Activities and Objectives for 2024-2025

- To build on the work of the last year.
- To develop inter church relationships both locally and nationally.
- Acts of collective worship.

Achievements and Performance for 2024-2025

We saw growth throughout the year despite some elderly members passing on. We have increased activities for younger generations which will continue

Priorities for the future include priorities to make better use of the new spaces to share the gospel and reach out to the local community in accordance with their changing needs.

Financial Review of 2020-21

Despite inflation and rising costs, the finances have held up well. We expect this to be continued to be reflected in the coming year.

The statement of accounts for this period is provided at Appendix One on page 4 of this document.
