The considerable contributions made by the charity's volunteer workforce are critical to the charity's success in achieving its objectives. Achievements and performance

Charitable activities

Review of activities

RCCG Power of Jehovah is committed to adding value to people's lives. The church has a divine mission to serve the local community by introducing individuals to the purpose for which they were created, educating them about the Bible, and providing them with the resources they need to fulfil that purpose. To this end, various activities, programs, and events are put together for the benefit of the people in the Royal Borough of Greenwich London, where the church is located.

Apart from hosting a few guest pastors, through whom God blessed the congregation in many ways, we also looked inwards and drew from the strong core of in house ministers to deliver some of the events organized for the year as it relates to having the most significant influence possible in line with the theme of the year - 'Year of Taking Space'. These ministers have all contributed to the advancement of the people at RCCG Power of Jehovah in various ways, such as our Sunday worship services, Wednesday Bible Study, Saturday events designed for training and development, Monthly prayer vigil, and more.

Emerging Leaders

RCCG Power of Jehovah continues to grow as a transformation and regeneration vehicle and a source of hope to many in the community. The church devoted more time and resources to developing our youth groups (18-35) introducing them to leadership roles in the church as well as encouraging them to become positive contributors in the community by taking leadership roles outside the church.

Other activities designed to encourage positivity among the youth included sport events, and the annual iShine youth event which featured a range of young leaders. This year the church engaged with various youth groups and continues to drive positive collaboration with young leaders in the community.

Foodshare/Employability

Many are still affected by high cost of living, especially immigrant families, hence this year the church has intensified its weekly foodshare programme. This is our outreach to a significant number of people around the Woolwich community who are in need of assistance. In the year under review, the church also continued to offer assistance to those who need to improve necessary employability skills towards gainful employment.

Other activities are summarised below: -

- i. Jericho Praise – the event of a million testimonies. This is our flagship event put together by RCCG Power of Jehovah, to draw Londoners of all ages to start the year on a positive note from the 1st to 7th January praising and worshipping God. For 7 days an average of 400 people including children gather every evening to praise God in singing and dancing. The impact of this has been phenomenal with many testifying to gaining peace, and a more positive outlook to life.
- ii. Prayer Marshall Prayer Conference -3 days of prayer and bible teaching encouraging participants to grow spiritually and fulfil their God ordained purposes.
- iii. iShine Youth Experience: end of summer event for young people between the ages of 12-18. This event provides young people in the community with a platform for communion, fellowship, networking, and prayer. This year's event included discussions on several social issues affecting young people in the community such as crime, skills development and social media.

POWER OF JEHOVAH**

**Trustees' Report
for the Year Ended 31 March 2025**

iv. Key Holders Prayer Conference: 5 days prayer programme, encouraging participants to build their faith.

v. All Nations Thanksgiving Celebration: in accordance with our mission as a church, this special day is set aside to come together to pray and thank God for all the nations of the world. Through this event congregants are more aware and empathetic about global issues and our diverse community.

RCCG Power of Jehovah remains a dependable pillar of support by instilling a sense of optimism and ingenuity. Access to growth opportunities enables individuals to become constructive contributors, thereby having a positive and maximum impact on society as a whole. This entails providing access to opportunities for growth, which has been a positive enabler for the members of the local community.

Community Outreach and Impact

By hosting outreach activities on a consistent basis, the Church demonstrates its commitment to evangelism, alleviating poverty and the furtherance of the Christian faith.

- Every Saturday, the outreach team of the Church goes out into the community to share the gospel with people. People are given pamphlets that include information about the gospel, and those who agree to give the outreach team their attention are involved in a discourse that is geared toward directing them to Jesus Christ. We plan to enhance these methods even further as we have found them to be quite beneficial in the past for winning people around. This has involved going door to door in the neighborhood to spread awareness.
- Every Wednesday morning food bags are distributed to the homeless and low-income families in the community. This activity is sustained by collaborative partnerships with well-meaning members of the church community, local businesses such as Sainsburys and other charities.
- Integration: To continue to assist the new immigrants to the UK to gain key knowledge and information to help them settle in the UK, integration talks are delivered every Sunday for newcomers into the community. We plan to enhance these methods even further by more collaborative work with other charities and businesses in our community, as we have found them to be quite beneficial in the past in winning people around.

Community Impact

In light of RCCG Power of Jehovah's ongoing efforts to have a strategic impact within the community, various events were planned and carried out with the explicit intention of communicating with individuals who are members of the church as well as those who are not members of the congregation.

A few of the ministries offered at RCCG Power of Jehovah include:

- Grace and Power Women Fellowship: This is a platform designed to strengthen women in the community and encourage spiritual, emotional and economic growth. Various meetings to discuss and help women dealing with issues such as Mental Wellbeing, Upskilling, Money Management etc. were dealt with, giving women a platform to grow spiritually, economically and emotionally.

**REDEEMED CHRISTIAN CHURCH OF GOD (RCCG)
POWER OF JEHOVAH**

**Trustees' Report
for the Year Ended 31 March 2025**

A special Mother's Day event was put together to encourage and recognise all women especially the single mothers in the community. One significant impact in this reporting year is an increase in the number of women who actively returned to full time education or took on courses to improve themselves.

- Men's fellowship: reached out to men both within and outside of its membership with highly powerful events that gave significant depths in discussion and brought the community together.
- NEXT2 CHANGE: (young adults) This group comprises young professionals in the workforce. Young people are brought together through positive activities, and they are given scriptural direction on contemporary situations and topics that can be related to the bible.
- Children ministry: a vibrant ministry continues to deliver robust programmes aimed at developing strong Christian values in our young children from an early age.
- House Fellowships - serves as the conduits via which contact with the church community can be maintained on a one-to-one basis. The activities that were planned and carried out by the ministries were a resounding success, and they peaked attendance from both online and in-person participants. These activities have had a significant influence, and they have helped people increase their faith in God. Their effects have reached families as well as the larger community. A significant amount of work was done to ensure that children had a solid education in the Christian faith and that lonely persons in the community felt loved and cared for. These programmes have helped RCCG Power of Jehovah realise its charity goal of advancing the Christian faith worldwide, and via some of these activities, the charity has contributed to poverty alleviation in the local community.

