CAMBRIDGE CHINA DEVELOPMENT TRUST

TRUSTEES' REPORT FOR THE YEAR ENDED 31 JULY 2022

1. OBJECTS AND PURPOSES OF THE TRUST

The Cambridge China Development Trust was established by Trust Deed, dated 9 October 2005, to advance education and in particular any branches or aspects of education likely to be for the benefit of either British subjects on the one hand or citizens of the People's Republic of China on the other, or both, in the field of economics, business studies, systems of governance and the development of leadership, managerial and business skills, in particular by:

- a) putting on courses, seminars, training programmes and lectures at Cambridge and elsewhere; and
- b) the provision of visiting fellowships, scholarships, bursaries and secondments for study at Cambridge, elsewhere in the United Kingdom and in the European Union, and in the People's Republic of China.

The Trustees confirm that these objects are educational and intended solely for the public benefit. None of the contributing corporations derive any benefit, individual or corporate, from their support of the Trust; their contributions are charitable donations. No employee or any person connected with the corporations are beneficiaries of the Trust. The senior persons from corporations who have agreed to teach on the Executive Leadership Programme (or may be involved in other aspects of future teaching and research programmes) do so, and will do so, *pro bono*. The purpose of the Trust's activities is that those who benefit from these programmes of education, learning and research, will, in their turn, contribute to the public benefit in their countries.

2. ORGANISATION AND MANAGEMENT OF THE TRUST

The Trust is a charity registered with the Charity Commission for England and Wales (Charity Reference Number 1111605).

The Trust is governed by its Trustees. Day-to-day matters are delegated to an Executive Committee comprising the Trustees resident in Cambridge. Management liability insurance is in place.

Professor Peter Nolan and Dr Anil Seal are Joint Directors of the Trust. Dr Nicholas Branson is Treasurer of the Trust.

The financial administration of the Trust is conducted from the headquarters of the Malaysian Commonwealth Studies Centre. The Trustees express their gratitude to the Trustees of the Malaysian Commonwealth Studies Centre for providing this accommodation. During 2021-22, the Trust's administration was conducted principally in space rented by the Trust from Jesus College.

Recruitment, induction and training of Trustees

All Trustees have considerable administrative experience and knowledge of related governance procedures, in most cases having run or held senior positions in educational or business institutions. Some Trustees are leading figures from within the University of Cambridge and its Colleges, and others are major figures in international business. It is the policy of the Trust that all new Trustees should receive full minutes of recent meetings of Trustees and their Executive Committee as well as details of accounts and budgets for up to three years prior to appointment; that they should receive a copy of the Trust Deed and any rules and regulations made under it; and that they should be given an informal briefing by the officers and invited to contact the Joint Directors for further and better particulars or for any matters arising after perusing background papers. Ad hoc training is provided as necessary by the Trustees.

CAMBRIDGE CHINA DEVELOPMENT TRUST

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 JULY 2022

Key Management Personnel

The key management personnel policy and remuneration is included in Note 7 on page 14.

Investment Policy

The Trust does not at present have sufficient assets to warrant the investment of its funds other than through its bank deposit account. This matter will be kept under review by the Trustees.

Ethical Investment Policy

The Trustees do not have an ethical investment policy as such. If they reach the point of being able to invest their funds, they will rely on the ethical investment policies of the managers of the individual funds concerned.

3. ACTIVITIES AND DEVELOPMENTS OF THE TRUST BETWEEN 1 AUGUST 2021 AND 31 JULY 2022

China Executive Leadership Programme (CELP)

The China Executive Leadership Programmes planned for 2020 and 2021 had to be cancelled as a result of the covid-19 pandemic. In place of a full CELP, a more limited *CELP Dialogue* was arranged for two half-days in September 2021. This event was held by *Zoom* and involved forty of the leaders of China's State-Owned Enterprises who were gathered at a training centre in Dalian, China. Four global companies (Shell, HSBC, Anglo American and Siemens) participated in this event. The topics covered were *Environmental, Social and Governance*, and *Innovation*. This event proved most successful, and received much positive feedback. A further CELP Dialogue is being planned on a larger scale for a later date.

As a consequence of the cancellation of the full CELP in 2020 and 2021, the Trust received no income from participating companies in 2020-21. The holding of the *CELP Dialogue* in 2021 has led to a resumption of income from participating companies, and the Trust's financial position at the year-end remains sound.

China Centre, Jesus College

During 2021-22 the Trust continued to provide support for the China Centre, Jesus College, largely in support of an extensive programme of seminars falling within the remit of CCDT which attracted many leading scholars and participants. These seminars have developed into the leading interdisciplinary seminar series on China in Cambridge, and have been widely praised. The Trustees record their gratitude to Professor Nolan for the leadership he has provided in establishing the seminar programme.

During 2021-22, the Trust contributed £26,570 in support of this work (2020-21: £19,089).

Following a review of the relationship between the Trust and the China Centre commissioned by the College in June 2021, it has been decided that from October 2022 the Centre will be funded directly by the College, including the administrative support for the Centre hitherto provided by CCDT. The Trustees are pleased to learn that Professor Nolan will continue to direct the seminar programme for another two years.

