CITIZENS ADVICE MID LINCOLNSHIRE

Report of the Trustee Board for the year ended 31 March 2022

The Trustee Board presents its financial statements and Trustees report for the year ended 31 March 2022.

Our Aims and Objectives

Purposes and Aims

Our local aim, from our articles of association is:

- to establish and maintain a local Citizens Advice for charitable purposes for the benefit of the inhabitants of the Borough of Boston, North Kesteven and of the adjacent districts of the County of Lincolnshire

This allows us to meet the overall aims of Citizens Advice:

- to provide the advice people need for the problems they face and
- to improve the policies and practices that affect people's lives by
- providing free, independent, confidential and impartial advice to everyone on their rights and responsibilities and
- by valuing diversity, promoting equality and challenging discrimination

Ensuring that our work delivers our aims

This year saw the benefits by way of increased capacity and our ability to push forward on developing new outlets, service delivery channels and other projects.

Our main key objectives for the year 2021-2022 were to continue to

- provide the provision of free, impartial, independent and confidential advice
- identify, notify and exert influence with regard to social policies and services
- increase our advice capacity to meet the needs and demands of our community

How our activities deliver public benefit

Our main activities are undertaken to further our charitable purposes for public benefit.

Who used and benefitted from our services

During this financial year which included a short pandemic lock-down and then the reopening of face to face services, we assisted 5166 individual clients, helping with 18,104 issues. Advice was provided via face to face, telephone, email and web chat.

The top 5 issues by proportion were:

- | | |
|--------------------------------------|-----|
| • Benefits and Tax Credits (inc. UC) | 39% |
| • Debt | 24% |
| • Employment | 6% |
| • Utilities and communications | 8% |
| • Housing | 8% |

Our highest enquiry level includes Universal Credit eligibility and our Help to Claim to first payment service has proved to be very successful.

Our age profile of clients across CAML:

- | | |
|---------------------|----------------------|
| • 15-24 years old | 7% of total clients |
| • 25-34 years old | 21% of total clients |
| • 35-49 years old | 29% of total clients |
| • 50-64 years old | 29% of total clients |
| • Over 65 years old | 14% of total clients |

Our main services

We give people the knowledge and confidence they need to find their way forward – whoever they are, and whatever their problem. Our service is free, independent, impartial, and confidential. This gives us an insight into the issues our clients are facing and policies that are affecting them unfairly. We feed this information back to national Citizens Advice to help their research and to influence decision makers to change policies and practices.

Our advice is given by a mix of volunteers and paid staff. We also provide specific advice on energy, benefits and debt and can help our clients to appeal decisions and negotiate with creditors.

Quality of advice

We use the ongoing Citizens Advice quality of advice model where we self-assess our performance on a monthly basis; this is then moderated by a sample undertaken by Citizens Advice. We regularly score “yellow or green” assessments (good or excellent respectively) for quality of advice, case administration and the consistency of our self-assessment.

Specialist services

We continue to offer specialist debt advice via our East Midlands Money Advice project funded by the Money Advice Service and Pensions Service

We also operate smaller projects, as examples, supported by Boston Big Local (focusing on housing, benefit and debt issues for residents of a specified part of Boston), and the Medlock Charitable Trust providing benefits advice in our local Boston community.

Financial Review

Despite local and central government funding restrictions, we have worked hard to secure necessary and additional funding.

Principal funding sources

Our funding comes from a mix of grant and contract income with some donations from small bodies and individuals. We particularly welcomed the continuance of funding at the previous year’s level from our local borough and district councils despite the continuing economic downturn and the reduction in their income from central government.

Our funders for 2021-22 were:

- Boston Borough Council - core grant funding
- North Kesteven District Council – core grant funding
- Lincolnshire County Council – core grant funding
- Money Advice Service – EMMA debt advice contract
- Sleaford Town Council – overall advice funding
- Boston Big Local – overall advice for Boston Big Local area residents
- Citizens Advice (with energy company funding) – energy saving, switching and carbon monoxide advice for individuals and front-line staff across many organisations
- Big Energy Saving Network – front-line worker and energy consumer workshops

CITIZENS ADVICE MID LINCOLNSHIRE

- Smart Energy GB - information and advice regarding smart metres.
- Energy Redress - information and advice regarding energy saving measures.
- Help to Claim - Assistance to claim Universal Credit
- Trussell Trust Foodbank - Financial capability advice for foodbank attendees

Investment policy

Aside from retaining a prudent amount in reserves each year, most of the charity's funds are spent in the short term so there are few funds for long term investment.

CAML's funds are managed tightly. An account also contains the Bureau reserves.

The Trustee Board, via the Treasurer, will continue to review investment strategy to establish whether a larger return is available at no risk to the Bureau's finances.

Reserves policy

The Trustee Board has reviewed the charity's requirements for reserves in the light of the main risks to the organisation. The established policy is to aim to maintain the greater of:

- 3 months of normal running costs (around £127,000)

Or in the case of immediate closure,

- funds that will cover redundancy and holiday pay costs
- funds to pay our existing other liabilities such as building rent and service charge (12-month notice period), suppliers and equipment leases.