Monthly Vigils and Prayers/Prayer Meetings

Every last Friday of the month, the church hosts prayer and worship vigil meetings "Fire and Power Night", during which all of the congregation's members gather together to pray. Monday mornings the church hosts a telephone prayer line – "Morning Dew" which is a conference prayer call that takes place early in the morning where members of the congregation dial a freephone number to participate. In light of the passage in the Bible that instructs us to pray continually, RCCG Power of Jehovah also in addition to the Monday morning prayers, encourages members to come together physically every Friday evening where fervent prayer is made for the nation, our local community and individual needs. One key tenet of the Christian faith is Prayer and Fasting, members are encouraged to fast regularly and twice a year the members engage in a corporate period of fasting.

Digging Deep (Bible Study)

Digging Deep is an engaging, thought-provoking, and forward-thinking method of gaining insight into God's Word and His expectations of His followers. This is a virtual programme every Wednesday and can be accessed via YouTube, Facebook, etc. People come away with a better understanding of love from God's viewpoint or just having gained new knowledge as a result of participating in this well-liked activity.

Teens Church

**REDEEMED CHRISTIAN CHURCH OF GOD (RCCG)
POWER OF JEHOVAH**

**Trustees' Report
for the Year Ended 31 March 2025**

The teen's church meets at RCCG Power of Jehovah Sanctuary every Sunday. They are led by a pastor who is responsible for the group. The Teens church is made up of secondary school, students and those enrolled in higher education, and young professionals in the workforce. Young people are brought together through positive activities, and they are given scriptural direction on contemporary situations and topics that can be related to the bible. This aids in the development of their relationship with God.

Next2Change (Young Adults)

As part of their spiritual growth, the young adults are encouraged to attend Christian Conferences and engage with their peers in other Christian organisations both in person and virtual. They also held several evangelical events where they invited their peers who were not members of the Youth Church. The events are geared towards helping them to strengthen their relationships with one another and get to know one another better. The sense of togetherness was akin to the brotherly love that is encouraged in the gospels and was one of the most strategic ways to further the advancement of the Christian faith among the youth demographic.

Children's Church

RCCG Power of Jehovah, children's Church designed a series of structured classes around the overarching theme of the church to assist the children in developing their spirituality and gaining the self-assurance necessary to discuss their faith with their peers. The children have been instructed on the significance of showing their parents appreciation in both words and deeds, and they have done so by penning poetry and putting on song performances in honour of Mothers' Day and Fathers' Day, respectively.

Family Events

This year the charity organised a "The Family Fun Day" in August, this involved a relaxing fun day out at the beach. Over 30 families in the church were in attendance. This also served as a 'bonding' for families.

Christmas Lunch on Jesus / Christmas Hampers

RCCG Power of Jehovah has continued to provide timely assistance to families that are having a difficult time as a result of the cost-of-living crisis. In keeping with a central tenet of the Christian faith, which is to show love to others, during the Christmas season, the church distributed Christmas lunch hampers to local families who were experiencing difficult times making it possible for such families to celebrate Christmas with a proper Christmas lunch. In this way, the Christian faith will be advanced.

Sunday Morning

The Sunday service at RCCG Power of Jehovah begins at 8.30 am and ends at 12.30am. The entire service is split into 3 segments – (i) Worker's meeting, (ii) Sunday School and the (iii) Celebration service. Volunteers and ministers get together between the hours of 8.30 - 9:00 in the morning for prayers and preparation for the main service. This is followed by a time of in-depth bible teaching, and the climax of the day is the celebration service which usually start from 10.00am – 12.30 noon depending on the events that are taking place at the church on that particular day; however, maintaining a timely schedule is our first priority.

A Welcoming Church

**REDEEMED CHRISTIAN CHURCH OF GOD (RCCG)
POWER OF JEHOVAH**

**Trustees' Report
for the Year Ended 31 March 2025**

When guests arrive at RCCG Power of Jehovah for the first time, they are warmly welcomed and urged to fill out a brief form that will offer us the opportunity to contact them and assist them in adjusting to life at the church, should they decide to stay. Members and guests who prefer to attend the Sunday service on one of our online platforms are neither excluded from the service nor made to feel unwelcome in our community. This activity contributes to the achievement of all the charity objectives since it makes it possible to improve the structure, organisation, and efficacy of the core service provided at RCCG Power of Jehovah.

Social Media Presence & Website Attraction

Through our many social media handles and internet platforms, the charity has continued to communicate with both existing members and potential new members. The various WhatsApp groups are utilised to keep everyone up to date on the events of the church, celebrate anniversaries, and for a variety of other purposes. Both members and non-members have an opportunity to catch replays of recordings of our services by logging in to any of our online platforms and taking part in any of our services. They are also able to see recordings of our services being played back to them.

We want to prevent people from falling into poverty and educate members of the community about the challenges they face in everyday life as part of our philanthropic mission, and one of the ways we do this is by disseminating information, advice, and suggestions that may be put into practice right away.

Church Tithing/ Benevolence Giving

The people of the church have consistently been urged to put the teachings of the Bible into reality by contributing generously and cheerfully. The charity, on a regular basis, put aside a portion of its income to reach out in benevolence and tithe in the form of monthly support of churches, community projects, and excellent courses that are in alignment with the goals and purposes of the Charity. The completion of this activity has helped us get one step closer to achieving one of our charity purpose to alleviate poverty both locally and globally.

Conclusion

RCCG Power of Jehovah continues to emphasize the goodness of God to its members as well as to everyone else in the surrounding community. This reporting year has been a better one from the previous year largely due in part to the brilliant dedication and warmth of our members, which resulted in the church being able to welcome new members and make a significant contribution to the community. The charity has maintained its focus on promoting the Christian faith and providing relief from poverty.

Financial review

Going concern

At the time of approving the accounts, the Trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. Thus, the Trustees continue to adopt the going concern basis of accounting in preparing the accounts.

Future plans

The charity continues to explore ways of furthering its charitable objectives effectively by ensuring that there is increased awareness of its services. The charity is proactively seeking to be more involved and relevant in the community, providing services that meet the needs of people in the community, by more engagement with other local charities and our local council in a way that positively reflects our Christian ethos and beliefs.

RCCG Power of Jehovah is seeking a new place of worship due to the compulsory purchase of our current location by the Royal Borough of Greenwich. Finding a new place of worship has been challenging due to the large size of the church community and we have found commercial landlords reluctant to engaging with religious organisations. Amidst the challenges we are faithful that this too shall pass and we will have a new place of worship suitable for this God's prosperous family church.

