The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The Trust's objectives are:

(1) to advance the education of the pupils of Croydon High School ("the School") as may be selected and approved by the trustees ("the Trust Object"), and

(2) through the application of the Guillou Endowment as defined in Section 31(1) of Part 3 of the charity's Constitution, to advance and encourage musical education within the School but giving priority to the needs of pupils who show an aptitude and dedication for music in circumstances where it is found that their family financial status is such that they are unable to afford extra music lessons provided at the School by its teaching staff ("the Fund Object").

Public benefit

In planning the activities of the charity, the trustees have considered the Charity Commission's guidance on public benefit.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

During the year, the Trust awarded scholarships to pupils of the School, and made awards out of the Guillou Endowment for music tuition costs. This year the Trust also contributed to the cost of two pianos and two Clavinovas for the School.

Investment performance

The charity's investments continued to provide investment income and gains consistent with expected performance.

FINANCIAL REVIEW

Financial position

The financial position of the charity is set out in the Statement of Financial Activities and Balance Sheet and the related notes, which have been prepared in accordance with statutory requirements of the Charities Act 2011 and SORP (FRS 102).

Principal funding sources

The Croydon High School Scholarship Trust

Report of the Trustees for the year ended 31 July 2025

The financial statements have been prepared on the going concern basis as in the opinion of the trustees there are no material uncertainties about the charity's ability to continue for the foreseeable future.

FUTURE PLANS

The charity will continue to award scholarships and make payments for music tuition and costs related to educational advancement.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, the Constitution, and is an unincorporated charity.

Recruitment and appointment of new trustees

The method of appointment of new trustees is set out in the Constitution. The Trust in general meeting or the trustees may appoint new trustees.

The trustees seek to ensure that necessary areas of expertise are addressed by members of the charity, and where such expertise is not available amongst its members that such expert advice is sought on behalf of the trustees.

Organisational structure

**Independent Examiner's Report to the Trustees of
The Croydon High School
Scholarship Trust**

I report to the trustees on my examination of the accounts of The Croydon High School Scholarship Trust (the charity), charity number 1112056, for the year ended 31 July 2025, which are set out on pages 5 to 15.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts in accordance with the Charities Act 2011 ("the Act").

The charity's trustees consider that an audit is not required for this year under section 144 of the Act and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the applicable Directions given by the Charity Commission (under section 145(5)(b) of the Act, and
- to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no material matters have come to my attention which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

The Croydon High School Scholarship Trust

Notes to the Financial Statements for the year ended 31 July 2025

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value, as modified by the revaluation of certain assets.

Going concern

The trustees have assessed whether the use of the going concern basis is appropriate and have considered possible events or conditions that might cast significant doubt on the ability of the charity to continue as a going concern. The trustees have made this assessment for a period of at least one year from the date of the approval of these financial statements. The charity's ability to continue as a going concern is dependent on its success in raising funds from investments, donations and legacies. The trustees have determined there are no material uncertainties as to the charity's ability to continue as a going concern in the foreseeable future and therefore believe it remains appropriate to prepare the financial statements on a going concern basis.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Scholarships are expensed at the time of granting.

Taxation

The charity is exempt from tax on its charitable activities.

The charity is not registered for VAT and as such expenditure is shown inclusive of irrecoverable VAT.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

The Croydon High School Scholarship Trust

Notes to the Financial Statements - continued for the year ended 31 July 2025

1. ACCOUNTING POLICIES - continued

Fund accounting (continued)

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Endowment funds come with the specific instruction that only the income generated by the money within the fund can be spent, and not the capital.

Investment income, gains and losses are allocated to the appropriate fund.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Current assets

Short term deposits (known as "reserves") include cash held on deposit with CAF Bank in the CAF Gold Capital Reserve Account.

Financial instruments

The charity only has financial assets and liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

Currency

The charity's functional and presentational currency is pounds Sterling (GBP).

2. DONATIONS AND LEGACIES

The charity received no donations or legacies in the current or previous year.

**Independent Examiner's Report to the Trustees of
The Croydon High School
Scholarship Trust**

I report to the trustees on my examination of the accounts of The Croydon High School Scholarship Trust (the charity), charity number 1112056, for the year ended 31 July 2024, which are set out on pages 5 to 15.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts in accordance with the Charities Act 2011 ("the Act").

The charity's trustees consider that an audit is not required for this year under section 144 of the Act and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the applicable Directions given by the Charity Commission (under section 145(5)(b) of the Act, and
- to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no material matters have come to my attention which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

The Croydon High School Scholarship Trust

Notes to the Financial Statements for the year ended 31 July 2024

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value, as modified by the revaluation of certain assets.

