Since the Company qualifies as small under section 382 of the Companies Act 2006, the Strategic report required of medium and large companies under the Companies Act 2006 (Strategic Report and Directors' Report) Regulations 2013 has been omitted.

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 MARCH 2025

Achievements and performance (continued)

● **Main achievements of the Charity (continued)**

The church has offices in the main high street in the Centre of Worthing.

This is a leasehold commercial property which has become a centre for Coastlands Church to reach out to the community, to meet many needs such as practical help, signposting to agencies in the community, emotional and spiritual support.

The Centre also acts as a broadcasting hub for our midweek streaming services, a central base for our Sozo ministry, pastoral office appointments, a storage base for hospitality equipment and a place to host midweek prayer.

Financial review

● **Going concern**

After making appropriate enquiries, the Trustees have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the accounting policies.

● **Reserves policy**

For the year ending 31 March 2025, the Directors and Trustees set a reserves policy objective of having a level of unrestricted reserves sufficient to cover at least 3 months operational costs at any one time. This is estimated currently to be in the region of £40,000. The trustees have also decided to set aside as designated funds £100,000 for future building and other projects.

The charity currently exceeds these reserves and has a total of unrestricted reserves of £491,171 (2024: £516,838).

● **Results**

During the year the charitable company made an unrestricted deficit of £25,667 (2024: deficit £12,093) and a restricted deficit of £491 (2024: surplus £587) which are deducted from/added to, as appropriate, the balances brought from the previous period.

● **Principal risks and uncertainties**

The directors are confident that risks are kept to a minimum through strict financial control with regular reviews. The directors consider that the main risk to the company would be a reduction in the size of the membership or its ability and desire to give. This risk is managed through regular reporting of giving trends and active development of the growing vision. As already reported, membership has increased and the directors are confident that it will continue increasing at this time.

Structure, governance and management

● **Constitution**

Coastlands Church Ltd is registered as a charitable company limited by guarantee and was set up by a Memorandum of Association dated 26 June 2005.

Structure, governance and management (continued)

● **Methods of appointment or election of Trustees**

The management of the Company is the responsibility of the Trustees who are elected and co-opted under the terms of the Articles of Association.

● **Organisational structure and decision-making policies**

The charitable company is based in Worthing and works in that catchment area. The directors facilitate the work through regional house groups as well as through community based projects which include working with the homeless, the elderly, youth and children.

● **Policies adopted for the induction and training of Trustees**

New directors are supplied with information published by the Charity Commission on the responsibilities and expectations of those appointed to charity work. Latest accounts and statutory information are provided and whatever interview time the new appointee requires with other Directors or senior managers is made available.

● **Financial risk management**

The Trustees have assessed the major risks to which the Company is exposed, in particular those related to the operations and finances of the Company, and are satisfied that systems and procedures are in place to mitigate exposure to the major risks.

Plans for future periods

As a longer-term objective, the trustees will be looking for a property to purchase as a church centre, in which to hold meetings. To this purpose the church has designated funds to cover initial costs.

Members' liability

The members of the Company guarantee to contribute an amount not exceeding £1 to the assets of the Company in the event of winding up.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2025

1. General information

Coastlands Church Ltd is a company limited by guarantee incorporated in England & Wales with a company number, 05491647.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Coastlands Church Ltd meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

2.2 Income

All income is recognised once the Company has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

2.3 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the Company's objectives, as well as any associated support costs.

Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year end are noted as a commitment, but not accrued as expenditure.

All expenditure is inclusive of irrecoverable VAT.

2.4 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Company; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

COASTLANDS CHURCH LTD
(A company limited by guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2025

2. Accounting policies (continued)

2.5 Tangible fixed assets and depreciation

Tangible fixed assets costing £NIL or more are capitalised and recognised when future economic benefits are probable and the cost or value of the asset can be measured reliably.

Tangible fixed assets are initially recognised at cost. After recognition, under the cost model, tangible fixed assets are measured at cost less accumulated depreciation and any accumulated impairment losses. All costs incurred to bring a tangible fixed asset into its intended working condition should be included in the measurement of cost.

