The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 December 2021. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

The financial statements have been prepared in accordance with the accounting policies set out in the notes to the accounts and comply with the charity's governing document, Companies Act 2006, Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland published in October 2019.

## **OBJECTIVES AND ACTIVITIES**

### **Objectives and aims**

The objectives of the charity are:

To relieve poverty and the distress caused thereby, including but not by way of limitation through the gathering and distribution of food, clothing, medical supplies and relief items in local communities in such parts of the world as the Trustees may from time to time think fit.

To advance the Christian faith in such parts of the world as the Trustees may from time to time think fit and other such purposes which are exclusively charitable according to the law of England and Wales and are connected with the charitable work of the Charity.

## **OBJECTIVES AND ACTIVITIES**

### **Significant activities**

The Vision that shapes our annual activities are:

- Feeding those communities in greatest need both in UK and overseas
- Helping our established projects towards self-sufficiency
- Providing environments and facilities to educate the young
- Providing clothing, relief packs and medical supplies to those displaced by disaster or conflict
- Assisting in the provision of ministry and pastoral care to those in need

The strategies employed to achieve the Charity's aims and objectives are:

- To collecting donations from individuals and organisations through appeals using radio, newsletters, website, social media and packing events.
- Working with churches nationally to promote appeals
- Networking with local business communities
- Attending schools to give presentations; raise awareness and encourage involvement with our projects
- Working with multi-national companies to raise awareness and, at the same time, pack high nutrition meals which are shipped to countries such as Kenya and Zimbabwe
- Developing partnerships with other charitable organisations to leverage expertise and synergy in the delivery of humanitarian aid
- Providing financial assistance to FTH projects in Zambia, Nepal, India, Kenya and Zimbabwe as examples and supporting the development and build of community farms, orphanages, feeding centres and refugee aid.

### **Main Activities During the Year**

On the 1st February, 2021 Feed the Hungry took over the operational responsibility for Coventry foodbank from the Trussell Trust. Coventry foodbank is one of the largest foodbanks in the UK providing food sufficient to feed over 25,000 people per annum. The foodbank operation includes a 25,000 sq. ft. leased warehouse in Coventry ("the Halo Centre") which has been redeveloped to allow the redistribution of humanitarian aid and an events space to allow large scale pick and pack events. Together this new infrastructure has allowed for a rapid expansion of operations in both the UK and Internationally.

### **International Programmes**

Feed the Hungry continued to supply shipments of humanitarian aid to Romania, Albania, Burkina Faso, Zimbabwe and Lebanon as examples. In addition, it provided financial assistance to Soweto Academy in Kenya, farming programmes in Uganda and Zambia and feeding programmes in Nepal. 14 new wells were dug in Nepal, an orphanage for 60 children was built in Uganda and a school was opened in Zambia.

Our international programmes also include outreach and evangelism to children and churches around the world.

### **UK Programmes:**

In addition to the work of Coventry foodbank, Feed the Hungry was involved in large scale packing programmes as part of the Holiday Activity and Food Programmes initiated by Coventry City Council. Coventry foodbank also marked 10 years of operation with a civic event at the Halo Centre and its founder Gavin Kibble received an MBE in the Queen's Birthday Honours List.

### **OBJECTIVES AND ACTIVITIES**

Feed the Hungry has actively engaged with businesses, schools and other organisations. This has been very successful with the development of upstairs training and conference facilities for use by local businesses and training providers. There has also been a significant level of engagement with local businesses for pick and pack events at the Halo Centre.

Despite the pandemic we were still able to function from our warehouse in Hinckley to support emergency food aid across Leicestershire and Warwickshire.

### **Public benefit**

In shaping our objectives for the year and planning our activities the Trustees have considered the Charity Commission guidance on public benefit including the guidance "Public Benefit: Running a Charity (PB2)". The Charity relies on donations, both financial and Gifts in Kind, to cover its operating costs and to provide the food and other goods to the end beneficiaries. The public benefit is to the people who live in areas where hunger occurs due to famine, conflict, natural disasters or poverty, be that in the UK, Europe, Africa or other areas of the world.

