

Trustees' Annual Report for the period

From 1st April 2024 to 31st March 2025

Charity name: Children of Pakistan Earthquake

Charity registration number: 1113135

Governing document - Declaration of trust dated 26 October 2005

Executive Summary

COPE Charity is dedicated to breaking the cycle of poverty in Pakistan through sustainable development projects that empower communities and create lasting change. In 2025, COPE successfully implemented a range of projects focused on water, housing, health, education, enterprise, and food security. This report highlights the achievements and impact of our initiatives throughout the year.

Mission Statement

Our mission is to alleviate poverty in Pakistan by providing essential resources, education, and opportunities for self-sufficiency and sustainable communities.

Objectives

Activities

- Provision of Food
- Education
- Health Or Saving Of Lives
- Housing
- Enterprise
- Vocational Training
- Disaster Relief
- Build Places of worship- 99 Masjids Campaign
- Marriage Programme
- Other Charitable Purposes

Who the charity helps:

- Children/young People
- Elderly/old People
- People With Disabilities
- The General Public/mankind

How the charity helps:

- Develops projects to empower people out of poverty
- Provides Buildings/facilities/open Space
- Makes Grants To Individuals
- Other Charitable Activities

Where the charity operates:

- Sindh, Balochistan, Tharpakar, KPK, South Punjab, Pakistan

Overview of Projects

1. Water Project

Access to clean water is a basic human need, yet for many families in Pakistan it has long been a daily struggle. In rural and underserved communities, women and children often walk miles fetch a few buckets of water.

Our Water Project changes that reality by installing waterpumps, manual water wells, solar water stations and water filtration plants that enable people to access fresh, clean, drinking water.

2. Housing

A safe home is the foundation of stability, yet many families in Pakistan especially those living in poverty struggle without proper shelter. Harsh weather, insecurity, and lack of basic facilities make daily life a constant challenge.

Our Housing Program is dedicated to building and providing secure homes for those most in need. Families receive durable housing that protects them from rain, heat, and cold. A proper home improves hygiene, reduces illness, and creates a stable environment for children to grow and learn.

3. Health

Health is vital for empowerment and productivity. COPE made significant strides in improving health outcomes through the provision of wheelchairs and cataract surgeries:

For many in Pakistan, mobility is a daily struggle. Without access to a wheelchair, even simple tasks like attending school, visiting the market, or participating in community life become overwhelming challenges.

Our Wheelchair Program is designed to give the gift of movement and dignity to those who need it most.

Cataract Operations

Vision is a blessing many take for granted, yet thousands in Pakistan suffer from preventable blindness and poor eye health due to lack of access to medical care. For families living in poverty, treatment is often out of reach.

COPE's Cataract Surgery initiative is dedicated to changing this reality by providing free and affordable eye care to some of the most vulnerable people in society.

In addition, the construction of COPE's first Eye hospital is underway.

4. Education

Education is the key to breaking the cycle of poverty, yet many children in Pakistan are denied this basic right. Without access to schools, they face limited opportunities and a future filled with hardship.

Our Schools Program provides safe, supportive learning environments where children can grow, learn, and dream of brighter futures.

We establish schools in underserved communities, to empower children to pursue careers, support their families, and uplift their communities.

5. Vocational Training

COPE's Vocational Training program empowers women with the skills and tools they need to build a brighter future. The course entails a fully funded 3-month course in sewing and tailoring designed to open doors to financial independence and self-reliance.

Women receive hands-on training from experienced instructors, learning practical techniques in stitching, cutting, and garment design. The program not only teaches technical skills but also builds confidence, enabling women to contribute to their household income and community.

Upon successful completion of the course, each graduate is gifted a brand-new sewing machine. This ensures that the training translates directly into a livelihood, allowing women to start their own small businesses or work from home.

By equipping women with both knowledge and tools, we help break cycles of poverty and create sustainable change for families across Pakistan.

6. Enterprise

For many struggling families in Pakistan earning a stable income can feel out of reach. Without resources or opportunities, they are left vulnerable and dependent. Our Enterprise and Livelihood Program provides a practical solution by gifting fruit carts and livestock that enable families to start small businesses and regain independence.

