**ANGLICAN MAINSTREAM**  
**ANNUAL REPORT**  
**FOR THE YEAR ENDED 31<sup>ST</sup> MAY 2021**

The Directors and Trustees present their annual report and financial statements, for the year ended 31<sup>st</sup> May 2021. The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's memorandum and articles of association, the Companies Act 2006, the Charities Act 2011, and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland– Charities SORP (FRS 102); and the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

**Objects of the Charity, Principal Activities and Public Benefit**

The Charity is constituted as a company limited by guarantee and is, therefore, governed by a memorandum and articles of association.

The Charity's object and its principal activity is that of “the advancement of religion through the promotion, teaching, maintenance and practice of the scriptural truths on which the Anglican Church is founded”. The Charity continues to explore new ways of achieving these objectives, but there have been no changes in either the objects of the Charity, or the policies in place to achieve them.

The Trustees have reviewed the Charity objects and activities and are of the view that the public benefit test continues to be totally satisfied. In forming this opinion, the Trustees have considered the guidance issued by the Charity Commission with regard to public benefit.

**The Organisation of Our Work**

The Charity is organised so that the Trustees meet and converse regularly to manage its affairs. The post of Executive Secretary is a salaried position, and day to day responsibility of the Charity's affairs is delegated to this individual. The payment of a salary to the Executive Secretary is in accordance with the Charity's constitution.

**Developments and Achievements**

The Trustees consider that the performance of the Charity has been satisfactory. The Charity continues to set the building blocks for the promotion of its objects and has liaised with other charitable organisations to this end.

During the year, through its website featuring a daily feed of news and comment, the Charity has continued to provide a substantial information resource for orthodox Anglicans in England and around the world, focussing particularly on areas where the Church's historic teaching and practice comes into conflict with contemporary cultural norms. The Charity continues to provide commentary and networking activity in the context of Church of England and global Anglican debates and reports on marriage and sexuality, religious freedom and Christian mission in the modern world.

The Charity continues to respond to requests for comment in the media on these and other issues. It continues its close association with the worldwide Anglican Communion in developing countries through GAFCON and its UK affiliate, GAFCON UK (formerly Fellowship of Confessing Anglicans), and by channelling financial support for selected Anglican ministries in the developing world.

**Future Developments**

The Trustees hope to continue to build upon the foundations laid in the initial periods of activity, and as above, but no particular future developments are planned.

**ANGLICAN MAINSTREAM**  
**ANNUAL REPORT**  
**FOR THE YEAR ENDED 31<sup>ST</sup> MAY 2021**

**Transactions and Financial Position**

The statement of financial activities shows net incoming unrestricted resources of £3,656 for the year (2020: outgoing £12,620), and the total fund balances carried forward stood at £9,037 (2020 - £8,710).

The Trustees recognise that the Covid-19 pandemic had a significant impact on the finances of the Charity, with donation income to general funds down significantly from March 2020 onwards. Measures to cut costs and seek alternative avenues of fundraising were implemented, and appropriate changes have been made to ensure that the Objects can continue to be achieved on a smaller budget. The Trustees believe that this is reflected in the figures for the year 20-21, and are now confident in the long term sustainability of the Charity.

**Tangible Fixed Assets for Use by the Charity**

Details of movements in fixed assets are set out in the notes to the accounts. None of the assets are believed to be valued at a materially different sum from that reflected in the accounts.

**Co-operative Relationships with Other Organisations**

Anglican Mainstream has informal links with other churches, charities and organisations, worldwide, who generally share its charitable objectives and from time to time works with them on particular projects. Some of these other charities and organisations offer support for the work of Anglican Mainstream by way of grant funding, donations, or payments for consulting work.

**Reserves Policy**

It is the policy of the charity to build up sufficient unrestricted funds, which are the free reserves of the Charity, to a level which equates to approximately three months unrestricted expenditure. This will provide sufficient funds to cover the ongoing promotion of the Charity's objects, together with the associated support and administration costs.

**Directors and Trustees**

All Directors of the Company are also Trustees of the Charity, and there are no other Trustees. All of the Trustees named on page 1 served during the year. The Board has the power to appoint additional Trustees as it considers fit to do so, and, as the need arises, appropriate training will be given to any new Trustees taking up office.

Revd Canon Dr Chris Sugden, who has served as Chair since 1st August 2014, signs the Report in this capacity.

**Risk Management**

The Trustees have examined the major strategic, business and operational risks which the Charity faces or may face, and confirm that systems are in place to enable regular reports to be produced, so that the necessary steps can be taken to lessen any such risks. The principal risks faced by the charity are the sustainability of income, and the ongoing restraint over, and control of, operating costs. Both of these risks are under constant review and monitoring.

