regular Sunday Services of 11.00am, counted during March 2021 to February 2022 and excluding new member was 3 adults.

Occasional Offices

During 2021 there were 1 weddings, 3 baptisms, 3 baby blessings. There were 8 funerals. These figures show a decrease in baby blessings and weddings.

Services

Sunday worship has continued throughout the year with a dedicated ministry team, loyal church members and some visitors. Overall the numbers attending the regular Sunday Services have remained steady.

Once a year we have a empowerment Conference and 4 leadership training days is a time when families are invited for fellowship and gives church members the opportunity to meet the families. It is well supported by church members and we continue to use this service to promote growth of young families in the church in collaboration with Praise and worship. In 2021 we had a family fun day, this was to help with mantel stress.

During the year we had a special service for Commemoration of Loved Ones Departed in May, which was well received not only by those who attended and those whose loved ones are named at the service.

Outreach
