Structure, governance and management

The organisation is a charitable company limited by guarantee, incorporated on 21 June 2005 having been registered as a charity on 31 August 1962. The charity was established under a Memorandum of Association which established the objects and powers of the charitable company and is governed under its Articles of Association. In the event of the company being wound up, members are required to contribute £10.

Objectives and activities

The charity was established in order to maintain, repair and secure the operation of Holsworthy Memorial Hall. The hall required substantial rebuilding and renovation work in order to ensure that it was fit to serve the residents of Holsworthy and surrounding district, in the twenty first century.

Year ended 30 June 2025

Achievements and performance

Holsworthy Memorial Hall is maintained and run by unpaid volunteers as a community centre for the benefit of the whole community. The Trustees of the Hall continued to make major steps in bringing the finances onto a firmer basis. Bookings at weekends remained elusive and plans had been put in place to bring people into the Hall on a Saturday and Sunday. The hall is starting to see an increase of interest.

The activities of the Hall are split between:

1. Letting of the Hall to charities, private individuals and local businesses; 2. Leasing of rooms on a within the building to local organisations to use as office space 3. Other activities run by the Trustees

Funding of the above activities:

1. Hall lettings
2. Donations
3. Grant funding for specific activities

During the year the trustees are still facing significant challenges. The discussions with TDC regarding the incorrect registration continue, putting increasing pressure on the budget and operation of the charity. Trustees are elected as per the Charity Commission Scheme. The constitution review has commenced, with contact made with the representative groups. A new constitution will be developed and put forward for agreement. The provision of alcohol will be reviewed in the 2025/2026 financial year.

The charity was successful in receiving a grant to assist with the renewal of the heating and hot water systems from Green Innovation Fund ran by Devon County Council. The new boilers will be more efficient to operate and so reduce carbon emissions. A trustee provided a loan to assist with cash flow as the grant was paid in arrears. Flooring in the Manor Suite has been replaced.

The Hall is regularly booked during the week, but not so much at the weekend. If you have any suggestions for activities, please get in touch. More trustees would be welcomed.

Reserves policy

The Trustees are satisfied that the level of reserves, as shown on the balance sheet, is adequate to cover known and anticipated costs in the short term.

Risk management

The Trustees have assessed the major risks to which the charity is exposed, in particular those related to the operations and finances of the charity and are satisfied that systems are in place to mitigate their exposure to major risks.

Public benefit

In planning our activities for the year, we have kept in mind the Charity Commission guidance on public benefit.

Financial review

Total incoming resources during the year were £75,187 of which £25,104 was grant income. Resources expended in the same period totalled £87,867 (2024: £41,367) At 30 June 2025 the charity held total funds of £601,308 of which £453,097 were restricted funds received for the building and refurbishment of the hall.

Small company provisions

This report has been prepared in accordance with the provisions applicable to companies entitled to the small companies' exemption.

The trustees' annual report was approved on 31st October 2025 and signed on behalf of the board of trustees by:

Independent Examiner's Report to the Trustees of Holsworthy Memorial Hall Limited

Year ended 30 June 2025

I report to the trustees on my examination of the financial statements of Holsworthy Memorial Hall Limited ('the charity') for the year ended 30 June 2025. The full financial statements can be found on pages 7 - 15 of this document.

Responsibilities and basis of report

As the trustees of the company (and its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

I am satisfied that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination,

I report in respect of my examination of the charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have carried out and completed my examination of the accounts and financial statements. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

The accounts are well run with appropriate reporting action taken for the Specific Purpose Funds.

I have not identified any concerns on the accounts nor are there any issues that should be raised as an observation.

Company Limited by Guarantee

Notes to the Financial Statements

Year ended 30 June 2025

1. General information

The charity is a public benefit entity and a private company limited by guarantee, registered in England and Wales and a registered charity in England and Wales. The address of the registered office is North Road, Holsworthy, Devon, EX22 6EB.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Companies Act 2006.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

The Trustees continue to assess the viability of the hall in order to reverse the insolvent net current liability position.

The accounts have currently been drawn up on a going concern basis which may not be appropriate.

Disclosure exemptions

The entity satisfies the criteria of being a qualifying entity as defined in FRS 102. As such, advantage has been taken of the following disclosure exemptions available under paragraph 1.12 of FRS 102:

(a) No cash flow statement has been presented for the company.

(b) Disclosures in respect of financial instruments have not been presented.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

3. Accounting policies *(continued)*

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal and fall into one of two sub-classes: restricted income funds or endowment funds.

