Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity’s work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>Trustees Visit to Ifakara</p> <p>Two trustees self funded a trip to Ifakara bakery and visited all the accounts which receive the “Free Bread.” The population is increasing and so is the need. 8 new accounts were added as a result, these include 5 kindergartens, 2 day cares and 1 orphanage. A total of 544 more children will receive free bread daily.</p> <p>Meetings were held with a local sugar refinery to discuss an annual donation of sugar to the bakery.</p> <p>A solar panel project was initiated for the bakery.</p> <p>A sanitation project was initiated at the Nazareth Leprosy Centre.</p> <p>Supplies of free bread</p> <p>Our priority in 2023 was ensuring the adequate provision of bread through The Free Bread Fund to the existing accounts we support. We funded 155,928 loaves of</p>

		<p>bread during 2023 and over 80% of these reached children below the age of 7 at Kindergartens and Nursery schools. This is an increase of 51,600 loaves from 2022 and reflects the addition of the orphanage, kindergartens and day cares as well as the number of hospital in-patients and leprosy centre residents.</p> <p>It is a lifeline for many and has helped continue to maintain improved school attendance despite the impact of Covid.</p> <p>The free bread provided for hospital wards goes specifically to malnourished children, neonates and TB patients and for residents and day patients at the Nazareti Leprosy Centre.</p> <p>Solar Panel Project The solar panel project at Bethlehem Centre, a residential learning centre for learning disabled children was completed to provide electricity to the dormitories and recreation room for the first time.</p> <p>Bee Keeping Project Expansion St Theresa community group is located in the rural parish of Mahutanga, one of the poorest areas in the diocese of Ifakara. The group supports vulnerable local women, in particular those living with HIV/AIDS, widows and young divorced mothers; offering them needed economic opportunities, education and social support. Income generating activities include farming land, pigs and poultry. The honey, beeswax and candle products sold provide an income for the marginalised women who in turn organise and conduct seminars on environmental conservation, HIV/AIDS and gender issues in the community. This year IBP has been able to support the expansion of this successful enterprise and send funds for ten more beehives, two more sets of overalls, more training and five bicycles to access the more remote hives.</p> <p>Communication Improvements continued to keep the many supporters of the charity updated. These included to the website, and via the mass mailing of a Christmas card which included the annual newsletter. Outreach has resulted in a subsequent increase in individual donations.</p>

		Expanding the Board of Trustees Three new board members joined in 2023 and have brought a wide range of skills and experience to the charity. These skills have enabled us to develop strategic planning, fundraising and education projects. A professional fundraiser is also assisting the trustees with outreach and fundraising ideas and implementation.

Responsibilities and
basis of report

As the charity trustees, you are responsible for the preparation of the accounts in accordance with the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Act; or
- the accounts did not accord with the accounting records; or
