model' school structure, established from 2006, is one in which students are educated in co-educational classes from 1-11, in single-sex classes from 11-16, and in co-educational classes at Sixth Form. The School continues to believe that this model gives the best of both worlds, with the optimal combination of single-sex and co-educational teaching at appropriate stages of students' development. The School won the overall TES Independent School of the Year 2016-17 as well as the TES Financial/Commercial (Green Travel & Transport Strategy) Initiative of the Year. The School was also in the final shortlists for Governing Body of the Year and Senior Leadership Team of the Year. Katherine Jeffrey, Principal, was shortlisted for the TES Headteacher of the Year Award in 2015. The School was on the national shortlist in 2014, for the TES Independent School Award (ISA) for Boarding Initiative of the Year and for Best Independent-Maintained School Collaboration (in relation to the sponsorship of Messing Primary School). The School won the national Independent Schools Award (ISA), 2011, for Outstanding Strategic Initiative, for the excellence of this development initiative and the consequent successful expansion and improvement of the School.

Following the opening of a Senior School Boys' Division, the School has expanded and now has boys in all year groups and overall equal numbers of girls and boys. NHST provides the only Catholic independent school provision for senior school aged boys in the Diocese of Brentwood.

AIMS, OBJECTIVES AND ACTIVITIES

Towards the end of the academic year 2016-17, the Mission & Ethos Statement was reviewed and amended, as follows, in light of feedback from students, staff and Governors:

New Hall, a Catholic boarding and day school, provides
the best start in life, enabling students
to meet confidently the challenges of the wider world.

Here **academic excellence** is achieved in surroundings
where relationships are based on
care, trust and respect.

We **welcome** students from many traditions,
building a Christian **community** that has at its heart
prayer and service to others.

Strategic Aims of New Hall School

- (1) To promote the Catholic life of the School and provide outstanding Religious Education
- (2) To be an outstanding and caring educator of all students
- (3) To recruit, support and develop outstanding staff
- (4) To provide outstanding learning opportunities through the co-curriculum
- (5) To promote New Hall's reputation as a distinctive school of choice
- (6) To share our ethos, grow and innovate
- (7) To ensure the on-going security of the School's financial future, and ensure affordability of fees, while continuing to invest in improving the quality of education

NEW HALL SCHOOL TRUST TRUSTEES' REPORT FOR THE YEAR ENDED 31 JULY 2021

Governing Body

Details of Trustees (who are also Governors of the School), including those who served during the year and those in office at the date the financial statements were signed, are listed in the "reference and administrative details" on page 1 of this report. Governors with children attending the School are on the same commercial terms as other parents.

At any one time there must be a minimum of 6 Governors, whilst the maximum number permitted is 13. New Governors are appointed by the full Governing Body following recommendations from the Nominations Committee of Governors. A majority of the Governors must be Catholic. One third of the Governors must retire each year. Retiring Governors shall be eligible for re-appointment for consecutive periods not exceeding in aggregate 9 years from the date of their original appointment. Thereafter Governors are not eligible for re-appointment until one year after their retirement.

Recruitment and training of Governors

The charity's Governors are appointed at a meeting of the Board of Governors, following a selection process and recommendation from the Nominations Committee. The Governing Body requires breadth and depth of experience to carry out its duties effectively. When recruiting new Governors, the Nominations Committee takes into consideration eligibility, personal competence, specialist skills, representation of the diversity of the School community and local availability.

New Governors are inducted into the workings of the School, including the provision of key information covering Board policy, School ethos and financial information. All Governors are encouraged to attend training courses and workshops run by specialist school organisations.

Charity Governance Code

The Governors are aware of the Charity Governance Code published in 2018 and refreshed in 2020, which sets out the principles and recommended practice for good governance within the sector. The Governors are satisfied that the Charity applies the principles of the code within its current governance arrangements and reviews its performance annually to ensure practice remains current.

Fundraising

The majority of the School's income is from school fees and other associated income. NHST has not engaged with third parties to raise funds and any direct approach to members of the public for funding has been limited to parents of pupils and alumni, and is financially insignificant. NHST's ethos applies equally to fundraising activity, including policies regarding protection of vulnerable individuals, intrusion of privacy or pressure to donate. NHST is registered with the Fundraising Regulator. No complaints have been received in relation to our fundraising activities.

Organisational management of the group

New Hall School Trust has two subsidiaries, New Hall School Enterprises Limited ("NHSE") (Company Registration No. 3521688, England and Wales), a company carrying out general trading activities, and New Hall Multi Academy Trust ("NHMAT") (Company Registration No. 08643881, England and Wales), a company limited by guarantee and an exempt charity, which operates Messing Primary School as an academy. NHMAT was incorporated on 8 August 2013 and took over the management of Messing Primary School when it converted to academy status on 1 September 2013. The Governors, as charity trustees, maintain overall responsibility for the charity and its subsidiaries and their assets.

During the year, the Governors determined the general policy of the charity with regards to the provision of education. The Governors attended a wide range of School events.

Governors assisted in the management of the charity via the operation of five sub-committees: the Education & Staffing Committee, the Finance & General Purposes Committee, the Bursaries and Scholarships Committee, the Nominations Committee and the Remuneration Committee. Remuneration policy for all staff including senior management personnel is set by the Board, with the objective of providing appropriate incentives to encourage enhanced performance and of rewarding fairly and responsibly individual contributions to the School's success.

During the year, the day-to-day management of the charity was delegated to the Principal, who was supported by a Senior Leadership & Management Team as follows as of July 2021:

- Principal, Governor and Executive Head & Accounting Officer of New Hall Multi Academy Trust
- Deputy Principal
- Vice Principal (Curriculum, Growth & Innovation) and Chair & Director of New Hall Multi Academy Trust
- Vice Principal (Boarding & Operations)
- Head of Finance and Chief Financial Officer of New Hall Multi Academy Trust
- Estate Manager and Health & Safety Co-ordinator

NEW HALL SCHOOL TRUST TRUSTEES' REPORT FOR THE YEAR ENDED 31 JULY 2021

- Head of Nursery Division
- Head of Pre-Prep Division
- Head of Preparatory Division
- Head of Girls' & Boys' Division
- Head of Sixth Form
- Head of Human Resources
- Director of Learning & Teaching
- Director of Studies
- Head of Theology
- Executive Assistant & Clerk to Governors

There is an overall Lead Designated Safeguarding Lead (Lead DSL), who is also the DSL for Boarding. The Head of each Division is also the DSL for their respective Division.

Members' liability

NHST is constituted as a company limited by guarantee. In the event of NHST being wound up, members are required to contribute an amount not exceeding £1.