Structure, governance and management

Governing document

The charity is controlled by its governing document, a deed of trust and constitutes an unincorporated charity.

RCCG Power of Jehovah is a charitable trust and is controlled by its governing document, a trust deed dated 29 March 2006.

Recruitment and appointment of new trustees

The induction process for a newly appointed member of the Board of Trustees comprises an initial meeting with the Chair and other Trustees, followed by a series of short meetings with the Chief Executive on the powers and responsibilities of the Trustees.

A Trustees Induction Pack is provided to the Trustee, which includes the charitable company's governing documents and excerpts from the Charity Commission Guidelines such as CC3 The Essential Trustee: What you Need to Know and the guide on Trustees Expenses and Payment.

Periodically, trustees will be registered for different training events, conferences, and seminars to enhance their governance further and keep them abreast of their duties and any changes that have occurred in the sector. These will enable compliance with relevant regulations and provide the appropriate level of assurance in the discharge of their duties.

1. Advancement of the Christian faith in the UK and worldwide for the benefit of the public, through organising and delivering Bible Studies, Prayer Meetings, Training in Christian Ministry, public celebration of Christian Religious Festivals, producing and distributing literature and audio and visual material on Christianity to enlighten others about the Christian Faith.

Public benefit

The Board of Trustees confirms that they have met their duties in strict compliance with the provisions of sections 4 and 17 of the Charities Act 2011 and have had due regard for the Charity Commission's general guidance on public benefit. Particular consideration has been given to the Charity Commission's supplementary public guidance provisions on the advancement of religion for the public benefit.

Volunteers

The considerable contributions made by the charity's volunteer workforce are critical to the charity's success in achieving its objectives. Despite the difficulties of the ongoing 'Cost of living' crisis caused by the pandemic, the Church Leaders and valued volunteers relentlessly do their absolute best to ensure that the charity's mission continues to be carried out in its intended manner. This has been made possible by the passion for the vision, as well as the spiritual empowerment provided by God's grace.

Achievement and performance

Charitable activities

Review of activities

RCCG Power of Jehovah continues to grow as a transformation and regeneration vehicle and a source of hope to many in the community. The church supports/partners with other projects linked to its charitable objectives. The church is tasked by God with the responsibility of ministering to the local community by introducing individuals to the role that God has designed for them in the world, teaching them about the Bible, and providing them with the resources they need to fulfil that role. Access to growth opportunities and support that enables each individual to become a constructive contributor, having a positive and maximal impact on society. Through the operations of the critically important Food Share project, RCCG Power of Jehovah has actively continued to reach out to a significant number of people around the Woolwich Community who are in need of assistance. In the year under review, the church also started running Empowerment Workshops aimed at helping people gain the necessary employability skills required towards gaining employment. In these workshops we offered the following:

- CV Writing
- Interview Skills
- Goal Setting.
- Skills Development

Engagement has been slow but the church continues to seek more innovative ways to engage through social media and collaboration with other charities in the community.

RCCG Power of Jehovah is committed to adding value to people's lives. To this end, various activities, programs, and events are put together for the benefit of the people in the Royal Borough of Greenwich London, where the organisation is located. In the year under review, the charity engaged in various activities for the benefit of the public. For the just concluded financial year, RCCG Power of Jehovah chose the phase - "Year of Taking Space" as its theme, and created a variety of programmes and events with the goal of encouraging people to recognise and fulfil their potential and aim to be the best they can be, so that they can have the greatest possible positive impact on society and in all of our interactions. The church has a divine mission to serve the local community by introducing individuals to the purpose for which they were created, educating them about the Bible, and providing them with the resources they need to fulfil that purpose.

To this aim, the church had the pleasure and privilege of hosting a few guest pastors, through whom God blessed the congregation in many ways, but most notably as it relates to having the most significant influence possible in line with the theme - 'Year of Taking Space'. These ministers have all contributed to the advancement of the people at RCCG Power of Jehovah in various ways, such as our Sunday worship services, Wednesday Bible Study, Saturday events designed for training and development, Monthly Prayer vigil, and so on.

Some of such activities are summarised below: -

- i. Jericho Praise - the event of a million testimonies. This is a flagship event put together by RCCG Power of Jehovah, to draw Londoners of all ages to start the year on a positive note from the 1st -7th January praising and worshipping God. For 7 days an average of 400 people including children gather every evening to praise God in singing and dancing. The impact of this has been phenomenal with many testifying to gaining peace, and a more positive outlook to life.
- ii. Prayer Marshall Prayer Conference -3 days of prayer and bible teaching. Encouraging participants to grow spiritually and fulfil their God ordained purposes.
- iii. Key Holders Prayer Conference - 5 days prayer programme, encouraging participants to build their faith.

iv. All Nations Thanksgiving Celebration - a day set aside to come together to pray and thank God for all the nations of the world. Through this event congregants are more aware and empathetic to global issues and our diverse community.

RCCG Power of Jehovah remains a dependable pillar of support by instilling a sense of optimism and ingenuity. Access to growth opportunities enables individuals to become constructive contributors, thereby having a positive and maximum impact on society as a whole. This entails providing access to opportunities for growth, which has been a positive enabler for the members of the local community.

COMMUNITY OUTREACH AND IMPACT

By hosting outreach activities on a consistent basis, the Church demonstrates its commitment to evangelism, alleviating poverty and the furtherance of the Christian faith.

Every Saturday, the outreach team of the Church goes out into the community to share the gospel with people. People are given pamphlets that include information about the gospel, and those who agree to give the outreach team their attention are involved in a discourse that is geared toward directing them to Jesus Christ. We plan to enhance these methods even further as we have found them to be quite beneficial in the past for winning people around. This has involved going door to door in the neighborhood to spread awareness.

Every Wednesday morning food bags are distributed to the homeless and low-income families in the community. This activity is sustained by collaborative partnerships with well-meaning members of the church community, local businesses such as Sainsburys and other charities.

Integration: To continue to assist the new immigrants to the UK to gain key knowledge and information to help them settle in the UK, integration talks sign are delivered every Sunday for new comers into the community,

We plan to enhance these methods even further by more collaborative work with other charities and businesses in our community, as we have found them to be quite beneficial in the past in winning people around.

