ACHIEVEMENT AND PERFORMANCE

Charitable activities

Once again, the past year has been a demanding one, but encouraging too as we continue to respond to the needs of our local community and to consolidate the dedicated focus of SCF over the past years.

Our Early Years provision continues to offer professional and supportive work for the children and families in our area and during the year, we have been encouraged by returning children, particularly in families who have had a long-standing relationship with the provision. Maintaining staff and their knowledge of the area has helped in the encouragement and support of families and staff dedication is excellent. The nursery is much appreciated locally.

With further improvements on the Adventure Playground, (STRAP) over the past year, and having begun to work in partnership with others in the area, we have offered weekly groups and also playschemes every school holiday; Improvements have been made to the outdoor space and the gardener works creatively with children and staff alike. The number of children attending the regular weekly session has increased, due to consistency and dedication of staff. Sessional workers are encouraged and there have been a number of young people involved in placements from secondary schools.

The ESOL classes offered on four mornings a week continue to attract people from diverse ethnicities and an increasing number of students are attending and gaining from this provision. There are now more volunteer teachers and three classes are offered for differing abilities. This is a much-appreciated local provision.

The 'Over-50's' group who meet for lunch and activities has grown consistently and is co-ordinated by an excellent and welcoming worker with volunteers. It has become a central part of our local community and friendships have formed through the activities and sharing a meal together. Pastoral concern is a reality in the group and also contact made with members of their families where necessary, Everyone enjoyed the Christmas party.

The homework club for primary school children, year 6 upwards is a great success and run by two trained teachers, particularly attracting children who benefit from more personal input together with team-building and sharing a meal together. Thanks to children and their families speak highly of this provision and everyone looks forward to meeting each week during term-time. It has been encouraging to see the development of those attending, both in confidence, language and team-work. There is a very good atmosphere and relationship in the group between teachers and the children. Thanks too to the dedicated chef.

My thanks to the paid staff at SCF and our volunteers, all of whom work tirelessly and with dedication under the direction of the Projects Manager.
