WALLSEND BOYS CLUB
REPORT OF THE TRUSTEES FOR THE YEAR ENDED 30TH JUNE 2021

The Trustees are pleased to present their annual directors' report together with the financial statements of the charity for the year ended 30 June 2021 which are also prepared to meet the requirements for a directors' report and financial statements for Companies Act purposes.

The financial statements comply with the Charities Act 2011, the Companies Act 2006, the Memorandum and Articles of Association, and the charities Statement of Recommended Practice (applicable to charities preparing their financial statements in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland; FRS 102) issued in October 2019.

Current Position of the Charity

Our efforts remain focused on the dual priorities of the effective and efficient running of the current Club activities and facilities, whilst also striving to build our capability to deliver more activities and greater youth engagement by developing our base at Kirkley Park.

Kirkley Park continued to be a thriving place to be, with over 400 of our members playing football and remaining active each week. Children as young as 4 are now attending weekly sessions at Kirkley Park. In addition, we continue to utilise the 3G pitch and generate additional revenue via private hire to local community groups, organisations and private bookings.

The Club is building links and relationships with local schools and community groups to ensure our #Morethanfootball offer goes beyond the gates of Kirkley Park and into the local communities of Wallsend. We have delivered activities as part of breakfast clubs, lunchtimes and after school across local primary schools in Wallsend to ensure that children are active and to support their positive mental well-being.

During the summer of 2021 we delivered a 2-week covid secure summer programme for children (identified via schools) who were in need of intervention coming out of lockdown. We worked with 40 children across 8 days.

We have built a strong relationship with Carville Primary School, working in partnership to deliver breakfast clubs, lunchtime clubs and after school provision. The school highlighted the huge need to get children active and improve their wellbeing coming out of lockdown. On a weekly basis approximately 50 children are attending our sessions.

Throughout 2021 we have continued to focus our capital fundraising efforts towards our Community Hub at Kirkley Park. Even though it has been an incredibly tough funding environment due to the Global pandemic we are still very pleased with the progress we have made towards our funding target. We are aiming for construction to begin in the summer of 2022.

We want to say a huge thank you to our funders, supporters, sponsors, parents and carers for their continued support.

The Club has continued to seek suitable partners and stakeholders prepared to invest in broadening and improving the facilities and activities the Club can deliver in the future.

Our Purposes and Activities

Purpose

The objects of the charity are for the benefit of the public generally and, in particular, children and young people who are inhabitants of Wallsend, North Tyneside and the surrounding areas.

The objects are as follows:

- To support young people living in North Tyneside through their involvement in organised sport and activity programmes in order that they can achieve their potential and realise their ambitions.
- To promote community participation in healthy recreation by providing facilities for the playing of association football and other sports.
- To provide and assist in providing facilities for sport, recreation or other leisure time occupation of such persons who have need for such facilities by reason of their youth, age, infirmity or disablement, poverty or social and economic circumstances or for the public at large in the interests of social welfare and with the object of improving their conditions of life.

Ensuring Our Work Delivers Our Aims

The charity reviews its aims, objectives and activities each year. This review looks at what the charity has achieved and the outcomes of its work during the previous twelve months. The review looks at the success of each key activity and the benefits that they have brought to those groups of people who the charity is set up to help.

The review also helps Wallsend Boys Club to ensure that its aims, objectives and activities have remained focused on its stated purposes. The charity refers to guidance contained in the Charity's Commission general guidance on public benefit when reviewing its aims and objectives and in planning its future activities. In particular, the trustees consider how planned activities will contribute to the aims and objectives they have set.