COMMUNITY IMPACT

In light of RCCG Power of Jehovah's ongoing efforts to have a strategic impact within the community, various events were planned and carried out with the explicit intention of communicating with individuals who are members of the church as well as those who are not members of the congregation.

A few of the ministries offered at RCCG Power of Jehovah include:

- Grace and Power Women Fellowship - reached out to women both in the congregation and larger community. Various meetings covering Mental Wellbeing, Upskilling, Money Management etc. were some of the issues dealt with, giving women a platform to grow spiritually, economically and emotionally. Special Mother's day events was put together to encourage and recognize the all women especially the single mothers in the community.
- Men's fellowship - reached out to men both within and outside of its membership with highly powerful events that gave significant depths in discussion and brought the community together.
- NEXT2 CHANGE - (young adults) This group has been revived and are more visible and active in the church community.

- Children ministry. - a vibrant ministry aimed at developing strong Christian values in our young children from an early age.
- House Fellowships - serves as the conduits via which contact with the church community on a one-to-one basis.

The activities that were planned and carried out by the ministries were a resounding success, and they tallied attendance from both online and in-person participants. These activities have had a significant influence, and they have helped people increase their faith in God. Their effects have reached families as well as the larger community. A significant amount of work was done to ensure that children had a solid education in the Christian faith and that lonely persons in the community felt loved and cared for. These programmes have helped the RCCG Power of Jehovah realise its charity goal of advancing the Christian faith worldwide, and via some of these activities, the charity has contributed to poverty alleviation in the local community.

Monthly Vigils and Prayers/Prayer Meetings

Every last Friday of the month, the church hosts prayer and worship vigil meetings "Fire and Power Night", during which all of the congregation's members gather together to pray. Monday mornings the charity hosts a telephone prayer line - "Morning Dew" which is a conference prayer call that takes place early in the morning on Mondays mornings, members of the congregation dial a Freephone number to participate. In light of the passage in the Bible that instructs us to pray continually, RCCG Power of Jehovah also in addition to the Monday morning prayers, encourages members to come together physically every Friday evening where fervent prayer is made for the nation, our local community and individual needs. One key tenet of the Christian faith is Prayer and Fasting, members are encouraged to fast regularly and twice a year the members engage in a corporate period of fasting.

Digging Deep (Bible Study)

Digging Deep is an engaging, thought-provoking, and forward-thinking method of gaining insight into God's Word and His expectations of His followers. This is a virtual programme every Wednesday and can be accessed via Youtube, facebook, etc. People came away with a better understanding of love from God's viewpoint or just having gained new knowledge as a result of participating in this well-liked activity.

Additionally, the church continued the programme known as "GOING FOR GOLD," which assisted the community in gaining access to God's will for them and made them better prepared everyone for the job that lay ahead. Everyone left having been empowered by the Holy Spirit to begin the organisation's path to the 10X greater aim of 2022.

These actions, which take place across the entire church, are in harmony with the charitable objective of promoting the Christian faith in countries all over the world.

Next2CHANGE/Teens Church

The teen's church meets at RCCG Power of Jehovah Sanctuary every Sunday. They are led by a pastor who is responsible for the group. The Teens church is made up of young adults, students enrolled in higher education, and young professionals in the workforce. Young people are brought together through positive activities and they are given scriptural direction on contemporary situations and topics that can be related to the bible. This aids in the development of their relationship with God.

As part of their spiritual growth, the youth are encouraged to attend Christian Conferences and engage with their peers in other Christian organisations both in person and virtual. They also held several evangelical events where they invited their peers who were not members of the Youth Church. These events are geared towards helping them to strengthen their relationships with one another and come to know one another better. The sense of togetherness was akin to the brotherly love that is encouraged in the gospels and was one of the most strategic ways to further the advancement of the Christian faith among the youth demographic.

Children's Church

RCCG Power of Jehovah, children's Church designed a series of structured classes around the overarching theme of the church to assist the children in developing their spirituality and gaining the self-assurance necessary to discuss their faith with their peers. The children have been instructed on the significance of showing their parents appreciation in both words and deeds, and they have done so by penning poetry and putting on song performances in honour of Mothers' Day and Fathers' Day, respectively.

Family Events

This year the charity organized a "The Family Fun Day" in August, this involved a relaxing fun day out at the beach. Over 30 families in the church were in attendance. This also served as a 'bonding' for families.

Christmas Lunch on Jesus / Christmas Hampers

RCCG Power of Jehovah has continued to provide timely assistance to families that are having a difficult time as a result of the Cost-of-Living Crisis. In keeping with a central tenet of the Christian faith, which is to show love to others, During the Christmas season, the church distributed Christmas lunch hampers to local families who were experiencing difficult times making it possible for such families to celebrate Christmas with a proper Christmas lunch. In this way, the Christian faith will be advanced.

Sunday Morning

The Sunday service at RCCG Power of Jehovah begins at 8.30 am and ends at 11.30am. The entire service is split into 3 segments - (i) Workers meeting, (ii) Sunday School and the (iii) Celebration service. Volunteers and ministers get together between the hours of 8.30 - 9:00 in the morning for prayers and preparation for the main service. This is followed by a time of in-depth bible teaching and the climax of the day is the celebration service which usually starts from 10.00am - 12.00 noon depending on the events that are taking place at the church on that particular day; however, maintaining a timely schedule is our first priority.

A Welcoming Church

When guests arrive at RCCG Power of Jehovah for the first time, they are warmly welcomed and urged to fill out a brief form that will offer us the opportunity to contact them and assist them in adjusting to life at the church, should they decide to stay. Members and guests who prefer to attend the Sunday service on one of our online platforms are neither excluded from the service nor made to feel unwelcome in our community. This activity contributes to the achievement of all the charity objectives since it makes it possible to improve the structure, organisation, and efficacy of the core service provided at the RCCG Power of Jehovah.

Through our many social media handles and internet platforms, the charity has continued to communicate with both existing members and potential new members. The various WhatsApp groups are utilised to keep everyone up to date on the events of the church, celebrate anniversaries, and for a variety of other purposes. Both members and non-members have an opportunity to catch replays of recordings of our services by logging in to any of our online platforms and taking part in any of our services. They are also able to see recordings of our services being played back to them.

We want to prevent people from falling into poverty and educate members of the community about the challenges they face in everyday life as part of our philanthropic mission, and one of the ways we do this is by disseminating information, advice, and suggestions that may be put into practice right away.