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable, and its amount can be measured reliably.
- legacy income is recognised when receipt is probable, and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

3. Accounting policies *(continued)*

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Tangible assets

Tangible fixed assets are stated at cost less accumulated depreciation.

Depreciation

Depreciation is provided at rates calculated to write off the cost less residual value of each asset over its expected useful life, as follows:

Land and buildings	-	No charge
Equipment	-	20% on net book value
Computers	-	20% straight line (included in equipment)

Land and buildings have not been depreciated this year as the beneficial ownership of the Hall is currently being investigated. Until such time as the Trustees can establish the ownership with certainty, this policy will continue.

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

Holsworthy Memorial Hall Limited

Company Limited by Guarantee

Notes to the Financial Statements *(continued)*

Year ended 30 June 2025

3. Accounting policies *(continued)*

Impairment of fixed assets *(continued)*

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date, allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the charity are assigned to those units.

Stocks

Stocks are measured at the lower of cost and estimated selling price less costs to complete and sell. Cost includes all costs of purchase, costs of conversion and other costs incurred in bringing the stock to its present location and condition.

Government grants

Government grants are recognised at the fair value of the asset received or receivable. Grants are not recognised until there is reasonable assurance that the charity will comply with the conditions attaching to them and the grants will be received.

Where the grant does not impose specified future performance-related conditions on the recipient, it is recognised in income when the grant proceeds are received or receivable. Where the grant does impose specified future performance-related conditions on the recipient, it is recognised in income only when the performance-related conditions have been met. Where grants received are prior to satisfying the revenue recognition criteria, they are recognised as a liability.

Financial instruments

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

In the event of the company being wound up, members are required to contribute £10.

Objectives and activities

The charity was established in order to maintain, repair and secure the operation of Holsworthy Memorial Hall. The hall required substantial rebuilding and renovation work in order to ensure that it was fit to serve the residents of Holsworthy and surrounding district, in the twenty first century.

Trustees' Annual Report (Incorporating the Director's Report) (continued)

Year ended 30 June 2024

The trustees have faced another challenging year. The discussions with TDC regarding the incorrect registration of the Hall with the Land Registry are ongoing and costly. It is hoped that the issue will be concluded satisfactorily in the next financial year.

The current trustees are elected trustees as per CC Scheme. There are currently no representative trustees as no nominations have been received. The constitution will be reviewed in the upcoming year in consultation with the representative organisations.

The charity's trustees are not paid and no remuneration or other benefits from employment with the charity or related entity were received by the trustee's charity in the current or the previous year.

The bar is operated under a lease agreement. There is an order in place, issued by the Charity Commission which authorises the disposal of charity land (the Bar Area of the Hall) in the form of a lease to a connected person, as defined in section 118 of the Charities Act 2011, it being in the interests of the charity to do so. The provision of alcohol in the Hall will be reviewed in 2025.

Reserves policy

The Trustees are satisfied that the level of reserves, as shown on the balance sheet, is adequate to cover known and anticipated costs in the short term.

Risk management

The Trustees have assessed the major risks to which the charity is exposed, in particular those related to the operations and finances of the charity and are satisfied that systems are in place to mitigate their exposure to major risks.

Public benefit

In planning our activities for the year, we have kept in mind the Charity Commission guidance on public benefit.

Financial review

Total incoming resources during the year were £55,185 of which £23,600 was grant income (2023: £48,494). Resources expended in the same period totalled £41,367 (2023: £61,032 At 30 June 2024 the charity held total funds of £614,150 of which £489,483 were restricted funds received for the building and refurbishment of the hall.

Small company provisions

This report has been prepared in accordance with the provisions applicable to companies entitled to the small companies' exemption.

Independent Examiner's Report to the Trustees of Holsworthy Memorial Hall Limited

Year ended 30 June 2024

I report to the trustees on my examination of the financial statements of Holsworthy Memorial Hall Limited ('the charity') for the year ended 30 June 2024. The full financial statements can be found on pages 7 - 15 of this document.

Responsibilities and basis of report

As the trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

I am satisfied that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination,

I report in respect of my examination of the charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have carried out and completed my examination of the accounts and financial statements. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

The accounts are well run with appropriate reporting action taken for the Specific Purpose Funds.

I have not identified any concerns on the accounts nor are there any issues that should be raised as an observation.

