This was also much reduced due to covid 19 and will be resuming in July 2021.

**FOR THE YEAR ENDED 31 OCTOBER 2022**

**OBJECTIVES AND ACTIVITIES**

**Achievement and Performance**

**Charitable activities**

The charity has a desire for continuing improvement and in effectively demonstrating good practice. The move towards a task-orientated structure has continued with the aim to encourage more non-Board members of the community to play a greater role in defining, designing and delivering a greater contribution to the regeneration of our (and their) communities.

The charity has a mission statement which is as follows:

"Our mission is to work with individuals and groups to identify and build on their strengths to enhance community wellbeing through active participation, volunteering, engagement and empowerment."

The board of trustees meets monthly excluding December including the AGM and has additional training meetings to plan for future developments. The executive group which includes the Chair, Vice Chair, Treasurer and the Manager (staff member) meet as required, and reports at the following board meeting.

The past year has been one of change and challenge bearing in mind Covid-19 and the impact that has had on individuals and communities. However MCT has emerged stronger and equipped to support the community with new projects.

Melin Advice Centre: Our purpose-built Melin Advice Centre continues to be an invaluable asset to the charity and the community we serve. Since our inception, having an Advice Centre has been central to all the charity's activities. Not only does it provide a base for giving direction to the public where they may seek advice and many other community-linked activities, with 60 to 100 participants each week. Further, because our community told us it was needed, it also demonstrates very clearly our belief in the "bottom-up" community-led approach and our readiness to help realise community aspirations. It is a quality building which reinforces the message that second-best is not good enough for our community. Finally, as a source of rental income, it is a critical component of our financial activities and therefore the board will take steps to keep this centre open even on quiet days. Activities and opening procedures are currently working in line with government guidelines.

The DIY Studio formerly known as the Melin Technology Centre. This facilitates the community in learning basic DIY skills for in and around their homes, to prevent them having to get tradesmen in at a cost and get them upskilled and interacting socially.

Health and Well-being initiatives: MCT continues to support the Melin Walkers and has created additional support services that include Men's listening Hub and the Community Connect Companions, which has moved to online fitness and counselling. The Melin Friendship Group is ongoing and integral to mental health and wellbeing. MCT has developed initiatives to support the effects of Lockdown and Covid-19, with the back to life project, with continuing online support for over 150 beneficiaries. Our latest project is looking into the past present and future of mental health.

Community Safety Initiatives: The charity continues to sponsor the Neath East PACT meetings.

Community Events: During the year the charity provided Christmas street lighting and helped organise the Christmas Lights Switch on, having been very successful and helped bring the community closer together, largely thanks to both Donna and James.

Housing: The charity has continued to work with and support residents' organisations. Close links have also been maintained with Social Landlords that serve the area and with the Neath East Renewal Area Team.

Environment: Concern for the environment, natural and built, remains a major driver for the charity. We continue to support local environmental action working with Keep Wales Tidy, the Neath East Renewal Area Team, Neath Port Talbot CBC and other local groups. We also started our own monthly litter pick and are a litter hub for the area.

Help for people claiming benefits: The charity continues to support the provision of Welfare Rights Advice and provides help in overcoming barriers that people face when making claims for Universal Credit.

Employment responsibilities: MCT currently employs 3 members of staff and is planning on increasing the number in line with successful funding applications and community need.

**FINANCIAL REVIEW**

**Reserves policy**

MCT will always ensure 3 months running costs are available in addition to wind up fees and at least £1,000 for unforeseen expenses.

**MELIN COMMUNITY TRUST**  
**REPORT OF THE TRUSTEES**  
**FOR THE YEAR ENDED 31 OCTOBER 2022**

**FINANCIAL REVIEW**

**Going concern**

MCT is working to improve its position with regard to funding, in comparison to 2020 and this has been achieved via an increase in applications submitted and a more strategic approach to financing the needs of the organisation. We have improved our governance with a revision of our policies and procedures and introduction of many new ones, and regular financial reports at our monthly board meetings.

A strong business plan and strategies are now in place, and will be continually reviewed and updated to meet ever changing opportunities and challenges.

