## **TRUSTEES' REPORT FOR THE YEAR ENDED 31 MARCH 2021**

The trustees of Victory Christian Centre have the pleasure in submitting their report and accounts for the year ended 31 March 2021

Legal and administrative information set out on page 2 forms part of this report. The financial statement has been prepared in accordance with the accounting policies, set out in Notes 1 to the accounts. They comply with current statutory requirements, and the Statement of Recommended Practice – Accounting and Reporting by Charities, issued in 2005.

### **STRUCTURE, GOVERNANCE AND MANAGEMENT**

#### **Organisation:**

The church is constituted under a trust deed and governed by a Church Council of five Members at the moment who are its trustees for charity purposes. The composition of the Council comprises the Senior Pastor of the Church, One Associated Pastor and four other members drawn from the membership of the church who hold a term of five years office but are eligible for re-election.

#### **Management:**

The day-to-day management of the charity and its activities are overseen by the Council of Management made up of trustees and Deacons. However, where necessary, committees are sometimes formed from the membership and are delegated on some specific activities which are relevant to their expertise.

### **OBJECTIVES AND PRINCIPAL ACTIVITIES**

1. The Church is constituted under a trust deed and is a registered charity with registration number 1114150
2. The objectives of the Church are for the benefit of the public and are set out in the Declaration of Trust as:
  - To advance the Christian faith in accordance with the statement in such ways and in such parts of the united kingdom or the world as the Church Council from time to time may think fit;
  - To relieve sickness and financial hardship and to promote and preserve good health by the provision of funds, goods or services of any kind including through the provision of counselling and support in such parts of the united kingdom or the world as the church council from time to time think fit; and
  - To advance education in such ways and in such parts of the United Kingdom or the world as the Church Council from time to time may think fit?

### **PRINCIPAL ACTIVITIES:**

The Principal Activities during the year were: Christian education activities; training; Children and Youth activities; Christian worship; and Community outreach. These activities required the involvement of Christian ministers to lead and equip the church to pursue its objectives.

### **ACHIEVEMENTS AND PERFORMANCE**

A structure was put in place to cater for the holistic development of the Church members as well as helping the Church to reach the Community with a holistic approach. The Church was able to initiate a training programme to educate and train leaders and every family in discipleship for ministry which has been going on well.

In addition to pulpit ministry, a strategy was designed to enhance individual spiritual growth by continuously providing all young people and adults with morning devotional books and Sunday School Books a practical lesson by lesson bible study on weekly basis. Departmental and auxiliary ministries were formed and supported to equip themselves for ministry. A Summer School was organized for Children and Youth which attracted forty attendees including those from the community to learn lifetime values for building meaningful life. Many depressed people were ministered to in the Community and helped appropriately during the Community outreach activities in the year. The charity also organised a trip to South end on Sea for its members as part of its continuous programme on know everyone's name in this church.

### **FUTURE PLANS:**

The Church will continue to focus on its activities to meet the set objectives of the charity. The trustees have declared this year as a year of increase and all efforts will be made to reach out to the youth with much emphasis on practical Christian influence.

### **FINANCIAL REVIEW:**

Income for the period was £82,455.41 a drop of almost 31% on the previous year figure of £118,679.11, with tithes and offering being the main source of our income. The drop in income is mainly attributed to the COVID 19 Virus which resulted in all activities being locked down. The expense for the same period reported stood at £117,416.87 including depreciation of £2,659.60. The net result was a Deficit of (£34,961.46). The financial objectives for the year 2021 were to improve the liquidity position of the Church and to investigate trends in income and expenditure and identify action to reduce the impact of negative trends and increase efficiency.

Emphasis continued to be placed on financial prudence, cost control and maximizing efficiency. Trustees have been careful with expenditure and cut down certain expenses including annual outing cost. The expenditure for 2021 compared with 2020 saw a 5.76% decrease.

## **RESERVES POLICY**

The trustees intend to maintain free reserves at a level sufficient to support the core activities of the Church for up to twelve months, with a minimum of six months. This level of reserves is required in order to provide a reliable income stream, deal with the stabilization of cash flows and provide funds for capital expenditure to overcome threats, contingencies and take advantage of future opportunities. This reserves policy is deemed prudent by the trustees, taking into consideration the difficult funding climate that churches are facing, to ensure that the work of the Church can be planned with some degree of certainty. This policy is subject to reviewed on annual basis.

The total reserves of £7,209.28 are made up of a deficit of (£34,961.46) for the current year plus the surplus at the beginning of the year of £27,752.18 held at 31 March 2020. This is considered free reserves. The free reserves currently held cover 12 months.

Funds not required for the foreseeable future are to be invested in Charity Funds which are considered to have low risk and provides easy access to deposits

This report was adopted and signed on behalf of the trustees on the 28th December 2021

### **Respective responsibilities of the trustees and independent examiner**

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year (under section 43 (20) of the Charities Act 1993) and that an independent examination is required.

It is our responsibility to examine the accounts (under section 43 (3) (a) of the 1993 Act), to follow the procedures laid down by the General Directions given by the Charity Commissioners and to state whether particular matters have come to our attention.

### **Basis of independent examiner's report**

Our examination was carried out in accordance with the General Directions given by the Charity Commissioner. ### **Independent examiner's statement**

In connection with our examination, no matter has come to our attention:

- 1) which gives us reasonable cause to believe that in any material respect the requirement to (a) keep accounting records in accordance with section 41 of the 1993 Act and (b) to prepare accounts which accord with the accounting requirements of the 1993 Act have not been met; or