CAMBRIDGE CHINA DEVELOPMENT TRUST

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 JULY 2022

Other activities

An essential element in the educational activities of the Trust is the dissemination of the results of the China Executive Leadership Programme and other Trust activities. In order to take these initiatives forward, the Trust appointed Dr Liu Chunhang (Honorary Director of the China Industrial Development Research Centre at Peking University) as Senior Research Associate.

The Trust also supported Dr Zhang Jin as CCTD Professorial Fellow in connexion with her University Lectureship at the Judge Business School in the prior year.

The research activities of Professor Nolan, as Joint Director, and Dr Zhang Jin are proving essential to underpin the educational aspects of the CELP.

Public benefit

All of the activities of the trust generate public benefit. The participants in the CELP, including those who lead the seminars, derive considerable benefit from the teaching and learning programmes, and this in turn helps to strengthen business leadership and widen international understanding of the challenges facing the global economy at this critical stage in China's development.

The research activities supported by the trust are leading to a better understanding of the relationship between China and the rest of the world, a matter of self-evident public benefit.

The Trustees are satisfied that all of the activities of the Trust, as described in this report and in the accompanying accounts, are entirely for charitable purposes and fully meet the 'public benefit' requirement of the Charities Act 2011. The Trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit.

Finances of the Trust

The finances of the Trust remain on a secure footing, with sufficient capital to sustain the research activities of the Trust and the initial start-up costs of the 2022-23 CELP, ahead of the receipt of contributions in 2022-23.

4. FUTURE OUTLOOK

The Trust's immediate task is to maintain the success of the China Executive Leadership Programme and to build on its success.

Among other future prospects are collaborative research programmes on the Chinese economy, including programmes involving collaboration between relevant Departments at Cambridge and their counterparts in China, and the provision of scholarships for study in Cambridge by students and officials from China.

The Trust intends to continue to support Research Associates based in Cambridge in 2022-23.

5. FINANCIAL REVIEW

Donations for the year ended 31 July 2022 were £190,000 (2021: £nil). The expenditure for the year ended 31 July 2022 was £134,642 (2020: £166,541).

The net income for the year ended 31 July 2022 was £55,727 (2021: net loss £166,444). The total assets less current liabilities at 31 July 2022 were £908,831 (2021: £853,104).

CAMBRIDGE CHINA DEVELOPMENT TRUST

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 JULY 2022

6. GOING CONCERN

After making adequate enquiries, the Trustees have a reasonable expectation that the Trust has adequate resources to continue in operational existence for at least the next twelve months, from the date of signing these financial statements. The Trust had total assets less current liabilities of £908,831 as at 31 July 2022 (2021: £853,104). The assets at 31 July 2022 included £938,626 of cash (2021: £897,869). The trust's assets at the start of 2022-23 are significantly above the administrative costs of the charity for at least the next two years and will allow Trustees to continue their programme of discretionary charitable spend. Accordingly, the Trustees continue to adopt the going concern basis in preparing the financial statements.

7. RESERVES POLICY

The assets of the Trust are expendable and available generally for the purposes of the Trust in accordance with the Trust Deed. These assets provide a modest but useful cushion to underpin the activities of the Trust in 2022-23 and beyond.

There are inevitably risks associated with running the China Executive Leadership Programme where the selection of participants is outside the immediate control of the Trust. It is the policy of the Trustees to retain sufficient reserves to cover any unexpected events, of whatever nature, which might affect the running of the China Executive Leadership Programme. It is also necessary to retain sufficient reserves to cover all existing commitments for the support of Research Associates. The present level of reserves is considered by the Trustees to be prudent in all the circumstances. The unrestricted reserves at 31 July 2022 were £908,831 (2021: £853,104). There were no restricted reserves at 31 July 2022 (2021: £nil).

8. RISK MANAGEMENT

The Trustees have examined the major strategic, business and operational risks which the Trust faces, and are satisfied that, with the regular reports they receive at meetings, they are able to assess these risks and to put in hand on a timely basis any necessary actions (mainly in relation to the scale of the activities of the China Executive Leadership Programme) to lessen or avoid them.

A risk register has been compiled, and is kept under annual review. The principal risk is that future income from bodies participating in the CELP will be insufficient to cover costs. This risk is managed through the close contacts maintained between the Joint Directors and the CEOs of participating companies.

Projected future income is sufficient meet the commitments currently envisaged for 2022-23 and future years.

Approved by order of the members of the board of Trustees and signed on their behalf by:

Professor Peter Hugh Nolan

Date: 20 January 2023

CAMBRIDGE CHINA DEVELOPMENT TRUST

INDEPENDENT EXAMINER'S REPORT FOR THE YEAR ENDED 31 JULY 2022

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF CAMBRIDGE CHINA DEVELOPMENT TRUST ('the Charity')

I report to the charity Trustees on my examination of the accounts of the Charity for the year ended 31 July 2022.