**STRUCTURE, GOVERNANCE AND MANAGEMENT**

**Governing document**

The charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

The organisation is a Charitable Company limited by guarantee, incorporated on 24th October 2002 and registered as a charity on 26th September 2005.

The company was established under a Memorandum of Association, which established the objectives and powers of the Charitable Company and is governed under its Articles of Association.

**Recruitment and appointment of new trustees**

The number of trustees is subject to a maximum of twenty and a minimum of five.

A Trustee can be appointed at an general meeting if

(1) he is recommended by the trustees; or

(2) not less than fourteen nor more than thirty five days before the meeting, notice executed by a member qualified to vote at the meeting has been given to the charity of the intention to propose that person for appointment.

Trustees must be at least eighteen years of age and cannot have been disqualified from acting under the provision of Article 38.

Notice of between seven and twenty eight days before the general meeting must be given of any person who is recommended by the trustees for appointment as a trustee.

The charity may by ordinary resolution appoint a person who is willing to act to be a trustee, subject to the above conditions.

One third of the trustees must retire and be re-appointed at every annual general meeting. The trustees retiring by rotation are those that have been longest in office since their last appointment or re-appointment.

A new trustee appointed will only hold office for one year and must be re-appointed in the following annual general meeting. These trustees are not taken into account when deciding the trustees to retire by rotation.

It is important to mention that the Trust has since been involved in rebranding exercises since the last report and in some ways that rebranding is still an on-going exercise.

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF  
MELIN COMMUNITY TRUST**

**Independent examiner's report to the trustees of Melin Community Trust ('the Company')**

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 October 2022.

**Responsibilities and basis of report**

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

**Independent examiner's statement**

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

## MELIN COMMUNITY TRUST

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 OCTOBER 2022

#### 1. ACCOUNTING POLICIES

##### **Basis of preparing the financial statements**

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

##### **Income**

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Income from room hire is recognised when the hire takes place.

Donations and similar incoming resources represent monies received by the charity from charitable donations and gifts. These are recognised in the Statement of Financial Activities upon receipt.

Grant income is accounted for on an accruals basis and is shown in the financial statements when the Charity earns the unconditional right to the funds. Grants received for a specific purpose are treated as restricted funds.

##### **Expenditure**

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

##### **Tangible fixed assets**

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Freehold property	- 2% straight line
Plant and machinery	- 20% reducing balance
Fixtures and fittings	- 15% reducing balance
Computer equipment	- 20% reducing balance

##### **Taxation**

The charity is exempt from corporation tax on its charitable activities.

##### **Fund accounting**

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

##### **Pension costs and other post-retirement benefits**

The charitable company operates a defined contribution pension scheme. Contributions payable to the charitable company's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.

##### **Debtors**

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

##### **Cash at bank and in hand**

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

# MELIN COMMUNITY TRUST

## NOTES TO THE FINANCIAL STATEMENTS - continued FOR THE YEAR ENDED 31 OCTOBER 2022

### 1. ACCOUNTING POLICIES - continued

#### Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

#### Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

#### Impairment of financial assets

Financial assets, other than those held at fair value through profit and loss, are assessed for indicators of impairment at each reporting end date.

Financial assets are impaired where there is objective evidence that, as a result of one or more events that occurred after the initial recognition of the financial asset, the estimated future cash flows have been affected. If an asset is impaired, the impairment loss is the difference between the carrying amount and the present value of the estimated cash flows discounted at the asset's original effective interest rate. The impairment loss is recognised in profit or loss.

If there is a decrease in the impairment loss arising from an event occurring after the impairment was recognised, the impairment is reversed. The reversal is such that the current carrying amount does not exceed what the carrying amount would have been, had the impairment not previously been recognised. The impairment reversal is recognised in profit or loss.

#### Derecognition of financial assets

Financial assets are derecognised only when the contractual rights to the cash flows from the asset expire or are settled, or when the company transfers the financial asset and substantially all the risks and rewards of ownership to another entity, or if some significant risks and rewards of ownership are retained but control of the asset has transferred to another party that is able to sell the asset in its entirety to an unrelated third party.
