## Statement of Trustees' Responsibilities

The trustees are responsible for preparing the trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland".

Charity law requires the trustees to prepare financial statements for each financial period that give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure of the charity for that period. In preparing those financial statements, the trustees are required to:

- (a) select suitable accounting policies and apply them consistently;
- (b) comply with applicable accounting standards, including FRS 102, subject to any material departures disclosed and explained in the financial statements;
- (c) state whether a statement of recommended practice applies and has been followed, subject to any material departures which are explained in the financial statements;
- (d) make judgements and estimates that are reasonable and prudent;
- (e) prepare the financial statements on a going-concern basis unless it is inappropriate to presume that the charity will continue in business.

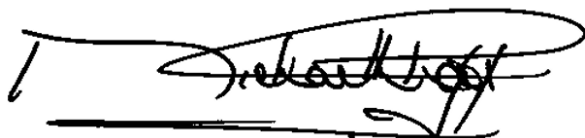

The trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with current law.

They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities. Insofar as the trustees are aware:

- (a) there is no relevant audit information of which the charity's independent examiner is unaware; and
- (b) the trustees have taken all the steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

The trustees' annual report is approved by the trustees of the charity.

## INDEPENDENT EXAMINER'S REPORT

Independent examiner's report to the trustees of The Brompton Fountain Royal Brompton & Harefield Family Support Group (Charity no 1110339) on the financial statements of the charity for the year ended 31 December 2024, which comprise the statement of Financial Activities, the Balance Sheet and the related notes.

### Responsibilities and basis of report

The charity's trustees responsible for the preparation of the accounts in accordance with the Charities Act 2011 ('the Act'). The Charity's trustees consider that an audit is not required for this year under section 144 of the Act and that an independent examination is needed.

It is my responsibility to examine the accounts under section 145 of the Charities Act, follow the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act, and state whether particular matters have come to my attention.

### Independent examiner's statement

Where the charity's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination by being a member of the Chartered Association of Certified Accountants, which is one of the listed bodies.

I have completed my examination. I confirm that:

- (1) In connection with my examination, no material matters have come to my attention which give me cause to believe that, in any material respect:
  - the accounting records were not kept in accordance with section 130 of the Charities Act; or
  - the accounts did not accord with the accounting records; or
  - the accounts did not comply with the applicable requirements concerning the form and content of the accounts set out in the Charities (Accounts and Report) Regulation 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.
- (2) I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

## Notes forming part of these Financial Statements for the year ended 31 December 2024

### 1. Accounting Policies

#### a. Basis of Preparation

The financial statements have been prepared under the historical cost convention. The financial statements have been prepared in accordance with the Statement of Recommended Practice (SORP), "Accounting and Reporting by Charities" applicable to charities in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014, the Charities Act 2011 and UK Generally Accepted Practice as it applies from 1 January 2015.

The Charity is a public benefit entity as defined by FRS 102.

The Financial Statements are prepared on the going concern basis which assumes that the charity will continue in operational existence for the foreseeable future. The Board of Trustees have considered the working capital and cash flow requirements and consider that the current and forecast cash resources are sufficient to cover the working capital requirements of the Charity for at least 8 months.

No material prior year errors have been identified in the reporting period.

#### b. Key judgements and estimates

Accounting estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

#### c. Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objects of the Charity and which have not been designated for other purposes. Designated funds comprise unrestricted funds that have been set aside by the Board of Trustees for particular purposes. Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised for particular purposes. The cost of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

#### d. Incoming Resources

All incoming resources are included in the Statement of Financial Activities when the Charity is legally entitled to the income, and the amount can be quantified with reasonable accuracy.

#### e. Resources Expended

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with use of the resources.

Expenditure on raising funds includes the generation of voluntary funds, the salary costs, the associated administration and cost of fundraising events, such IT, printing and stationery, and postage.

Expenditure on charitable activities includes all costs identified as wholly or mainly incurred in the pursuit of the charitable objects of the charity. These costs constitute direct costs together with apportionment of support costs and governance.

