Staff and Training

There were 13 people employed to work directly with the children. We also employ an administrator and a cleaner. Staff have attended continuous professional development training throughout the year.

Termly 'Early Years Briefings' were also attended by management until March 2020 (due to lockdown), enabling us to receive up to date information regarding Ofsted, the EYFS, inclusion, safeguarding and DBS checks. We also have network online meetings with our neighbouring early years providers. The setting's SENCO also attended regular meetings specifically regarding inclusion and 'Special Educational Needs'.

Staff and committee meetings were held regularly throughout the year.

Wrap-around care

Breakfast and after school clubs remain popular, providing a much needed provision for parents/children who require full day care. Breakfast and after school clubs also provide care for children attending the local primary school, as well as children attending the nursery. However these numbers were limited due to covid.

Students

We provided placements for school pupils on work experience before lockdown. We aim to provide all students with experiences that contribute to the successful completion of their studies and provide examples of high quality practice in early years care and education.

Fundraising.

We held various fund raising activities throughout the year before lockdown, including

- Autumn disco
- Christmas fair

Health & Safety

Fire extinguishers have been serviced. All electrical items have been PAT tested.

Maintenance and Purchases.

We have made no major purchases throughout the year and funds raised through charitable events have been used to purchase much needed resources for the children.