The Focus of Our Work

The main objectives continue to be the promotion of healthy recreation through leisure time activities achieved via community participation and the provision of facilities for children and young people. Particular attention is focused on youth activities allowing children to develop their physical ability as well as providing a place for them to socialise and form friendships. The strategies used to meet these objectives include:

- Organising youth football with a variety of different teams including 11 a side, 9 a side, 7 a side and 5 a side teams, for girls, boys, women and men's, and football development sessions and tournaments for the community.
- Educating children and young people about football skills and the rules of the game.
- Running Programmes that allows young people between the ages of 10 and 19 the opportunity to participate in sporting activities as well as addressing issues related to crime, anti social behaviour, youth disaffection and substance misuse. This has had a very positive impact on the local community.
- Hosting an annual dinner and other fundraising activities to raise funds for the Club.

How Our Activities Deliver Public Benefit

The charitable objectives focus on providing suitable sporting facilities to promote healthy recreation for young people and the community in general.

Who Used and Benefitted from Our Services?

Membership of the charity is available for boys and girls aged between six and sixteen years of age. The Club then looks for donations from the parents and guardians of these children and young people to help with the running of the Club.

Children and young people from North Tyneside benefit from the running of our various youth programmes.

Achievements and Performance

Kirkley Park remains the Club's most significant asset. We used a part-time groundsman and an assistant, to ensure the pitches and changing facility are maintained to the highest standard practical.

Financial Review

The club reports a net inflow of unrestricted funds for the year of £43,239 compared with £108,023 in 2020. The Charity received restricted grants of £171,230 including funds from the Football Foundation, the Michael Carrick Foundation, the Sir James Knott Trust and Catherine Cookson Trust.

Total unrestricted expenditure for the year was £154,546.

Full budgets have been prepared for the year end to 30 June 2022, which are being monitored against actual income and costs.

Investment Powers and Policy

Under the Memorandum and Articles of Association, the charity has the power to invest in any way the Trustees consider is of long term advantage to the Club.

Reserves Policy and Going Concern

The trustees have examined the charity's requirement for reserves in the light of the main risks facing Wallsend Boys Club. It is the policy of Wallsend Boys Club to maintain funds at a level, which allows the charity to operate in the event of unforeseen circumstances; and gives the charity the opportunity to attract grant funders who are prepared to back large positive social enterprise developments on condition the charity also contributes a significant percentage of the cost.

The Club holds general unrestricted funds, designated funds and restricted funds. Unrestricted funds are held to meet the running costs of the charity. The designated funds are set aside for a specific project and the restricted funds are used in accordance with the donor's requirements.

WALLSEND BOYS CLUB
REPORT OF THE TRUSTEES FOR THE YEAR ENDED 30TH JUNE 2021

Financial Review *(continued)*

Reserves Policy and Going Concern *(continued)*

Unrestricted funds are shown as £1,671,453 in Note 18 to the financial statements. These funds are broken down as follows:

	£
Illiquid fixed property assets and equipment.	1,106,802
Ring-fenced for future development	400,000
Reserves to cover running costs	164,651
	<u>1,671,453</u>

The remainder of our reserves are held as a prudent amount to mitigate unforeseen expenditure or reduced income. The amounts and timings of grant income and donations are often unpredictable and varied and the charity has to plan for this with additional reserves over and above those ring-fenced and designated.

Plans for Future Periods

There is an insatiable demand on Tyneside for 'The Beautiful Game' and we will never address that demand alone.

Whilst the artificial grass pitch has enhanced our football offering it will not fully help us to achieve our ambition of offering more sport and social activities from Kirkley Park. To achieve this we intend to build further facilities which will give us a significant open plan space to not only re-establish a modern youth club, but also have classroom facilities for delivering sports coaching as well as health clinics and healthy eating courses etc.

The additional facilities will also give the club the capacity to generate sustainable revenues from food and beverages on match days and to host special events.

We have obtained additional funding to enable this further investment to become a reality. We are currently finalising the building plans to enable us to commence building works in summer 2022.

The day to day management of the charity is now undertaken by John Percival who is our Head of Facilities and Programmes.

Structure, Governance and Management

Governing Document

Wallsend Boys Club is a registered charity (registered number 1114421) and a company limited by guarantee established under a Memorandum of Association which states the objects and powers of the charitable company. It is governed by its Articles of Association dated 18th August 2006. In the event of the charitable company being wound up, the trustees would be required to contribute an amount not exceeding £10.

