#### Achievements and Performance

##### Achievement report for 2021 to 2022

The year 2021-2022 turned into a year unlike any other with the Global pandemic restricting us most of the year. Even so we as a charity have been active in the community and seen growth in the number of people who attend the Church, all be it via on-line and in Zoom meetings. We have seen a new wave of volunteers in different areas, especially in the multimedia department, which has seen a positive impact in the community through the lives of those that have been touched by the activities of the charity.

A challenge continues to be the availability of a permanent venue to use as a base from which to run our meetings and operate our community work. Having said that we have been involved in the community in various ways. This is a brief overview of what we as The Connection Church have undertaken, and continue to be involved in.

## THE CONNECTION CHURCH

### REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2022

#### Overview of accomplishments and current ongoing involvement:

As a Church we continue to place an emphasis on leadership development, personal growth and discipleship through the training, equipping and establishment of exciting new Connect Groups. This incorporates all areas of community, including both young and old as well as the vulnerable.

- Due to the onset of the pandemic, this has been a year like no other, we were not able to meet in person for much of the year, and so most of the training in Leadership and Discipleship had to take place via Zoom and not in person. So the Charity had to invest in computers and software for this purpose.
- During the year we found we had to be very flexible with how we ran our meetings as the numbers permitted by the Government meant we were constantly having to change to meet the requirements to keep people safe and adhere to the restrictions.
- New social Media platforms were explored to keep people connected and involved. We started a very successful daily Face Book devotional, which had a huge impact in the wider community with many people logging on to be encouraged during a very difficult time.
- During the year we also had various Ministries, both local and international, speak into the local Church giving training, input and development. These meetings went online and were done over the Zoom platform which meant we were able to access speakers from different partnering churches around the world.
- We continued to sponsor a missionary who works in an Aids orphanage in Zimbabwe. Although due to the pandemic our volunteers were able to travel to Zimbabwe visit and encourage them.
- We also continued to support a missionary couple in Kyrgyzstan, our plan is to send a team to encourage them as soon as travel restrictions are lifted.
- Much of our resources come from donations and gifts, this has to cover the rental of space, as well as the funding of the work into our various projects. Much fiscal wisdom has to be exercised over the limited resources for their use and distribution.
- At the start of 2020 we partnered with Every Nation and enrolled 12 members into their Leadership 215 course. This is an online Theological Training Bible School, which aims towards a Certificate or Degree in Theology. It's been exciting to see the growth in our students. Our students have done well in their progress.
- Once the restrictions were lifted we were able to take a team of 16 people down to St Austell, South Coast Church, to do Evangelism training and Mission work. This proved to be very effective and encouraging as so many people had been out of fellowship. Reports from the local Church have been profound and encouraging. The Church used money from the Missions Fund to help sponsor the trip and cover costs.
- Our goals and activities for 2021 are much the same as last year. That is to increase our influence in helping all people to be more effective in their role in society. This will be in the workplace, schools and in homes. We aim to get involved with the youth and vulnerable in the local community, and an exciting opportunities have opened up for us to get involved in the Winnington Youth Centre. Much of our volunteering has been geared around helping the community cope with the Pandemic Lockdown.
- We have started a number of Connect Groups, these are discipleship groups, where equipping, empowering and mentoring takes place, increasing our reach, impact, influence and support in the community.

## THE CONNECTION CHURCH

### REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2022

- In January 2022 we started a "Churches Together" initiative with another local Church, The Stronghold Church. together we have decided to partner and work together in joint outreach projects in the community and every second month to hold combine Sunday services in a local School Theatre. These have proved very fruitful and beneficial to the community, together we were also able to run a Valliant Man, program to help men in the community, as well as a joint Women's "Radiant" event.

Our long-term goal and this is still in place, is to provide a facility for the greater community to meet in and interact. This would take the form of a meeting place that is friendly and inviting and would be open to the community at large, seven days a week. The Connection Venue would include a Coffee Shop, Book Shop and Reading Room, Conference facility, Youth Facility, as well as provision for mothers with infants to interact, socialize and receive guidance and support, a Home Schoolers venue to facilitate educational group activities. This facility will also be a Life Skills Training and Youth Centre. The facility should cater for all ages.

We are currently using a council facility on weekends and on some evenings.

