Structure, governance and management

Nature of governing document

The charity is a company limited by guarantee and registered charity. It is operated under the rules of its memorandum and articles of association dated 6th May 2005. It has no share capital and the liability of each member in the event of winding-up is limited to £1.

Recruitment and appointment of trustees

Overall management of the charity is the responsibility of the trustees who are elected and co-opted under the terms of the memorandum and articles of association:

- Up to 5 Trustees are appointed by Huthwaite Parochial Church Council;
- Up to 2 are nominated from Community and Users forum;
- Up to 2 are nominated by major user;

Additional co-opted members are appointed by the above Trustees.

Objectives and activities

Objects and aims

The principal objects of the charity are:

- To promote the benefit of the inhabitants of Huthwaite, and surrounding areas of Sutton-in-Ashfield and Ashfield “the area of benefit”, and to encourage these inhabitants to join together with voluntary and other organisations in a collective effort to advance learning and education, relieve poverty and to provide facilities and activities in the interest of social welfare for recreation and other leisure time activities with this object of improving condition of life for these inhabitants;
- To develop capacity and skills of the socially economic disadvantaged inhabitants in the company’s “area of benefit” in such a way as they are better able to identify, and help meet, their needs and to participate more fully in society;
- To establish a community resource centre and to maintain and manage the same, whether alone or in co-operation with any local authority or other organisations in furtherance of these objects.

Trustees' Report

Public benefit

The Café targets those who are affected by food and/or fuel poverty. The Café runs due to the commitment of those who volunteer their time and expertise.

The Warm Spaces project has been a success attracting a wide range of people from the local community offering free snacks and drinks.

The Café, in particular, has proved successful in attracting users to the centre. It is an excellent means of engaging people and has created opportunities for developing community spirit through interaction of generations.

We have developed the organisation's infrastructure and have policies and procedures in place to meet current expected standards of practise.

We envisage the large numbers of parents and their children who attend the weekly Baby & Toddler Group will be able to access a range of educationally sound play/craft activities. However, this will be based upon the commitment of a small group of volunteers who are involved in organising and running it.

Volunteer led after school family events such as Children's Craft events, a weekly Women's Group, Men's Breakfast are undertaken.

Whilst the Centre provides much for parents with young children, we have also been able to provide a real mix of activities and opportunities for people of all ages.

The trustees confirm that they have complied with the requirements of section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

Achievements and performance

We have made significant investment in the fabric and equipment of the Centre to ensure a high quality, safe and effective service can be offered.

We have used the many grants obtained during the past year to maintain the Centre in good order and undertake all our legal and health and safety requirements.

We are looking to seek funding to help us reduce our carbon footprint, in order to reach government targets.

Following a significant grant, we were able to instal solar panels on the centre roof.

Financial review

Despite reductions in revenue, we still operate with the following principles:

- Regular reviews of our financial position at Trustee meetings ("Finance" is a standing item on the agenda);
- Annual budgets being communicated to and agreed by Trustees;
- Timely applications for additional revenue funding to meet ongoing costs;
- Applying for additional funding when opportunities for new services are highlighted that will incur additional costs.

We continue in our aim to become financially self-sufficient though it is clear how difficult it is to achieve this in the current financial and political climate.

Policy on reserves

A reserve is held by All Saints Church PCC which can be called on in time of need.

Reserves essentially are used to meet maintenance and repair costs as the building ages.

All Saints Centre Huthwaite Ltd

Trustees' Report

Principal risks and uncertainties

Financial risks

We look to expand our client base but there still remains a shortfall in our income post the exit of key clients i.e. Nottinghamshire Child Care services/ East Midlands Housing and Social Care and Sports massage.

All Saints Infant and Primary school have increased their use of the centre on a trial basis in early 2025.

The Community Café provided significant income for the Centre. This is now operating on a limited basis each week.

A significant spend was required for replacement heating (boilers, etc.) and we are constantly reviewing any green options available to us. This made an impact on our finances but was a "must do" action to keep the Centre running.

Following a significant grant we were able to instal solar panels to the centre roof. This along with storage batteries is making a contribution to reducing our electricity costs.

Roof repairs utilized some of the "ring fenced" reserves we hold along with expenses on lightning both inside and outside the Centre.

We have agreed with the All Saints Church PCC to hold the rental cost paid to them at last year's rate. This is under constant review.

We have strived to obtain new clients during 24-25 period with some success but on a reduced income.

Centre operations

David Mills, our long time Centre Manager retired in Feb 2024. David was appointed as a Trustee in Jan 24 as a representative for All Saints School. He became acting chairman for ASC Huthwaite Ltd subsequently.

Centre Manager Nicki Turner is leading the development of the Centre in a part time role.

The Centre Manager is trained in completing risk assessments and has completed Health and Safety and Fire Training courses. The three part-time Caretakers also undergo regular training, including Health & Safety Training. The organisation has successfully completed the PQASSO Level 1 in quality assurance.