Appointment of Trustees

The directors of the company are also charity trustees for the purposes of charity law. Under the requirements of the Memorandum and Articles of Association, one third of trustees must retire by rotation. The trustees to retire by rotation shall be those who have been longest in office since their last (re)appointment. If the vacancy of the retiring trustee cannot be filled by another candidate then they can be reappointed in their original role.

Trustees are voted onto the committee at the Annual General Meeting. They can also be co-opted onto the committee by the Board itself between Annual General Meetings.

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 30TH JUNE 2021

Structure, Governance and Management *(continued)*

Trustee Selection

Trustees have not been actively sought in the recent past, as Wallsend Boys Club has been content with the number of trustees that it has. However, the Club is reviewing the current structure and seeking independent assessments of where the leadership and governance of the Club could be improved.

If additional, appropriate trustees, can enhance our organisation then there are formal procedures in place to ensure that a good candidate is selected. There is no specific age group or experience required to become a trustee but the person must be willing and able to demonstrate that they can add to the range of skills present in the current trustees.

Trustee Induction and Training

The chairman of the management committee, a trustee himself, is responsible for the induction of any new trustee. New trustees will usually attend a training day which involves making the trustee aware of their responsibilities, informing them of the objectives and history of the charity (including the content of the Articles and Memorandum of Association) and showing them the administrative procedures that are in place within the charity. The recent financial performance of the charity will be discussed and the trustee will have the opportunity to meet the other trustees and key members of the management committee.

Organisation

The board of trustees administers the charity and meet formally at least twice a year. The management of the charity is undertaken by the management committee which meets on a monthly basis. All trustees are members of the management committee.

The club relies heavily on unpaid volunteers to help run the charity.

Related Parties

Ancillary payroll services were provided to the Charity by Bell Tindle Williamson LLP, of which John Bell, a trustee was a designated member. The Charity was not charged for the payroll services provided.

No other related party transactions took place during the current financial year which require disclosure.

Pay Policy for Senior Staff/Key Personnel

The board of directors, who are the charity's trustees, give their time freely and receive no remuneration. The charity employs 2 members of staff, John Percival, the Head of Facilities and Programmes and an apprentice groundsman who helps maintain the facility. Their salaries are agreed by a sub-committee of the trustees.

Risk Management

The trustees have conducted a review of the major risks to which the charity is exposed. A risk register has been created and is updated annually. Where appropriate, systems or procedures have been established to mitigate the risks that the charity faces.

Particular attention has been focused on non financial risks, specifically the risks to children and young people and other health and safety risks. Internal controls have been developed to deal with such risks.

WALLSEND BOYS CLUB
REPORT OF THE TRUSTEES FOR THE YEAR ENDED 30TH JUNE 2021

Structure, Governance and Management *(continued)*

Risk Management *(continued)*

A summary of the main risks facing the charity are detailed below:

Operational Risks

Attention has been focused on risks to children and young people and other health and safety risks. Controls have been developed to deal with such risks and everyone involved in the Club adheres to the strict safeguarding, health and safety policies and systems that are in place. These systems and procedures are in place to ensure that high standards of protection are maintained.

Financial Risks

The charity relies significantly on grant funding when planning large capital expenditure or charity developments and improvements and fully appreciates that such grant funding typically requires a significant percentage to be simultaneously contributed by the charity.

The charity has diligently built up reserves so that it can contribute its share to appropriate large capital expenditure developments that are supported by grant funding. Grant funding is not heavily relied on for the day to day running of the charity but tends to be sought for the specialist arms of the charity.

Instead, the charity ensures a steady income, by offering and running a variety of different activities to maximise potential funds generated. The trustees plan to continue to adopt this approach to ensure the charity continues to operate and does not suffer if any external funding is withdrawn.