## **STRATEGIC REPORT**

### **Financial review**

Income from donations have seen an increase from £865,452 in 2020 to £1,768,542 in 2021 due to the merger with Coventry foodbank. Overall income increased to £2,273,746 (2020 : £924,926) and surplus for the year increased to £319,536 (2020 : £81,643)

Internationally Gifts in Kind consists of packed meals, clothing, medical and school supplies which are then shipped to our various project sites for distribution to those in need. The cost of shipping this has increased disproportionately during the year. In the UK food donations to Coventry foodbank also increased the level of Gift in Kind significantly.

### **Reserves policy**

In addition, whilst the Trustees have, in the past stated that their aim was to maintain minimum reserves in order to keep a contingency fund in the bank to cover the ongoing operational costs of the Charity, it is now recognised that the increase in commitments in recent years require a Reserve Policy. This was established in 2018 and the reserve fund was being increased, at a manageable rate, to reach minimal acceptable reserves.

It is the aim of the Trustees to hold in general reserves sufficient cash to equate to one months' running costs plus an additional month of salary costs.

At the yearend, free reserves, being unrestricted funds of £348,950 less fixed assets of £40,976, totalled £307,974 (2020: £108,364).

### **Funding future plans**

In the current financial climate, it is clear that Feed The Hungry UK must diversify its funding strategy through grant fund application, continuing partnerships with Rise Against Hunger, local councils and other organisations, expanding our donor base and seek new ways to maintain and deepen our connections with our donors.

The Charity will also continue seeking to establish greater partnerships with other charities in order to create projects which not only change the lives of individuals but also change communities and regions for the better.

### **Future plans**

The charity has continued to expand its operations both in the UK and overseas reaching more people than ever with humanitarian aid and the love of Jesus Christ. As such it has had to strengthen its management team and increase team to be able to deal with the increased demand for the charity's services. In addition to its existing programmes across the world it is developing new projects as follows :

#### **International:**

Dijbouti 2022: The charity has been invited to develop strategies for providing a good healthy food security whilst developing an integrated community development that considers, social housing, community structures, agricultural development, education, micro business that enables an interdependent community to thrive. This will be a long-term project over many years to come.

Bolivia: The charity is working with a children's rehabilitation centre in Bolivia as part of a missions building team working to rehabilitate street kids from solvent abuse and sexual exploitation.

Zambia: The completion of a new School in Mazabuka and support with other resources required for building a long-term sustainable project.

## **STRATEGIC REPORT**

### **UK:**

**Food Pantries:** Feed the Hungry has been commissioned by Warwickshire County Council to operate a community supermarket in an Adult Education Centre in Leamington Spa. This is a pantry model community supermarket where the aim is to wrap around the food offering with other interventions (e.g. debt, welfare, health and education).

With the acquisition and conversion of a St John's Ambulance mobile dispensing van rural community supermarkets will be established in North Warwickshire. There are also opportunities to address the same issues in South Leicestershire.

**Pathfinder:** this is a Trussell Trust led project to re-imagine how foodbank should operate if the end objective is to eliminate the need for food banks in ten years. The project is likely to be orientated around financial inclusion and signposting to agencies able to deal with the issues that give rise to food poverty.

**Training Kitchen :** the Charity is developing hospitality and catering facilities at the Halo Centre. This will be opened as a training facility in 2022 and provide opportunities to deal with surplus food.

## **STRUCTURE, GOVERNANCE AND MANAGEMENT**

### **Governing document**

Feed the Hungry UK is a non-profit Christian Mission Organisation dedicated to feeding the hungry around the world and reaching those in desperate need.

It is a Company Limited by Guarantee, registered in England and Wales, and a charity registered in England and Wales, governed by its Memorandum and Articles of Association. Date of Incorporation 16th August 2005.

## **STRUCTURE, GOVERNANCE AND MANAGEMENT**

### **Organisational structure**

There is a requirement for a minimum of three Trustees, and there is no maximum. There is no requirement for rotation of the Trustees. The Trustees plan to meet face-to-face annually at the AGM. Due to the international mix, locations and occupations we are endeavouring to format a system of conference calls in addition to the face-to-face meeting, as well as having individual conversations with the Trustees on an ongoing basis. Where Trustees need to be advised or consulted outside of a planned meeting then electronic communications are implemented.