## Accounting Policies (continued)

- f. Pension Costs  
Pension costs for the defined contribution scheme are charged to the accounts on an accruals basis in accordance with FRS 102 and SORP 2015. Details of the pension schemes are disclosed in note 5 to the accounts.
- g. Employee Benefits  
Expenditure is recognised for all employee benefits resulting from their service to the Charity during the period.
- h. Stock  
Stock is valued at the lower of cost and net realisable value.
- i. Debtors  
Debtors are amounts owed to the Charity. They are measured on the basis of their recoverable amount.
- j. Cash at bank and in hand  
Cash at bank and in hand is held to meet the day to day running costs of the Charity.
- k. Creditors  
Creditors are amounts owed by the Charity. They are measured at the amount that the Charity expects to have to pay to settle the debt. Amounts which are owed in more than a year are shown as long-term creditors.

To provide or assist in the provision at the unit of equipment, facilities, and services not normally provided by the statutory authorities.</p> <p>3. The support and promotion of research for the public benefit into the causes, diagnosis, treatment and prevention of cardiovascular &amp; respiratory disease.</p> <p>4. Any purpose ancillary to 1. to 3. above.</p>
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	<p>Young patients and their families are at the very heart of everything we. Each year we welcome more members to groups, more attendees at our events and take more phone calls, emails, and messages.</p> <p>In 2023 we ran events in the community for 'Brompton Families'. Events included a trip to KidZania at Westfield Shopping Centre, a day out at Bekonscot railway, a Virtual Paint Party for grandparents and football matches at Chelsea Football ground – Stamford Bridge. All events were very well attended and received excellent feedback from guests.</p> <p>We held internal hospital events, including children's activity afternoons, parents' coffee afternoons, parents pamper evenings, and seasonal events such as our Halloween trick or treat and Christmas Santa's Grotto.</p> <p>The Brompton Fountain supported and facilitated the meetings of Trailblazers, a youth forum for 13–25-year-old patients of Royal Brompton and</p>

	<p>Harefield hospitals. They provide feedback to the hospitals regarding their own experiences as young patients. The group met regularly for catch-up discussions, as well as planned activities. These activities included online escape rooms, music/painting workshops, virtual bake-along, and online games.</p> <p>Bereaved families were supported throughout the year, through meetings and telephone communications. Memory boxes were created by the team and distributed, along with fingerprint memory jewellery.</p> <p>The charity also funded and co organised, with the hospital Family Liaison Officer, the annual hospital Remembrance Day. This is a formal occasion for bereaved families, featuring a non-religious service with music and readings, refreshments, and a balloon release.</p> <p>Additional support was provided to children and families in a variety of ways, including the following:</p> <ul style="list-style-type: none"> <li>• Staff and volunteers visited the children’s wards to offer help and support, often in unsociable hours and over the weekend period.</li> <li>• Welcome bags containing useful items and a Brompton Fountain teddy bear were given out to families on a regular basis to those being admitted to Royal Brompton Hospital.</li> <li>• Essential packs (containing personal items such as toothbrush, shampoo, and clothing detergent) were provided (and distributed through ward staff) for those who arrived as an emergency on to the paediatric wards.</li> <li>• Parent amenities were provided in the intensive care unit and accommodation kitchens. This included hot drinks, snacks, clothing detergent and leaflets.</li> <li>• General support was given to families out in the community.</li> <li>• Information and advice were provided to families daily through the use of email, telephone and text message. Social media channels were also used as a regular communication tool - the Facebook pages and Twitter account were extremely active. Users shared birthdays and other special events. The Facebook ‘closed group’ further grew, attracting hundreds of parents and older patients. This group provided members with a way to chat and ask questions in a private and more secure environment.</li> <li>• Meal vouchers (used for hot/cold food in the hospital canteen and coffee shop) were provided for families who were undergoing financial difficulties due to long stays at the hospital or other lack of personal income.</li> </ul>
--	---