Company Limited by Guarantee

Notes to the Financial Statements

Year ended 30 June 2024

1. General information

The charity is a public benefit entity and a private company limited by guarantee, registered in England and Wales and a registered charity in England and Wales. The address of the registered office is North Road, Holsworthy, Devon, EX22 6EB.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Companies Act 2006.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

The Trustees continue to assess the viability of the hall in order to reverse the insolvent net current liability position.

The accounts have currently been drawn up on a going concern basis which may not be appropriate.

Disclosure exemptions

The entity satisfies the criteria of being a qualifying entity as defined in FRS 102. As such, advantage has been taken of the following disclosure exemptions available under paragraph 1.12 of FRS 102:

(a) No cash flow statement has been presented for the company.

(b) Disclosures in respect of financial instruments have not been presented.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Holsworthy Memorial Hall Limited

Company Limited by Guarantee

Notes to the Financial Statements (continued)

Year ended 30 June 2024

3. Accounting policies (continued)

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal and fall into one of two sub-classes: restricted income funds or endowment funds.

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable, and its amount can be measured reliably.
- legacy income is recognised when receipt is probable, and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Notes to the Financial Statements *(continued)*

3. Accounting policies *(continued)*

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.

Other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Tangible assets

Tangible fixed assets are stated at cost less accumulated depreciation.

Depreciation

Depreciation is provided at rates calculated to write off the cost less residual value of each asset over its expected useful life, as follows:

Land and buildings	-	No charge
Equipment	-	20% on net book value
Computers	-	20% straight line (included in equipment)

Land and buildings have not been depreciated this year as the beneficial ownership of the Hall is currently being investigated. Until such time as the Trustees can establish the ownership with certainty, this policy will continue.

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

Holsworthy Memorial Hall Limited

Company Limited by Guarantee

Notes to the Financial Statements (continued)

Year ended 30 June 2024

3. Accounting policies (continued)

Impairment of fixed assets (continued)

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date, allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the charity are assigned to those units.

Stocks

Stocks are measured at the lower of cost and estimated selling price less costs to complete and sell. Cost includes all costs of purchase, costs of conversion and other costs incurred in bringing the stock to its present location and condition.

Government grants

Government grants are recognised at the fair value of the asset received or receivable. Grants are not recognised until there is reasonable assurance that the charity will comply with the conditions attaching to them and the grants will be received.

Where the grant does not impose specified future performance-related conditions on the recipient, it is recognised in income when the grant proceeds are received or receivable. Where the grant does impose specified future performance-related conditions on the recipient, it is recognised in income only when the performance-related conditions have been met. Where grants received are prior to satisfying the revenue recognition criteria, they are recognised as a liability.

Financial instruments

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Structure, governance and management

The organisation is a charitable company limited by guarantee, incorporated on 21 June 2005 having been registered as a charity on 31 August 1962. The charity was established under a Memorandum of Association which established the objects and powers of the charitable company and is governed under its Articles of Association. In the event of the company being wound up, members are required to contribute £10.

Objectives and activities

The charity was established in order to maintain, repair and secure the operation of Holsworthy Memorial Hall. The hall required substantial rebuilding and renovation work in order to ensure that it was fit to serve the residents of Holsworthy and surrounding district, in the twenty first century.

Holsworthy Memorial Hall Limited

Company Limited by Guarantee

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 30 June 2023

Achievements and performance

Holsworthy Memorial Hall is maintained and run by unpaid volunteers as a community centre for the benefit of the whole community. The Trustees of the Hall continued to make major steps in bringing the finances onto a firmer basis. Bookings at weekends remained elusive and plans had been put in place to bring people into the Hall on a Saturday and Sunday. The hall is starting to see an increase of interest.

The activities of the Hall are split between:

1. Letting of the Hall to charities, private individuals and local businesses;
2. Leasing of rooms on a within the building to local organisations to use as office space
3. Other activities run by the Trustees

Funding of the above activities:

1. Hall lettings
2. Donations
3. Grant funding for specific activities

During the year the Trustees continued dialogue with Torridge District Council and their solicitors regarding vesting of the Hall from Torridge District Council to the Custodian of Charities. This is a complex, costly and lengthy process arising due to historical issues. Whilst this is being pursued, no depreciation charge has been made on land and buildings.

Reserves policy

The Trustees are satisfied that the level of reserves, as shown on the balance sheet, is adequate to cover known and anticipated costs in the short term.

Risk management

The Trustees have assessed the major risks to which the charity is exposed, in particular those related to the operations and finances of the charity and are satisfied that systems are in place to mitigate their exposure to major risks.

