Objectives and activities

The mission statement of Friar Park Millennium Centre is "To work with partners to improve the quality of life for all who live and work in Friar Park". Our Vision for the Friar Park Ward is to create a place that is safe, sustainable and cohesive, where people are happy to live and experience positive outcomes with regards to education, health, employment and prosperity. The principal activity of the charity is to act as a local community hub organisation, co-ordinating neighbourhood community action through the delivery of an annual programme of community activities. Friar Park Millennium Centre aims to be responsive to the changing needs of the community through ongoing consultations, informed research and by adopting a community development approach to all of its work. Innovative solutions are sought through discussion with local people, partners and funding agencies to create a portfolio of projects designed at providing activities and services to address the ongoing social disadvantages faced by the community. The Board has set the following objectives: -

Objective 1: Elderly & Disability

Objective 5: Education & learning

FRIAR PARK MILLENNIUM CENTRE

TRUSTEES' REPORT (CONTINUED)(INCLUDING DIRECTORS' REPORT) FOR THE YEAR ENDED 31 MARCH 2022

Who has benefitted from our Annual Plan of Community Activities in 2021 - 2022?

Our beneficiaries are the wider community of the 5000 homes and businesses of the Friar Park ward who live and/or work in the three neighbourhoods / estates of Friar Park, Mesty Croft, Woods (approximately 12000 people). We believe the whole community of the ward have benefitted both directly and indirectly from the Community Activities programme, enhanced community cohesion and improved levels of social maturity and responsibility, which have led to a reduction in anti-social behaviour. However, our primary beneficiaries have been those vulnerable members of the community who are willing and able to take part in centre-based activities and projects. These continue to include at risk children/young people from families living below the poverty line; potentially isolated elderly and disabled individuals who would be housebound; and other adults at risk of ill health which include Alzheimer's / Stroke victims and those who are physically inactive/obese.

Regular activities that meet our core objectives

Objective 1: Elderly & Disability

We provide a portfolio of community projects/activities which engage with local elderly (aged 65+ years) and disabled people on a weekly basis to meet their social and emotional needs. Currently including 3 day and 2 evening opportunities to meet with both new and old friends, including Community transport door to door service. Activities include Friendship Group, Over 60s club and Evening bingo sessions. Total number of participants per month ~200.

Objective 2: Children & Young people

We host and provide a range of weekly activities for children (aged 5-12 years) and young people (aged 13-18 years). This currently includes 2 sessions after school and weekends supported by Heart of England, 2 Youth Club Sessions for Young People, 6 sport and dance sessions for youth. There have been 215 participants and activities include Junior Youth club, Street dance, Gymnastics, Trampolining and Freestyle dance. We are also providing a weekly youth club for 13-18yrs. Sandwell air scouts 617 continue to provide sessions for young people and has proved to be extremely popular with a membership of 80-100 young people.

Objective 3: Healthy living & Sports development

The centre has developed a health and fitness programme with local partners to address the chronic lack of active participation in sports and exercise in the ward. Sessions include Fit Lab Gym, Zumba, Chair Yoga, and a campaign funded by 'This Girl Can', and provisions have been purchased to begin a roller disco. The centre also holds weekly table tennis sessions. These sessions often attract over 50 participants per week.

Objective 4: Economic wellbeing

Volunteering and part-time employment of local people within the centre include, Project management, Site management, Administrative/office work, Play work, Youth work, Community outreach, Befriending, Mentoring, Sports leadership, Event management, Catering, Advice and guidance, and Fundraising. This year, we have facilitated work placements. The learning objectives for the work placement includes improving skills, knowledge, and deep understanding of financial development of a company. The centre works with 10 local volunteers to help them gain vocational skills and experience.

Objective 5: Education & learning

Little legends have been based at the centre since 2014 and is a well-run preschool with 5 staff and currently 40 children offering early years education. The centre hosts local councillors' surgeries providing local community champions with a voice to express their concerns and views for the ward.