		<ul style="list-style-type: none"> <li>• The charity sourced and purchased large numbers of items for the hospital playrooms at Royal Brompton (both within the main ward and in the outpatient department) and school. This included toys, art and craft supplies, a regular entertainer, musical mobiles, entertainment equipment (DVD players, DVDs, televisions), sensory equipment, small treats, and bravery rewards.</li> <li>• Working closely with the fetal medicine team we helped to provide support and information service for families who have received a cardiac condition diagnosis in their unborn child.</li> <li>• Support was given to breastfeeding and expressing mothers through the provision of specialist items such as breast pads, breast pumps.</li> <li>• Seasonal 'goody bags' were distributed to young patients, siblings, and parents/carers at several points in the year.</li> <li>• On Christmas Day we distributed festive family 'hamper' bags filled with chocolates, biscuits, and gifts specifically for parents. Families were also offered support and advice. Funds were provided for wide array of larger toys for each patient/sibling Christmas gift bag.</li> <li>• The charity purchased medical equipment including INR machines to enable home blood testing for children using blood-thinning medication.</li> <li>• Funding was provided for improving the ward environment, using wall stickers and other decorations, including Christmas trees.</li> <li>• The charity worked closely with the hospital arts department on various projects. This included funding one day a week musician for the department. The member of staff works with young patients, singing songs and playing musical instruments, helping to promote creativity and relaxation.</li> <li>• The charity ran information and awareness campaigns for heart and lung conditions using social media and posters. This included especially designed artwork explaining many medical conditions and procedures and looking at psychological issues surrounding areas such as scar worries.</li> <li>• Working with numerous other paediatric departments, such as the physiotherapy team and dietitians to provide equipment and resources for patients.</li> </ul>

## Notes forming part of these Financial Statements for the year ended 31 December 2023

### 1. Accounting Policies

#### a. Basis of Preparation

The financial statements have been prepared under the historical cost convention. The financial statements have been prepared in accordance with the Statement of Recommended Practice (SORP), "Accounting and Reporting by Charities" applicable to charities in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014, the Charities Act 2011 and UK Generally Accepted Practice as it applies from 1 January 2015.

The Charity is a public benefit entity as defined by FRS 102.

The Financial Statements are prepared on the going concern basis which assumes that the charity will continue in operational existence for the foreseeable future. The Board of Trustees have considered the working capital and cash flow requirements and consider that the current and forecast cash resources are sufficient to cover the working capital requirements of the Charity for at least 8 months.

No material prior year errors have been identified in the reporting period.

#### b. Key judgements and estimates

Accounting estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

#### c. Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objects of the Charity and which have not been designated for other purposes. Designated funds comprise unrestricted funds that have been set aside by the Board of Trustees for particular purposes. Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised for particular purposes. The cost of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

#### d. Incoming Resources

All incoming resources are included in the Statement of Financial Activities when the Charity is legally entitled to the income, and the amount can be quantified with reasonable accuracy.

#### e. Resources Expended

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with use of the resources.

Expenditure on raising funds includes the generation of voluntary funds, the salary costs, the associated administration and cost of fundraising events, such IT, printing and stationery, and postage.

Expenditure on charitable activities includes all costs identified as wholly or mainly incurred in the pursuit of the charitable objects of the charity. These costs constitute direct costs together with apportionment of support costs and governance.

## Accounting Policies (continued)

- f. Pension Costs  
Pension costs for the defined contribution scheme are charged to the accounts on an accruals basis in accordance with FRS 102 and SORP 2015. Details of the pension schemes are disclosed in note 5 to the accounts.
- g. Employee Benefits  
Expenditure is recognised for all employee benefits resulting from their service to the Charity during the period.
- h. Stock  
Stock is valued at the lower of cost and net realisable value.
- i. Debtors  
Debtors are amounts owed to the Charity. They are measured on the basis of their recoverable amount.
- j. Cash at bank and in hand  
Cash at bank and in hand is held to meet the day to day running costs of the Charity.
- k. Creditors  
Creditors are amounts owed by the Charity. They are measured at the amount that the Charity expects to have to pay to settle the debt. Amounts which are owed in more than a year are shown as long-term creditors.

