**Knitting & Crochet Guild  
Trustees' Annual Report  
For the year ended 31 March 2025**

The Trustees, who are also the directors of the charity for the purposes of Company Law, present their report and the financial statements for the year ended 31 March 2025.

## **Structure, governance and management**

The charity is a company limited by guarantee and is governed by its memorandum and articles of association. The minimum number of Trustees is three; there is no maximum. The current Trustees feel that between 10 and 12 Trustees is ideal for efficient working. Trustees are elected at the annual general meeting (AGM) or are appointed by existing Trustees if a vacancy arises between AGMs. Trustees appointed by other Trustees must stand for election at the next AGM.

Details of those who served as Trustees during the year and up to the date of signing this report are set out on page 2.

## **Objectives and activities**

The objects of the charity are the advancement of public knowledge and appreciation of the crafts of knitting and crochet, particularly but not exclusively through the furtherance of skill and creativity in the said crafts and the preservation of the heritage of knitting and crochet.

Unless otherwise specified, 'knitting' refers to both hand-knitting and machine-knitting.

The charity aims to achieve its objectives by:

- Maintaining and developing the heritage Collection at Britannia Mill in Slaithwaite.
- Making the Collection available to the public and those with an interest in knitting and crochet through open days, trunk shows, the website and the online catalogue.
- Encouraging the establishment of branches and local groups.
- Regularly publishing articles, many written by members, covering topics relevant to our crafts, including techniques and information about the Collection.
- Publicity at a range of craft shows through our members to raise awareness of the Guild, including its unique collection of craft related garments, artefacts, publications and network of branches, and to widen skills in and knowledge of our crafts.
- Providing a website for members, the wider craft communities, and general Internet users.
- Holding an annual residential Convention with talks and workshops.

## **Public benefit**

The Trustees have identified their aims, and the activities which support them, with regard to Charity Commission guidance on Public Benefit.

## **Achievements and performance**

The Guild has fulfilled its purpose in a variety of ways during the year.

- The continued publication of the Guild's quarterly journal, *Slipknot*, with authoritative articles written by members on techniques, special projects, and news of the Collection. The online email newsletter and the online publication, *Across the Needlebed* (which contains articles particularly relevant to machine-knitters, but available to all members and with some general interest content) continue to be published regularly.
- The Guild's website and its activities on social media continued to raise awareness of the Guild.

**Knitting & Crochet Guild  
Trustees' Annual Report  
For the year ended 31 March 2025**

- The branch network, where members and others meet regularly to share and develop their skills and knowledge. Branch coordinators have been supported by a named Branches Coordinator, who has run regular online meetings.
- A 'Regional Day' was held during the year (Oxford, held on 29 June 2024). Two more have been organised: the first Northern Regional Day (28 June 2025 in Slaithwaite, in premises close to Britannia Mill, with 3 speakers and 10 workshops) and the established Oxford Regional Day (5 July 2025, with 2 speakers and 5 workshops). We thank the branches in these areas for their hard work in running these events.
- The Guild has continued to use Zoom meetings for some branch meetings to enable many members of the Guild and the public to attend where personal circumstances make in person meetings difficult. Our Articles of Association empower us to incorporate online access to the AGM.
- The Collection team continue cataloguing the items at Britannia Mill. Members of the team give talks by arrangement, trunk shows that contain items from the Collection are sent to branches, and both members and non-members visit Britannia Mill to view the Collection in person. The team is continuing to digitise the Collection to enable easier access for those interested in studying the objects remotely.

## **Financial review**

The Trustees are pleased to report that, in spite of the difficult financial conditions affecting the population, the Guild managed to finish the year with a surplus on unrestricted funds of £21,000 (2024: £15,687).

Subscription income has increased by 14%, (2024: 6%). The basic subscription increased by 12% but there was also an overall increase in membership.

Our greatest regular expense continues to be the provision and upkeep of Britannia Mill together with expenditure on maintaining and recording the Collection itself. The lease at Britannia Mill will expire in 2029, although there is a mutual break clause at the 3-year point. This allows for flexibility, should there be insufficient numbers of volunteers to maintain the Collection or other unforeseen events.

Our quarterly journal, *Slipknot*, remains one of our main areas of expenditure. As the content and editing of the magazine are provided entirely by volunteers, it continues to provide excellent value for money.

The Trustees once again acknowledge that the Guild would be unable to operate without the goodwill, energy and enthusiasm of its volunteers, whose commitment enables the Guild to meet its objectives. The Trustees encourage more members to volunteer – even something as simple as spreading the word about the Guild can cumulatively make a huge difference.

The Trustees have again taken advantage of a high-interest one-year fixed account for our minimum reserves.

## **Policy on reserves**

At 31 March 2025, the Guild had unrestricted funds of £143,128 (2024: £122,128) of which £14,950 (2024: £15,781) related to fixed assets and is not readily available. This leaves free funds of £128,178 (2024: £106,347). The Guild has a moral obligation to ensure that monies raised by the Collection are used for the further development and maintenance of the Collection. At 31 March 2025, these funds amounted to £17,033 (2024: £15,548). Funds available for general purposes therefore amount to £111,145 (2024: £91,402).

In 2024, the Trustees assessed that the minimum they require as free funds is £45,000 to meet the charity's commitments, including those in respect of Britannia Mill, and to ensure an orderly winding up of the Guild

**Knitting & Crochet Guild

For the year ended 31 March 2025**

should this be necessary. As this assessment took into account identifiable price increases, the Trustees believe that this level remains appropriate.

