The main activities are as follows:

- a programme of youth orientated events and activities
- a range of outdoor activities
- a summer camp in the Peak District

These activities benefit young people by developing their self-confidence and social, practical and life skills and providing opportunities for young people to become volunteers themselves. Activities are largely outdoors and are aimed at providing everyday adventure. We welcome all young people, aged between 6 and 18, regardless of personal background, faith, gender or personal circumstances

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

We value the support of all our volunteers and thank them for their important contribution throughout the year.

Summary of the main achievements of the charity during the year

All of our sections have run an exciting programme of activities for the young people. The highlight of the year was a two week expedition to Norway for the Scout and Explorer sections. Over 40 people took part and all had a fantastic experience.

Some of our members have also been selected to attend the World Scout Jamboree in South Korea. We are supporting them with the fundraising and preparation for the trip.

Our membership remains strong with a waiting list for all sections. We continue to recruit more volunteer leaders.

Leaders have continued to develop their skills with a range of training courses undertaken including hill walking, canoeing and kayaking.

Summary of the objects of the charity set out in its governing document

Summary of the main achievements of the charity during the year

As COVID-19 restrictions were eased our programme and fundraising were able to return to more normal arrangements.

We have continued to focus on meeting outdoors as this supports the aims of our programme. All sections have returned to a fully face to face programme and we were able to resume nights away.

Unfortunately our international expedition to Norway had to be postponed again as Scout Association rules did not allow international trips at the time. This has been rescheduled for summer 2022.

We were fortunate to be able to organise a trip to the Peak District at relatively short notice and make appropriate adjustments to accommodate COVID-19 rules. The trip was very successful. The young people and leaders were very happy to be able to camp again and took full advantage of the fantastic activities arranged by the Scout leaders.

Our membership remains strong with a waiting list for all sections. We continue to recruit more volunteer leaders.

Leaders have continued to develop their skills with a range of training courses undertaken including hill walking, canoeing and kayaking.

Summary of the main achievements of the charity during the year

The COVID-19 pandemic had a significant impact on our programme delivery this year. Following the announcement of the national lockdown we moved to delivering activities online via the Zoom platform.

Our membership numbers remained strong however we lost some leaders who did not feel able to continue due to their work in frontline healthcare.

All the section leaders rose to the challenge of moving online. They created innovative and exciting activities which were very well received by our youth members and their parents. Throughout a very difficult period for young people, scouting activities were a vital relief.

During the summer we were able to begin meeting face to face outdoors. All sections made the most of this before further lockdowns forced us back to online activities during the winter months.

COVID restrictions prevented us running nights away activities during this period.

Our usual fundraising activities, including our annual fireworks display, were not able to take place. We received generous government support which allowed us to avoid financial problems.