External Risks

The charity has always been closely associated with its history of producing a constant stream of football players that have achieved success at the highest levels. However, Wallsend Boys Club is about much more than football. There is a risk that youngsters in the local area will not use the Club as they believe the only activities offered are football related. In truth, the Club offers a range of youth activities. There is also the risk that potential young female footballers will not use the Club believing it is only for their male counterparts. However, membership details show that there is a good mix of girls and boys who are members of the Club and exciting initiatives are underway to significantly increase the number of female members.

The trustees are satisfied that they have taken all of the necessary steps to lessen the risks affecting Wallsend Boys Club.

Trustees' Responsibilities in Relation to the Financial Statements

The charity trustees (who are also the directors of Wallsend Boys Club for the purposes of company law) are responsible for preparing a trustees' annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure for that period.

In preparing those financial statements, the trustees are required to:

- Select suitable accounting policies and then apply them consistently;
- Observe the methods and principles in the Charities SORP;
- Make sound judgments that are reasonable and prudent;
- State whether applicable UK Accounting Standards and Statements of Recommended Practice have been followed, subject to any material departures disclosed and explained in the financial statements; and
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Statement of disclosure to our independent examiners

In so far as the trustees are aware at the time of approving our trustees' report:

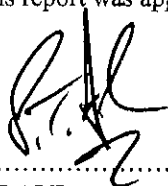

- there is no relevant information, being information needed by the independent examiner in connection with preparing their report, of which the company's independent examiner is unaware; and
- the trustees, having made enquiries of fellow directors that they ought to have individually taken, have each taken all the steps that he/she is obliged to take as a director in order to make themselves aware of any relevant information and to establish that the charity's independent examiner is aware of that information.

WALLSEND BOYS CLUB
INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF
WALLSEND BOYS CLUB FOR THE YEAR ENDED 30TH JUNE 2021

I report on the financial statements of the charity for the year ended 30 June 2021, which are set out on pages 11 to 23.

RESPECTIVE RESPONSIBILITIES OF TRUSTEES AND EXAMINER

The Trustees (who are also the Directors of the company for the purposes of company law) are responsible for the preparation of the financial statements. The Charity's Trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed. The Charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of the Institute of Chartered Accountants in England and Wales.

Having satisfied myself that the charity is not subject to audit under Part 16 of the Companies Act 2006 and is eligible for independent examination, it is my responsibility to:

- examine the financial statements under section 145 of the 2011 Act;
- follow the procedures laid down in the General Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act, and
- to state whether particular matters have come to my attention.

BASIS OF INDEPENDENT EXAMINER'S REPORT

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the Charity and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and the seeking of explanations from you, as trustees, concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and, consequently, no opinion is given as to whether the financial statements present a 'true and fair view' and the report is limited to those matters set out in the statement below.

INDEPENDENT EXAMINER'S STATEMENT

In connection with my examination, no matter has come to my attention:

- which gives me reasonable cause to believe that, in any material respect, the requirements:
 - (a) to keep accounting records in accordance with section 386 of the Companies Act 2006, and
 - (b) to prepare financial statements which accord with the accounting records and comply with the accounting requirements of section 396 of the Companies Act 2006.
 - (c) to prepare financial statements in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities.
- have not been met; or
- to which, in my opinion, attention should be drawn in order to enable a proper understanding of the financial statements to be reached.

WALLSEND BOYS CLUB
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30TH JUNE 2021

1 ACCOUNTING POLICIES

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

a) Basis of Accounting

The financial statements have been prepared under the historical cost convention, and in accordance with the Charities: Statement of Recommended Practice (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)) (issued in October 2019) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Wallsend Boys Club meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note(s).