The Trustees have appointed the Operations Director Mr G Williams to have day to day control and have given him delegated authority to operate all areas of the charitable business.

The charity pays for administration work in order to be able to raise funds, the Trustees oversee this work.

### **Induction and training of new trustees**

Newly appointed Trustees are provided with a copy of the governing document and the latest set of published accounts. Questions regarding the charities activities, assets or funding can be asked at any time or at the next Trustees meeting.

### **Key management remuneration**

All Trustees give their time freely.

The pay of the senior staff is reviewed annually and normally increased in accordance with average earnings and the level of responsibility required. In view of the charitable nature of the charity the Trustees remuneration benchmark is determined through comparative research into similar local salaries with the living wage as the minimum hourly rate.

### **Related parties**

None of our trustees receive remuneration or other benefit from their work with the charity. Any connection between trustees or senior manager of the charity and any contractual relationship with a related party must be disclosed to the full board of Trustees.

### **Risk management**

The Trustees have assessed the major risks to which the charity is exposed, in particular, those relating to operations and finances of the charity. They are satisfied that systems are in place to mitigate exposure to the major risks.

The Trustees have a risk management strategy which comprises:

- An annual review of the principle risks and uncertainties the charity faces.
- The establishment of policies, system and procedures to mitigate the risks identified in the annual review and
- The implementation of procedures designed to minimise or manage any potential impact on the charity should those risks materialise.

This work has identified that financial stability is the major financial risk for Feed the Hungry UK. A key element in the management of this risk is to plan a budget for the coming year and to regularly review performance against that budget. In addition to managing the cash flow, we recognise the need for the broadening and deepening of connection with our donor base to ensure a diverse and regular source of donation income.

#### **FUNDRAISING**

Feed the Hungry has not hired in the past, and does not intend to hire, any external fundraising companies. FTH UK fundraising is controlled directly by employed staff who adhere to strict guidelines, to ensure that the donor experience is a clear, fair, enjoyable and unobtrusive experience. Every possible measure is taken to ensure that personal data is stored correctly to comply with current legislation and, in so doing, has signed up to receiving suppression under the Fundraising Preference Service.

#### **STATEMENT OF TRUSTEES' RESPONSIBILITIES**

The trustees (who are also the directors of Feed The Hungry, UK for the purposes of company law) are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland"

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the trustees are aware:

- there is no relevant audit information of which the charitable company's auditors are unaware; and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.

**AUDITORS**

The auditors, The Rowleys Partnership Ltd, will be proposed for re-appointment at the forthcoming Annual General Meeting.

This report has been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies.

Report of the trustees, incorporating a strategic report, approved by order of the board of trustees, as the company directors, on .....31/10/2022..... and signed on the board's behalf by:

*Nigel John Roberts*

.....signed on 31/10/2022, 08:44:38 GMT.....  
N J Roberts - Trustee

### **Opinion**

We have audited the financial statements of Feed The Hungry, UK (the 'charitable company') for the year ended 31 December 2021 which comprise the Statement of Financial Activities, the Balance Sheet, the Cash Flow Statement and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'.

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 December 2021 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

### **Other information**

The trustees are responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our Report of the Independent Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Opinions on other matters prescribed by the Companies Act 2006**

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Report of the Trustees for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Report of the Trustees has been prepared in accordance with applicable legal requirements.

**Matters on which we are required to report by exception**

In the light of the knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the Report of the Trustees.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the trustees were not entitled to take advantage of the small companies exemption from the requirement to prepare a Strategic Report or in preparing the Report of the Trustees.