Employment policy

At the heart of our School is the faith that is essential to its character. While the School is a Catholic community, it welcomes students and staff of different religious beliefs who support its ethos. The spiritual and faith development of all those at NHST is of the highest importance. As a Catholic school, the School reserves the right to reserve certain posts for practising Catholics, in accordance with Diocesan guidance, and seeks to ensure that all staff support the School's ethos, as a Catholic independent boarding & day school.

The School supports the principle of equal opportunities and opposes unfair discrimination on the basis of age, sex, marriage and civil partnership, gender reassignment, race, disability, sexual orientation, religion or belief, pregnancy and maternity and part-time or fixed-term employment (defined as 'Protected Characteristics'). Being a committed equal opportunities employer, the School will take every possible step to ensure that employees are treated equally and fairly. Policies and practices will conform with the principle of equal opportunities in terms of recruitment, selection, training, promotion, career development, discipline, redundancy and dismissal, taking into account that the Catholic ethos is upheld and supported (e.g. through the provision of specified reserved posts for practising Catholics).

The mean gender pay gap measures the difference between the average pay of all women and all men. Our mean gender pay gap is 11.1% (2020 - 1.6%). This compares favourably with the National Average of 14.9% (2020 - 14.6%).

When analysed further by employee category, this shows that at senior management level there is a positive mean pay gap, with female employees earning on average more than men. Among teaching and educational professionals, where women make up 63% of the workforce (2020 - 63%), the mean pay gap is 8.8% (2020 - 1.9%). This compares favourably with the National Average of 10.9% for this occupational group.

Of our support employees 68% are women and the mean gender pay gap is 1.7% (2020 - positive mean gender pay gap).

The median gender pay gap measures the difference in pay between the 'middle man' and 'middle women' if you rank employees according to pay. Our median gender pay gap is 7.2% (2020 - 2.5%) compared to the National Median pay gap for all employees of 15.4% (2020 - 15.5%).

An analysis of part-time to full time working shows that the median pay gap remains positive for part-time support staff. The steps taken to make the School a welcoming environment for female employees include the opening of our own Nursery on the School site, assisting staff to return to the workplace following parental leave.

All staff are provided with an Employment Manual detailing all policies and procedures relating to employment. The Employment Manual template is provided by Veale Wasbrough Vizards, a leading law firm, who ensure that the School is provided with any changes required as a result of changes to legislation.

The School communicates with all employees regularly through normal management channels which include weekly staff briefings for teachers, half termly staff meetings for all staff, email communication and team meetings. Staff are informed of any decisions that are likely to affect their interests, and are consulted on any significant changes.

TRUSTEES' RESPONSIBILITIES IN RELATION TO THE FINANCIAL STATEMENTS

The Governors as Trustees (who are also directors of New Hall School Trust for the purposes of company law) are responsible for preparing the Annual Report (incorporating a strategic report) and the financial statements in accordance with applicable law and regulations.

Company law requires the Trustees to prepare financial statements for each financial year. Under that law the Trustees have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards) and applicable law.

Under company law, the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and the group and of the result of the group for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and the group and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and the group and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Each Trustee confirms that:

- so far as they are aware, there is no relevant audit information of which New Hall School Trust's auditor is unaware; and
- the trustee has taken all the steps that s/he ought to have taken as a trustee in order to make herself/himself aware of any relevant audit information and to establish that New Hall School Trust's auditor is aware of that information.

The Trustees are responsible for the maintenance and integrity of financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

This confirmation is given and should be interpreted in accordance with the provisions of s418 of the Companies Act 2006.

NEW HALL SCHOOL TRUST TRUSTEES' REPORT FOR THE YEAR ENDED 31 JULY 2021

STRATEGIC REPORT

ACHIEVEMENTS AND PERFORMANCE

Review of achievements and performance for the year

Impact of the Pandemic – Covid-19

The School was fully operational from the Michaelmas 2020 term, until the UK Government's closure of all schools in January 2021. New Hall closed between 11 January and 8 March 2021, during which we offered a full curriculum utilising the School's remote learning platform. Since then, the School has remained open, with remote learning put in place for students required to self-isolate for short periods.

Significant measures have been put in place to ensure students and staff are safe, closely following Department for Education and Public Health England guidance. Facilities for handwashing, additional cleaning routines and PPE have been provided. Outdoor play and learning spaces continue to be developed, to support the 'bubble' framework. From September 2021, the School has returned to pre-pandemic operations, without the need for 'bubbles'.

In recognition of the impact on the pandemic on New Hall families, the Trustees took the decision to reduce fees for the Trinity Term 2020 and to reduce fees for the 2020/21 academic year. In addition, extra bursary support was provided on a means-tested basis.

Trustees have met remotely on a regular basis to assess continually the operation of the School and to provide support and guidance. Trustees and Management revisited the future strategy for the School, in light of the developing situation and impact on risks to the School. In recognition of the likely impact of the economic downturn caused by the pandemic for our parents, the consequent uncertainties on future revenues for the School and the immediate and on-going cost of operation under Covid-19 restrictions, a plan of cost reduction was implemented, effective from 2020/21. Reserve and development plans were reviewed and the capital investment plan restricted, concentrating on facilities to support the School to remain open for students under Covid-19 conditions.

Key targets of the 2020/21 Development Plan

The following targets were completed:

1. To support Messing Primary School with funding, infrastructure and response to the pandemic
2. To maximise technology to develop the Remote Learning offering
3. To build the School section of the new road to facilitate the opening of the Northern Access Link Road
4. To install security fencing around the perimeter of the School site
5. To increase outdoor teaching space in response to the pandemic – Covid-19

In addition to the above, the senior staff and Governors have established a Masterplan for the School's medium and long term development and are undertaking various strategic reviews, to assess priorities going forward. A number of feasibility studies have been commissioned in relation to expansion of facilities, including acquisition of additional land/property. NHST's establishment of a Multi Academy trust (NHMAT) will enable it to sponsor further academies, if this is considered appropriate and beneficial. These options are kept under annual review.

School Roll

The roll reached 1,329 by the end of the academic year 2020/21. 1,357 students were confirmed on roll from September 2021.

Academic Standards and Performance

Due to the pandemic, 2021 SATs did not take place.

At GCSE, 79% of grades were at 7+ (A*/A), with 55% at 8+ and over 29% at 9. Eight students achieved a perfect score of straight 9s.

At A Level, 97% of grades were at A*-B, with 75% at A*/A and 39% at A*. 72 students achieved all A* or A grades, with 30 achieving at least three A* grades.

Premises

The buildings and grounds at New Hall are Grade I listed and are a magnificent setting for a school. The extensive facilities and grounds continue to need careful maintenance and, during the year, a thorough programme of improvement and refurbishment continued.