Church Tithing/ Benevolence Giving

The people of the church have consistently been urged to put the teachings of the Bible into reality by contributing generously and cheerfully. The charity on a regular basis, put aside a portion of its income to reach out in benevolence and tithe in the form of monthly support of churches, community projects, and excellent courses that are in alignment with the goals and purposes of the Charity. The completion of this activity has helped us get one step closer to achieving our charity purpose, which is to alleviate poverty both locally and globally.

Conclusion

RCCG Power of Jehovah continues to emphasize the goodness of God to its members as well as to everyone else in the surrounding community. This reporting year has been a better one from the previous one largely due in part to the vigilance of its members, which resulted in the church being able to welcome new members and make a significant contribution to the community. The charity has maintained its focus on promoting the Christian faith and providing relief from poverty.

Report of the Trustees Continued For the year ended 31 March 2023

ACHIEVEMENTS AND PERFORMANCE

This fiscal year (April 2022 - March 2023) started off while the community was still recuperating from the protracted impacts of the global pandemic. However, the charity was able to put adequate strategies in place to help members of the church community to gain the confidence and courage to re-join with the physical activities of the church. Many of the adaptive strategies that were used to overcome the challenges posed by the pandemic were still utilised to positively add to the benefit of the people living in Woolwich and its close environs.

The Charity continued to employ the following strategies:

1. Pastoral care provision for beneficiaries.
2. Use of technology to argument physical meetings/activities with online meetings/activities.
3. Run a 'hybrid' of both virtual and in-person meetings/services.
4. Use of Social Media platforms to improve methods of communication and engagement with staff, volunteers, congregants and relevant stakeholders.
5. Financial support for like-minded charities and organisations in and outside the UK. RCCG Power of Jehovah continued to focus on adding value to the lives of people in the community by serving and connecting people to God. The charity continued to dedicate efforts to support the recovery from the pandemic. As a result, the charity endeavoured to deliver positive maximum impact through their activities unto the community. To this end, various activities, programs, and events are put together for the benefit of the people in the Royal Borough of Greenwich, London, where the charity is located.

The following activities enable us to achieve our objectives:

Organising, supporting, and resourcing Christian mission as well as other positive charitable initiatives"

Review of activities

RCCG Power of Jehovah continues to grow as a transformation and regeneration vehicle of the community and a source of hope to many in the community. The church supports/partners with other projects linked to its charitable objectives. The church is tasked by God with the responsibility of ministering to the local community by introducing individuals to the role that God has designed for them in the world, teaching them about the Bible, and providing them with the resources they need to fulfil that role. Access to growth opportunities and support that enables each individual to become a constructive contributor, having a positive and maximal impact on society.

Through the operations of the critically important Food Share Project, RCCG Power of Jehovah has actively continued to reach out to a significant number of people around the Woolwich Community who are in need of assistance. RCCG Power of Jehovah is committed to adding value to people's lives. To this end, various activities, programs, and events are put together for the benefit of the people in the Royal Borough of Greenwich London, where it is located.

In the concluded financial year, the charity engaged in various activities for the benefit of the public.

RCCG Power of Jehovah chose the phase - "Year of Exploits as its theme, which led to the creation of a variety of programmes and events with the goal of encouraging people to recognize and fulfil their potential so that they can have the greatest possible impact on society and in all our interactions. The church has a divine mission to serve the local community by introducing individuals to the purpose for which they were created, educating them about the Bible, and providing them with the resources they need to fulfil that purpose.

To this aim, the church had the pleasure and privilege of hosting a few guest pastors, through whom God blessed the congregation in many ways, but most notably as it relates to having the most significant influence possible in line with the theme - 'Year of Exploits'.

These ministers have all contributed to the advancement of the people at RCCG Power of Jehovah in various ways, such as our Sunday worship services, Wednesday Bible Study, Saturday events designed for training and development, Monthly Prayer vigil, and so on. Some of such activities are summarised below: -

i. Jericho Praise - the event of a million testimonies. This is a flagship event put together by RCCG Power of Jehovah, to draw Londoners of all ages to start the year on a positive note from the 1st -7th January praising and Worshipping God. For 7 days an average of 400 people including children gather every evening to praise God in singing and dancing. The impact of this has been phenomenal with many testifying to gaining peace, and a more positive outlook to life.

ii. Prayer Marshall Prayer Conference -3 days of prayer and bible teaching. Encouraging participants to grow spiritually and fulfil their God ordained purposes.

REDEEMED CHRISTIAN CHURCH OF GOD (RCCG) POWER OF JEHOVAH

Report of the Trustees Continued For the year ended 31 March 2023

iii. Key Holders Prayer Conference - 3 days prayer programme, encouraging participants to build their faith.

iv. All Nations Thanksgiving Celebration - a day set aside to come together to pray and thank God for all the nations of the world. Through this event congregants are more aware and empathetic to global issues and our diverse community.

RCCG Power of Jehovah remains a dependable pillar of support by instilling a sense of optimism and ingenuity. Access to growth opportunities enables individuals to become constructive contributors, thereby having a positive and maximum impact on society as a whole. This entails providing access to opportunities for growth, which has been a positive enabler for the members of the local community.

Community Outreach and Impact

By hosting outreach activities on a consistent basis, the Church demonstrates its commitment to evangelism, alleviating poverty and the furtherance of the Christian faith.

Every Saturday, the outreach team of the Church goes out into the community to share the gospel with people. People are given pamphlets that include information about the gospel, and those who agree to give the outreach team their attention are involved in a discourse that is geared toward directing them to Jesus Christ. We plan to enhance these methods even further as we have found them to be quite beneficial in the past for winning people around. This has involved going door to door in the neighbourhood to spread awareness.

Every Wednesday morning food bags are distributed to the homeless and low-income families in the community. This activity is sustained by collaborative partnerships with well-meaning members of the church community, local businesses such as Sainsburys and other charities.

Integration Seminars and workshops were held in October 2022 and January 2023. These events were geared towards helping new immigrants to the UK to gain key knowledge and information to help them settle in the UK.