Readers' attention is also drawn to note 17 to the accounts regarding pension issues.

**STATEMENT OF TRUSTEES' RESPONSIBILITIES**  
**FOR THE YEAR ENDED 31<sup>ST</sup> MAY 2021**

The Trustees are required by law to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Charity, and of its results for that period. In preparing those financial statements, the Trustees are required to:

- \* Select suitable accounting policies and then apply them consistently;
- \* Observe the methods and principles in the applicable Charities SORP;
- \* Make judgements and estimates that are reasonable and prudent;
- \* State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- \* Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity, and to enable them to ensure that the financial statements comply with the Companies Act 2006, the Charities Act 2011 and the applicable Charities SORP. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are responsible for the maintenance and integrity of the charity and financial information included on the charity's website in accordance with legislation in the United Kingdom governing the preparation and dissemination of financial statements.

and Trustees**

# **INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF**

## **ANGLICAN MAINSTREAM**

I report to the charity trustees on my examination of the accounts of the company, for the period ended 31<sup>st</sup> May 2021, which are set out on pages 7 to 18.

### **Respective responsibilities of the trustees and examiner**

As the charity's trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 (the '2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

### **Basis of independent examiner's report**

My examination was carried out in accordance with the General Directions given by the Charity Commissioners.

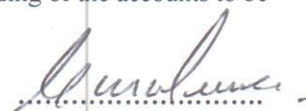

An examination includes a review of the accounting records kept by the charity, and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair view', and the report is limited to those matters set out in the statement below.

### **Independent examiner's statement**

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

- (1) accounting records were not kept in respect of the company as required by section 386 of the 2006 Act; or
- (2) the accounts do not accord with those accounting records; or
- (3) the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
- (4) the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

**ANGLICAN MAINSTREAM**

**NOTES TO THE FINANCIAL STATEMENTS**

**FOR THE YEAR ENDED 31<sup>ST</sup> MAY 2021**

**1. Accounting Policies**

**(a) General Information**

These financial statements have been presented in Pounds Sterling as this is the currency of the primary economic environment in which the Company operates.

**(b) Basis of preparation**

The accounts (financial statements) have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant notes(s) to these accounts. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)– Charities SORP (FRS 102); and the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102); the Charities Act 2011 and the Companies Act 2006.

The charity constitutes a public benefit entity as defined by FRS 102.

The charity has taken advantage of the exemption to prepare a cash flow statement, as contained in Financial Reporting Standard 1, on the grounds that it is a small charity.

**(c) Activities**

The financial statements include the results of the charity's operations as described in the directors' and trustees' annual report.

**(d) Income recognition**

Income of all kinds is accounted for when receivable, i.e. in the period in which the charity is entitled to receipt, it is probable that the income will be received and the amount of income receivable can be measured reliably.

No permanent endowments have been received in the period.

**(e) Expenditure recognition**

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that settlement will be required and the amount of the obligation can be reliably measured.

Expenditure is included on an accruals basis and has been classified under headings that aggregate all costs related to the category.

All core cost categories are regarded as being of a support nature to the Charity's principal activity, as described in the Annual Report. It is anticipated that any future specific projects will be covered by restricted funds – i.e. funds raised specifically for that project.

**ANGLICAN MAINSTREAM**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 31<sup>ST</sup> MAY 2021**

**1. Accounting Policies (cont'd)**

**(f) Grants payable**

Grants payable are payments made to third parties, either individuals or other charitable organisations, in the furtherance of the charity's objects. In the case of unconditional grant offers, these are accrued once the recipient has been notified of the award. Conditional grants are only accrued when the conditions have been fulfilled and the recipient notified.

No multi-year grants are made, other than where additional funding has been received through a restricted fund.

**(g) Value added tax**

Value added tax is not recoverable by the Charity, and as such is included in the relevant costs in the statement of financial activities.

**(h) Financial assets – classified as basic financial instruments**

**i) Cash and cash equivalents**

Cash and cash equivalents include cash in hand, deposits held with banks, and other short term highly liquid investments with original maturities of three months or less.

**ii) Trade and other receivables**

Trade and other receivables that are receivable within one year are measured at the undiscounted amount of the cash expected to be received, net of any impairment.

**iii) Trade and other payables**

Trade and other payables that are payable within one year are measured at the undiscounted amount of the cash expected to be paid.

**(i) Fund accounting**

Unrestricted funds comprise those funds which the trustees are free to use in accordance with the objects of the charity, as defined in the constitution.