NEW HALL SCHOOL TRUST TRUSTEES' REPORT FOR THE YEAR ENDED 31 JULY 2021

The School prides itself on its rich heritage, magnificent main building and stunning campus. It is a major priority for the School that the campus is developed in a way that enhances its beauty and emphasises its historical features for the benefit of the local and wider community. The School does not receive grants from Historic England for essential works to maintain the main building, and so relies on funding the works through future financial stability, which can be best achieved through the School's recent expansion. Within the grounds, the School has excellent sports facilities, including a 25-metre 6-lane heated indoor swimming pool, ten tennis courts, eight netball courts, two Astroturf hockey/football pitches, 3G pitch, five cricket wickets, eight rugby pitches, a 400-metre national standard athletics track and a purpose-built fitness suite, fully equipped with state-of-the-art gym equipment. Most outdoor facilities are now floodlit.

The School continues to face challenges due to the planned development around the campus within the North East Chelmsford Area Action Plan (NECAAP). The School worked closely throughout the year with professional advisers, Chelmsford City Council and the property developer for NECAAP, to ensure our concerns over the impact that the proposed development could have on New Hall are taken into account during the development stages. The Planning Inspector had previously confirmed the requirement that the potential erosion of the setting of New Hall should be balanced by Compensatory Measures, to be achieved via a comprehensive Land Design & Management Plan. The School therefore continues to engage with the planning process and development of the scheme, to protect NHST's interests and to ensure ways are found to enhance the setting.

In accordance with the key 2020/21 targets in the School Development Plan, a range of premises improvements and new developments have been achieved, to enhance the educational facilities and the campus:

- Improvements to access/egress routes, including the Northern Access Link Road and footpaths and cycle routes

Work also continues on a number of further projects for the future, for which feasibility studies have been completed or are in process:

- Redevelopment of the historic Hawley Quad area, including a dedicated Chaplaincy Hub.
- Construction of two purpose-built lodge-style buildings which would create four self-contained properties for residential accommodation.

Charity Fundraising for those in Need

The students and staff of the School engage in a wide range of charitable work, including raising substantial funds for local, national and international charities. Charitable fundraising continued to have a high profile in School activities, supported by students, staff and parents. In 2020/21, funds were raised for a number of charities including: Macmillan Cancer Support, Brentwood Catholic Children's Society ("BCCS"), Mizen Foundation, Fairtrade Foundation, Cancer Research UK, Australian Red Cross, World Wildlife Fund - Australia, St Vincent de Paul - Australia, Little Havens, NSPCC, Shoebox appeal and the Captain Tom Foundation. In total, we have raised £7,273 for charities in 2020/21.

PUBLIC BENEFIT

Community Service & Charitable Work

Key examples of how the charity provides public benefit through its values and aims:

1. New Hall Multi Academy Trust (NHMAT) – academy sponsorship

NHST has undertaken sponsorship of a primary academy, which was in special measures in 2012, to help enable that school to improve its performance and grow the roll. NHST was the first independent school nationally to agree to sponsor a primary school. For this pioneering work with the maintained sector, NHST was commended by Rt Hon Michael Gove MP, Lord Nash and by the DfE.

NHST established a Multi Academy Trust (NHMAT) from 8 August 2013, having worked closely with the primary school over the previous 18 months, including involvement in the appointment of the new Headteacher. New Hall School shares members of staff and facilities with Messing Primary School; an SMT member has become a Governor of Messing Primary School; specialist teachers from New Hall School teach PE, Mathematics, Languages and swimming to the primary school pupils; and New Hall School staff have assisted with the primary school's educational, IT, payroll, financial, marketing/PR and premises developments.

In the 2020/21 academic year, Messing Primary School's roll remained steady, with 85 pupils by September 2021. Messing Primary School was rated by Ofsted as 'good with outstanding leadership and management, outstanding personal development, behaviour and welfare, and outstanding Early Years' provision' in September 2019.

NEW HALL SCHOOL TRUST TRUSTEES' REPORT FOR THE YEAR ENDED 31 JULY 2021

2. Provision of Catholic Chapel for Public Worship

The School provides its Chapel for the Catholic parish of Springfield, which is open to the public every Sunday morning throughout the calendar year. The School provides facilities for the benefit of the public who attend these services.

3. New Hall Voluntary Service (NHVS)

Through the voluntary work of NHVS and other charitable work, help is given to those in need in the local and wider community. From Year 8, students are invited to join NHVS Action Groups which are appropriate to their age, to give them the opportunity to experience one-to-one contact with those in need in the community. Once they are in Year 12, many of these same students volunteer to become leaders of the Action Groups. This involvement encourages many students to offer voluntary work in their adult lives. Parents, staff and other adults support the activities of the Action Groups in many ways. The current Action Groups are detailed on the School website.

NHVS is important to the educational work of the School and to its religious purpose as a Catholic school. A major feature of a New Hall education, commended by the Diocesan Section 48 inspectors, is the caring ethos and spirit of service to others.

4. Trusteeship of Heritage Campus for the Local Community

The beautiful heritage campus is enjoyed by the local and wider community. The School shares its first class facilities with a variety of educational and religious groups. These facilities are often provided either without charge or at minimal cost.

NHST seeks to protect and enhance the heritage of the Grade I listed building and Grade II listed park and garden (The Avenue), as the setting for the running of New Hall School and for the benefit of others.

5. Organisations Using New Hall Facilities

Many of the New Hall facilities are made available for use by the public. A number of local, regional and national groups have made use of School facilities during the year, including weekdays, evenings, weekends and school holidays. These are detailed on the 'public benefit' section of the New Hall School website.

6. Bursaries and Fee Remissions

NHST has made significant bursaries, grants and fee remissions available. These help students whose parents would otherwise be unable to afford a New Hall education. Bursaries are widely advertised, including on the School website, in the prospectus, in mailings to schools, in parish newsletters, in regional newspapers and magazines, in national papers and by word-of-mouth.

Bursaries and hardship funds are available for current families experiencing financial difficulties. These bursaries and awards can also be for up to 100% of the fees. The pandemic has had a significant financial impact on some New Hall families. In response, the School created a Coronavirus Hardship Fund to ensure continuity of education, particularly for those students completing their examination years. Donations were received from parents to support the fund and has enabled the School to offer an extended number of hardship grants.

During 2020/21, 52 (64 in 2019/20) students in the School benefitted from means-tested bursary grants towards their school fees. Of these 8 (6 in 2019/20) received 100% fee remission. In order to maximise the funds available to existing students, no new bursary awards were made to students joining the School at the start of 2020/21 (15 in 2019/20).

The School also offers other forms of fee discounts to make a New Hall education more accessible to those who would not otherwise be able to join. Sibling discounts are applied from the third child onwards. Grants were also made to cover boarding charges for students who cannot afford this provision. During 2020/21, a total of 349 (340 in 2019/20) students in the whole School did not pay full fees.