**Responsibilities of trustees**

As explained more fully in the Statement of Trustees' Responsibilities, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

**Our responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Independent Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

- We obtained an understanding of the legal and regulatory frameworks that are applicable to the company and determined that the most significant which are directly relevant to specific assertions in the financial statements are those related to the financial report frameworks (UK Generally Accepted Accounting Practice, the Companies Act 2006, Charities Act 2011) and the relevant tax compliance regulations in the jurisdiction in which the company operates;
- We enquired of management whether they were aware of any instances of non-compliance with laws and regulations, or whether they had any knowledge of actual, suspected or alleged fraud;
- We assessed the susceptibility of the entity's financial statements to material misstatement, including how fraud might occur;
- Our testing considered unusual or unexpected journal entries on a sample basis;
- We evaluated the assumptions and judgements used by management within significant accounting estimates and assessing if these indicate evidence of management bias;
- We tested significant transactions, in particular the evaluation of the business rationale for any which appear unusual or outside the charity's normal course of business;
- We assessed the appropriateness of the collective competence and capabilities of the engagement team by understanding the practical experience with audit engagements of a similar nature and complexity, plus ensuring the team had appropriate and relevant training of the financial reporting framework and the relevant tax compliance regulations specific to the entity;
- We reviewed the financial statements and tested the disclosures against supporting documentation;
- We communicated relevant matters to all members of the audit team to ensure they understood the risks specific to the entity and the audit procedures planned to mitigate these.

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission or misrepresentation.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our Report of the Independent Auditors.

**Use of our report**

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

**1. STATUTORY INFORMATION**

Feed the Hungry UK is an incorporated charity, limited by guarantee, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

**2. ACCOUNTING POLICIES**

**Basis of preparing the financial statements**

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

**Income**

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Gifts in kind donated for resale are included at fair value, being the expected proceeds from sale less the expected costs of sale. Where estimating the fair value is practicable upon receipt it is recognised in stock and 'Income from other trading activities'. Upon sale, the value of the stock is charged against 'Income from other trading activities' and the proceeds are recognised as 'Income from other trading activities'. Where it is impracticable to fair value the items due to the volume of low value items they are not recognised in the financial statements until they are sold. This income is recognised within 'Income from other trading activities'.

The charity receives donations of food and clothing which are then distributed as part of a relief program.

Donated goods are valued at their fair value to the charity.

Where practicable, gifts in kind donated for distribution to the beneficiaries of the charity are included in stock and donations in the financial statements upon receipt. If it is impracticable to assess the fair value at receipt or if the costs to undertake such a valuation outweigh any benefits, then the fair value is recognised as a component of donations when it is distributed and an equivalent amount recognised as charitable expenditure.

**Government Grants**

Government grants receivable in relation to the job retention scheme are recognised as income over the periods necessary to match them against the related costs which they are intended to compensate, on a systematic basis. Other Government grants received are recognised at the point of receipt. Government grants are shown separately as other income.

## 2. ACCOUNTING POLICIES - continued

### **Expenditure**

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

### **Tangible fixed assets**

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Fixtures and fittings	- 25% on cost
Motor vehicles	- 25% on cost
Plant and machinery	-25% on cost

### **Stocks**

Stocks are stated at the lower of cost and estimated selling price less costs to complete and sell. Cost includes all costs of purchase, costs of conversion and other costs incurred in bringing stock to its present location and condition. Cost is calculated using the first-in, first-out formula.

### **Taxation**

The charity is exempt from corporation tax on its charitable activities. Expenses are inclusive of VAT where applicable.

### **Fund accounting**

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

### **Foreign currencies**

Assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of transaction. Exchange differences are taken into account in arriving at the operating result.

**2. ACCOUNTING POLICIES - continued****Pension costs and other post-retirement benefits**

The charitable company operates a defined contribution pension scheme. Contributions payable to the charitable company's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.

**Going concern**

The financial statements have been prepared on a going concern basis as the trustees believe that no material uncertainties exist. The trustees have considered the level of funds held and the expected level of income and expenditure for 12 months from authorising these financial statements. The budgeted income and expenditure is sufficient with the level of reserves for the charity to be able to continue as a going concern.

**Debtors and creditors receivable/payable within one year**

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in expenditure.

**Cash and cash equivalents**

Cash and cash equivalents comprise cash in hand and cash on deposit.