Objective 6: Social Enterprise

As well as the Service Level Agreement funding provided by Sandwell Metropolitan Borough Council and rental income from anchor tenant and service users, the centre is constantly looking at ways to generate income and fund new projects. We currently generate income by hiring out carpark space to a local company to house storage containers and have a monthly income for housing the C.C.T.V. equipment for the estate.

FRIAR PARK MILLENNIUM CENTRE

TRUSTEES' REPORT (CONTINUED)(INCLUDING DIRECTORS' REPORT) FOR THE YEAR ENDED 31 MARCH 2022

Objective 7: Social Cohesion

In shaping our objectives for the year and planning our activities, the trustees have considered the Charity Commission's guidance on public benefit, including the guidance 'public benefit: running a charity (PB2)'. The centre relies on grants and the income from rental to cover its operating costs. Our anchor tenant provides free nursery provision for local parents (Little Legends). Affordability and access to our programmes is important to us and is reflected in our pricing policy where activities for young people are free of charge and room hire for the weekly clubs and sports activities are easily affordable.

We endeavour to encourage all within our community to take part in our activities and to attend our community events and fun days. We have provided Sports session for girls from different ethnic backgrounds which has enabled them to try new sessions and meet new friends.

Centre staff and trustees have worked hard to decorate the centre and we are now opening the centre for parties and community bookings.

Most of our trustees, activity leaders, volunteers and members are from the local community and are people who have a passion to see the Friar Park Ward and its people grow and flourish.

Achievements and performance

The trustees are delighted to report that the FPMC has continued to grow both financially and in impact on the lives of local people. We are grateful to our regular service users who have continued to use the centre.

There have also been several positive achievements for the organisation in 2021/22. We have continued to work together in partnership with over 30 local groups and external agencies to provide a wide range of community activities. Of note, remains our work with children which continues to flourish. (objective 2).

The centre continues to employ two Community Development Officers who have been looking for funding opportunities to extend the range of activities and provisions that are available for residents and partners. We have continued to receive grants to help fund the activities Friar Park Millennium Centre run.

Financial review

Income of £38,503 was received in the year through the subletting of rooms within the centre.

Grants totalling £201,394 were received from various funders during the year for work on specific projects within the centre and local community. Funding includes the Service Level Agreement from Sandwell MBC to aid staffing and running costs. Restricted grants are covered in more detail in note 9 of these accounts.

The organisation has maintained an acceptable level of reserves.

At the end of 2021/22, £65,365 has been carried forward in unrestricted reserves and a balance remains on restricted funds of £83,212 to be spent in the coming financial year.

Reserves Policy

It is the policy of the charity that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to between three and six month's expenditure. The trustees consider that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the charity's current activities while consideration is given to ways in which additional funds may be raised.

Current financial uncertainties

STATEMENT OF TRUSTEES' RESPONSIBILITIES

FOR THE YEAR ENDED 31 MARCH 2022

The trustees, who are also the directors of Friar Park Millennium Centre for the purpose of company law, are responsible for preparing the Trustees' Report and the accounts in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company Law requires the trustees to prepare accounts for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that year.

In preparing these accounts, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent; and
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the accounts comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

FRIAR PARK MILLENNIUM CENTRE

INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEES OF FRIAR PARK MILLENNIUM CENTRE

I report on the accounts of the charity for the year ended 31 March 2022, which are set out on pages 8 to 16.

Respective responsibilities of trustees and examiner

The charity's trustees, who are also the directors of Friar Park Millennium Centre for the purposes of company law, are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed. The charity's gross income exceeded £250,000 and I am qualified to undertake the examination being a qualified member of Chartered Certified Accountants.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- (i) examine the accounts under section 145 of the 2011 Act;
- (ii) to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- (iii) to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the next statement.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (a) which gives me reasonable cause to believe that in any material respect the requirements:
 - (i) to keep accounting records in accordance with section 386 of the Companies Act 2006; and
 - (ii) to prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities;have not been met or
- (b) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