7. Community support during Pandemic – Covid-19

In addition to the Coronavirus Hardship Fund, the School was able to support the wider community in a number of ways:

- The School remained open for Key Worker children during term time and School holidays, providing seven days a week cover where required. No fees were charged for this provision, while the School remained under lockdown. The School is not eligible for additional funding for this service. This supported a number of NHS and emergency workers.
- Our Art, Design and Technology staff constructed face masks in response to a request from social care providers. New Hall Chapel has remained open to the Community for Sunday worship, until the Government restrictions were put in place.

FINANCIAL REVIEW

Total income for the year was £23,719,230 (£23,937,187 in 2020) whilst total expenditure amounted to £22,688,613 (£23,381,833 in 2020), giving rise to net income of £1,030,617 (£555,354 in 2020). The net movement in funds, after investment losses of £2,394 (gain of £1,089 in 2020), and an actuarial loss of £31,000 (loss of £17,000 in 2020) in respect of New Hall Multi Academy Trust's Local Government Pension Scheme deficit, was an increase of £997,223 (£539,443 in 2020). This included an increase in general funds of £1,153,029 (£2,533,162 in 2020) and no movement in the designated fund (reduction of £1,770,622 in 2020).

Group tangible fixed assets have increased by £483,950 (£589,496 in 2020) with modernisation of areas within the Senior and Prep Divisions and investment in refurbishment of the Boarding Houses.

Net current assets have reduced by £113,713 (£577,878 reduction in 2020). Cash has reduced by £70,087 (£209,453 reduction in 2020). Debtors have reduced by £251,074 (£746,079 reduction in 2020) with a bad debts provision at a similar level to last year (£277,826 increase in provision in 2020). Debtors and creditors are subject to fluctuations arising from the timing of receipts and payments; net current assets remain within the normal range. Long term liabilities have reduced by £691,380 (£526,736 reduction in 2020) due mainly to the repayment of long term bank loans.

Pandemic – Covid-19

Throughout the year, the impact of the pandemic on the operation of the School has reduced. Student numbers, and therefore income projections, have remained at pre-pandemic levels, and as such a programme of reinvestment into the School started in September 2021.

The School continues to incur significant additional costs from operating under Covid-19 health and safety restrictions, but these have been offset by savings made during a careful review of the School's variable cost base in 2019/20.

New Hall School Enterprises Limited carried out trading activities during the year including the operation of the swimming pool complex at the School. These activities, for legal and tax reasons, are carried out by a commercial company rather than a charity. Due to the pandemic, trading activities were greatly reduced in 2020/21. As a result, the company made a loss of £31,926 for the year. All taxable profits of the company for the year will normally be paid to the NHST under Gift Aid. No payment has been made in 2020/21. It is anticipated that income from such activities will be maintained in future years and the company will be carefully monitored by the Trustees, to ensure the Company returns to profit in the next 12 to 18 months.

While it remains difficult to assess fully the future impact on income of parents and the demand for School places, student numbers and registrations remain robust. The School has been agile in its response to the crisis, both operationally and financially. The liquidity position remains strong. Overall, the Trustees consider the affairs of the charity to be satisfactory, but they are aware of the level of risk associated with the School's borrowing. Initially this debt was incurred to finance the acquisition of the net assets of NHST and subsequent loans have been required to finance the School's expansion. The Trustees continue to be aware of the need to monitor budgets and cash flow forecasts carefully and to ensure that all conditions of the loans continue to be satisfied.

Going Concern

The Trustees have prepared a number of scenarios that consider the cash position, sources of income and planned expenditure of the charity and the group. This includes the impact of Coronavirus on operations together with assumptions regarding recovery thereafter, anticipated over the next 12-18 months. These scenarios consider anticipated student numbers, delayed fee payment, reduced fees and other income, bursary support and potential bad debts. The Trustees have also considered the impact on costs from the measures taken so far to operate under Covid-19 restrictions. Sensitivity around these assumptions has been considered in the forecasts. Results of the financial forecasts and expected future cashflows indicate that the cash reserves of the charity and the group are adequate to meet their obligations as they fall due. Having regard to the above, the Trustees believe it appropriate to adopt the going concern basis of accounting in preparing the financial statements.

Reserves level and policy

At 31 July 2021, NHST had total consolidated reserves of £25,667,295 (£24,670,072 in 2020), comprising permanent endowment funds of £3,004,723 (£3,093,097 in 2020), unrestricted funds of £21,402,266 (£20,249,237 in 2020) (including designated funds of £1,519,466 (£1,519,466 in 2020) and restricted funds of £1,260,306 (£1,327,738 in 2020).

The permanent endowment fund of £3,004,723 is the net book value of the freehold land and buildings gifted to NHST by The Regular Canonesses of the Order of the Holy Sepulchre of Our Lord for use in furtherance of the charity's objectives.

NEW HALL SCHOOL TRUST TRUSTEES' REPORT FOR THE YEAR ENDED 31 JULY 2021

Designated funds of £1,519,466 (£1,519,466 in 2020) represent a donation received from The Regular Canonesses of the Order of the Holy Sepulchre of Our Lord, which has been designated by the School's Trustees for future building projects during the next 5 years.

The restricted funds of £141,199 of the School include unexpended balances of donations and grants held on trust. These have either been raised for, and their use restricted to, specific purposes or they comprise donations subject to donor imposed conditions. There is also a restricted fund balance of £1,119,107 (£1,195,724 in 2020) which represents the funds of New Hall Multi Academy Trust. Full details of these restricted funds can be found in note 21 to the financial statements together with an analysis of movements in the year.

The total free reserves of the Group are considered to be £2,655,797 (£2,612,409 in 2020), after deducting restricted and endowment funds within the group and tangible fixed assets (net of related loans and fixed assets within the endowment and restricted fixed asset funds) of £2,301,498 (£22,057,663 in 2020).

The Trustees have considered carefully an appropriate target level for the Group's free reserves, albeit they acknowledge that the need to continue to invest significantly in the School's facilities may mean that any target is a long term aim. Having regard to the likelihood of financial risks and mitigating factors, the Trustees consider the target level of free reserves should be approximately 6 to 8 weeks expenditure (currently £2.4 million to £3.2 million). At 31 July 2021, free reserves are within this range.

The policy, therefore, is to continue to hold free reserves within the target range, subject to the need to undertake capital projects required to enhance and maintain the educational facilities. The target level will remain under review by the Trustees, particularly with regard to the impact of the pandemic and the impact on cash flow.

Donations

Donations received for the year to 31 July 2021 were £46,048 (£51,499 in 2020). Most donations were in relation to the pandemic emergency hardship fund.

Investment policy, objectives and performance

The charity has one holding invested in a Common Investment Fund, representing funds donated to support scholarship awards. The charity's investment objectives are to generate income to support these awards, while providing security of the capital sum.

The Trustees are satisfied with the overall performance of the charity's investments.