These financial statements are prepared in sterling, which is the functional currency of the entity. Monetary amounts in these financial statements are rounded to the nearest pound.

b) Preparation of the Financial Statements on a Going Concern Basis

The trustees consider that there are no material uncertainties about the Charity's ability to continue as a going concern. This includes taking into account the potential impact of COVID-19 to ensure that cashflow is positively managed and the impact to the charity's operations are mitigated. There are no significant judgements or key sources of estimation uncertainty that affect the financial statements.

c) Cash Flow Statement

The trustees have taken advantage from including a cash flow statement in the financial statements on the grounds that the charity is small.

d) Income

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

The following specific policies are applied to particular categories of income:

- Donations and grants are recognised when the charity has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance before the charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity and it is probable that those conditions will be fulfilled in the reporting period.
- Monies from activities for raising funds are included when received.
- Fundraising activities generate income and this is included when received.
- Investment income is included when receivable.

WALLSEND BOYS CLUB
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30TH JUNE 2021

1 ACCOUNTING POLICIES *(continued)*

e) Covid-19 Support

During the year the Charity received Covid-19 support in the form of Local Authority Grants and HM Revenue & Customs CJRS Grants. Covid-19 support grants are recognised at the fair value of the grant receivable using the accrual model.

Under the accrual model, the grant shall be recognised as income on a systematic basis over the period in which the entity recognises the costs for which the grant is intended to compensate.

f) Fund Accounting

Unrestricted Funds are funds which are available for use at the discretion of the trustees in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

Restricted Funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the Charity for particular purposes. The cost of raising and administering such funds are charged against the specific fund.

Designated funds are funds established by the trustees for specific projects or purposes and are not in any way restricted. Any surplus/deficit on designated funds will be transferred to/from the general unrestricted funds when the designated fund is closed.

g) Expenditure and Irrecoverable VAT

Expenditure is recognised once there is a legal or constructive obligation to make payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably. Expenditure is classified under the following activity headings:

- Expenditure on charitable activities includes the cost of events and other activities undertaken to further the purposes of the charity and their associated support costs.
- Governance costs include those costs associated with meeting the constitutional and statutory requirements of the charity and costs linked to the strategic management of the charity.

Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

h) Support Costs

Support costs are those functions that assist in the work of the charity but do not directly undertake charitable activities. Support costs include office costs, finance, payroll and governance costs which support the charity's activities. These costs have been included within expenditure on charitable activities.

WALLSEND BOYS CLUB
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30TH JUNE 2021

1 ACCOUNTING POLICIES *(continued)*

i) Tangible Fixed Assets

All fixed assets are initially recorded at cost.

j) Depreciation

Depreciation is calculated so as to write off the cost of an asset, less its estimated residual value, over the

Leasehold Premises	2% Straight Line
Plant and Machinery	15% Reducing Balance
Motor Vehicles	25% Straight Line
3G Pitch	10% Straight Line

k) Tangible Fixed Assets and Restricted Funds

Wallsend Boys Club may receive grants that can only be used for expenditure on fixed assets. The trustees consider that the following policies are required to satisfy their obligations under Company and Charitable Law:-

- Expenditure on the fixed asset is capitalised. The fixed asset being depreciated over its useful economic life in accordance with the company's accounting policy.
- Grants received specifically to finance the expenditure are credited to a restricted fund.

l) Cash at Bank and in Hand

Cash at bank and in hand comprises of funds held in the charity bank current accounts and building society deposit account.

m) Creditors and Provisions

Creditors are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors are normally recognised at their settlement amount after allowing for any discounts due.

n) Operating Lease Agreements

Rentals applicable to operating leases where substantially all the benefits and risks of ownership remain with the lessor are charged to the SoFA as incurred.

o) Financial Instruments

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the transaction price, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument. Debt instruments are subsequently measured at amortised cost.

18 STATEMENT OF FUNDS (continued)

Unrestricted Funds - Designated Funds

The Club is going through a transition period and is planning to transform Wallsend Boys Club into a high quality, sustainable community hub. The Club would like to develop Kirkley Park to include additional facilities on the current site to create a community hub for the children, young people and families of Wallsend and North Tyneside. The Club has dedicated £400,000 of its reserves towards this project which will leave us with a sensible amount towards the running costs of the organisation, without placing the Club's going concern status at risk.