Summary of the purposes of the charity as set out in its governing document	Para 1.17	<p>1. To provide support to former, present and future patients of the Paediatric Unit of The Royal Brompton &amp; Harefield NHS Trust (and any successor hospital(s)) ('The Unit'), their parents and families.</p> <p>2. To provide or assist in the provision at the unit of equipment, facilities, and services not normally provided by the statutory authorities.</p> <p>3. The support and promotion of research for the public benefit into the causes, diagnosis, treatment and prevention of cardiovascular &amp; respiratory disease.</p> <p>4. Any purpose ancillary to 1. to 3. above.</p>
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	<p>Young patients and their families are at the very heart of everything we do. Each year we welcome more members to groups, more attendees at our events and take more phone calls, emails, and messages.</p> <p>In 2022 we ran several events in the community for 'Brompton Families'. Events included a Virtual Paint Party, The Brompton Fountain Summer Party, Battersea Zoo Day, Winter Wonderland Christmas Party, and a Virtual Christmas Party. All events were very well attended and received excellent feedback.</p> <p>We held internal hospital events, including children's activity afternoons, parents' coffee afternoons, parents pamper evenings, and seasonal events such as our Halloween trick or treat and Christmas Santa's Grotto.</p> <p>The Brompton Fountain supported and facilitated the meetings of Trailblazers, a youth forum for 13–</p>

	<p>25-year-old patients of Royal Brompton and Harefield hospitals. They provide feedback to the hospitals regarding their own experiences as young patients. The group met once a month for catch-up discussions, as well as regular planned activities. These activities included online escape rooms, music/painting workshops, virtual bake-alongs, and online games (namely, "Among Us"). With the support of our charity, the Trailblazers will be started their own magazine to share experiences and to grow the community of young people.</p> <p>Bereaved families were supported throughout the year in various ways, through meetings and telephone communications. Memory boxes were created and distributed, along with fingerprint memory jewellery.</p> <p>The charity also funded and co organised, with the hospital Family Liaison Officer, the annual hospital Remembrance Day. This is a formal occasion for bereaved families, featuring a non-religious service with music and readings, refreshments, and a balloon release.</p> <p>Additional support was provided to children and families in a variety of ways, including the following:</p> <ul style="list-style-type: none"> <li>• Staff and volunteers visited the children’s wards to offer help and support, often in unsociable hours and over the weekend period.</li> <li>• Welcome bags containing useful items and a Brompton Fountain teddy bear were given out to families on a regular basis to those being admitted to Royal Brompton Hospital.</li> <li>• Essential packs (containing personal items such as toothbrush, shampoo, and clothing detergent) were provided (and distributed through ward staff) for those who arrived as an emergency on to the paediatric wards.</li> <li>• Parent amenities were provided in the intensive care unit and accommodation kitchens. This included hot drinks, snacks, clothing detergent and leaflets.</li> <li>• General support was given to families out in the community.</li> <li>• Information and advice were provided to families daily through the use of email, telephone and text message. Social media channels were also used as a regular communication tool - the Facebook pages and Twitter account were extremely active with users sharing birthdays and other special events. The Facebook ‘closed group’ further grew, attracting hundreds of parents and older patients. This group provided members with a way to chat and ask questions in a private and more secure environment.</li> <li>• Meal vouchers (used for hot/cold food in the</li> </ul>