Carbon emissions reporting

The Companies (Directors' Report) and Limited Liability Partnerships (Energy and Carbon Report) Regulations 2018 came into force on 1 April 2019 for accounting periods commencing on or after that date.

UK Greenhouse gas emissions and energy use for the Group

Energy Consumption used to calculate emissions 1 August 2020 to 31 July 2021

		Total Consumption:

Emissions have been calculated with reference to the 2019 HM Government Environmental Reporting Guidelines and GHG Reporting Protocol – Corporate Standard and using the 2021 UK Government's Conversion Factors for Company Reporting. Data have been drawn from invoices from suppliers in all cases.

NEW HALL SCHOOL TRUST TRUSTEES' REPORT FOR THE YEAR ENDED 31 JULY 2021

The chosen intensity measurement ratio is total gross emissions in metric tonnes CO₂e per pupil, the recommended ratio for the school sector.

The Governors take the impact of greenhouse gas emissions on the environment seriously and consider initiatives across the Trust and its subsidiaries, to reduce the impact. As a Grade 1 listed site, significant alterations to mitigate energy usage are limited, however opportunities continue to be explored to reduce energy usage. The following energy efficiency measures have been undertaken:

- Energy Savings Opportunity Scheme (ESOS) compliance audit completed and recommendations for energy efficiency received
- Installation of Passive Infra-Red (PIR) lighting across the School
- Rolling programme to replace all general and display lighting with LED equivalents (30% complete)
- Rolling programme to improve energy efficiency of heating systems, including installation of air source heat pumps to all new builds, and on refurbishment of classrooms, offices and communal areas
- Implementation of new building management systems to improve energy monitoring facilities and variable temperature controls.

FUTURE PLANS

Key Targets for the 2021/22 Academic Year

1. To embed the flexible boarding structure
2. To invest in and promote the whole school Chaplaincy provision
3. To increase the provision of subject specialist teaching within the Preparatory Division
4. To support Messing Primary School with funding, infrastructure and response to pandemic
5. To implement the travel plan to mitigate the impact of external road developments

RISK MANAGEMENT

Principal risks and uncertainties

The principal risks to the School at present are:

1. Continuing impact of the pandemic on the School operations, staffing and students
2. Development risks - traffic congestion, parking, access & egress, planning constraints, pace of change, change of infrastructure

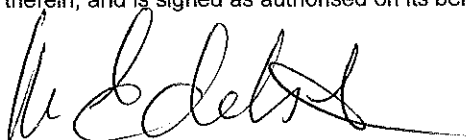

The Trustees have assessed the major risks to which the charity is exposed, in particular those relating to the specific operational areas of the charity, its assets, its investments and its finances. The Trustees believe that by monitoring borrowing and reserve levels, by ensuring controls exist over key financial systems, and by examining the operational and business risks faced by the charity, they have established effective systems to mitigate those risks. Emphasis has been placed on certain key risks so that the chances of occurrence are minimised at source. In relation to the charity's heritage campus, the Trustees have sought to protect the interests of the charity in relation to the City Council's North East Chelmsford Area Action Plan (NECAAP).

Over the last 3 years, development risks including traffic congestion, parking, access & egress have been mitigated by:

- building an Eastern Access Road, New Hall Lane
- building a footpath along the Avenue
- conducting a travel survey including a traffic management plan
- appointing a specialist School Transport Management company who review and monitor the School bus routes
- introducing a zonal parking system on site
- offering breakfast and supper club for day students
- encouraging green travel including investing in a fleet of bikes to be lent to staff and students

This Annual Report, prepared under the Charities Act 2011 and the Companies Act 2006, was approved by the Governing Body of New Hall School Trust on 23 March 2022, including in their capacity as company directors approving the Strategic Report contained therein, and is signed as authorised on its behalf by:

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF NEW HALL SCHOOL TRUST

Opinion

We have audited the financial statements of New Hall School Trust (the 'parent charitable company') and its subsidiaries (the 'group') for the year ended 31 July 2021 which comprise the consolidated Statement of Financial Activities the consolidated and parent charity Balance Sheets, the consolidated Cash Flow Statement and notes to the financial statements, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the group's and the parent charitable company's affairs as at 31 July 2021 and of the group's incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We have been appointed auditors under the Companies Act 2006 and section 151 of the Charities Act 2011 and report in accordance with those Acts.

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the group and parent charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the group's or parent charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the Annual Report other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information contained within the Annual Report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Trustees' Report, which includes the Directors' Report and the Strategic Report prepared for the purposes of company law, for the financial year for which the financial statements are prepared is consistent with the financial statements; and

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF NEW HALL SCHOOL TRUST (CONTINUED)

- the Directors' Report and the Strategic Report included within the Trustees' Report have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the group and the parent charitable company and their environment obtained in the course of the audit, we have not identified material misstatements in the Directors' Report, or the Strategic Report included within the Trustees' Report.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept by the parent charitable company, or returns adequate for our audit have not been received from branches not visited by us; or
- the parent charitable company financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the Statement of Trustees' responsibilities, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the group's and parent charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the group or parent charitable company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The extent to which the audit was considered capable of detecting irregularities, including fraud

Irregularities are instances of non-compliance with laws and regulations. The objectives of our audit are to obtain sufficient appropriate audit evidence regarding compliance with laws and regulations that have a direct effect on the determination of material amounts and disclosures in the financial statements, to perform audit procedures to help identify instances of non-compliance with other laws and regulations that may have a material effect on the financial statements, and to respond appropriately to identified or suspected non-compliance with laws and regulations identified during the audit.

In relation to fraud, the objectives of our audit are to identify and assess the risk of material misstatement of the financial statements due to fraud, to obtain sufficient appropriate audit evidence regarding the assessed risks of material misstatement due to fraud through designing and implementing appropriate responses and to respond appropriately to fraud or suspected fraud identified during the audit.

However, it is the primary responsibility of management, with the oversight of those charged with governance, to ensure that the entity's operations are conducted in accordance with the provisions of laws and regulations and for the prevention and detection of fraud.

In identifying and assessing risks of material misstatement in respect of irregularities, including fraud, the group audit engagement team:

- obtained an understanding of the nature of the sector, including the legal and regulatory framework that the group and parent charitable company operates in and how the group and parent charitable company are complying with the legal and regulatory framework;

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF NEW HALL SCHOOL TRUST (CONTINUED)

- inquired of management, and those charged with governance, about their own identification and assessment of the risks of irregularities, including any known actual, suspected or alleged instances of fraud;
- discussed matters about non-compliance with laws and regulations and how fraud might occur including assessment of how and where the financial statements may be susceptible to fraud.