Uplifting individual households impacts positively on the wider community by bringing affordable goods closer to neighborhoods and strengthens local economies.

7. Food Security

Rising costs and limited income mean that many people go to bed hungry, unsure of where their next meal will come from. Our Food Pack Program provides immediate relief by delivering essential food supplies to households in need.

Every pack is carefully prepared to sustain a family for weeks and receive food security during times of crisis.

8. Building Mosques

Mosques are not only places of worship but also a hub for learning. In Pakistan, many communities still lack proper facilities where families can gather to pray, study, and strengthen their faith. Beyond prayer, our mosques host Qur'an classes, Islamic learning, and community gatherings.

Conclusion

COPE Charity is committed to transparency and accountability. We remain a 100% charity that is proud of all donations being spent on poverty relief projects. The charity is run solely by volunteers and who work remotely.

The work of COPE Charity has positively impacted thousands of lives in Pakistan. We are proud of our accomplishments and grateful for the support of our donors, volunteers, and partners. Together, we are making strides in breaking the cycle of poverty and creating sustainable communities. We look forward to continuing this vital work in the upcoming year and invite everyone to join us in our mission.

Acknowledgments

We extend our heartfelt thanks to all our supporters, volunteers, and staff who have contributed their time and resources to advance our mission. Your dedication is invaluable to the communities we serve.

Achievements

The last year, has been another productive year in project delivery towards the alleviation of poverty thousands of people continue to benefit from COPE's thriving Projects as follows:

The trustees present their report and financial statements for the year ended 31 March 2025.

Chairperson's Review

It is a great honor to lead this wonderful charity which operates solely on the good will, generosity and kindness of good people. As the Chair of COPE, I am extremely proud that COPE remains a 100% charity. This would not be possible without an innovative, resourceful team and the immense support of my trustees, volunteers, donors and the local community.

In 2018 COPE re-launched with a fresh new approach towards breaking the Cycle of Poverty through the provision of Water. Water is the source of life and directly impacts life conditions of people. Without water you can't grow food, you can't build housing, you can't stay healthy, you can't stay in school and you can't keep working. Access to clean water improves health, boosts local economies and impact the livelihood and well-being of marginalized people in many ways. The combined effect is that a local area has been empowered out of poverty. I am very proud of our achievements and our insistence to run our projects in hard to reach areas; to empower the 'forgotten people' out of poverty by providing the essential human necessities. It gives me great pleasure to know that we are making a difference; the testimonies, feedback and smiles of beneficiaries reassures us that we are on the right track towards helping break the cycle of poverty.

With the support of the local community and a resourceful team, COPE remains a 100% charity. I feel honored to have a fabulous team on the ground, who continues to work tirelessly to execute our projects during the most difficult time. I would like to thank my fellow trustees, donors, well-wishers and partners for all the time and support they give so that COPE's legacy can continue long after us.

Review of Activities

To relieve poverty and hardship in Pakistan through the operation of projects that promote independence and empowerment. We provide grants to poor and destitute people as well as providing access to education and training for sustained independence. We run a water project in partnership with local and international organisations to improve the health and wellbeing of our beneficiaries.

Statement of Trustees' Responsibilities for the Financial Statements

For the year ended 31 March 2025

Volunteers

COPE relies on the goodwill of volunteers to run all aspects of the charity's work. Our volunteer pool at COPE is steadily growing and currently there are approximately 150 volunteers that give up their time to support the charity at events and charitable activities. We encourage and reach out to the community through social media, our newsletters and website as part of our recruitment drive to involve a diverse range of people in our work.

Ambitions and long term strategies

Our ambition is to expand our activities over a wider geographical are and reach more people in need. We aim to develop and strengthen partnerships at a local, national and international level, to build support, raise awareness of our work and continue to grow organically.

Company and charity law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the charitable company's state of affairs at the end of the year and of its income and expenditure for that period.

In preparing those financial statements, the Trustees are required to:

- select suitable accounting policies and apply them consistently;
- make judgments and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

We report on the accounts of the Charity for the year ended 31 March 2024, which are set out on pages 5 to 8.