The remaining funds of £66,145 will be applied to the development of the Guild in a sustainable and measured manner.

### **Future events**

Our residential Convention and AGM will be held at a venue owned and run by the same organisation as used for the last three years. This time, as last year, Convention is in Hoddesden, Hertfordshire. The Trustees are careful to make the event as inclusive as possible financially with alternative arrangements for day delegates.

### **Statement of Trustees' responsibilities**

The Trustees (who are also Directors of the Knitting & Crochet Guild for the purposes of company law) are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice.)

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of the affairs of the charity, and the income and expenditure of the charity for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011 and the provisions of the Articles of Association. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees confirm that the charitable company is entitled to the exemption from audit granted by section 477 of the Companies Act 2006 and that:

- (a) the members have not required the company to obtain an audit of its accounts for the year in question in accordance with section 476, and
- (b) the Trustees acknowledge their responsibilities for complying with the requirements of this Act with respect to accounting records and the preparation of accounts.

The financial statements have been prepared on the basis stated in note 1a.

**Knitting Crochet Guild**  
**Notes to the accounts**  
**For the year ended 31 March 2025**

**1 Accounting policies**

**a. Basis of preparation**

The financial statements have been prepared in accordance with the accounting policies set out in the notes to the accounts and comply with the charity's governing document, the Companies Act 2006, the Charities Act 2011, and the SORP (FRS 102) Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard (FRS 102) applicable in the UK and Republic of Ireland.

The charity is a company limited by guarantee and is a public benefit entity as defined by FRS 102.

**b. Going concern**

The Trustees have considered the requirements to comment on the going concern status of the charity and confirm that resources are sufficient to continue operations for the foreseeable future.

**c. Fund accounting**

General funds are unrestricted funds which are available for use at the discretion of the Trustees, in furtherance of the general objectives of the charity.

Designated funds are unrestricted funds earmarked by the Trustees for a particular purpose.

Restricted funds are amounts which must only be applied to the purpose for which they were given.

**d. Income**

Income is recognised in the statement of financial activities (SOFA) when the Guild has entitlement to the funds, it is probable that the income will be received and the amount of the income and the costs incurred for the transaction can be measured reliably.

Subscription income is recognised in the financial year to which it relates.

Legacy income is recognised when the Guild becomes entitled to a legacy, when its receipt is probable and the amount receivable is measurable either through probate estimates or receipt.

Income received in advance of an event or the provision of goods or services is deferred until the criteria for income recognition are met.

**e. Expenditure**

Expenditure is included on an accruals basis and is recognised when there is a legal or constructive obligation. Expenditure includes VAT which is not recoverable.

Costs of raising funds are those costs incurred in attracting income other than that which relates to the Guild's objectives.

Costs of charitable activities are costs that arise from the pursuance of the charitable objectives, including the maintenance of the Collection. The Guild has adopted the natural classification of costs rather than an activity basis by virtue of its small size.

**f. Leased assets**

Rentals applicable to operating leases are expensed over the life of the lease on a straight line basis. (See Note 6 below)

**g. Intangible assets**

Intangible assets are recognised in the financial statements if and only if it is probable that the expected future economic benefits that are attributable to the asset will flow to the entity; and the cost or value of the asset can be measured reliably.

The Trustees are satisfied that, in respect of the website and the database, which are included in the financial statements at their acquisition cost, anticipated future economic benefits justify capitalisation. Intangible assets are amortised over their estimated productive life, from the time they are brought into use. In the case of both the website and the database the life is believed to be 3 years.

**h. Heritage assets**

The charity's heritage assets consist of its collection of craft related goods and equipment, its documents collection and library. When it incorporated, the charity already had large collections and a library. Since then these have been added to by items purchased by the charity and also by donations of goods and equipment.

*(continued)*

**Knitting Crochet Guild**  
**Notes to the accounts**  
**For the year ended 31 March 2025**

**1 Accounting policies (continued)**

**h. Heritage assets (continued)**

The assets introduced into the charity in 2005 and donated since then have not been included in the financial statements because the Trustees consider that there is no practical way to value the collections and library, due to their specialist nature and there is no reasonable method to establish what donations were worth on the open market. They also consider that, given the nature of the assets, there is little likelihood that the value of the items purchased has been reduced and so no depreciation charge has been made.

The amount shown in the accounts represents the purchases which have been made since the charity was incorporated in 2005.

**i. Tangible fixed assets**

Individual fixed assets costing more than £250 are capitalised at cost and are depreciated over the estimated useful economic life of the asset, from the time it is brought into use, as follows:

- equipment - 3 years
- leasehold property - over the term of the lease

**j. Branches**

The charity has a number of branches where members meet to discuss and learn craft-related skills. The branches arrange their own venues and programmes for which they collect contributions. The Trustees exercise no control over the branches and the branches are not required to submit accounts to the charity, therefore, their transactions are not included in these accounts except where there is a direct payment into or out of charity funds.

#### **Responsibilities and basis of report**

As the charity's trustees (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

#### **Independent Examiner's statement**

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

- 1 accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
- 2 the accounts do not accord with such records; or
- 3 the accounts do not comply with the relevant accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
- 4 the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