Depreciation is charged so as to allocate the cost of tangible fixed assets less their residual value over their estimated useful lives, on a reducing balance basis.

Depreciation is provided on the following basis:

Office equipment	-	25%
Other fixed assets	-	25%

2.6 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

2.7 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

2.8 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the Company anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the Statement of financial activities as a finance cost.

2.9 Financial instruments

The Company only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

TRUSTEES' REPORT
FOR THE YEAR ENDED 31 MARCH 2024

The Trustees present their annual report together with the financial statements of the Coastlands Church Ltd for the year 1 April 2023 to 31 March 2024. The Annual report serves the purposes of both a Trustees' report and a directors' report under company law. The Trustees confirm that the Annual report and financial statements of the charitable company comply with the current statutory requirements, the requirements of the charitable company's governing document and the provisions of the Statement of Recommended Practice (SORP) applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2019).

Since the Company qualifies as small under section 382 of the Companies Act 2006, the Strategic report required of medium and large companies under the Companies Act 2006 (Strategic Report and Directors' Report) Regulations 2013 has been omitted.

Objectives and activities

• Policies and objectives

The Articles of Association define the objectives as being:

- The advancement of the Christian Faith in accordance with the doctrines set out therein.
- The relief of persons who are in conditions of need, hardship or distress, aged or sick.
- The advancement of education on the basis of Christian principles.

These objectives are progressed through the various activities and departments in the life of the church, continuing to work increasingly within the community in which it is based.

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'.

Achievements and performance

• Main achievements of the Charity

The charity started activities in May 2006.

The church meets in Worthing in West Sussex. Congregants are involved in varying degrees of Christian works within the church and the community.

The advancement of the Christian faith in accordance with the doctrines set out therein

Full programmes of mid-week and Sunday meetings include Christian worship, teaching and fellowship. Teaching engagements outside Worthing are encouraged.

The relief of persons who are in conditions of need, hardship or distress, aged or sick

The welfare fund continues to enable the church to give relief to single parents, widows and any others in circumstances of hardship, whether the need be food, clothing or funds. This facility is not confined to the church members but is open to the wider community.

The Directors are responsible for deciding the distribution of the fund. The church also donates funds to children's welfare projects overseas.

The advancement of education on the basis of Christian principles

The charity continues to develop the distribution of the resources which have been placed at its disposal. The charity continues with its training programme.

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 MARCH 2024

Financial review

• **Going concern**

After making appropriate enquiries, the Trustees have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the accounting policies.

• **Reserves policy**

For the year ending 31 March 2024, the Directors and Trustees set a reserves policy objective of having a level of unrestricted reserves sufficient to cover at least 3 months operational costs at any one time. This is estimated currently to be in the region of £40,000. The trustees have also decided to set aside as designated funds £100,000 for future building and other projects.

The charity currently exceeds these reserves and has a total of unrestricted reserves of £516,838 (2023: £528,931).

• **Results**

During the year the charitable company made an unrestricted deficit of £12,093 (2023: surplus £11,107) and a restricted surplus of £587 (2023: deficit £951) which are deducted from/added to, as appropriate, the balances brought from the previous period.

• **Principal risks and uncertainties**

The directors are confident that risks are kept to a minimum through strict financial control with regular reviews. The directors consider that the main risk to the company would be a reduction in the size of the membership or its ability and desire to give. This risk is managed through regular reporting of giving trends and active development of the growing vision. As already reported, membership has increased and the directors are confident that it will continue increasing at this time.

Structure, governance and management

• **Constitution**

Coastlands Church Ltd is registered as a charitable company limited by guarantee and was set up by a Memorandum of Association dated 26 June 2005.

• **Methods of appointment or election of Trustees**

The management of the Company is the responsibility of the Trustees who are elected and co-opted under the terms of the Articles of Association.

Directors are drawn from the membership of the church. Due regard is taken of other charity experience and any specialist skills which may enhance the contribution of a candidate to the charity if selected. DBS check is mandatory.

