REPORT OF THE TRUSTEES **for the year ended 31 March 2023**

The trustees present their report with the financial statements of the charity for the year ended 31 March 2023. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The charity's objects and principal activities are:

- a) The advancement of the Orthodox Jewish Religion,
- b) The relief of poverty, sickness, infirmity and distress primarily but not exclusively amongst persons of the Jewish faith, and
- c) Such other purposes as may from time to time be charitable according to English law as the trustees of the charity shall determine.

Public benefit

The trustees have referred to the guidance contained in the Charity Commission's general guidance on public benefit and 'The Advancement of Religion for the Public Benefit' in particular, when reviewing the aim and objectives and in planning the charity's future activities. In particular, the trustees consider how planned activities will contribute to the aims and objectives set.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

In the year the charity made grants totalling £127,542 (2022: £209,736).

During the year the charity continued its support to the Yesodey Hatorah School, whilst also continuing its grants to local institutions and to needy individuals.

Although the charity had lower levels of activity when compared to the prior year, the trustees plan to continue the work of the charity in the coming year. The charity has the support of regular donors and other charities that are keen to support the charity's work.

Grantmaking policy

The trustees assess each of the applications made to them and consider their response based on the individual circumstances, the funds available, and the impact the grant will make in achieving the charity's goals. Where grants are made to charities and other organisations, consideration is given to the operational efficiency and reputation of the recipient charity and the ability of the donation to 'make a difference'.

FINANCIAL REVIEW

Reserves policy

The trustees have established the level of reserves (that is those funds that are freely available) that the charity ought to have. Reserves are needed to bridge the funding gaps between spending on activities and receiving resources through voluntary donations and grants. The trustees consider that the ideal level of reserves as at 31 March 2023 would be three months of resources expended. However the trust is operated as a grant giving charity, and the trustees' policy is to seek to distribute or commit the bulk of the income arising in each financial year.

The charity had negative free reserves of £67,979 at 31 March 2023. The trustees are considering ways in which further unrestricted funds may be raised.

FUTURE PLANS

The charity is planning to generate more income for the much needed grants that the charity makes.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF
ICHUD TALMUDEI YESODEY HATORAH

Independent examiner's report to the trustees of Ichud Talmudei Yesodey Hatorah

I report to the charity trustees on my examination of the accounts of Ichud Talmudei Yesodey Hatorah (the Trust) for the year ended 31 March 2023.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under Section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under Section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by Section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

NOTES TO THE FINANCIAL STATEMENTS **for the year ended 31 March 2023**

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention.

Assessment of going concern

The trustees have assessed whether the use of the going concern assumption is appropriate in preparing these accounts. The trustees have made this assessment in respect to a period of one year from the date of approval of these accounts.

The trustees of the charity have concluded that there are no material uncertainties related to events or conditions that may cast significant doubt on the ability of the charity to continue as going concern. The trustees are of the opinion that the charity will have sufficient resources to meet its liabilities as they fall due.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Charitable activities

Charitable activities comprise those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Governance costs

Governance costs comprise those costs associated with meeting the constitutional and strategic requirements of the charity and the audit fees and costs linked to the strategic management of the charity.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Computer equipment - 25% on reducing balance

Taxation

The entity is considered to pass the tests set out in Sch. 6, para. 1 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the entity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Pt. 11, Ch. 3 of the Corporation Tax Act 2010 or s. 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

NOTES TO THE FINANCIAL STATEMENTS - continued for the year ended 31 March 2023

1. ACCOUNTING POLICIES - continued

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Debtors

Debtors are recognised at their settlement amount, less any provision for non-recoverability. Prepayments are valued at the amount prepaid.

Cash at bank and in hand

Cash at bank and in hand represents such accounts and instruments that are available on demand or have a maturity of less than three months from the date of acquisition. Deposits for more than three months but less than one year have been disclosed as short term deposits.

Creditors and provision

Creditors and provision are recognised when there is an obligation at the balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Creditors and provision are recognised at the moment the charity anticipates it will pay to settle the debt. They have been discounted to the present value of the future cash payments where such discounting is material.