Going concern

The trustees have assessed whether the use of the going concern basis is appropriate and have considered possible events or conditions that might cast significant doubt on the ability of the charity to continue as a going concern. The trustees have made this assessment for a period of at least one year from the date of the approval of these financial statements. The charity's ability to continue as a going concern is dependent on its success in raising funds from investments, donations and legacies. The trustees have determined there are no material uncertainties as to the charity's ability to continue as a going concern in the foreseeable future and therefore believe it remains appropriate to prepare the financial statements on a going concern basis.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Scholarships are expensed at the time of granting.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life:

Plant and machinery - 33% on cost

Plant and machinery consists of musical instruments.

Taxation

The charity is exempt from tax on its charitable activities.

The charity is not registered for VAT and as such expenditure is shown inclusive of irrecoverable VAT.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

The Croydon High School Scholarship Trust

Notes to the Financial Statements - continued for the year ended 31 July 2024

Investment income, gains and losses are allocated to the appropriate fund.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Current assets

Short term deposits (known as "reserves") include cash held on deposit with CAF Bank in the CAF Gold Capital Reserve Account.

Financial instruments

The charity only has financial assets and liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

Currency

The charity's functional and presentational currency is pounds Sterling (GBP).

2. DONATIONS AND LEGACIES

**Independent Examiner's Report to the Trustees of
The Croydon High School
Scholarship Trust**

I report to the trustees on my examination of the accounts of The Croydon High School Scholarship Trust (the charity), charity number 1112056, for the year ended 31 July 2024, which are set out on pages 5 to 15.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts in accordance with the Charities Act 2011 ("the Act").

The charity's trustees consider that an audit is not required for this year under section 144 of the Act and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the applicable Directions given by the Charity Commission (under section 145(5)(b) of the Act, and
- to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no material matters have come to my attention which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

The Croydon High School Scholarship Trust

Notes to the Financial Statements for the year ended 31 July 2024

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value, as modified by the revaluation of certain assets.

Going concern

The trustees have assessed whether the use of the going concern basis is appropriate and have considered possible events or conditions that might cast significant doubt on the ability of the charity to continue as a going concern. The trustees have made this assessment for a period of at least one year from the date of the approval of these financial statements. The charity's ability to continue as a going concern is dependent on its success in raising funds from investments, donations and legacies. The trustees have determined there are no material uncertainties as to the charity's ability to continue as a going concern in the foreseeable future and therefore believe it remains appropriate to prepare the financial statements on a going concern basis.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Scholarships are expensed at the time of granting.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life:

Plant and machinery - 33% on cost

Plant and machinery consists of musical instruments.

Taxation

The charity is exempt from tax on its charitable activities.

The charity is not registered for VAT and as such expenditure is shown inclusive of irrecoverable VAT.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

The Croydon High School Scholarship Trust

Notes to the Financial Statements - continued for the year ended 31 July 2024

1. ACCOUNTING POLICIES - continued

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Endowment funds come with the specific instruction that only the income generated by the money within the fund can be spent, and not the capital.

Investment income, gains and losses are allocated to the appropriate fund.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Current assets

Short term deposits (known as "reserves") include cash held on deposit with CAF Bank in the CAF Gold Capital Reserve Account.

Financial instruments

The charity only has financial assets and liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

Currency

The charity's functional and presentational currency is pounds Sterling (GBP).

2. DONATIONS AND LEGACIES

The charity received no donations or legacies in the current or previous year.

**Independent Examiner's Report to the Trustees of
The Croydon High School
Scholarship Trust**

I report to the trustees on my examination of the accounts of The Croydon High School Scholarship Trust (the charity), charity number 1112056, for the year ended 31 July 2024, which are set out on pages 5 to 15.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts in accordance with the Charities Act 2011 ("the Act").

The charity's trustees consider that an audit is not required for this year under section 144 of the Act and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the applicable Directions given by the Charity Commission (under section 145(5)(b) of the Act, and
- to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no material matters have come to my attention which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Notes to the Financial Statements for the year ended 31 July 2024

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value, as modified by the revaluation of certain assets.

Going concern

The trustees have assessed whether the use of the going concern basis is appropriate and have considered possible events or conditions that might cast significant doubt on the ability of the charity to continue as a going concern. The trustees have made this assessment for a period of at least one year from the date of the approval of these financial statements. The charity's ability to continue as a going concern is dependent on its success in raising funds from investments, donations and legacies. The trustees have determined there are no material uncertainties as to the charity's ability to continue as a going concern in the foreseeable future and therefore believe it remains appropriate to prepare the financial statements on a going concern basis.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Scholarships are expensed at the time of granting.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life:

Plant and machinery - 33% on cost

Plant and machinery consists of musical instruments.

Taxation

The charity is exempt from tax on its charitable activities.

The charity is not registered for VAT and as such expenditure is shown inclusive of irrecoverable VAT.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

The Croydon High School Scholarship Trust

Notes to the Financial Statements - continued for the year ended 31 July 2024

1. ACCOUNTING POLICIES - continued

Fund accounting (continued)

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Endowment funds come with the specific instruction that only the income generated by the money within the fund can be spent, and not the capital.

