## TREASURERS REPORT – 30 May 2021

Year ended 31 March 2021

Like everybody else in the country, we are no exception to a different report than any I have written over many years.

The 1<sup>st</sup> April 2020 found us in lockdown when only a few days prior we were hoping to have an exciting start to a new financial year. We had taken on a new Centre Manager on that day as I outlined in my report last year and what an introduction to GCA he had. Sean would have known no more than the rest of us in how we were going to cope. He has proved invaluable in helping all of us, including our hirers, to survive.

Equally, we have had tremendous support from the Government's Job Retention and Support Grant schemes. We have not seen John hardly at all during the year but we have continued to keep him going with the "Furlough Scheme" during the year. Hopefully he will be back in the role of Caretaker/Cleaner very soon.

I also mentioned the Government Grant Schemes from which we have benefitted substantially. Dacorum Borough Council (DBC) have managed the disbursements and I cannot thank them enough for their help and support in managing the allocation of funds to us. They have covered our loss of rental income and ensured we can continue in serving our community and beyond. As I write this report, we are seeing an increasing number of hirers returning and appreciating the work we have done to keep the buildings sanitised, cleansed and indeed, improved.

The Annex has benefitted from us being able to completely refurbish the kitchen. Nothing extravagant but really looking good. Our IT volunteer John Sandford has done much to improve our facilities and his Internet Cafe will hopefully soon be back to helping those who enjoy the tuition and his tea and biscuits!

You will also be aware of the outsourcing of the Preschool. Elizabeth and her team have also survived the past 15 months or so and built up a creche/nursery and preschool in a loving, happy and most friendly environment.

From my own point of view, I was pleased to see all outstanding fees settled. Last year I mentioned I would update in this year's report. In doing so this has not only strengthened our financial standing but, together with the Government Grants, seen us end this year financially sound and equipped to continue our services to our fantastic hirers. Hopefully we will soon be able to provide our party and training sessions in both settings.

I also hope we will be able to restore our reserve policy ensuring we have a reasonable cushion to enable us to survive. Equally we hope and trust we do not have to survive another COVID type disaster. I mentioned last year, it is my intention to see a target of around £25,000. Even that would not have been enough to enable us to have survived this past year but as I have repeatedly stated, the past 14 months have been exceptional.

I can also confirm a NIL return under Reporting Serious Incidents, and under our Legal obligation that there are no other matters which should be brought to the attention of the Charity Commission.

And as always, I extend my grateful thanks to all who have contributed above and beyond the call of duty. I include in those thanks our Chairman of Trustees and fellow active trustees and supporters. Without them we would not be in the comfortable position we enjoy, coming out of a very uncomfortable year. I also acknowledge the contribution from our independent examiner which is, as always, gratefully appreciated and who has confirmed his willingness to continue in that important role. With his support I am pleased to submit the accounts for both years for your approval.

Thank you one and all