As a result of these procedures, we consider the most significant laws and regulations that have a direct impact on the financial statements are FRS 102, Charities SORP (FRS 102), Companies Act 2006, Charities Act 2011, the parent charitable company's governing document, tax legislation and Charities (Protection and Social Investment) Act 2016. We performed audit procedures to detect non-compliances which may have a material impact on the financial statements which included reviewing the financial statements including the Trustees' Report, remaining alert to new or unusual transactions which may not be in accordance with the governing documents, inspecting correspondence with local tax authorities and evaluating advice received from external advisors.

The most significant laws and regulations that have an indirect impact on the financial statements are The Education (Independent School Standards) Regulations 2014, Keeping Children Safe in Education under section 175 of the Education Act 2002, and the UK General Data Protection Regulation (UK GDPR). We performed audit procedures to inquire of management and those charged with governance whether the charitable company is in compliance with these law and regulations and inspected correspondence with regulatory authorities.

The group audit engagement team identified the risk of management override of controls as the area where the financial statements were most susceptible to material misstatement due to fraud. Audit procedures performed included but were not limited to testing manual journal entries and other adjustments, evaluating the business rationale in relation to significant, unusual transactions and transactions entered into outside the normal course of business.

A further description of our responsibilities for the audit of the financial statements is provided on the Financial Reporting Council's website at <http://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

NEW HALL SCHOOL TRUST

PRINCIPAL ACCOUNTING POLICIES

FOR THE YEAR ENDED 31 JULY 2021

ACCOUNTING POLICIES

The financial statements have been prepared under the historical cost convention, as modified by the inclusion of investments at market value and freehold land and buildings at a valuation, and in accordance with the requirements of the Companies Act 2006 and the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102).

Consolidated accounts have been prepared on a line by line basis for the charity and its wholly owned subsidiary. New Hall School Trust ("NHST") has the power under its sponsorship agreement with New Hall Multi Academy Trust ("NHMAT") to appoint Governors and to govern the financial and operating policies. As a consequence, it is considered under FRS102 to have control and therefore NHMAT has been consolidated into these financial statements. The audited accounts for NHMAT have been consolidated for the year ended 31 August 2021 in line with NHMAT's academic year end, as it is not considered that the differing reporting dates will have a significant impact on the position reported. As a qualifying entity within the meaning of FRS102, the charitable company has chosen to take advantage in its individual financial strategy of the following disclosure exemptions: Section 7 Statement of Cash Flows, Section 11 Basic Financial Instruments and Section 12 Other Financial Instrument Issues.

The School is a Public Benefit Entity registered as a charity in England and Wales and a company limited by guarantee. It was incorporated on 6 June 2005 (5472420) and registered as a charity on 1 July 2005 (charity number 1110286).

These financial statements are presented in pounds sterling and are rounded to the nearest £.

GOING CONCERN BASIS OF ACCOUNTING

At the time of this report, the impact of the pandemic – Covid-19 continues to evolve and the long term impact on New Hall School Trust remains uncertain. Mitigating action has been taken to respond to current and future scenarios, to secure the future provision of education for students as well as employment of staff. Further details of the measures adopted and the sensitivities considered by the Trustees in response to the crisis are provided in the Financial Review on page 11 of the report.

Demand for School places at New Hall School remains strong, with historically high numbers enrolled for the academic year 2021/22. The charity currently holds significant cash balances and cash flow modelling with sensitivity analysis in the period to 31 July 2023 indicates that the cash reserves of the charity are adequate to meet the charity's obligations as they fall due.

The Trustees therefore continue to have a reasonable expectation that the Group and Charity have adequate resources to continue in operation for at least 12 months from the date of approval of the financial statements and that there are no material uncertainties about the group and charity's ability to continue as a going concern. Thus they continue to adopt the going concern basis of accounting in preparing the financial statements.

CRITICAL ACCOUNTING JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY

In the application of the accounting policies, trustees are required to make judgement, estimates, and assumptions about the carrying value of assets and liabilities that are not readily apparent from other sources. The estimates and underlying assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affected current and future periods.

Critical Judgements

The estimates and assumptions which have a significant risk of causing a material adjustment to the carrying amount of assets and liabilities are outlined below:

- ◆ **Useful economic lives of tangible fixed assets**

The annual depreciation charge for tangible fixed assets is sensitive to changes in the estimated useful economic lives and residual values of the assets. Useful economic lives and residual values are reviewed annually and reassessed where necessary to better reflect the actual usage of the assets involved.

- ◆ **Provision for fee debtors**

The trustees consider whether fee debts are recoverable. Where there is an indication that recovery is unlikely, the amounts involved are recognised as a provision for bad debts. This assessment requires an estimation of future likely receipts in order to calculate the appropriate amount of any provision.

The trustees do not consider there to be any significant sources of estimation uncertainty giving significant risk of causing a material adjustment to these financial statements.

NEW HALL SCHOOL TRUST
PRINCIPAL ACCOUNTING POLICIES (CONTINUED)
FOR THE YEAR ENDED 31 JULY 2021

INCOME

Income is recognised in the period in which the group is entitled to receipt and the amount can be measured with reasonable probability.

Fees receivable and charges for services and use of premises are accounted for in the year in which the services are provided.

Fees receivable are stated after deducting bursaries, scholarships and other remissions allowed by the School, but include contributions received from restricted bursary funds and third parties.

Registration fees are non-refundable and are credited to income when received.

Deposits are included as a liability until refunded or, on ceasing to be refundable, are credited to income.

Advance fees are credited to income as and when they fall due.

Funding for Educational Purposes are grants received from Education & Skills Funding Agency and Local Authority for the operation of Messing Primary School.

Rents are stated gross and are included on an accruals basis. Interest is included on an accruals basis. Dividends from investment funds are included as receivable on the due dates.

Donations are accounted for in the financial year in which they are received. Donations received for the general purposes of the School are credited to Unrestricted Funds. Donations subject to specific wishes of the donors are credited to the relevant Restricted Fund, or to Endowment Funds where the amount is held as expendable capital.

GRANTS RECEIVABLE FOR REVENUE EXPENDITURE

Grants are recognised in the Statement of Financial Activities ("SOFA") when the conditions for receipt have been met. Where a grant is performance related, i.e. linked to specific volumes of output, the grant income will be recognised to the extent that the service has been provided.

General Annual Grant is recognised in full in the year for which is receivable and any unspent amount is reflected as a balance of the Multi Academy Trust restricted fund.

Grants without preconditions are recognised immediately in the SOFA.

GRANTS RECEIVABLE FOR CAPITAL EXPENDITURE

Grants in respect of capital expenditure are recognised in the SOFA when receivable and not deferred. Once the capital asset is acquired, the asset is then used in line with the funder's requirements. Where the restriction remains, the asset is allocated to a restricted fund and shown as restricted capital reserves. The reserves are then reduced each year by the amount of the annual depreciation charge to the asset.

EXPENDITURE AND THE BASIS OF APPORTIONING COSTS

Expenditure is included in the SOFA when incurred and includes any attributable VAT which cannot be recovered.

