Jigsaw Visitors Centre
Report of the trustees
for the year ended 31 March 2021

Objectives and activities

The charity's objects ("Objects") are specifically restricted to the following:

- a) The relief of poverty, hardship and distress among partners, families, children and dependents of persons who have suffered a legal restriction of their liberty and who are detained at HM Prison, Leeds, or are otherwise involved in the justice system, such as other HM Prisons and the probation service;
- b) To relieve sickness and poor health and to promote health and health education among those detained at HM Prison, Leeds, their dependants and other family members and amongst people living in the Armley area of Leeds through the promotion of health and wellbeing in the work of Jigsaw.
- c) To work with HM Prison Service to provide services including, but not limited to, independent support, information and advice to the families of prisoners; management of play areas within the prison and provision of catering services;
- d) To work across the justice system to increase opportunities for the rehabilitation of offenders through activities including the maintenance of family ties and offering opportunities for work placements and job-based training through catering services and supporting the day to day activities of the charity;
- e) To consider other ways of working with offenders to reduce reoffending including, but not limited to, social housing, catering and other proposals that will enable offenders to gain work experience and find employment; and
- f) To promote other charitable purposes for the benefit of in particular but not exclusively anyone affected by the criminal justice system and people living or working in the Armley area of Leeds.

Activities undertaken for public benefit in relation to objects

The trustees have complied with the duty in section 4 of the Charities Act 2006 to have due regard to public benefit guidance published by the Commission

The company's overall aim remains the same, i.e.:-

"To provide friendly and independent support, information and advice and healthy living activities for all communities associated with the Visitors Centre – families of prisoners, prisoners and ex-prisoners, prison staff and the local community. We aim to empower people and their families to make positive choices about their lives and lifestyle."

The public benefits from the work carried out at the Visitors Centre through Jigsaw trying to reduce re-offending for prisoners through strengthening family ties and relationships, as prisoners who keep family ties and contact whilst in prison are 6 times less like to re-offend on release. This has a direct benefit to the public both financially and socially.

Achievements and Performance

- All Jigsaw family support services were delivered remotely due to the Coronavirus pandemic, as this resulted in the closure of visits at both establishments for the majority of the year. Visits only took place for 2 months during the 2020-21 financial year
- Jigsaw was still able to deliver some remote Family Interventions such as Storybook dads
- Jigsaw developed two new remote family interventions which included Video Messaging service and a photo messaging services that prisoners made for their loved ones.

Financial Review

Despite the Coronavirus pandemic, Jigsaw was able to improve on the previous year's financial position. HMPPS Provided funding to cover the losses that the tea bar area would normally generate if open. Jigsaw also accessed the HMT Job Retention scheme for eligible periods. These reliefs brought Jigsaw to a breakeven position whilst the organisation where also able to secure some additional external funding for deliverables outside the main contract.

Reserves policy

The policy of the charity is to maintain a level of reserves at least sufficient to cover liabilities in the event of closure of the charity. This figure is currently set at £27,000 and will be reviewed, along with the policy, annually and at such a time as any material change to Jigsaw's liabilities take place. Any remaining reserves will be held as a means of support in the event of revenue losses and to enable investment in any new ventures which further the aims of the organisation. At the year end the free reserves equalled £107,565.

Structure, governance and management

Governing document

Jigsaw Visitors Centre is a company limited by guarantee and is registered as a charity with the Charity Commission.

Jigsaw Visitors Centre, which changed its registered name from Armley Prison Visitors' Centre on 31st December 2010, started to operate in April 2006 following the merger of an unincorporated association also known as Armley Prison Visitors' Centre and the Jigsaw Healthy Living Project. The unincorporated association was established in 1993 and registered as a charity in November 1995 (charity number 1051052). The Jigsaw Healthy Living Project was initially known as "a project of the Visitors Centre", legally accountable to HMP Leeds who acted as the lead agency for the project with the Big Lottery Fund.

Company status

The company is limited by guarantee and all members have agreed to contribute a sum not exceeding £1 in the event of a winding-up. The number of guarantees at 31st March 2021 was 5.

Governance

The Management Committee has adopted "The Good Governance Guide for Charitable Management Committees" as a focus for ensuring that Best Practice is in place regarding leadership, performance, delegation and integrity. Discussions have taken place around these principles confirming a consistent understanding of our position across the organisation.

Trustee selection methods

Trustees are elected by the members at the AGM. Recruitment is addressed through a number of methods ~ advertising, word of mouth connections, existing Management Committee members, as a result of project activities and awareness days undertaken by staff and via contact with the local voluntary and business community.

Induction and training of trustees

An induction process exists allowing Trustees and co-opted representatives the opportunity to engage quickly and positively with the charity.