Public benefit

In planning our activities for the year, we have kept in mind the Charity Commission guidance on public benefit.

Financial review

Total incoming resources during the year were £48,494 of which £12,333 was grant income (2022: £30,369). Resources expended in the same period totalled £61,032 (2022: £37,375). At 30 June 2023 the charity held total funds of £600,535 of which £496,985 were restricted funds received for the building and refurbishment of the hall.

Small company provisions

This report has been prepared in accordance with the provisions applicable to companies entitled to the small companies' exemption.

Independent Examiner's Report to the Trustees of Holsworthy Memorial Hall Limited

Year ended 30 June 2023

I report to the trustees on my examination of the financial statements of Holsworthy Memorial Hall Limited ('the charity') for the year ended 30 June 2023. The full financial statements can be found on pages 7 - 15 of this document.

Responsibilities and basis of report

As the trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

I am satisfied that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination.

I report in respect of my examination of the charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have carried out and completed my examination of the accounts and financial statements. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

The accounts are well run with appropriate reporting action taken for the Specific Purpose Funds.

I have not identified any concerns on the accounts nor are there any issues that should be raised as an observation.

Notes to the Financial Statements

Year ended 30 June 2023

1. General information

The charity is a public benefit entity and a private company limited by guarantee, registered in England and Wales and a registered charity in England and Wales. The address of the registered office is North Road, Holsworthy, Devon, EX22 6EB.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Companies Act 2006.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

The Trustees continue to assess the viability of the hall in order to reverse the insolvent net current liability position.

The accounts have currently been drawn up on a going concern basis which may not be appropriate.

Disclosure exemptions

The entity satisfies the criteria of being a qualifying entity as defined in FRS 102. As such, advantage has been taken of the following disclosure exemptions available under paragraph 1.12 of FRS 102:

(a) No cash flow statement has been presented for the company.

(b) Disclosures in respect of financial instruments have not been presented.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

3. Accounting policies *(continued)*

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal and fall into one of two sub-classes: restricted income funds or endowment funds.

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable, and its amount can be measured reliably.
- legacy income is recognised when receipt is probable, and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Tangible assets

Tangible fixed assets are stated at cost less accumulated depreciation.

Depreciation

Depreciation is provided at rates calculated to write off the cost less residual value of each asset over its expected useful life, as follows:

Land and buildings	-	No charge
Equipment	-	20% on net book value
Computers	-	20% straight line (included in equipment)

Land and buildings have not been depreciated this year as the beneficial ownership of the Hall is currently being investigated. Until such time as the Trustees can establish the ownership with certainty, this policy will continue.

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

3. Accounting policies *(continued)*

Impairment of fixed assets *(continued)*

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date, allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the charity are assigned to those units.

Stocks

Stocks are measured at the lower of cost and estimated selling price less costs to complete and sell. Cost includes all costs of purchase, costs of conversion and other costs incurred in bringing the stock to its present location and condition.

Government grants

Government grants are recognised at the fair value of the asset received or receivable. Grants are not recognised until there is reasonable assurance that the charity will comply with the conditions attaching to them and the grants will be received.

Where the grant does not impose specified future performance-related conditions on the recipient, it is recognised in income when the grant proceeds are received or receivable. Where the grant does impose specified future performance-related conditions on the recipient, it is recognised in income only when the performance-related conditions have been met. Where grants received are prior to satisfying the revenue recognition criteria, they are recognised as a liability.

Financial instruments

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Structure, governance and management

The organisation is a charitable company limited by guarantee, incorporated on 21 June 2005 having been registered as a charity on 31 August 1962. The charity was established under a Memorandum of Association which established the objects and powers of the charitable company and is governed under its Articles of Association. In the event of the company being wound up, members are required to contribute £10.

Objectives and activities

The charity was established in order to maintain, repair and secure the operation of Holsworthy Memorial Hall. The hall required substantial rebuilding and renovation work in order to ensure that it was fit to serve the residents of Holsworthy and surrounding district, in the twenty first century.

Holsworthy Memorial Hall Limited

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 30 June 2022

Achievements and performance

Holsworthy Memorial Hall is maintained and run by unpaid volunteers as a community centre for the benefit of the whole community. The Trustees of the Hall continued to make major steps in bringing the finances onto a firmer basis. Bookings at weekends remained elusive and plans had been put in place to bring people into the Hall on a Saturday and Sunday. The hall is starting to see an increase of interest.