Respective responsibilities of the trustees and examiner

The charity's members are responsible for the preparation of the accounts. The charity's members consider that an audit is not required for this year (under section 4144(2) of the Charities Act 2011) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts (under section 145 of 2011 Act);
- to follow the procedures laid down in the General Directions given by the Charity Commissioners (under section 145 (5) of 2011 Act); and
- to state whether particular matters have come to our attention.

Basis of the independent examiner's report

My examination was carried out in accordance with the General Directions given by the Charity Commissioners. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as members concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent examiner's statement

In the course of my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that in, any material respect, the members have not met the requirements to ensure that:
 - Proper accounting records are kept (in accordance with section 41 of the 1993 Act); and
 - Accounts are prepared which agree with the accounting records and comply with the accounting requirements of the Act; or
- (2) to which, in our opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

1 Accounting policies

1.1 Basis of preparation

The financial statements have been prepared under historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities, the Statement of Recommended Practice; Accounting and Reporting by Charities 2005.

1.2 Incoming Resources

All incoming resources are included on the statement of Financial Activities when the Charity is legally entitled to the income and amount can be quantified with reasonable accuracy.

1.3 Resources expended

Resources expended are accounted for on an accrual basis. Expenditure includes VAT which cannot be recovered and which is included as part of the expenditure to which it relates.

Costs are allocated between charitable expenditure and governance as appropriate. Charitable expenditure comprises those costs directly incurred in carrying out its charitable activities and expenditure of an indirect nature necessary to support these activities. Governance costs are those associated with the constitutional and statutory requirements of the charity and include Independent Examiners' fees and costs incurred in the strategic management of the charity.

Statement of Trustees' Responsibilities for the Financial Statements

For the year ended 31 March 2025

Volunteers

COPE relies on the goodwill of volunteers to run all aspects of the charity's work. Our volunteer pool at COPE is steadily growing and currently there are approximately 150 volunteers that give up their time to support the charity at events and charitable activities. We encourage and reach out to the community through social media, our newsletters and website as part of our recruitment drive to involve a diverse range of people in our work.

Ambitions and long term strategies

Our ambition is to expand our activities over a wider geographical are and reach more people in need. We aim to develop and strengthen partnerships at a local, national and international level, to build support, raise awareness of our work and continue to grow organically.

Company and charity law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the charitable company's state of affairs at the end of the year and of its income and expenditure for that period.

In preparing those financial statements, the Trustees are required to:

- select suitable accounting policies and apply them consistently;
- make judgments and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

We report on the accounts of the Charity for the year ended 31 March 2024, which are set out on pages 5 to 8.

Respective responsibilities of the trustees and examiner

The charity's members are responsible for the preparation of the accounts. The charity's members consider that an audit is not required for this year (under section 4144(2) of the Charities Act 2011) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts (under section 145 of 2011 Act);
- to follow the procedures laid down in the General Directions given by the Charity Commissioners (under section 145 (5) of 2011 Act); and
- to state whether particular matters have come to our attention.

Basis of the independent examiner's report

My examination was carried out in accordance with the General Directions given by the Charity Commissioners. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as members concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent examiner's statement

In the course of my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that in, any material respect, the members have not met the requirements to ensure that:
 - Proper accounting records are kept (in accordance with section 41 of the 1993 Act); and
 - Accounts are prepared which agree with the accounting records and comply with the accounting requirements of the Act; or
- (2) to which, in our opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

These financial statements were approved by the Board of Trustees and were signed on its behalf by:

Rehana Rafiq
Chair Person

Date: 31/01/2026

1 Accounting policies

1.1 Basis of preparation

The financial statements have been prepared under historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities, the Statement of Recommended Practice; Accounting and Reporting by Charities 2005.

1.2 Incoming Resources

All incoming resources are included on the statement of Financial Activities when the Charity is legally entitled to the income and amount can be quantified with reasonable accuracy.

1.3 Resources expended

Resources expended are accounted for on an accrual basis. Expenditure includes VAT which cannot be recovered and which is included as part of the expenditure to which it relates.

Costs are allocated between charitable expenditure and governance as appropriate. Charitable expenditure comprises those costs directly incurred in carrying out its charitable activities and expenditure of an indirect nature necessary to support these activities. Governance costs are those associated with the constitutional and statutory requirements of the charity and include Independent Examiners' fees and costs incurred in the strategic management of the charity.