		<p>hospital canteen and coffee shop) were provided for families who were undergoing financial difficulties due to long stays at the hospital or other lack of personal income.</p> <ul style="list-style-type: none"> <li>• The charity sourced and purchased large numbers of items for the hospital playrooms at Royal Brompton (both within the main ward and in the outpatient department) and school. This included toys, art and craft supplies, a regular entertainer, musical mobiles, entertainment equipment (DVD players, DVDs, televisions), sensory equipment, small treats, and bravery rewards.</li> <li>• Working closely with the fetal medicine team we helped to provide online support and information service for families who have received a cardiac condition diagnosis in their unborn child.</li> <li>• Support was given to breastfeeding and expressing mothers through the provision of specialist items such as breast pads, breast pumps.</li> <li>• Seasonal 'goody bags' were distributed to young patients, siblings, and parents/carers at several points in the year.</li> <li>• On Christmas Day we distributed festive family 'hamper' bags filled with chocolates, biscuits, and gifts specifically for parents. Families were also offered support and advice. Funds were provided for wide array of larger toys for each patient/sibling Christmas gift bag.</li> <li>• The charity purchased medical equipment including INR machines to enable home blood testing for children using blood-thinning medication.</li> <li>• Funding was provided for improving the ward environment, using wall stickers and other decorations, including Christmas trees.</li> <li>• The charity worked closely with the hospital arts department on various projects. This included funding one day a week musician for the department. The member of staff works with young patients, singing songs and playing musical instruments, helping to promote creativity and relaxation.</li> <li>• The charity ran information and awareness campaigns for heart and lung conditions using social media and posters. This included especially designed artwork explaining many medical conditions and procedures and looking at psychological issues surrounding areas such as scar worries.</li> <li>• Working with numerous other paediatric departments, such as the physiotherapy team and dietitians to provide equipment and resources for patients.</li> </ul>

Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>In July 2022 we launched a survey to shape the support we deliver moving forward during the year and into 2023. The survey received 123 responses in total. We have used the results from the survey to create our family support plan, implementing and refining services for our beneficiaries.</p> <p>Large numbers of families with sick children were helped and supported within the hospital, at home and within the local community. This work was led by our Family Support Team. The charity continued to build and maintain strong relationships with staff members within the hospital and supported various teams with funds for equipment, resources, and activities.</p> <p>Membership figures grew, due to regular ward visits and through social media. The charity Facebook and Twitter accounts were extremely popular, being updated daily and encouraging interaction between members.</p>

		<p>The charity built further relationships with businesses, gaining their support.</p> <p>Fundraising figures continued to grow due to increased family contact and general awareness of the charity and hospital. Many local events such as family fun days, cake sales and sponsored activities were undertaken bringing in valued funds.</p>

#### a. Basis of Preparation

The financial statements have been prepared under the historical cost convention. The financial statements have been prepared in accordance with the Statement of Recommended Practice (SORP), "Accounting and Reporting by Charities" applicable to charities in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014, the Charities Act 2011 and UK Generally Accepted Practice as it applies from 1 January 2015.

The Charity is a public benefit entity as defined by FRS 102.

The Financial Statements are prepared on the going concern basis which assumes that the charity will continue in operational existence for the foreseeable future. The Board of Trustees have considered the working capital and cash flow requirements and consider that the current and forecast cash resources are sufficient to cover the working capital requirements of the Charity for at least 12 months.

No material prior year errors have been identified in the reporting period.

#### b. Key judgements and estimates

Accounting estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

#### c. Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objects of the Charity and which have not been designated for other purposes. Designated funds comprise unrestricted funds that have been set aside by the Board of Trustees for particular purposes. Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised for particular purposes. The cost of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

#### d. Incoming Resources

All incoming resources are included in the Statement of Financial Activities when the Charity is legally entitled to the income, and the amount can be quantified with reasonable accuracy.

#### e. Resources Expended

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with use of the resources.

Expenditure on raising funds includes the generation of voluntary funds, the salary costs, the associated administration and cost of fundraising events, such IT, printing and stationery, and postage.

Expenditure on charitable activities includes all costs identified as wholly or mainly incurred in the pursuit of the charitable objects of the charity. These costs constitute direct costs together with apportionment of support costs and governance.

I have completed my examination. I confirm that:

(1) In connection with my examination, no material matters have come to my attention which give me cause to believe that, in any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of the accounts set out in the Charities (Accounts and Report) Regulation 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

(2) I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

### 1. Accounting Policies

#### a. Basis of Preparation

The financial statements have been prepared under the historical cost convention. The Charity is a public benefit entity as defined by FRS 102.

The Financial Statements are prepared on the going concern basis which assumes that the charity will continue in operational existence for the foreseeable future. The Board of Trustees have considered the working capital and cash flow requirements and consider that the current and forecast cash resources are sufficient to cover the working capital requirements of the Charity for at least 12 months.

