The trustees present their report and accounts for the year ended 31 March 2022.

COP's aims are;

- 1) To advance the Christian faith in the U.K. and abroad
- 2) To provide a place of worship for people to meet on a regular basis
- 3) To make a positive impact in the community and contribute towards the well being of community as well as its inhabitants.
- 4) To provide grants towards the under-privileged in society as well as those in need of help.

Review of activities and events held during the financial year

Being the 17th year of the ministry, the bulk of the resources and effort continue to be towards growing the ministry as well as building our social media presence.

The main evangelistic campaign that the ministry undertook during this period continues to be outreach to those dealing with depression and other forms emotional difficulties.

Donations were slightly down due to the pandemic situation, we expect this to improve in the coming year.

The church currently has Rex Akpojaró as its pastor.

Review of the Accounts

The accounts continue to show a healthy financial situation being the seventeenth year of operation. For this last financial year, the deficit was in the region of £3.5K. This was due to having to spend about £16k on office rent for video production for the ministry.

The Trustees have given a huge amount of time using their specialist skills and a very hands-on management involvement.

Statement of Trustees' Responsibilities

The trustees are required by law to prepare financial statements for each financial year which give a true and fair view of the state of affairs of as at the end of the financial year and of its income and expenditure for the year then ended. In preparing those financial statements, trustees are required to:

- select suitable accounting policies and apply them consistently
- make judgments and estimates that are reasonable and prudent
- prepare the financial statements on a going concern basis, unless it is inappropriate to assume that COP will continue in operation.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy COP's financial position and which enable the Committee to ensure that the financial statements comply with the Charities Act 1993. The Committee is also responsible for safeguarding COP's assets and hence for taking reasonable steps for the detection of fraud and other irregularities.

Members of the Management Committee