This second figure was around £103,000 as at 31 March 2022.

Our unrestricted reserves for this year are quoted as £300,467. We will designate reserves as follows:

- Immediate closure/running cost reserve: £127,000
- IT and office update/replacement reserve: £2,500
- **TOTAL DESIGNATED RESERVES: £129,500**

This leaves a net unrestricted reserve to cover items such as current or future deficits, premises upgrades, service delivery and sustainability at £170,967. Restricted reserves stood at £36,324

Plans for Future Periods

We plan to continue to improve access to our services by further use of telephone, electronic face-to-face, webchat and email advice opportunities to enhance our well-established face-to-face offer. Throughout the Covid-19 pandemic we have continued to provide our clients with advice provided by these channels.

To assist in planning we have a revised CAML business and service development plan that has been produced to give our strategic direction and timelines for travel along our development path.

Structure, Governance and Management

Governing document

The organisation is a charitable company limited by guarantee, incorporated on 11 May 2005 and registered as a charity on 13 October 2005. The company was established under a Memorandum of Association which established the objects and powers of the charitable company and is governed under its Articles of Association.

Recruitment and appointment of the Trustee Board

The directors of the company are also charity trustees and known as Trustees. Trustees are elected, co-opted or nominated to serve for a period of up to the third Annual General Meeting after which they must be elected, co-opted or nominated again. Trustees give their time voluntarily and receive no benefits from the charity. Any expenses reclaimed from the charity are set out in notes 5 and 6 to the accounts.

Trustee recruitment remains a key objective in order that the Board:

- Represent the local communities
- May ensure that CAML's activity is aligned to the requirements of all customers
- Has the correct skills, knowledge and experience in place to govern CAML

Trustee induction and training

New Trustees spend time in the local offices to get an idea of the activities and pressures that staff and clients face. (this was not possible during periods of lockdown due to Covid-19). Information Assurance training and assessment is mandatory for all Trustees.

Trustees are provided with full information on their roles and responsibilities when recruited and asked to work through a programme of information, research and knowledge following their appointment.

Risk management

We have a risk register and have fully reviewed our CAML Business Continuity Plan. This is now being aligned with other partners where relevant, eg Boston Borough. Covid -19 has impacted on the delivery of our face to face service. As soon as lockdown was announced a move to virtual meetings and the use of telephone, webchat and email services were introduced immediately to enable clients to contact us in the usual way. Normal services will be re-introduced as circumstances permit.

Organisational structure

We currently have 9 Trustees (as at 31 March 2022) who meet quarterly as a minimum and also attend inter-Board sub-committee meetings:

- Finance
- People & policies

The Board also takes responsibility under the new Citizens Advice membership agreement and leadership guidance for the strategic direction and policy of the charity.

Related parties

CAML is a member of Citizens Advice with its local and national policy. We are represented on various boards and bodies at local Boston level as well as county.

In Lincolnshire, CAML is part of the Citizens Advice Lincolnshire consortium. This allows for a single county conduit to facilitate countywide funding and activity.

We have well established links with many local organisations and contacts: our local councils, Jobcentre Plus, Department of Work and Pensions, Age UK, Centrepont Outreach (a local homeless charity) and we also continue to maintain close links with our local Community and Voluntary Service colleagues.

Our Trustees also have other areas of interest and influence in our locality and we also encourage our staff to represent their communities within other organisations.

Responsibilities of the Trustee Board

We are required to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company. In preparing these financial statements the Trustee Board should follow best practice and:

- Select suitable accounting policies and then apply them consistently,
- Make judgements and estimates that are reasonable and prudent and
- Prepare the financial statements on the going concern basis unless it is not appropriate to assume that the company will continue on that basis

The Trustee Board is also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Members of the Trustee Board

Trustee Board members (who are directors for the purpose of company law and trustees for the purposes of charity law) who served during the year and up to the date of this report are set out earlier.

In accordance with Company Law, as the company's directors, we certify that:

- So far as we are aware, there is no relevant examination information of which the company's examiners are unaware and
- As the directors of the company we have taken all the steps that we ought to have taken in order to make ourselves aware of any relevant examination information and to establish that the charity's examiners are aware of that information.

CITIZENS ADVICE MID LINCOLNSHIRE

Independent Examiner's Report To The Trustees of Citizens Advice Mid Lincolnshire

I report on the accounts for the year ended 31 March 2022 set out on pages 8 to 15.

Responsibilities and basis of report

As the charity's trustees of the Company (who are also the directors of the company for the purposes of company law), you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ("the 2006 Act").

Having satisfied myself that the accounts of the Company are not required to be audited for this year under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ("the 2011 Act"). In carrying out my examination, I have followed the Directions given by the Charity Commission (under section 145(5) (b) of the 2011 Act).

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention which gives me cause to believe that:

- accounting records were not kept in accordance with section 386 of the Companies Act 2006; or
- the accounts do not accord with such records; or
- the accounts do not comply with relevant accounting requirements under section 396 of the Companies Act 2006 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
- the accounts have not been prepared in accordance with the Charities SORP (FRS102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
