Structure, governance and management

The Charity was incorporated as a company limited by guarantee on 20 October 2005 and is governed by an Articles and Memorandum of Association. Appointment of trustees were initially by recommendation of the elders of the church and then approved by the church members.

Activities organised in furtherance of the objects include regular Sunday church services, religious conventions, seminars and the training workshops.

Objectives and activities

The main objects of the charity are the advancement of the Christian faith, the relief of sickness, poverty and the advancement of education in accordance with Christian principles for its members and for the benefit of the public at large.

Achievements and performance

On the whole, the financial year ending 31 March 2025 was a good one.

1. Opening of 2 new branches: South London and Harlow – Essex.
2. Our Sunday services and Friday Zoom Bible studies via Zoom have been well attended by members and sometimes non-members alike. Very engaging and great depth of insight into the Word of God, which is helping members to grow in their faith and relationship with the Lord.
3. We continue to support Day of Help, Christ to the Rural World Crusades and other ongoing charitable/ community projects in Ghana.
4. We had a very successful annual Easter charity event – Let's All Come Together (LACT), which was well attended. This was in collaboration with other local charities in the Stratford area and presentation of some essential and other food items to the homeless and less privileged.
5. Our restricted funds towards own place of worship continue to grow.

Financial review

The total incoming resources is £163,933 (£169,814 in 2024).

The total resources expended is £138,555 (£139,919 in 2024).

The overall net resources resulted in surplus of £27,378 (£29,896 in 2024)

Plans for future periods

Our plans for the coming year are great. We intend:

1. To have our annual Holy Ghost Fire Conference with the General Overseer in October 2023. 2. To have more online presence and use other social media channels to promote our programmes and activities. 3. To start two new church branches in other parts of London. 4. To apply for a grant for community projects that focuses on the youth and the promotion of community cohesion in the Stratford area.

RESERVES POLICY

The trustees recognise the need to maintain reserves. Unrestricted funds are needed to cover the day-to-day administration and support costs of the charity and also to have funds available for specified projects in the future should the need arise.

RISK MANAGEMENT

The major risks to which the charity is exposed have been identified as the safeguarding the assets of charity and ensuring funds are applied for charitable purposes. Systems and strategies have been put in place to mitigate these risks. Income and expenditure is monitored through the setting of budgets which are compared with actual figures.

The trustees' annual report was approved on 15 January 2026 and signed on behalf of the board of trustees by:

Independent Examiner's Report to the Trustees of Charismatic Evangelistic Ministry UK

Year ended 31 March 2025

I report to the trustees on my examination of the financial statements of Charismatic Evangelistic Ministry UK ('the charity') for the year ended 31 March 2025.

Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

3. Accounting policies

3. Accounting policies *(continued)*

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Tangible assets

All fixed assets are initially recorded at cost.

3. Accounting policies *(continued)*

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Fixtures and fittings	-	25% reducing balance
Equipment	-	25% reducing balance

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date, allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the charity are assigned to those units.

Defined contribution plans

Contributions to defined contribution plans are recognised as an expense in the period in which the related service is provided. Prepaid contributions are recognised as an asset to the extent that the prepayment will lead to a reduction in future payments or a cash refund.

When contributions are not expected to be settled wholly within 12 months of the end of the reporting date in which the employees render the related service, the liability is measured on a discounted present value basis. The unwinding of the discount is recognised as an expense in the period in which it arises.