We plan to enhance these methods even further by more collaborative work with other charities and businesses in our community, as we have found them to be quite beneficial in the past in winning people around.

v. Community Impact

In light of RCCG Power of Jehovah's ongoing efforts to have a strategic impact within the community, various events have been planned and carried out with the explicit intention of communicating with individuals who are members of the church as well as those who are not members of the congregation. A few of the ministries offered at RCCG Power of Jehovah include:

Grace and Power Women Fellowship - reached out to women both in the congregation and larger community. Various meetings covering Mental Wellbeing, Upskilling, Money Management etc. were some of the issues dealt with, giving women a platform to grow spiritually, economically and emotionally.

Men's fellowship - reached out to men both within and outside of its membership with highly powerful events that gave significant depths in discussion and brought the community together.

NEXT2 CHANGE - youth and teenagers.

Children ministry.

House Fellowships - serves as the conduits via which contact with the church community on a one-to-one basis. The activities that were planned and carried out by the ministries were a resounding success, and they tallied attendance from both online and in-person participants. These activities have had a significant influence, and they have helped people increase their faith in God. Their effects have reached families as well as the larger community. A significant amount of work was done to ensure that children had a solid education in the Christian faith and that lonely persons in the community felt loved and cared for. These programmes have helped the RCCG Power of Jehovah realise its charity goal of advancing the Christian faith worldwide, and via some of these activities, the charity has contributed to poverty alleviation in the local community.

Monthly Vigils and Prayers/Prayer Meetings

Every last Friday of the month, the church hosts prayer and worship vigil meetings Fire and Power Night, during which all of the congregation's members gather together to pray.

Monday mornings the church hosts a telephone prayer line - Morning Dew which is a conference prayer call that takes place early in the morning on Monday mornings, members of the congregation dial a Freephone number to participate. In light of the passage in the Bible that instructs us to pray continually, RCCG Power of Jehovah also in addition to the Monday morning prayers, encourages members to come together physically every Friday evening where fervent prayer is made for the nation, our local community and individual needs. One key tenet of the Christian faith is Prayer and Fasting, members are encouraged to fast regularly and twice a year the members engage in a corporate period of fasting.

Digging Deep (Bible Study)

Digging Deep is an engaging, thought-provoking, and forward-thinking method of gaining insight into God's Word and His expectations of His followers. This is a virtual programme every Wednesday and can be accessed via Youtube, Facebook, etc. People came away with a better understanding of love from God's viewpoint or just having gained new knowledge as a result of participating in this well-liked activity.

Additionally, the church continued the programme known as "GOING FOR GOLD," which assisted the community in gaining access to God's will for them and make them better prepared for the job ahead. Everyone left having been empowered by the Holy Spirit to begin the path to the 10X greater aim of 2022.

REDEEMED CHRISTIAN CHURCH OF GOD (RCCG) POWER OF JEHOVAH

Report of the Trustees Continued For the year ended 31 March 2023

These actions, which take place across the entire church, are in harmony with the charitable objective of promoting the Christian faith in countries all over the world.

Next2CHANGE/Teens Church

The teen's church meets at RCCG Power of Jehovah sanctuary every Sunday. They are led by a pastor who is responsible for the group. The Teens church is made up of young adults, students enrolled in higher education, and young professionals in the workforce. Young people are brought together through positive activities and they are given scriptural direction on contemporary situations and topics that can be related to the bible. This aids in the development of their relationship with God.

As part of their spiritual growth, the youth are encouraged to attend Christian Conferences and engage with their peers in other Christian organisations both in person and virtual. They also held several evangelical events where they invite their peers who were not members of the Youth Church. The events are geared towards helping them to strengthen their relationships with one another and come to know one another better. The sense of togetherness was akin to the brotherly love that is encouraged in the gospels and was one of the most strategic ways to further the advancement of the Christian faith among the youth demographic.

Children's Church

RCCG Power of Jehovah, children's Church designed a series of structured classes around the overarching theme of the church to assist the children in developing their spirituality and gaining the self-assurance necessary to discuss their faith with their peers. The children have been instructed on the significance of showing their parents appreciation in both words and deeds, and they have done so by penning poetry and putting on song performances in honour of Mothers' Day and Fathers' Day, respectively.

Family Events

This year the charity organized a "The Family Fun Day in August, this involved a relaxing fun day out at the beach. Over 30 families in the church were in attendance. This also served as a 'bonding' for families.

Christmas Lunch on Jesus / Christmas Hampers

RCCG Power of Jehovah has continued to provide timely assistance to families that are having a difficult time as a result of the Cost-of-Living Crisis. In keeping with a central tenet of the Christian faith, which is to show love to others, During the Christmas season, the church distributed Christmas lunch hampers to local families who were experiencing difficult times making it possible for such families to celebrate Christmas with a proper Christmas lunch. In this way, the Christian faith will be advanced.

vi. Sunday Morning

The Sunday service at RCCG Power of Jehovah begins at 8.30 am and ends at 11.30am. The entire service is split into 3 segments - (i) Workers meeting, (ii) Sunday School and the (iii) Celebration service. Volunteers and ministers get together between the hours of 8.30 - 9:00 in the morning for prayers and preparation for the main service. This is followed by a time of in-depth bible teaching and the climax of the day is the celebration service which usually start from 10.00am

- 12.00 noon depending on the events that are taking place at the church on that particular day;

however, maintaining a timely schedule is our first priority.

A Welcoming Church

When guests arrive at RCCG Power of Jehovah for the first time, they are warmly welcomed and urged to fill out a brief form that will offer us the opportunity to contact them and assist them in adjusting to life at the church, should they decide to stay. Members and guests who prefer to attend the Sunday service on one of our online platforms are neither excluded from the service nor made to feel unwelcome in our community. This activity contributes to the achievement of all the charity objectives since it makes it possible to improve the structure, organisation, and efficacy of the core service provided at the RCCG Power of Jehovah.

Social Media Presence & Website Attraction

Through our many social media handles and internet platforms, the charity has continued to communicate with both existing members and potential new members. The various WhatsApp groups are utilised to keep everyone up to date on the events of the church, celebrate anniversaries, and for a variety of other purposes. Both members and non-members have an opportunity to catch replays of recordings of our services by logging in to any of our online platforms and taking part in any of our services. They are also able to see recordings of our services being played back to them.

We want to prevent people from falling into poverty and educate members of the community about the challenges they face in everyday life as part of our philanthropic mission, and one of the ways we do this is by disseminating information, advice, and suggestions that may be put into practice right away.