Expenditure comprise the following:

- ♦ The costs of charitable activities include direct costs and overheads associated with generating donations and trading income.
- ♦ Expenditure on raising funds comprises expenditure on the charity's primary charitable purposes as described in the trustees' report. Such costs include provision of education. This comprises:
- ♦ Teaching costs i.e. the cost of salaries, pension, and national insurance costs for teaching and support staff, including curriculum technician and Preparatory School classroom assistants, books and other tuition expenses, and the cost of games and activities.
- ♦ Welfare costs i.e. all domestic and sundry costs relating to boarding including house staff and domestic staff employment costs for boarding houses, school health centre costs, consumables, laundry and catering costs. Welfare costs also include costs of Preparatory School nurses and after school care assistants.
- ♦ Premises costs i.e. all costs associated with the premises, grounds and estate belonging to the charity and used for the purposes of education, including the salaries etc. of certain domestic staff and the estate staff.
- ♦ Support costs of schooling i.e. costs of directly administering and supporting the School operations including the cost of the Admissions and Marketing department, Bursary and School Office.
- ♦ Governance costs include expenditure on compliance with constitutional and statutory requirements.

The majority of costs are directly attributable to specific activities and any apportionment between headings is negligible.

NEW HALL SCHOOL TRUST
PRINCIPAL ACCOUNTING POLICIES (CONTINUED)
FOR THE YEAR ENDED 31 JULY 2021

TANGIBLE FIXED ASSETS

All individual assets or sets of assets costing more than £2,500 and with an expected useful life exceeding one year are capitalised.

Freehold land and buildings, furniture and equipment and motor vehicles purchased on or prior to 1 August 2005 (being the date the net assets and operations of the School transferred to the Trust) are included in the accounts at their deemed cost at that date based on valuations determined by the trustees as at that date with professional assistance, based on their open market value for existing use. All assets purchased after 1 August 2005 are shown on the balance sheet at cost. Tangible assets are derecognised on disposal or when no future economic benefits are expected. On disposal, the difference between the net disposal proceeds and the carrying amount is recognised in income receipts in the relevant year.

Impairment reviews are carried out as and when evidence comes to light that the recoverable amount of an asset is below its net book value due to damage, obsolescence or other relevant factors. If the recoverable amount is estimated to be lower than the carrying amount, the carrying amount is reduced to its recoverable amount and an impairment loss is recognised in the SOFA.

♦ **Freehold land and buildings**

With the exception of freehold buildings under construction and land, neither of which are depreciated, buildings are depreciated at a rate of 2% per annum on a straight line basis or depreciated over their estimated useful life where the building is classed as a temporary structure.

Modifications to existing buildings are depreciated over a 15 year period on a straight line basis in order to write the modifications off over their estimated useful life.

♦ **Fixtures, furniture and equipment**

Fixtures, furniture and equipment are capitalised and depreciated at a rate of between 10% and 33.33% per annum on cost in order to write off each asset over its estimated useful life.

♦ **Motor vehicles**

Motor vehicles are capitalised and depreciated at rates of between 20% and 25% per annum on cost in order to write off each asset over its estimated useful life.

INVESTMENTS

With the exception of investments in subsidiary companies, investments are included on the balance sheet at their market value at the end of the financial year. Realised and unrealised gains (or losses) are credited (or debited) to the SOFA in the period in which they arise, less impairment.

Investments in subsidiary companies are included in the financial statements at cost.

STOCKS

Stocks of miscellaneous supplies are valued at the lower of cost and net realisable value.

FUND ACCOUNTING

The permanent endowment fund comprises freehold land and buildings gifted to the Trust by The Regular Canonesses of the Order of the Holy Sepulchre of Our Lord for use in the furtherance of the charity's objectives. The fund is reduced each year by the depreciation attributable to the underlying buildings.

The general fund comprises those monies which may be used towards meeting the charitable objectives of the charity and which may be applied at the discretion of the trustees.

The designated fund comprises unrestricted funds of the charity which have been designated by the Trustees for particular purposes consistent with meeting the charitable objectives of the charity.

The restricted funds are monies given for, and their use restricted to, a specific purpose, or donations subject to donor imposed conditions.

Non-charitable trading funds consist of the retained profits or accumulated losses of activities conducted through non-charitable trading subsidiaries.

NEW HALL SCHOOL TRUST
PRINCIPAL ACCOUNTING POLICIES (CONTINUED)
FOR THE YEAR ENDED 31 JULY 2021

FINANCIAL INSTRUMENTS

Basic financial instruments are initially recognised at transaction value and subsequently measured at amortised cost. Financial assets comprise cash at bank and in hand, together with trade and other debtors. A specific provision is made for debts for which recoverability is in doubt. Cash at bank and in hand is defined as all cash held in instant access bank accounts and used as working capital. Investments, excluding those in subsidiary undertakings which are held at cost, are held at fair value at the Balance Sheet date, with gains and losses being recognised within income and expenditure. Financial liabilities held at amortised cost comprise all creditors except social security and other taxes, deferred income and provisions. Assets and liabilities held in foreign currency are translated to GBP at the balance sheet date at an appropriate year end exchange rate.

LEASED ASSETS

Assets under finance lease agreements are capitalised and disclosed under tangible fixed assets at their fair value. The capital element of the future payment is treated as a liability and the interest charged to the SOFA on a straight line basis.

Under operating leases, the lessor effectively retains substantially all of the risks and rewards of ownership. The rentals are charged on a straight-line basis over the lease term.

PENSION COSTS

The Charity contributes to the Teachers' Pension Defined Benefits Scheme at rates set by the Scheme Actuary and advised to the Board by the Scheme Administrator. Contributions are charged in the period in which the salaries to which they relate are payable. The scheme is a multi-employer pension scheme and it is not possible to identify the assets and liabilities of the scheme on a consistent basis and therefore, as required by FRS102, the Charity accounts for the scheme as if it were a defined contribution scheme.

Contributions are paid, in respect of support staff of the School, to the Standard Life Stakeholder Pension Scheme, a defined contribution scheme. Contributions are charged to expenditure when falling due.

Retirement benefits to non-teaching staff of New Hall Multi-Academy Trust are provided by the Local Government Pension Scheme ('LGPS'). This is a defined benefit scheme and the assets are held separately from those of NHMAT.

The LGPS is a funded scheme and the assets are held separately from those of the academy trust in separate trustee administered funds. Pension scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected unit credit method and discounted at a rate equivalent to the current rate of return on a high quality corporate bond of equivalent term and currency to the liabilities. The actuarial valuations are obtained at least triennially and are updated at each Balance Sheet date. The amounts charged to operating surplus are the current service costs and the costs of scheme introductions, benefit changes, settlements and curtailments. They are included as part of staff costs as incurred. Net interest on the net defined benefit liability/asset is also recognised in the SOFA and comprises the interest cost on the defined benefit obligation and interest income on the scheme assets, calculated by multiplying the fair value of the scheme assets at the beginning of the period by the rate used to discount the benefit obligations. The difference between the interest income on the scheme assets and the actual return on the scheme assets is recognised in other recognised gains and losses.