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 MARCH 2024

Structure, governance and management (continued)

● **Organisational structure and decision-making policies**

The charitable company is based in Worthing and works in that catchment area. The directors facilitate the work through regional house groups as well as through community based projects which include working with the homeless, the elderly, youth and children.

● **Policies adopted for the induction and training of Trustees**

Latest accounts and statutory information are provided and whatever interview time the new appointee requires with other Directors or senior managers is made available.

● **Financial risk management**

The Trustees have assessed the major risks to which the Company is exposed, in particular those related to the operations and finances of the Company, and are satisfied that systems and procedures are in place to mitigate exposure to the major risks.

Plans for future periods

As a longer-term objective, the trustees will be looking for a property to purchase as a church centre, in which to hold meetings. To this purpose the church has designated funds to cover initial costs.

Members' liability

The members of the Company guarantee to contribute an amount not exceeding £1 to the assets of the Company in the event of winding up.

FOR THE YEAR ENDED 31 MARCH 2024

Independent examiner's report to the Trustees of Coastlands Church Ltd ('the Company')

I report to the charity Trustees on my examination of the accounts of the Company for the year ended 31 March 2024.

Responsibilities and basis of report

As the Trustees of the Company (and its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the Company's accounts carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

This report is made solely to the Company's Trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. My work has been undertaken so that I might state to the Company's Trustees those matters I am required to state to them in an Independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the Company and the Company's Trustees as a body, for my work or for this report.

COASTLANDS CHURCH LTD
(A company limited by guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2024

1. General information

Coastlands Church Ltd is a company limited by guarantee incorporated in England & Wales with a company number, 05491647.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Coastlands Church Ltd meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

2.2 Income

All income is recognised once the Company has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

2.3 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the Company's objectives, as well as any associated support costs.

Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year end are noted as a commitment, but not accrued as expenditure.

All expenditure is inclusive of irrecoverable VAT.

2.4 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Company; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

COASTLANDS CHURCH LTD
(A company limited by guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2024

2. Accounting policies (continued)

2.5 Tangible fixed assets and depreciation

Tangible fixed assets costing £NIL or more are capitalised and recognised when future economic benefits are probable and the cost or value of the asset can be measured reliably.

Tangible fixed assets are initially recognised at cost. After recognition, under the cost model, tangible fixed assets are measured at cost less accumulated depreciation and any accumulated impairment losses. All costs incurred to bring a tangible fixed asset into its intended working condition should be included in the measurement of cost.

Depreciation is charged so as to allocate the cost of tangible fixed assets less their residual value over their estimated useful lives, on a reducing balance basis.

Depreciation is provided on the following basis:

Office equipment	-	25%
------------------	---	-----

2.6 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

2.7 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

2.8 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the Company anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the Statement of financial activities as a finance cost.

2.9 Financial instruments

The Company only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

COASTLANDS CHURCH LTD

TRUSTEES' REPORT

The trustees, who are directors for the purposes of company law, present the annual report together with the financial statements of the charitable company for the year ended 31 March 2022.

Objectives and activities

Objects and aims

The Articles of Association define the objectives as being:

- The advancement of the Christian Faith in accordance with the doctrines set out therein.
- The relief of persons who are in conditions of need, hardship or distress, aged or sick.
- The advancement of education on the basis of Christian principles.

These objectives are progressed through the various activities and departments in the life of the church, continuing to work increasingly within the community in which it is based.

Public benefit

The trustees confirm that they have complied with the requirements of section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

Achievements and performance

Review of activities

The charity started activities in May 2006.

The church meets in Worthing in West Sussex.

Congregants are involved in varying degrees of Christian works within the church and the community.

The advancement of the Christian faith in accordance with the doctrines set out therein

Full programmes of mid-week and Sunday meetings include Christian worship, teaching and fellowship.

Teaching engagements outside Worthing are encouraged.

The relief of persons who are in conditions of need, hardship or distress, aged or sick

The welfare fund continues to enable the church to give relief to single parents, widows and any others in circumstances of hardship, whether the need be food, clothing or funds. This facility is not confined to the church members but is open to the wider community.

The Directors are responsible for deciding the distribution of the fund.

The church also donates funds to children's welfare projects overseas.