Investment income, gains and losses are allocated to the appropriate fund.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Current assets

Short term deposits (known as "reserves") include cash held on deposit with CAF Bank in the CAF Gold Capital Reserve Account.

Financial instruments

The charity only has financial assets and liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

Currency

The charity's functional and presentational currency is pounds Sterling (GBP).

2. DONATIONS AND LEGACIES

The charity received no donations or legacies in the current or previous year.

**Independent Examiner's Report to the Trustees of
The Croydon High School
Scholarship Trust**

I report to the trustees on my examination of the accounts of The Croydon High School Scholarship Trust (the charity), charity number 1112056, for the year ended 31 July 2023, which are set out on pages 5 to 15.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts in accordance with the Charities Act 2011 ("the Act").

The charity's trustees consider that an audit is not required for this year under section 144 of the Act and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the applicable Directions given by the Charity Commission (under section 145(5)(b) of the Act, and
- to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no material matters have come to my attention which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Notes to the Financial Statements for the year ended 31 July 2023

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value, as modified by the revaluation of certain assets.

Going concern

The trustees have assessed whether the use of the going concern basis is appropriate and have considered possible events or conditions that might cast significant doubt on the ability of the charity to continue as a going concern. The trustees have made this assessment for a period of at least one year from the date of the approval of these financial statements. The charity's ability to continue as a going concern is dependent on its success in raising funds from investments, donations and legacies. The trustees have determined there are no material uncertainties as to the charity's ability to continue as a going concern in the foreseeable future and therefore believe it remains appropriate to prepare the financial statements on a going concern basis.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Scholarships are expensed at the time of granting.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life:

Plant and machinery - 33% on cost

Plant and machinery consists of musical instruments.

Taxation

The charity is exempt from tax on its charitable activities.

The charity is not registered for VAT and as such expenditure is shown inclusive of irrecoverable VAT.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

The Croydon High School Scholarship Trust

Current assets

Short term deposits (known as "reserves") include cash held on deposit with CAF Bank in the CAF Gold Capital Reserve Account.

**Independent Examiner's Report to the Trustees of
The Croydon High School
Scholarship Trust**

I report to the trustees on my examination of the accounts of The Croydon High School Scholarship Trust (the charity), charity number 1112056, for the year ended 31 July 2022, which are set out on pages 5 to 15.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts in accordance with the Charities Act 2011 ("the Act").

The charity's trustees consider that an audit is not required for this year under section 144 of the Act and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the applicable Directions given by the Charity Commission (under section 145(5)(b) of the Act, and
- to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no material matters have come to my attention which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

The charity's ability to continue as a going concern is dependent on its success in raising funds from investments, donations and legacies. The trustees have determined there are no material uncertainties as to the charity's ability to continue as a going concern in the foreseeable future and therefore believe it remains appropriate to prepare the financial statements on a going concern basis.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

**Independent Examiner's Report to the Trustees of
The Croydon High School
Scholarship Trust**

I report to the Trustees on my examination of the accounts of The Croydon High School Scholarship Trust (the charity), charity number 1112056, for the year ended 31 July 2021, which are set out on pages 5 to 15.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts in accordance with the Charities Act 2011 ("the Act").

The charity's trustees consider that an audit is not required for this year under section 144 of the Act and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the applicable Directions given by the Charity Commission (under section 145(5)(b) of the Act, and
- to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no material matters have come to my attention which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

The Croydon High School Scholarship Trust

Notes to the Financial Statements for the year ended 31 July 2021

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value, as modified by the revaluation of certain assets.

Going concern

The trustees have assessed whether the use of the going concern basis is appropriate and have considered possible events or conditions that might cast significant doubt on the ability of the charity to continue as a going concern. The trustees have made this assessment for a period of at least one year from the date of the approval of these financial statements. The charity's ability to continue as a going concern is dependent on its success in raising funds from investments, donations and legacies. The trustees have determined there are no material uncertainties as to the charity's ability to continue as a going concern in the foreseeable future and therefore believe it remains appropriate to prepare the financial statements on a going concern basis.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Scholarships are expensed at the time of granting.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life:

Plant and machinery - 33% on cost

Plant and machinery consists of musical instruments.

Taxation

The charity is exempt from tax on its charitable activities.

The charity is not registered for VAT and as such expenditure is shown inclusive of irrecoverable VAT.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

The Croydon High School Scholarship Trust

Notes to the Financial Statements - continued for the year ended 31 July 2021

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Endowment funds come with the specific instruction that only the income generated by the money within the fund can be spent, and not the capital.

Investment income, gains and losses are allocated to the appropriate fund.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Current assets

Short term deposits (known as "reserves") include cash held on deposit with CAF Bank in the CAF Gold Capital Reserve Account.

Financial instruments

The charity only has financial assets and liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

Currency

The charity's functional and presentational currency is pounds Sterling (GBP).

2. DONATIONS AND LEGACIES

The charity received no donations or legacies in the current or previous year.