Church Tithing/ Benevolence Giving

The people of the church have consistently been urged to put the teachings of the Bible into reality by contributing generously and cheerfully. The charity on a regular basis, put aside a portion of its income to reach out in benevolence and tithe in the form of monthly support of churches, community projects, and excellent courses that are in alignment with the goals and purposes of the Charity. The completion of this activity has helped us get one step closer to achieving our charity purpose, which is to alleviate poverty both locally and globally.

Conclusion

RCCG Power of Jehovah continues to emphasize the goodness of God to its members as well as to everyone else in the surrounding community. This reporting year has been a better one from the previous one largely due in part to the vigilance of its members, which resulted in the church being able to welcome new members and make a significant contribution to the community. The charity has maintained its focus on promoting the Christian faith and providing relief from poverty.

Funds in deficit

The trustees are continuously looking at areas of possible cost reductions where they could save money without negatively affecting the quality of service provided to the members and general public. REDEEMED CHRISTIAN CHURCH OF GOD (RCCG) POWER OF JEHOVAH

Notes to the Financial Statements

For the year ended 31 March 2023

1. Accounting Policies

Basis of accounting

The financial statements have been prepared under the historical cost convention, except for investments which are included at market value and the revaluation of certain fixed assets and in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102), and the Charities Act 2011.

REDEEMED CHRISTIAN CHURCH OF GOD (RCCG) POWER OF JEHOVAH meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note(s).

Going concern

At the time of approving the accounts, the Trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. Thus, the Trustees' continue to adopt the going concern basis of accounting in preparing the accounts.

Statement of cash flows

The Trustees have taken advantage of the exemption in SORP FRS 102 from including a cash flow statement in the financial statements on the grounds that the charity is small.

Funds

Fund is mainly through voluntary donations of tithes and offerings by the church members and the government gift aid scheme. Other income is derived from rental of the church premises and the church car park.

Incoming resources

All incoming resources are included in the statement of financial activities when the Charity is entitled to the income and the amount can be quantified with reasonable accuracy.

Resources expended

Liabilities are recognised as resources expended when there is a legal or constructive obligation committing the Charity to the expenditure.

Charitable activities

Charitable activities are those costs relating to activities carried out to meet the objectives of the charity and include directly attributed costs as well as support costs.

Allocation and appointment of costs

Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources.

Taxation

The charity is exempt from corporation tax on its charitable activities.

Tangible fixed assets

Tangible fixed assets, other than freehold land, are stated at cost or valuation less depreciation and any provision for impairment. Depreciation is provided at rates calculated to write off the cost or valuation of fixed assets, less their estimated residual value, over their expected useful lives on the following basis:

Computer equipment	20% Straight line
Fixtures and fittings	20% Straight line

Report of the Trustees For the year ended 31 March 2022

The Trustees present their report and the financial statements for the charity for the year ended 31 March 2022. The Trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and the Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The objects of the church are:

- The advancement of the Christian faith worldwide in accordance with the doctrines set out in the statement of faith contained in the schedule.
- The relief of poverty.

These objectives are beneficial to the public and are pursued by the charity through various activities which include

- Supporting other Christian organisations such as World Evangelism Mission (WEM)
- And providing support to members of the congregation who are in need (at the discretion of the trustees).
- Supporting vulnerable families in our local community

This year the church has continued to intensify its efforts to be more visible in our local community by adopting the following strategies for achieving its objectives:

- That the annual flag ship events and activities align with the charity's charitable objectives to advance the Christian and help the less privileged and disadvantaged in our local and international community.
- Organization of seminars in the church with proven speakers and ministers of faith to guide members in the various aspects of Christian faith.
- Support for other charities Christian events.
- Engage in Community Outreaches aimed at alleviating the suffering and hardship in our community.

The following activities are aimed at achieving the objectives

- Keyholders Prayer Conference
- Prayer Marshall Prayer Conference
- Church on its Feet
- Weekly Wednesday Food Share Ministry
- Christmas Lunch on Jesus, a community centered project that provides families and people in need in our Borough with Christmas hampers.
- Help to Missions affected by natural disasters - the Benue flooding in Nigeria is our missionary activity
- Provision of welfare support to members.
- Conferences and events.

Statement on public benefit

The trustees have considered the Charity Commissions guidance on public benefit, including the guidance 'public benefit: running a charity (PB2)'.

Volunteers

The church is grateful for the generous support of its volunteers who continually make an invaluable contribution to the operations of the charity by their involvement in service provision, office work and administration. It is estimated that over 18,000 volunteer hours are provided every year. If this is valued at £10.00 an hour the volunteer effort amounts to over £180,000.

ACHIEVEMENTS AND PERFORMANCE

Still picking up from the challenges of the global pandemic in 2020, the year 2021 remained a very challenging and difficult year for most people, however the charity still found innovative ways of discharging its objectives and services to the community. In addition to its usual Sunday and weekly services, the church carried out a wide range of activities in pursuance of its charitable aims.

- These activities include classes for children and teenagers where they are taught the tenets and values of the Christian faith, fellowships for various groups in the church including men fellowship, women fellowship, elders fellowship, youth fellowship.
- The Charity continues to provide spiritual and financial support to other charities especially with the RCCG mission locally and internationally.
- As most people continue to grapple with the negative effects of COVID19 such as loss of income, jobs and loved ones, the charity was able to provide over 2000 food parcels to vulnerable people and rough sleepers in the borough with collaboration from local supermarkets.
- September is the family month. This program is intended to impact families in the community by building stronger bonds in the homes and it is open to the public. During this program, the church organised several activities including interdenominational football matches, family fun day to Broadstairs beach, and couples breakfast aimed at strengthening marriages and society.
- All Nations Thanksgiving - program aimed and promoting diversity and unity in our community.
- Christmas Lunch on Jesus Hamper Distribution
- In January the church hosts a 7-day Praise event opened to the general public called Jericho Praise- this was hosted virtually in compliance with national COVID 19 restrictions
- Throughout the year the church opens its doors to members of the public as a place of respite from the numerous challenges people face, providing counselling and welfare assistance. The charity also partners with FareShare UK, local Sainsbury and Tesco to distribute food every Wednesday to those less privileged in the community.

REDEEMED CHRISTIAN CHURCH OF GOD (RCCG) POWER OF JEHOVAH

Report of the Trustees Continued For the year ended 31 March 2022

FINANCIAL REVIEW

The charity reported a total income of £248,063 (2021: £196,392) and a net income of £8,475 (2021: £(47,872)) in the year to 31 March 2022, accumulated funds were £(97,964) (2021: £(106,439)).