Organisational structure

All Trustees sit on the Management Committee which meets every two months and is responsible for the operation and strategic direction of the charity. There are now two subgroups rather than three – the Strategy, Finance and Funding and the People, Policies and Procedures sub-groups where a mix of Trustees, co-opted members and senior operational staff in the Centre come together to discuss relevant issues and form plans for the future.

Day-to-day responsibility for the provision of services, management of staff and volunteers rests with the Director of the Centre.

Statement of trustees' responsibilities

The trustees are responsible for preparing the Report of the trustees and the financial statements in accordance with applicable law and regulations.

Company law requires the trustees to prepare financial statements for each financial year. Under that law the trustees have elected to prepare the financial statements in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008) (United Kingdom Generally Accepted Accounting Practice applicable to Smaller Entities). Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and the income and expenditure of the charitable company for that period. In preparing these financial statements the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose at any time the financial position of the charitable company and to enable it to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence taking reasonable steps for the prevention and detection of fraud and other irregularities.

Trustees, who are directors for the purposes of company law, and trustees for the purposes of charity law, who served during the year and up to the date of this report are set out on page 1.

This report has been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities (issued in March 2005) and in accordance with the provisions applicable to companies subject to the small companies' regime of the Companies Act 2006.

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Notes to the accounts for the year ended 31 March 2021

1 Accounting policies

The principal accounting policies adopted, judgments and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

a Basis of preparation

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

The charity has applied Update Bulletin 1 as published on 2 February 2016 and does not include a cash flow statement on the grounds that it is applying FRS 102 section 1A.

Jigsaw Visitors Centre meets the definition of a public benefit entity under FRS102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note.

b Reconciliation with previous Generally Accepted Accounting Practice

In preparing the accounts, the trustees have considered whether in applying the accounting policies required by FRS 102 and the Charities SORP FRS 102 the restatement of comparative items was required. No such restatement was required.

c Preparation of the accounts on a going concern basis

The trustees consider that there are no material uncertainties about the charitable company's ability to continue as a going concern.

There are no key judgments which the trustees have made which have a significant effect on the accounts.

The trustees do not consider that there are any sources of estimation uncertainty at the reporting date that have a significant risk of causing a material adjustment to the carrying amount of assets and liabilities within the next reporting period.

Notes to the accounts for the year ended 31 March 2021 (continued)

d Income

Income is recognised when the charity has entitlement to the funds, any performance conditions attached to the item(s) of income have been met, it is probable that the income will be received and the amount can be measured reliably.

Income from government and other grants, whether 'capital' grants or 'revenue' grants, is recognised when the charity has entitlement to the funds, any performance conditions attached to the grants have been met, it is probable that the income will be received and the amount can be measured reliably and is not deferred.

Income received in advance of a provision of a specified service is deferred until the criteria for income recognition are met.

e Donated services and facilities

Donated professional services and donated facilities are recognised as income when the charity has control over the item, any conditions associated with the donated item have been met, the receipt of economic benefit from the use by the charity of the item is probable and that economic benefit can be measured reliably. In accordance with the Charities SORP (FRS 102), general volunteer time is not recognised; refer to the trustees' annual report for more information about their contribution.

On receipt, donated professional services and donated facilities are recognised on the basis of the value of the gift to the charity which is the amount the charity would have been willing to pay to obtain services or facilities of equivalent economic benefit on the open market; a corresponding amount is then recognised in expenditure in the period of receipt.

f Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the Bank.

Notes to the accounts for the year ended 31 March 2021 (continued)

g Fund accounting

Unrestricted funds are available to spend on activities that further any of the purposes of charity.

Designated funds are unrestricted funds of the charity which the trustees have decided at their discretion to set aside to use for a specific purpose.

Restricted funds are donations which the donor has specified are to be solely used for particular areas of the charity's work or for specific projects being undertaken by the charity.

h Expenditure and irrecoverable VAT

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

i Operating leases

Operating leases are leases in which the title to the assets, and the risks and rewards of ownership, remain with the lessor. Rental charges are charged on a straight line basis over the term of the lease.

j Tangible fixed assets

Individual fixed assets costing £1,000 or more are capitalised at cost and are depreciated over their estimated useful economic lives on a straight line basis as follows:

Motor vehicles:	4 years
Office fixtures and equipment	4 years
Improvements to premises:	4 years

k Debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

l Cash at bank and in hand

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

m Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

Notes to the accounts for the year ended 31 March 2021 (continued)

N Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

O Pensions

Jigsaw Visitor's Centre operates a work place pension scheme with People's Pensions.

2 Legal status of the charity

The charity is a company limited by guarantee registered in England and Wales and has no share capital. In the event of the charity being wound up, the liability in respect of the guarantee is limited to £1 per member of the charity. The registered office address is disclosed on page 1.