Actuarial gains and losses are recognised immediately in other recognised gains and losses.

Following a restructuring process, termination payments totalling £30,102 (2020 - £325,413) have been made. The full liability due has been included in these financial statements.

NEW HALL SCHOOL TRUST
NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
FOR THE YEAR ENDED 31 JULY 2021

10 TRUSTEES' REMUNERATION

No trustee or governor received any remuneration in respect of these voluntary services during the year from either the charity or the group (2020 - none). £730 (2020 - £1,051) was reimbursed to four trustees (2020 - five) for travel and incidental expenses incurred in the course of their duties during the year. The general insurance policy of the charity includes professional indemnity insurance, which includes cover for the personal liability of trustees. The premium paid in respect of this cover is not identified separately. During the previous year (2020), a donation of salary of £27,520 was made to the School, via Payroll Giving, by one of the governors (the Principal), to assist with the pandemic emergency hardship fund for students and with staff retention, given the sudden loss of income from fees due to the pandemic. The Principal was appointed to the board of governors from 1 July 2008, in accordance with the Memorandum and Articles of Association; no payment was received for governance work undertaken throughout the year (2020 - £nil). During the year, salary payments were made in accordance with the contract of employment for services as Principal of New Hall School (1,329 students, aged 1-18; 320 staff) and Executive Head & Accounting Officer of NHMAT (85 pupils, aged 4-11). Due to the pandemic, the salary was frozen at £214k (2020 - £214k); standard TPS employer's pension contributions of £26k were made (part taken as salary in 2020). Benefits in kind were £12k (2020 - £12k).

11 TAXATION

New Hall School Trust is a registered charity and, therefore, is not liable to income tax or corporation tax on income or gains derived from its charitable activities, as they fall within the various exemptions available to registered charities.

23 PENSION COMMITMENTS

Teachers' Pension Defined Benefits Scheme

The School and the Multi-Academy Trust participate in the Teachers' Pension Scheme ("the TPS") for their teaching staff. The pension charge for the year includes contributions payable to the TPS of £1,180,236 (2020: £1,269,819) and at the year-end £8,422 (2020 - £147,598) was accrued in respect of contributions to this scheme.

The TPS is an unfunded multi-employer defined benefits pension scheme governed by the Teachers' Pension Regulations 2010 (as amended) and the Teachers' Pension Scheme Regulations 2014 (as amended). Members contribute on a "pay as you go" basis with contributions from members and the employer being credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

The employer contribution rate is set following scheme valuations undertaken by the Government Actuary's Department. The latest actuarial valuation of the TPS was prepared as at 31 March 2016 and the valuation report, which was published in March 2019, confirmed an employer contribution rate for the TPS would increase from 16.4% to 23.6% from 1 September 2020. Employers are also required to pay a scheme administration fee of 0.08% giving a total employer contribution rate of 23.68%.

The 31 March 2016 Valuation Report was prepared in accordance with the benefits set out in the scheme regulations and under the approach specified in the Directions, as they applied at 5 March 2019. However, the assumptions were considered and set by the Department for Education prior to the ruling in the 'McCloud/Sargeant case'. This case has required the courts to consider cases regarding the implementation of the 2015 reforms to Public Service Pensions including the Teachers' Pensions.

On 27 June 2019 the Supreme Court denied the government permission to appeal the Court of Appeal's judgment that transitional provisions introduced to the reformed pension schemes in 2015 gave rise to unlawful age discrimination. The government is respecting the Court's decision and has said it will engage fully with the Employment Tribunal as well as employer and member representatives to agree how the discriminations will be remedied. The government announced on 4 February 2021 that it intends to proceed with a deferred choice underpin under which members will be able to choose either legacy or reformed scheme benefits in respect of their service during the period between 1 April 2015 and 31 March 2022 at the point they become payable.

The TPS is subject to a cost cap mechanism which was put in place to protect taxpayers against unforeseen changes in scheme costs. The Chief Secretary to the Treasury, having in 2018 announced that there would be a review of this cost cap mechanism, in January 2019 announced a pause to the cost cap mechanism following the Court of Appeal's ruling in the McCloud/Sargeant case and until there is certainty about the value of pensions to employees from April 2015 onwards. The pause was lifted in July 2020, and a consultation was launched on 24 June on proposed changes to the cost control mechanism following a review by the Government Actuary. Following a public consultation, the Government have accepted three key proposals recommended by the Government Actuary, and are aiming to implement these changes in time for the 2020 valuations.

In view of the above rulings and decisions the assumptions used in the 31 March 2016 Actuarial Valuation may become inappropriate. In this scenario, a valuation prepared in accordance with revised benefits and suitably revised assumptions would yield different results than those contained in the Actuarial Valuation.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
FOR THE YEAR ENDED 31 JULY 2021

24 PENSION COMMITMENTS (CONTINUED)

Until the cost cap mechanism revision is completed it is not possible to conclude on any financial impact or future changes to the contribution rates of the TPS. Accordingly no provision for any additional past benefit pension costs is included in these financial statements.

This employer rate will be payable until the outcome of the next actuarial valuation, which is due to be prepared as at 31 March 2020 and completed in 2022, with any resulting changes to the employer rate expected to take effect from 1 September 2023. This valuation will also determine the opening balance of the cost cap fund and provide an analysis of the cost cap as required by the Public Service Pensions Act 2013.

Standard Life Stakeholder Pension Scheme

This is a defined contribution scheme towards which employees can choose their level of contribution. For employees who commenced employment before 1 January 2010 for contributions up to 9% of gross salary, this is matched by the employer, but if 9% or above, then employer contributions are 9%. For employees who commenced employment from 1 January 2010, the maximum employer contribution is 3% of gross salary. The cost to the charity of contributions paid to the Scheme during the year was £132,854 (2020: £139,729) and at the year-end £28,718 (2020 - £25,080) was accrued in respect of contributions to this scheme..

Local Government Pension Scheme

The LGPS is a funded defined benefit scheme, with assets held in separate trustee-administered funds. The total contribution made for the year ended 31 August 2021 was £30,000 (2020 - £29,000), of which employer's contributions totalled £24,000 (2020 - £23,000) and employees' contributions totalled £6,000 (2020 - £6,000). The agreed contribution rates for future years are 24.6% for employers and 6% for employees.

Parliament has agreed, at the request of the Secretary of State for Education, to a guarantee that, in the event of academy closure, outstanding Local Government Pension Scheme liabilities would be met by the Department for Education. The guarantee came into force on 18 July 2013.