Fund raising

The charity does not raise funds from the general public, neither does it engage in any third party to raise funds on its behalf, hence the charity does not subscribe to any schemes or activities in relation to fundraising.

Future Plans

The charity continues to explore ways of furthering its charitable objectives effectively by ensuring that there is increased awareness of its services. The charity is proactively seeking to be more involved and relevant in the community, providing services that meet the needs of people in the community, by more engagement with other local charities and our local council in a way that positively reflects our Christian ethos and beliefs.

Reserves

The Trustees believes that unrestricted funds which have not been designated for a specific use should be maintained so that in the event of a significant drop in funding, they will be able to continue the Charity's activities and are working towards achieving 3 months of unrestricted expenditure.

Going concern

At the time of approving the accounts, the Trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. Thus, the Trustees' continue to adopt the going concern basis of accounting in preparing the accounts.

Funds in deficit

The trustees are continuously looking at areas of possible cost reductions where they could save money without negatively affecting the quality of service provided to the members and general public. Already, the Trustees have taken some measures to reduce office costs and overheads while continually striving for increased membership and alternative funding sources to increase income. The charity has reduced the long term debt by £34,420.

At the time of approving the accounts, the Trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. Thus, the Trustees' continue to adopt the going concern basis of accounting in preparing the accounts.

Statement of cash flows

The Trustees have taken advantage of the exemption in SORP FRS 102 from including a cash flow statement in the financial statements on the grounds that the charity is small.

Funds

Fund is mainly through voluntary donations of tithes and offerings by the church members and the government gift aid scheme. Other income is derived from rental of the church premises and the church car park.

Resources expended

Liabilities are recognised as resources expended when there is a legal or constructive obligation committing the Charity to the expenditure.

Charitable activities

Charitable activities are those costs relating to activities carried out to meet the objectives of the charity and include directly attributed costs as well as support costs.

Allocation and appointment of costs

Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources.

Taxation

The charity is exempt from corporation tax on its charitable activities.

Tangible fixed assets

Tangible fixed assets, other than freehold land, are stated at cost or valuation less depreciation and any provision for impairment. REDEEMED CHRISTIAN CHURCH OF GOD (RCCG) POWER OF JEHOVAH

Report of the Trustees For the year ended 31 March 2021

The Trustees have pleasure in presenting their report and the financial statements for the charity for the year ended 31 March 2021. The Trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and the Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

The objects of the church are:

- The advancement of the Christian faith worldwide in accordance with the doctrines set out in the statement of faith contained in the schedule.
- The relief of poverty.

The church supports christian organisations such as World Evangelism Mission. The church also provides support to members of the congregation (at the discretion of the trustees) who are in need.

Objectives and aims

The church has adopted the following strategies for achieving its objectives:

- Organisation of seminars in the church with proven speakers and ministers of faith to guide members in the various aspects of Christian faith; and
- Support for other charities Christian events.

The following activities are aimed at achieving the objectives

- Various missionary activities;
- Community outreach events;
- Provision of welfare support to members;
- Conferences and events.

Statement on public benefit

The trustees have considered the Charity Commission's guidance on public benefit, including the guidance 'public benefit: running a charity (PB2)'.

Volunteers

The church is grateful for the generous support of its volunteers who continually make an invaluable contribution to the operations of the charity by their involvement in service provision, office work and administration. It is estimated that over 16,000 volunteer hours are provided every year. If this is valued at £10.00 an hour the volunteer effort amounts to over £160,000.

ACHIEVEMENTS AND PERFORMANCE

In addition to its usual Sunday and weekly services, the church carries out a wide range of activities in pursuance of its charitable aims.

These activities include classes for children and teenagers where they are taught the tenets and values of the Christian faith, fellowships for various groups in the church including men fellowship, women fellowship, elders fellowship, youth fellowship.

The trustees consider that these activities summarised below, provide benefit to those who worship at our church and the wider community:

During the COVID-19 pandemic, many of these services were held online where possible.

September is the family month. This programme is intended to impact families in the community by building stronger bonds in the homes and it is open to the public. During this programme, the church organised several activities including interdenominational football matches, family fun day to Broadstairs beach, and Couples breakfast which holds in October.

The church also holds several community outreach programmes where fruit and food parcels are distributed to the community.

Hampers and gifts are given to our neighbours through our door to door outreach.

In January the church hosts a 7 day Praise event opened to the general public called Jericho Praise;

The church holds various prayer and evangelical events open to the general public in the months of July and October;

All Nations Celebration Day in November;

Throughout the year the church opens its doors to members of the public as a place of respite from the numerous challenges people face, providing counselling and welfare assistance. The charity also partners with Fareshare UK to distribute food every Wednesday to those less privileged in the community.

FINANCIAL REVIEW

The charity reported a total income of £196,392 (2020: £223,939) and a net loss of £(5,762) (2020: £(40,612)) in the year to 31 March 2021, accumulated funds were £(64,329) (2020: £(58,567)).

Report of the Trustees Continued For the year ended 31 March 2021

Reserves

The Trustees believes that unrestricted funds which have not been designated for a specific use should be maintained so that in the event of a significant drop in funding, they will be able to continue the Charity's activities and are working towards achieving it.

The aim is to build reserves levels to approximately 3 months of unrestricted expenditure.

Going concern

At the time of approving the accounts, the Trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. Thus, the Trustees' continue to adopt the going concern basis of accounting in preparing the accounts.

Funds in deficit

The trustees are continuously looking at areas of possible cost reductions where they could save money without negatively affecting the quality of service provided to the members and general public. Already, the Trustees have taken some measures to reduce office costs and overheads while continually striving for increased membership and alternative funding sources to increase income. In this current year, income was affected by the COVID-19 pandemic.

REDEEMED CHRISTIAN CHURCH OF GOD (RCCG) POWER OF JEHOVAH
Independent Examiners Report to the Trustees
For the year ended 31 March 2021

I report to the trustees on my examination of the accounts of the charity for the year ended 31 March 2021.

Responsibilities and basis of report

As the charity trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the 2011 Act').

I report in respect of my examination of the charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiners statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Charity as required by section 130 of the 2011 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