The activities of the Hall are split between:

1. Letting of the Hall to charities, private individuals and local businesses;
2. Leasing of rooms on a within the building to local organisations to use as office space
3. Other activities run by the Trustees

Funding of the above activities:

1. Hall lettings
2. Donations
3. Grant funding for specific activities

During the year the Trustees continued dialogue with Torridge District Council and their solicitors regarding vesting of the Hall from Torridge District Council to the Custodian of Charities. This is a complex, costly and lengthy process arising due to historical issues. Whilst this is being pursued, no depreciation charge has been made on land and buildings.

Reserves policy

The Trustees are satisfied that the level of reserves, as shown on the balance sheet, is adequate to cover known and anticipated costs in the short term.

Risk management

The Trustees have assessed the major risks to which the charity is exposed, in particular those related to the operations and finances of the charity, and are satisfied that systems are in place to mitigate their exposure to major risks.

Public benefit

In planning our activities for the year we have kept in mind the Charity Commission guidance on public benefit.

Financial review

Total incoming resources during the year were £30,368 of which £5,627 was grant income (2021: £49,695). Resources expended in the same period totalled £37,375 (2021: £33,587). At 30 June 2022 the charity held total funds of £613,327 of which £514,605 were restricted funds received for the building and refurbishment of the hall.

Small company provisions

Independent Examiner's Report to the Trustees of Holsworthy Memorial Hall Limited

Year ended 30 June 2022

I report to the trustees on my examination of the financial statements of Holsworthy Memorial Hall Limited ('the charity') for the year ended 30 June 2022. The full financial statements can be found on pages 7 - 15 of this document.

Responsibilities and basis of report

As the trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

I am satisfied that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination.

I report in respect of my examination of the charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have carried out and completed my examination of the accounts and financial statements. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

The accounts are well run with appropriate reporting action taken for the Specific Purpose Funds.

I have not identified any concerns on the accounts nor are there any issues that should be raised as an observation.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Tangible assets

Tangible fixed assets are stated at cost less accumulated depreciation.

Depreciation

Depreciation is provided at rates calculated to write off the cost less residual value of each asset over its expected useful life, as follows:

Land and buildings	-	No charge
Equipment	-	20% on net book value
Computers	-	20% straight line (included in equipment)

Land and buildings have not been depreciated this year as the beneficial ownership of the Hall is currently being investigated. Until such time as the Trustees can establish the ownership with certainty, this policy will continue.

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

Impairment of fixed assets *(continued)*

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date, allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the charity are assigned to those units.

Stocks

Stocks are measured at the lower of cost and estimated selling price less costs to complete and sell. Cost includes all costs of purchase, costs of conversion and other costs incurred in bringing the stock to its present location and condition.

Government grants

Government grants are recognised at the fair value of the asset received or receivable. Grants are not recognised until there is reasonable assurance that the charity will comply with the conditions attaching to them and the grants will be received.

Where the grant does not impose specified future performance-related conditions on the recipient, it is recognised in income when the grant proceeds are received or receivable. Where the grant does impose specified future performance-related conditions on the recipient, it is recognised in income only when the performance-related conditions have been met. Where grants received are prior to satisfying the revenue recognition criteria, they are recognised as a liability.

Financial instruments

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Structure, governance and management

The organisation is a charitable company limited by guarantee, incorporated on 21 June 2005 having been registered as a charity on 31 August 1962. The charity was established under a Memorandum of Association which established the objects and powers of the charitable company and is governed under its Articles of Association. In the event of the company being wound up, members are required to contribute £10.

Objectives and activities

The charity was established in order to maintain, repair and secure the operation of Holsworthy Memorial Hall. The hall required substantial rebuilding and renovation work in order to ensure that it was fit to serve the residents of Holsworthy and surrounding district, in the twenty first century.

Achievements and performance

Holsworthy Memorial Hall is maintained and run by unpaid volunteers as a community centre for the benefit of the whole community. The Trustees of the Hall continued to make major steps in bringing the finances onto a firmer basis. Bookings at weekends remained elusive and plans had been put in place to bring people into the Hall on a Saturday and Sunday. However, these plans were put on hold due to the advent of the pandemic.

Holsworthy Memorial Hall Limited

Company Limited by Guarantee

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 30 June 2021

The activities of the Hall are split between:

1. Letting of the Hall to charities, private individuals and local businesses; 2. Leasing of rooms on a within the building to local organisations to use as office space 3. Other activities run by the Trustees

Funding of the above activities:

1. Hall lettings
2. Donations
3. Grant funding for specific activities

During the year the Trustees continued dialogue with Torridge District Council and their solicitors regarding vesting of the Hall from Torridge District Council to the Custodian of Charities. This is a complex, costly and lengthy process arising due to historical issues. Whilst this is being pursued, no depreciation charge has been made on land and buildings.