Designated Funds are those set aside by the Trustees out of unrestricted general funds for specific future purposes or projects.

Restricted Funds are those given for particular purposes and projects.

**(j) Going concern**

The financial statements have been prepared on a going concern basis.

The current economic conditions present increased risks for all businesses. In response to such conditions, the directors/trustees have carefully considered these risks, including an assessment of uncertainty on future trading projection for a period of at least 12 months from the date of signing the financial statements, and the extent to which they might affect the preparation of the financial statements.

The directors/trustees have concluded that the going concern basis remains appropriate.

**ANGLICAN MAINSTREAM**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 31<sup>ST</sup> MAY 2021**

**1. Accounting Policies (cont'd)**

**(k) Translation of Foreign Currencies**

Foreign currency transactions are translated into Pounds Sterling using the exchange rate prevailing at the date the transactions took place. Where this is not possible to determine, income and expense items are translated using an average exchange rate for the period.

Monetary assets and liabilities denominated in foreign currencies at the reporting date are reported at the rates of exchange prevailing at that date. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at the reporting date of monetary assets and liabilities are reported in the statement of financial activities.

**(l) Operating Leases**

Rentals applicable to operating leases where substantially all the benefits and risks of ownership remain with the lessor, are reflected in the statement of financial activities as incurred.

**(m) Pensions**

The Company operated defined contribution pension schemes and the pension charge represent the amounts payable by the Company to the funds in respect of the year.

**Position until April 2020**

The relevant scheme was the Church of England Funded Pensions Scheme, about which further information is given in Note 17 to these financial statements.

Anglican Mainstream ceased paying into The Church of England Funded Pensions Scheme in April 2020.

**Position from April 2020**

The company continues to operate a defined contribution pension scheme in respect of the sole salaried employee. The scheme's assets are held by independent managers.

**(n) True and Fair Override**

Under FRS 102, the recognition of pension costs under The Church of England Funded Pensions Scheme, as explained in note (m) above, is no longer considered appropriate. However, the Trustees consider that, in order for the accounts to show a true and fair view, pension costs being reflected as the payments made in the year remains the appropriate disclosure.

Previous to April 2020, agreement had been reached with The Church of England Pensions Board such that any projected pensions funding shortfall would be paid over a number of years, together with the usual annual contributions. Incoming funding to the Charity was sought to cover this budgeted additional expense, again on an annual basis, and thus the overall matching of income and outgoing resources was both consistent, and a better indicator of the careful stewardship of the Charity's resources.

**Marriage Sex and Culture Group**

The MSC group led by Dr Lisa Nolland, has for some years brought together experts in fields related to the aims of Anglican Mainstream, for information sharing and advocacy work. As well as conferences and publications in the UK, MSC has also raised funds to support a community development and sexual health project in Kenya (referred to as 'MSC Africa' in the accounts).. Dr Nolland and her administrative assistants receive expenses but no salary. In late 2020 it was agreed that MSC would become a new organisation separate from Anglican Mainstream, and this will be reflected in the 2022 accounts.

**Evangelical Fellowship in the Anglican Communion (EFAC)**

In June 2020 money was donated to Anglican Mainstream to pass on to projects in Ghana, Madagascar, India and Uganda, where the local Anglican Diocese was assisting with emergency relief as a result of the Covid pandemic.

**17. Pension Commitments**

**Position until April 2020**

The Church of England Funded Pensions Scheme is a defined benefit scheme but Anglican Mainstream is unable to identify its share of the underlying assets and liabilities – each employer in that scheme pays a common contribution rate.

Periodically, the scheme is valued and adjustments made to the employer's contribution rate as deemed necessary.

For schemes such as The Church of England Funded Pensions Scheme, previous reporting standards (paragraph 9(b) of FRS 17) required the employer to account for pension costs on the basis of contributions actually payable to the scheme in the year.

Under FRS 102, the recognition of pension costs as explained above is no longer considered appropriate. However, the Trustees consider that, in order for the accounts to show a true and fair view, pension costs being reflected as the payments made in the year remains the appropriate disclosure.

Previous to April 2020, agreement had been reached with The Church of England Pensions Board such that any projected pensions funding shortfall would be paid over a number of years, together with the usual annual contributions. Incoming funding to the Charity was sought to cover this budgeted additional expense, again on an annual basis, and thus the overall matching of income and outgoing resources would be both consistent, and a better indicator of the careful stewardship of the Charity's resources.

Anglican Mainstream's employee withdrew from The Church of England Funded Pensions Scheme in April 2020. It is understood that no further claims will be made upon the charity for any projected pensions funding shortfall prior to the date that contributions ceased being made.
