Chair of Trustee Report

The first thing to state is that we didn't hold an AGM last year 2021 due to the Covid pandemic. The books were audited as usual.

Grant deposit from government £10,000 Friday 1st May – really good news, it means we can comfortably go ahead with the new lighting system.

Pat our cleaner retired in April after many years of loyal service. A card, box of chocolates and big bunch of flowers were presented to her by me, given the restrictions that were in place that is all that could be done.

Week commencing 1st June - Lighting system installed

Week commencing 27th July – scaffolding goes up to remove the asbestos roofing from the roof and replace it with appropriate materials. 18th August work completed, we now have a water tight building. As the roof and the external parts of the building are the responsibility of the mill, our landlords, John Edward Crowther's, paid for the work to be done

Throughout the pandemic we have received generous government grants via Kirklees Council starting in April 2020 to April 2021. We were unsure how long the grants would continue to appear, however we think that the 8K we received in April 2021 will be the last, which means we will have received a full year of support, which is absolutely brilliant. It means that we will still be able to carry on even if take up is slow. We don't assume that everybody will rush back to using the gym or using the hall so hopefully we will continue to function and not have to worry about income. However, I do feel it's important for us to increase usage of both facilities in the medium to long term.

The grant monies we have received are £31,634.26 and a council tax refund of £596.80 making a total of £32,231.06. Our annual income is usually around 12-13K.

Throughout the pandemic there were many starts and stop in terms of closing and reopening. We finally opened on the 12th April 2021, offering full service but a shortened week and reduced capacity, only 2 badminton courts. It was a slow start as many people were uncomfortable about being in an enclosed space. We followed all government edicts and guidelines, such as hand sanitisation, mask wearing and one way systems. We closed the changing rooms and only had one toilet in use. This was to limit the amount of cleaning and sanitising that needed to be done at the end of each session. Gym users were instructed to clean down before and after use. Volunteers were asked to follow an opening and closing down routine to

ensure that SH users had as little contact as possible with surfaces such as doors switches etc.

Sadly, George, our founder, DIY expert, Chair of many years standing, guiding hand, adviser, general factotum, stalwart supporter and genuinely wonderful man died after a short illness on Thursday, 23rd September. A card was taken up to Enid and family, I wasn't able to speak to Enid as the family were making funeral arrangements. The committee want to mark his passing in some or many ways. Individual committee members expressed their sadness, April said how important she thought it was that we had gone down the route of applying for an MBE that he received and was richly deserved. Ideas were; using the youth club funds to set up some sort of event/activity for the young people of Marsden in George and Enid's name. Suggestions were; a plaque for the SH itself, a trophy for each of the sporting facilities in the village. Nothing was decided except to ask Enid what she would like. His funeral was on the 11th October, 1.30 pm

David Shaw resigned as committee member and trustee, we would like to thank David for his 25 years of involvement with the SH. He was a volunteer every Wednesday barring high days and holidays and became a trustee when the sports hall was granted charitable status. He has and continues to be a keen supporter and advocate for the sport hall. We wish him well for the future and thank him again for his dedication as a volunteer, committee member, DIY mate to George and as a trustee.

Jim Blything was asked to take on the role of trustee and has agreed. Jim coordinates Badminton and chairs committee meeting, and has responsibility for health and safety checks.

All three trustees are officer and in my case I hold two officer posts, secretary and booking officer. We hold regular committee meetings and communicate between meetings via WhatsApp and text messaging. We also bump into each other in the village. The Trustees are fully aware of the day to day business of the sports hall and involved in the day to day running of the sports hall.
