Risk management

The Trustees have identified, monitored, and reviewed significant risks and have implemented systems and processes to manage and mitigate those risks. The main risks facing the charity are that we fail to maintain employee donations, which are the Foundation's funding base. However, ERM (the company) covers all of the Foundation's overhead and management costs, so the impact would be slight.

Objectives and activities

The ERM Foundation's objectives are to provide support to environmental, community and sustainable development causes that are of benefit to the public through appropriate charitable, educational and technical means. This is done through appropriate charitable, educational and technical endeavours.

The ERM Foundation selects projects to support that adhere to one or more of the following criteria:

- Reducing carbon emissions
- Protecting the natural environment
- Improving access to clean water and sanitation
- Supporting female livelihoods

The ERM Foundation seeks, through its programmes and partnerships, to provide financial resources and technical pro-bono support and volunteer time in ways that result in a better global environment achieved through sustainable and equitable development. ERM has provided generous support through making available technical, administrative and management support on an as-needed basis.

The ERM Foundation aims to be a responsive and learning organisation that is knowledgeable about the development, aspirations, needs, culture and environment of its partners. It is committed to encouraging diversity and professionalism among all its members, staff and volunteers.

The ERM Foundation raises money from employees of ERM and other donors. ERM provides matching funds where those donations are raised by employees specifically for charitable purposes. The ERM Foundation is advised by a committee of specialists from ERM's current staff and alumni.

The ERM Foundation also coordinates a variety of activities whereby ERM staff provide professional and volunteering support to environmental and social initiatives of benefit to local communities.

Achievements and performance in the year to 31 March 2022 ('FY22')

In FY22, core funding for the ERM resumed following the peak of the COVID-19 pandemic, and some limited employee fundraising resumed, though at a reduced level due to on-going home working arrangements. The ERM Foundation provided funding for two on-going partnerships: Solar Aid, which invests in networks of female solar entrepreneurs in sub-Saharan Africa, and Catalyse Change, which provides mentoring and work placements for young women wishing to pursue careers in sustainability in the United Kingdom.

During FY22, there was also a fundraising among ERM shareholders to establish a new ERM Foundation Future Fund ("Future Fund"). The purpose of the Future Fund is to accelerate progress towards the Sustainable development goals by investing in programmes at the intersection between biodiversity protection, women's livelihoods, and climate action. The progress to short list grantees commended in FY22, the first tranche of funding will be disbursed in FY23.

During FY22 the ERM Foundation published a digital-only Annual Review showcasing achievements from the financial year, including grant funding and employee-led professional support.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

Statement of Trustees' responsibilities in respect of the trustees' annual report and the financial statements

The trustees, who are also the directors of The ERM Foundation for the purpose of company law, are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company Law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that year.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the charity and financial information included on the charity's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF THE ERM FOUNDATION

I report to the trustees on my examination of the financial statements of The ERM Foundation (the charity) for the year ended 31 March 2022.

Responsibilities and basis of report

As the trustees of the charity (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 (the 2006 Act).

Having satisfied myself that the financial statements of the charity are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's financial statements carried out under section 145 of the Charities Act 2011 (the 2011 Act). In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

Since the charity's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of The Association of Chartered Certified Accountants, which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
- 4 the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

Company information

The ERM Foundation is a private company limited by guarantee incorporated in England and Wales. The registered office is Exchequer Court, 33 St Mary Axe, London, EC3A 8AA.

1.1. Accounting convention

The accounts have been prepared in accordance with the charity's Memorandum and Articles of Association, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)". The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

1.2. Income

Incoming resources are accounted for on the basis of entitlement, measurement criteria being met and when income becomes probable.

1.3. Expenditure

When the Foundation has entered into a legally enforceable contract to make charitable grants in future periods, this expenditure is recognised in the period in which the commitment is made. This is also the case where there is a constructive obligation to make such grants. The Foundation is not registered for VAT and accordingly expenditure is shown gross of irrecoverable VAT.

1.4. Foreign exchange

The charity operates in local currencies in its main operating jurisdictions, ERM Foundation operates in the UK and also select countries when ERM has an office or working presence. Transactions in other foreign currencies are recorded at the rate ruling at the date of transaction and outstanding balances are regularly revalued to reflect the prevailing rates of exchange.

1.5. Going concern

On the basis of their assessment of the charity's financial position, the directors of The Foundation have a reasonable expectation that the charity will be able to continue in operational existence for the foreseeable future. Thus they continue to adopt the going concern basis of accounting in preparing the annual financial statements.

1.6 Donated services

The ERM Foundation receives donated services from ERM employees in their capacity as consultants. The donated services included in the Statement of Financial Activities reflect the value of their donated time at their set ERM charge out rates. 1.7 Tax

The ERM Foundation is considered to pass the tests set out in Paragraph 1 Schedule 6 Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

1.8 Financial Instruments

The Charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the Charity's balance sheet when the Charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.