Our main goal is to be able to preach the Gospel of Jesus Christ and through this Gospel of Grace to allow love and forgiveness to impact and influence all areas of our community.

#### Public benefit

The charity trustees have complied with their duty in section 17(5) of the 2011 Charities Act to have due regard to the guidance on public benefit published by the Charity Commission in exercising their powers and duties. The activities mentioned above demonstrate this.

#### Financial Review

The Charity's financial year runs concurrently with the financial year end as set by HMRC.

The Charity has recorded net expenditure of £6,929 as shown in the statement of financial activities on page 7 of the accounts.

It is the policy of the Charity that unrestricted funds which have not been designated for specific use should be maintained at a minimum level equivalent to 3 months expenditure, although the trustees are hoping to build the Charity funds to a substantial level.

At the end of the 2021/22 financial year, The Connection Church is holding £27,781 of unrestricted reserves.

#### TRUSTEES' RESPONSIBILITIES STATEMENT

The trustees are responsible for preparing the trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Charity law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity at the year end and of its incoming resources and resources expended during that year. In preparing these financial statements, the trustees are required to:

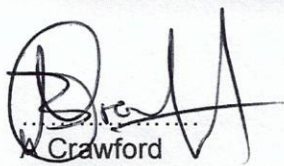

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in operation.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

#### INDEPENDENT EXAMINER

### REPORT OF THE INDEPENDENT EXAMINER TO THE TRUSTEES

We report on the financial statements of the trust for the year ended 31 March 2022, which are set out on pages 7 to 18.

#### **Respective responsibilities of trustees and examiner**

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the Charities Act, and
- to state whether particular matters have come to my attention.

#### **Basis of independent examiner's statement**

My examination was carried out in accordance with general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

#### **Independent examiner's statement**

In connection with my examination, I have reasonable cause to believe that

(1) in all material respects the requirements:

- to keep accounting records in accordance with section 130 of the Charities Act; and
- to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act and with the methods and principles of the SORP;

have been met; and

(2) there are no material matters to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

**THE CONNECTION CHURCH**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**YEAR ENDED 31 MARCH 2022**

**1. ACCOUNTING POLICIES**

**Basis of preparation**

The financial statements have been prepared under the historical cost convention, and in accordance with the Charities Act 2011 and the Statement of Recommended Practice (SORP), "Accounting and Reporting by Charities (FRS 102)".

**Fund accounting**

Unrestricted funds are general funds which are available for use at the discretion of the trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the charity for particular purposes. The cost of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

Investment income and gains are allocated to the appropriate fund.

**Income and endowments**

All income and endowments are included in the statement of financial activities when the charity is legally entitled to the income and the amount can be quantified with reasonable accuracy.

Donated services or facilities, which comprise donated services, are included in income at a valuation which is an estimate of the financial cost borne by the donor where such a cost is quantifiable and measurable. No income is recognised where there is no financial cost borne by a third party.

Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Income tax recoverable in relation to investment income is recognised at the time the investment income is receivable.

No amounts are included in the financial statements for services donated by volunteers.

**Expenditure**

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Where costs cannot be directly attributed to particular activities they have been allocated on a basis consistent with the use of the resources.

Fundraising costs are those incurred in seeking voluntary contributions and do not include the costs of disseminating information in support of the charitable activities. Support costs are those costs incurred directly in support of expenditure on the objects of the company and include project management carried out at headquarters.

Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year-end are noted as a commitment, but not accrued as expenditure.

Governance costs are those incurred in connection with administration of the charity and compliance with constitutional and statutory requirements.

**THE CONNECTION CHURCH**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**YEAR ENDED 31 MARCH 2022**

**ACCOUNTING POLICIES (continued)**

**Foreign exchange gains and losses**

Monetary assets and liabilities denominated in foreign currencies are translated into sterling at the rates of exchange prevailing at the accounting date. Transactions in foreign currencies are recorded at the average rate during the accounting period. All differences are taken to the SOFA.

**Tangible fixed assets and depreciation**

Tangible fixed assets are stated at cost less depreciation. Assets are capitalised where they can be used for more than one year and cost over £200.

Depreciation is provided at rates calculated to write off the cost less residual value of each asset over its expected useful life, as follows:
