## Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity’s work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p><b>Trustees Visit to Ifakara</b> The daughter of the founders (and current Director) and her husband visited Ifakara bakery and all the accounts which receive the “Free Bread.” The population is increasing, currently at 250,000, and so is the need.</p> <p>Discussions were held to add the emergency ward at the hospital to the Free Bread fund.</p> <p>An agreement for an annual donation of sugar to the bakery from the local sugar refinery is in process.</p> <p>A sanitation project was completed for the Nazareth Leprosy Centre and also funding of an emergency food provision due to flood damage to their own food supply.</p> <p><b>Flooding</b> Ifakara was hit by devastating flooding</p>

	<p>in May 2024. The effects of this disaster reached every corner of their lives. Homes were damaged or destroyed, diseases more prevalent, and schools closed, disrupting the education of children who depend on school not just for learning, but also for stability and daily meals from the Free Bread Fund.</p> <p>Businesses struggled to re-open, and workers faced uncertainty. The impact on crops was especially concerning. Floodwater ravaged local farms, leaving fields waterlogged and crops spoiled. For a community that relies on these harvests to feed families and sustain the local economy, this was a major blow. Yet, the full weight of the disaster has only been felt later in the year, with food shortages from spoiled crops and reduced yields. Thanks to the hard work and dedication of the Franciscan Sisters in the community the Free Bread Fund provided children and adults with even more of a lifeline. We are proud of our emergency appeal: thanks to the wonderful support of our community who rallied around, we raised over £10,000 to support this immediate crisis.</p> <p><b>Supplies of free bread</b> Our priority in 2024 was ensuring the adequate provision of bread through The Free Bread Fund to the existing accounts we support. We funded 146,616 loaves of bread during 2024 and over 80% of these reached children below the age of 7 at Kindergartens and Nursery schools. Free bread continues to be supplied to an orphanage, kindergartens and day cares as well hospital in-patients and leprosy centre residents.</p> <p>It is a lifeline for many and has helped continue to maintain improved school attendance despite the impact of Covid.</p> <p>The free bread provided for hospital wards goes specifically to malnourished children, neonates and TB patients and for residents and day patients at the Nazareti Leprosy Centre.</p> <p><b>Bee Keeping Project Expansion</b> St Theresa community group is located in the rural parish of Mahutanga, one of the poorest areas in the diocese of Ifakara. The group supports vulnerable local women, in</p>
--	--

		<p>particular those living with HIV/AIDS, widows and young divorced mothers; offering them needed economic opportunities, education and social support. Income generating activities include farming land, pigs and poultry.</p> <p>The honey, beeswax and candle products sold provide an income for the marginalised women who in turn organise and conduct seminars on environmental conservation, HIV/AIDS and gender issues in the community. This year IBP supported them with the purchase of a small piece of land to build a honey processing unit on.</p> <p><b>Communication</b> Improvements continued to keep the many supporters of the charity updated. These included to the website, and via the mass mailing of a Christmas card which included the annual newsletter. Outreach has resulted in a subsequent increase in individual donations.</p> <p><b>Expanding the Fundraising Team</b> A contract with an professional fundraising company continued in 2024. CSR Together has brought a wide range of skills and experience to the charity. These skills have enabled us to develop strategic fundraising projects.</p>

## Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity’s work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p><b>Trustees Visit to Ifakara</b></p> <p>Two trustees self funded a trip to Ifakara bakery and visited all the accounts which receive the “Free Bread.” The population is increasing and so is the need. 8 new accounts were added as a result, these include 5 kindergartens, 2 day cares and 1 orphanage. A total of 544 more children will receive free bread daily.</p> <p>Meetings were held with a local sugar refinery to discuss an annual donation of sugar to the bakery.</p> <p>A solar panel project was initiated for the bakery.</p> <p>A sanitation project was initiated at the Nazareth Leprosy Centre.</p> <p><b>Supplies of free bread</b></p> <p>Our priority in 2023 was ensuring the adequate provision of bread through The Free Bread Fund to the existing accounts we support. We funded 155,928 loaves of</p>

bread during 2023 and over 80% of these reached children below the age of 7 at Kindergartens and Nursery schools. This is an increase of 51,600 loaves from 2022 and reflects the addition of the orphanage, kindergartens and day cares as well as the number of hospital in-patients and leprosy centre residents.

It is a lifeline for many and has helped continue to maintain improved school attendance despite the impact of Covid.

The free bread provided for hospital wards goes specifically to malnourished children, neonates and TB patients and for residents and day patients at the Nazareti Leprosy Centre.

#### **Solar Panel Project**

The solar panel project at Bethlehem Centre, a residential learning centre for learning disabled children was completed to provide electricity to the dormitories and recreation room for the first time.

#### **Bee Keeping Project Expansion**

St Theresa community group is located in the rural parish of Mahutanga, one of the poorest areas in the diocese of Ifakara. The group supports vulnerable local women, in particular those living with HIV/AIDS, widows and young divorced mothers; offering them needed economic opportunities, education and social support. Income generating activities include farming land, pigs and poultry.

The honey, beeswax and candle products sold provide an income for the marginalised women who in turn organise and conduct seminars on environmental conservation, HIV/AIDS and gender issues in the community. This year IBP has been able to support the expansion of this successful enterprise and send funds for ten more beehives, two more sets of overalls, more training and five bicycles to access the more remote hives.

#### **Communication**

Improvements continued to keep the many supporters of the charity updated. These included to the website, and via the mass mailing of a Christmas card which included the annual newsletter. Outreach has resulted in a subsequent increase in individual donations.

		<p><b>Expanding the Board of Trustees</b></p> <p>Three new board members joined in 2023 and have brought a wide range of skills and experience to the charity. These skills have enabled us to develop strategic planning, fundraising and education projects. A professional fundraiser is also assisting the trustees with outreach and fundraising ideas and implementation.</p>

The first large public fundraising event was held at an African Heritage Centre, Akamba, near Birmingham, it was successful raising over £9,000. Additionally, the many friends of the Ifakara Bakery Project provide freewill gifts, often via regular standing orders, which enable us to receive additional funds through Gift Aid.</p> <p>Individuals have also kindly undertaken "one off" fundraising activities.</p>
Investment policy and objectives including any social investment policy adopted	Para 1.46	We continue to believe that our work is not simply the relief of poverty but to empower beneficiaries to achieve independence and personal successes.

<p>A description of the principal risks facing the charity</p>	<p>Para 1.46</p>	<p>The principal risk is related to the ability to raise the required funds annually to maintain the 'Free Bread Fund'.</p> <p>However, thanks to the highly qualified support of the Trustees and a professional fundraiser the charity hopes to be able to continue its work and continues to develop new methods to maintain the legacy left by its founder which has brought confidence for the future.</p>

## Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity’s work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p><b>Supplies of free bread</b></p> <p>Our main focus in 2022 was ensuring the adequate provision of bread through The Free Bread Fund to the existing accounts we support. We funded 104,328 loaves of bread during 2022 and over 80% of these reached children below the age of 7 at Kindergartens and Nursery schools. This is an increase of 32,996 loaves from 2021 and reflects the growth in the size of the orphanages, kindergartens, and the number of hospital in-patients and leprosy centre residents.</p> <p>It is a lifeline for many and has helped continue to maintain improved school attendance despite the impact of Covid.</p> <p>The free bread provided for hospital wards goes specifically to malnourished children, neonates and TB patients and for residents and day patients at the Nazareti Leprosy Centre.</p>

		<p><b>Education</b> Two kindergartens, Mahutanga Kindergarten and Kivukoni Kindergarten, which already receive daily supplies from the Free Bread Fund, were unable to pay the teachers salaries which would have meant the schools would have closed. We were able to send funds for the annual salaries, thus impacting the lives of the children, their families and the village as a whole.</p> <p><b>Innovative activities</b> We have continued to develop the living standards at the residential centre for learning disabled children, The Bethlehem Centre, by providing the remaining funds for solar panels and the installation to provide electricity to the dormitories and recreation room for the first time.</p> <p><b>Emergency/Pastoral Care</b> 2021 again saw some individuals needing personal support, we provided emergency funds to the Nazareti Leprosy Centre into the fund set up in honour of Sister Maria Paula who was instrumental to the founding of the centre. The Trustees agreed with all such support provided.</p> <p><b>Communication</b> Improvements continued to keep the many supporters of the charity updated. These included to the website, the creation of a master list and the mass mailing of a Christmas card which included the annual newsletter. Outreach has resulted in a subsequent increase in individual donations.</p> <p><b>Expanding the Board of Trustees</b> The three new board members who joined in 2021 have brought a wide range of skills and experience to the charity. These skills have enabled us to improve administrative record keeping as well as outreach and the coordination of bulk mailing projects. They are also planning a trip to Ifakara in 2023 to visit the bakery and all the accounts receiving bread.</p>

**Additional information (optional)**

You may choose to include further statements where relevant about:

Achievements against objectives set	Para 1.41	All commitments were met during the year. Trustee meetings were held in person and on zoom to achieve these commitments.
-------------------------------------	-----------	--

<p>Performance of fundraising activities against objectives set</p>	<p>Para 1.41</p>	<p>Income grew due to more outreach, fundraising events and public talks. Fundraising by individual efforts (Community 5K run, The Great Northern Run) and the set up of new standing orders supported objectives. The importance of holding reserves meant that we were able to continue to honour our commitments through the Free Bread scheme.</p>
<p>Investment performance against objectives</p>	<p>Para 1.41</p>	<p>n/a</p>
<p>Other</p>		

## Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	The charity continues to enjoy a healthy financial position and the Trustees are satisfied with the meeting of planned commitments through the year.
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	Reserves are held to ensure at least one further year's funding to allow (should the need arise) sufficient time to make any necessary adjustments in activity and fundraising.
Amount of reserves held	Para 1.22	Dec 31 2022: £73,956
Reasons for holding zero reserves	Para 1.22	n/a
Details of fund materially in deficit	Para 1.24	n/a
Explanation of any uncertainties about the charity continuing as a going concern	Para 1.23	Following the death of the co-founder, Eugene Schellenberg, in September 2021 and the illness of the other co-founder, Margaret Schellenberg, the board of trustees chose to focus primarily on the provision of bread for 2022 ensuring that all commitments would be met, which they were. The board of trustees is committed to continue its expansion of skilled support as needed to ensure the continuity of the charity as a going concern.

### Additional information (optional)

Individuals have also kindly undertaken "one off" fundraising activities.

<p>A description of the principal risks facing the charity</p>	<p>Para 1.46</p>	<p>The principal concern continuing to face the charity is the loss of leadership following the death of its co-founder, Eugene Schellenberg in 2021, as he managed much of the administration, outreach and fundraising of the charity.</p> <p>However, thanks to the highly qualified support of the Trustees the charity has been able to continue its work and continues to develop new methods to maintain the legacy left by its founder which has brought confidence for the future.</p>