Reserves policy

There are two types of reserves:

Unrestricted – which are held to offset risk, for cash flow and emergencies, to support delivery of the charity's objectives.

Restricted – where funds are raised or held for specific future purpose.

An unrestricted reserve of a minimum of £7,500 (or equivalent to at least 3 months budgeted annual expenditure) and a maximum of £60,000 (or equivalent to 24 months of budgeted annual expenditure) will be maintained to cover any negative cash flow and emergencies (e.g., boiler repairs, damage to building). In addition, funds will be used to repay outstanding loans (£5,000 and £5,040). We have plans to invest in a renewable energy feasibility study, and to review the energy usage of the Hall post lockdown (£5,000). Plus, a new website and other software to improve the bookings process (£2,000). We also need to retain funds to cover the legal work for the custodianship discussions (£5,000).

Risk management

The Trustees have assessed the major risks to which the charity is exposed, in particular those related to the operations and finances of the charity, and are satisfied that systems are in place to mitigate their exposure to major risks.

Public benefit

In planning our activities for the year, we have kept in mind the Charity Commission guidance on public benefit.

Financial review

Total incoming resources during the year were £49,695 of which £37,263 was Covid grant income (2020: £54,526). Resources expended in the same period totalled £33,587 (2020: £38,798). At 30 June 2021 the charity held total funds of £620,651 of which £518,683 were restricted funds received for the building and refurbishment of the hall.

This report has been prepared in accordance with the provisions applicable to companies entitled to the small companies exemption.

Independent Examiner's Report to the Trustees of Holsworthy Memorial Hall Limited

Year ended 30 June 2021

I report to the trustees on my examination of the financial statements of Holsworthy Memorial Hall Limited ('the charity') for the year ended 30 June 2021.

Responsibilities and basis of report

As the trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Notes to the Financial Statements

Year ended 30 June 2021

1. General information

The charity is a public benefit entity and a private company limited by guarantee, registered in England and Wales and a registered charity in England and Wales. The address of the registered office is North Road, Holsworthy, Devon, EX22 6EB.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Companies Act 2006.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

The Trustees continue to assess the viability of the hall in order to reverse the insolvent net current liability position.

The accounts have currently been drawn up on a going concern basis which may not be appropriate.

Disclosure exemptions

The entity satisfies the criteria of being a qualifying entity as defined in FRS 102. As such, advantage has been taken of the following disclosure exemptions available under paragraph 1.12 of FRS 102:

- (a) No cash flow statement has been presented for the company.
- (b) Disclosures in respect of financial instruments have not been presented.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

3. Accounting policies *(continued)*

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Holsworthy Memorial Hall Limited

Notes to the Financial Statements *(continued)*

3. Accounting policies *(continued)*

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Tangible assets

Tangible fixed assets are stated at cost less accumulated depreciation.

Depreciation

Depreciation is provided at rates calculated to write off the cost less residual value of each asset over its expected useful life, as follows:

Land and buildings	-	No charge
Equipment	-	20% on net book value
Computers	-	20% straight line (included in equipment)

Land and buildings have not been depreciated this year as the beneficial ownership of the Hall is currently being investigated. Until such time as the Trustees can establish the ownership with certainty, this policy will continue.

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

Holsworthy Memorial Hall Limited

Company Limited by Guarantee

Notes to the Financial Statements *(continued)*

Year ended 30 June 2021

3. Accounting policies *(continued)*

Impairment of fixed assets *(continued)*

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date, allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the charity are assigned to those units.

Stocks

Stocks are measured at the lower of cost and estimated selling price less costs to complete and sell. Cost includes all costs of purchase, costs of conversion and other costs incurred in bringing the stock to its present location and condition.

Government grants

Government grants are recognised at the fair value of the asset received or receivable. Grants are not recognised until there is reasonable assurance that the charity will comply with the conditions attaching to them and the grants will be received.

Where the grant does not impose specified future performance-related conditions on the recipient, it is recognised in income when the grant proceeds are received or receivable. Where the grant does impose specified future performance-related conditions on the recipient, it is recognised in income only when the performance-related conditions have been met. Where grants received are prior to satisfying the revenue recognition criteria, they are recognised as a liability.

Financial instruments

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.