The advancement of education on the basis of Christian principles

The charity continues to develop the distribution of the resources which have been placed at its disposal.

The charity continues with its training programme.

COASTLANDS CHURCH LTD

TRUSTEES' REPORT

Plans for the future

In order to work within the community more effectively the trustees have been actively seeking to rent or purchase a commercial property in the town as a hub and point of contact for people who require practical, emotional and spiritual support. Up until now we have been unable to find a venue, but we will continue our search for suitable premises throughout the coming year. A Reserve Fund and Building Fund has been set aside for this purpose.

As a longer-term objective, the trustees will be looking for a property to purchase as a church centre, in which to hold meetings.

Financial review

During the year the charitable company made an unrestricted surplus of £26,126 (2021: £35,778) and a restricted surplus of £799 (2021: deficit £370) which are deducted from/added to, as appropriate, the balances brought from the previous period.

Risk management

The directors are confident that risks are kept to a minimum through strict financial control with regular reviews. The directors consider that the main risk to the company would be a reduction in the size of the membership or its ability and desire to give. This risk is managed through regular reporting of giving trends and active development of the growing vision. As already reported, membership has increased and the directors are confident that it will continue increasing at this time.

Going concern

After making appropriate enquiries, the trustees have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. For this reason they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Accounting Policies.

Structure, governance and management

Nature of governing document

The company is registered as a charitable company limited by guarantee and was set up by a Memorandum of Association on 26/06/2005.

Recruitment and appointment of trustees

The management of the company is the responsibility of the trustees who are elected and co-opted under the terms of the Articles of Association.

Directors are drawn from the membership of the church. Due regard is taken of other charity experience and any specialist skills which may enhance the contribution of a candidate to the charity if selected. DBS check is mandatory.

COASTLANDS CHURCH LTD

TRUSTEES' REPORT

Induction and training of trustees

New directors are supplied with information published by the Charity Commission on the responsibilities and expectations of those appointed to charity work. Latest accounts and statutory information are provided and whatever interview time the new appointee requires with other Directors or senior managers is made available.

Organisational structure

The charitable company is based in Worthing and works in that catchment area.

The directors facilitate the work through regional house groups as well as through community based projects which include working with the homeless, the elderly, youth and children.

Risk management

The trustees have assessed the major risks to which the charity is exposed, in particular those related to the operations and finances of the charity, and are satisfied that systems and procedures are in place to mitigate our exposure to the major risks.

COASTLANDS CHURCH LTD

TRUSTEES' REPORT

Statement of Responsibilities

The trustees (who are also the directors of Coastlands Church Ltd for the purposes of company law) are responsible for preparing the trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland".

Company law requires the trustees to prepare financial statements for each financial year. Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including its income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards, comprising FRS 102 have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records that can disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Small companies provision statement

This report has been prepared in accordance with the small companies regime under the Companies Act 2006.

The annual report was approved by the trustees of the charity on 19 December 2022 and signed on its behalf by:

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF COASTLANDS CHURCH LTD

I report to the charity trustees on my examination of the accounts of the charity for the year ended 31 March 2022 which are set out on pages 7 to 17.

Responsibilities and basis of report

As the charity's trustees of Coastlands Church Ltd (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of Coastlands Church Ltd are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of Coastlands Church Ltd as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

In the event that a donation is subject to conditions that require a level of performance by the charity before the charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity and it is probable that these conditions will be fulfilled in the reporting period.

Gift aid

Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

Expenditure

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category.

Charitable activities

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Taxation

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

Tangible fixed assets

Individual fixed assets costing £500.00 or more are initially recorded at cost, less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2022

Depreciation and amortisation

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

Asset class	Depreciation method and rate
Equipment	25 reducing balance method

Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

Liabilities

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the company anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Fund structure

Unrestricted income funds are general funds that are available for use at the trustees' discretion in furtherance of the objectives of the charity.

Designated funds are unrestricted funds set aside for specific purposes at the discretion of the trustees.

Restricted income funds are those donated for use in a particular area or for specific purposes, the use of which is restricted to that area or purpose.

Financial instruments

The company only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.