#### d. Incoming Resources

All incoming resources are included in the Statement of Financial Activities when the Charity is legally entitled to the income, and the amount can be quantified with reasonable accuracy.

#### e. Resources Expended

Independent examiner's report to the trustees of The Brompton Fountain Royal Brompton & Harefield Family Support Group (Charity no 1110339) on the financial statements of the charity for the year ended 31 December 2021, which comprise the statement of Financial Activities, the Balance Sheet and the related notes.

### Responsibilities and basis of report

The charity's trustees responsible for the preparation of the accounts in accordance with the Charities Act 2011 ('the Act'). The Charity's trustees consider that an audit is not required for this year under section 144 of the Act and that an independent examination is needed.

It is my responsibility to examine the accounts under section 145 of the Charities Act, follow the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act, and state whether particular matters have come to my attention.

### Independent examiner's statement

Where the charity's gross income exceeded £250,000, I am qualified to undertake the examination by being a qualified Fellow of the Chartered Association of Certified Accountants.

I have completed my examination. I confirm that:

(1) In connection with my examination, no material matters have come to my attention which give me cause to believe that, in any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of the accounts set out in the Charities (Accounts and Report) Regulation 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

(2) I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Families were also offered support and advice. Funds were provided for wide array of larger toys for each patient/sibling Christmas gift bag.</li> <li>• The charity purchased a number of pieces of medical equipment including INR machines to enable home blood testing for children using blood-thinning medication.</li> <li>• Funding was provided for improving the ward environment, using wall stickers and other decorations, including Christmas trees.</li> <li>• The charity worked closely with the hospital arts department on various projects. This included funding one day a week ‘Music teacher’ for the department. The teacher works with young patients, singing songs and playing musical instruments, helping to promote creativity and relaxation.</li> <li>• The charity ran information and awareness campaigns for heart and lung conditions using social media and posters. - the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of the accounts set out in the Charities (Accounts and Report) Regulation 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

(2) I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

## Notes forming part of these Financial Statements for the year ended 31 December 2020

### 1. Accounting Policies

#### a. Basis of Preparation

The financial statements have been prepared under the historical cost convention. The financial statements have been prepared in accordance with the Statement of Recommended Practice (SORP), "Accounting and Reporting by Charities" applicable to charities in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014, the Charities Act 2011 and UK Generally Accepted Practice as it applies from 1 January 2015.

The Charity is a public benefit entity as defined by FRS 102.

The Financial Statements are prepared on the going concern basis which assumes that the charity will continue in operational existence for the foreseeable future. The Board of Trustees have considered the working capital and cash flow requirements and consider that the current and forecast cash resources are sufficient to cover the working capital requirements of the Charity for at least 12 months.

No material prior year errors have been identified in the reporting period.

#### b. Key judgements and estimates

Accounting estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

#### c. Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objects of the Charity and which have not been designated for other purposes. Designated funds comprise unrestricted funds that have been set aside by the Board of Trustees for particular purposes. Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised for particular purposes. The cost of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

#### d. Incoming Resources

All incoming resources are included in the Statement of Financial Activities when the Charity is legally entitled to the income, and the amount can be quantified with reasonable accuracy.

#### e. Resources Expended

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with use of the resources.

Expenditure on raising funds includes the generation of voluntary funds, the salary costs, the associated administration and cost of fundraising events, such IT, printing and stationery, and postage.

Expenditure on charitable activities includes all costs identified as wholly or mainly incurred in the pursuit of the charitable objects of the charity. These costs constitute direct costs together with apportionment of support costs and governance.

## Accounting Policies (continued)

- f. Pension Costs  
Pension costs for the defined contribution scheme are charged to the accounts on an accruals basis in accordance with FRS 102 and SORP 2015. Details of the pension schemes are disclosed in note xx to the accounts.
- g. Employee Benefits  
Expenditure is recognised for all employee benefits resulting from their service to the Charity during the period.