RESPONSIBILITIES AND BASIS OF REPORT

As the Trustees of the Charity you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the 2011 Act').

I report in respect of my examination of the Charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

INDEPENDENT EXAMINER'S STATEMENT

Your attention is drawn to the fact that the Charity has prepared the accounts in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has been withdrawn.

I understand that this has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Charity as required by section 130 of the 2011 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

CAMBRIDGE CHINA DEVELOPMENT TRUST

**INDEPENDENT EXAMINER'S REPORT (CONTINUED)
FOR THE YEAR ENDED 31 JULY 2022**

This report is made solely to the Charity's Trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. My work has been undertaken so that I might state to the Charity's Trustees those matters I am required to state to them in an Independent Examiner's Report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the Charity and the Charity's Trustees as a body, for my work or for this report.

CAMBRIDGE CHINA DEVELOPMENT TRUST

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 JULY 2022

1. GENERAL INFORMATION

The Cambridge China Development Trust is a charitable trust. The financial statements have been prepared under the historical cost convention.

2. ACCOUNTING POLICIES

2.1 BASIS OF PREPARATION OF FINANCIAL STATEMENTS

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following the Charities SORP (FRS 102) published in October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

Cambridge China Development Trust meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

2.2 GOING CONCERN

The trustees are confident that the charity has adequate funds and resources to continue operating for the foreseeable future and is well placed to manage its business risks successfully. The Trust had net liquid assets of £910,831 (2021: £858,436) as at 31 July 2022. For this reason, they continue to adopt the going concern basis in preparing the financial statements.

2.3 INCOME

All income is recognised once the Charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Donations and all other receipts are reported gross and the related fundraising costs are reporting in other expenditure.

Investment income is accounted for when receivable.

2.4 EXPENDITURE

Expenditure on charitable activities is incurred on directly undertaking the activities which further the Charity's objectives, as well as any associated support costs. Grants made to individuals are recognised in expenditure when approved by the Trustees and communicated to the recipient.

Governance costs comprise all costs involving the public accountability of the charity and its compliance with regulation and good practice. These costs include costs related to the relate to independent examination, any legal fees and the costs of the Treasurer.

Support costs include administration costs for charitable activities.

CAMBRIDGE CHINA DEVELOPMENT TRUST

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 JULY 2022

2. ACCOUNTING POLICIES (CONTINUED)

2.5 TANGIBLE FIXED ASSETS AND DEPRECIATION

Tangible fixed assets are initially recognised at cost. After recognition, under the cost model, tangible fixed assets are measured at cost less accumulated depreciation and any accumulated impairment losses. All costs incurred to bring a tangible fixed asset into its intended working condition should be included in the measurement of cost.

Depreciation is charged so as to allocate the cost of tangible fixed assets less their residual value over their estimated useful lives, using the straight-line method.

Depreciation is provided on the following basis:

Computer equipment	- over 4 years
--------------------	----------------

2.6 DEBTORS

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

2.7 CASH AT BANK AND IN HAND

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

2.8 LIABILITIES AND PROVISIONS

Liabilities are recognised when there is an obligation at the Balance Sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the Charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

2.9 FUND ACCOUNTING

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

3. CRITICAL ACCOUNTING ESTIMATES AND AREAS OF JUDGMENT

Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. The Charity makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results.

The Trustees do not consider there are any critical judgements or sources of estimation uncertainty requiring disclosure beyond the accounting policies set out above.

7. STAFF COSTS (CONTINUED)

The average number of persons engaged by the Charity during the year was as follows:

	2022 No.	2021 No.
Joint Directors	2	2
Administrative staff	2	2
Treasurer	1	1
	<hr/>	<hr/>
	5	5
	<hr/>	<hr/>

No employee received remuneration amounting to more than £60,000 in either year.

The Joint Directors, as Trustees, provided their services on a pro bono basis and received no remuneration in that capacity (2021: Nil).

The remuneration of the Treasurer is determined by the Trustees. The remuneration of the part-time administrative staff is determined by the Joint Directors. In setting the levels of remuneration, consideration is given to comparable pay levels in the University of Cambridge.

8. TRUSTEES' REMUNERATION AND EXPENSES

During the year, no Trustees received any remuneration or other benefits (2021 - £NIL).

During the year ended 31 July 2022, no Trustee expenses have been incurred (2021 - £NIL).

9. TAXATION

The Cambridge China Development Trust is a registered charity and is exempt from tax on income and capital gains falling within Chapter 3 of Part II to the Corporation Tax Act 2010 or Section 256 of the Taxation of Capital Gains Act 1992 to the extent that they are applied to its charitable objectives. No tax charges have arisen in the Charitable Trust.

13. RELATED PARTY TRANSACTIONS

During the year, the Trust paid rent to Jesus College Cambridge of £13,000 (2021: £10,832). One of the trustees, Professor Nolan, is a Fellow and Trustee of Jesus College. In addition, during the year, Professor Nolan reimbursed the Trust the sum of £1,395 (2021: £2,475) in respect of costs incurred by the Trust on Professor Nolan's behalf.

There were no other related party transactions.