Trustee Roles & Responsibilities

The Company Secretary undertakes a monthly financial review along with the Centre Manager. We have regular Trustee meetings with a structured agenda. This gives opportunity to pick up on any issues that may arise at regular intervals. The agenda includes Manager's Report, Finance, update from the main user of the building, Risk Assessments, staff issues, Public Concerns etc.

Income & expenditure

Trustees are intensifying efforts to look at ways to protect the long-term viability of the charity.

This still includes, but is not limited to applying for more revenue funding, requesting additional contributions from connected organisations, trying to open new income streams and options to reduce costs.

Given that our reserves are reducing, the Trustees recognise that any reduction will have serious consequences for our ability to continue operating and providing the many services delivered to our local community through the charity/building.

Trustees' Report

Statement of Responsibilities

The trustees (who are also the directors of All Saints Centre Huthwaite Ltd for the purposes of company law) are responsible for preparing the trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland". The report and accounts have been prepared in accordance with the provisions in the Companies Act 2006 relating to small companies.

Company law requires the trustees to prepare financial statements for each financial year. Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including its income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards, comprising FRS 102 have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records that can disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Small companies provision statement

This report has been prepared in accordance with the small companies regime under the Companies Act 2006.

The annual report was approved by the trustees of the charity on 11/10/25 and signed on its behalf by:

Independent Examiner's Report to the trustees of All Saints Centre Huthwaite Ltd ('the Company')

Independent examiner's report to the trustees of All Saints Centre Huthwaite Ltd ('the Company')

I report to the charity trustees on my examination of the accounts of the company for the year ended 31 March 2025.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

All Saints Centre Huthwaite Ltd

Notes to the Financial Statements for the Year Ended 31 March 2025

1 Accounting policies

Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Statement of compliance

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)) (issued in October 2019) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Basis of preparation

All Saints Centre Huthwaite Ltd meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

Going concern

The financial statements have been prepared on a going concern basis.

The trustees assess whether the use of going concern is appropriate i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the charity to continue as a going concern. The trustees make this assessment in respect of a period of one year from the date of approval of the financial statements.

Exemption from preparing a cash flow statement

Under the exemption available to smaller charities the Board of Trustees has chosen not to include a Statement of Cash Flows within the financial statements.

Income and endowments

Voluntary income including donations, gifts, legacies and grants that provide core funding or are of a general nature is recognised when the charity has entitlement to the income, it is probable that the income will be received and the amount can be measured with sufficient reliability.

Grants receivable

Grants are recognised when the charity has an entitlement to the funds and any conditions linked to the grants have been met. Where performance conditions are attached to the grant and are yet to be met, the income is recognised as a liability and included on the balance sheet as deferred income to be released.

All Saints Centre Huthwaite Ltd

Notes to the Financial Statements for the Year Ended 31 March 2025

Expenditure

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

Charitable activities

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Government grants

Government grants are recognised based on the accrual model and are measured at the fair value of the asset received or receivable. Grants are classified as relating either to revenue or to assets. Grants relating to revenue are recognised in income over the period in which the related costs are recognised. Grants relating to assets are recognised over the expected useful life of the asset. Where part of a grant relating to an asset is deferred, it is recognised as deferred income.

Taxation

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

Tangible fixed assets

Individual fixed assets costing £500.00 or more are initially recorded at cost.

Depreciation and amortisation

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

Asset class	Depreciation method and rate
Fixtures & fittings	20.0% straight line
General equipment	20.0% straight line
IT equipment	33.3% straight line
Leasehold improvements	10.0% straight line

Trade debtors

Trade debtors are amounts due from customers for merchandise sold or services performed in the ordinary course of business.

Trade debtors are recognised initially at the transaction price. They are subsequently measured at amortised cost using the effective interest method, less provision for impairment. A provision for the impairment of trade debtors is established when there is objective evidence that the charity will not be able to collect all amounts due according to the original terms of the receivables.

All Saints Centre Huthwaite Ltd

Notes to the Financial Statements for the Year Ended 31 March 2025

Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

Trade creditors

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Accounts payable are classified as current liabilities if the charity does not have an unconditional right, at the end of the reporting period, to defer settlement of the creditor for at least twelve months after the reporting date. If there is an unconditional right to defer settlement for at least twelve months after the reporting date, they are presented as non-current liabilities.

Trade creditors are recognised initially at the transaction price and subsequently measured at amortised cost using the effective interest method.

Fund structure

Unrestricted income funds are general funds that are available for use at the trustees discretion in furtherance of the objectives of the charity.

Pensions and other post retirement obligations

The charity operates a defined contribution pension scheme for employees. The assets of the scheme are held separately from those of the charity. Pension costs charges in the Statement of Financial Activities represent the contributions payable by the charity during the year.
