### **Report of the Trustees for the Year Ended 31 January 2025 (continued)**

#### **Objectives and Activities**

##### ***Objectives***

The purpose of the Charitable Company is to promote and advance religion and education in accordance with the doctrines of Meishu-Sama and in particular but not exclusively to benefit the public by teaching and practice of Johrei, natural farming, artistic activities and activities to aid the preservation and regeneration of the environment.

##### ***Activities***

To achieve the objectives the World Church of Messiah UK organises regular services of worship, lectures and study sessions on the doctrines of Meishu-Sama, based on the spiritual guidance of the current Spiritual Leader, Kyoshu-sama, as well as guidance to members of the congregation and frequenters of the general public. These activities are open to all members of the public, without any distinction of any kind.

Since end October 2021, when the lease of the church's premises in London came to an end, such activities have been conducted primarily online and at rented rooms in conference centres in London, where our main services of worship and larger study sessions/lectures are held. Most of the congregation resides in London and approximately 25 volunteers are currently actively involved in our activities, helping in the provision of guidance to members and frequenters.

Support is also given to a smaller group of members in Dublin, Ireland, online by means of virtual meetings, lectures, etc.

In shaping our objectives for the year and planning our activities, the Trustees have paid due regard to the Charitable Company Commission's guidance on public benefit.

It is the judgement of the trustees that the activities in pursuit of the above objectives fully meet the public benefit test, which they have kept in mind in all operational and strategic planning decisions.

##### ***Achievements and Performance***

The regular support and activities promoted by the World Church of Messiah UK have resulted in a general deepening of the understanding of the doctrines of Meishu-Sama among the followers throughout the UK. This is reflected in the number of regular volunteers involved in the activities of the Charitable Company as well as the steady number of people attending the services, lectures and study sessions of the World Church of Messiah UK regularly.

##### ***Financial Review***

The trustees continue to apply their funds in accordance with the objectives of the charity. Total receipts, on unrestricted funds totalled £35,373 (2024 - £39,226). The charity expenditure totalled £ 19,094 (2024 - £19,586).

##### ***Future Plans***

The Charitable Company's future plans involve the plan to purchase of a place of worship in London or surrounding areas, which will be fundamental in moving their charitable activities further in accordance with the objects. The Charitable Company are currently in the process of finding a suitable property, having viewed a number of places and having sufficient reserves to purchase a place of worship.

## **WORLD CHURCH OF MESSIAH UK**

### **Report of the Trustees for the Year Ended 31 January 2025 (continued)**

#### **Reserves**

It is the policy of the Charitable Company that the unrestricted funds, not specifically designated, should be maintained at a level equivalent to between three and six months expenditure, which is considered to be a reasonable target. As funds come exclusively from voluntary donations, it is felt that if these donations ceased a six month period should be long enough to assess why donations have ceased and to seek additional funding sources.

The current level of reserves £506,631 (2024: £490,352) is in excess of this three to six month requirement and therefore sufficient to meet their expenditure needs in the short, medium and long term. The unrestricted funds in place as at 31 January 2025 will be essential to ensure the charity remains a going concern, and to endeavour to support the expansion of other related activities, such as Nature Farming (which forms part of the objects of the Charitable Company) in the near future. The unrestricted funds in place as at 31 January 2025 will be essential to ensure the charity remains a going concern, and to endeavour to support the expansion of its activities. In particular, the Charitable Company intends to purchase property – a place of worship – in London with a view to further its objects more effectively. The unrestricted funds will be instrumental in achieving this.

#### **Trustees' responsibilities statement**

The trustees (who are also directors of World Church of Messiah UK for the purposes of company law) are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP 2019 (FRS 102);
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The report has been prepared having taken advantage of the small companies exemption in the Companies Act 2006.

This report was approved by the Board of Trustees and signed on its behalf by:

#### Reserves

It is the policy of the Charitable Company that the unrestricted funds, not specifically designated, should be maintained at a level equivalent to between three and six months expenditure, which is considered to be a reasonable target. As funds come exclusively from voluntary donations, it is felt that if these donations ceased a six month period should be long enough to assess why donations have ceased and to seek additional funding sources.

The current level of reserves £490,352 (2023: £470,712) is in excess of this three to six month requirement and therefore sufficient to meet their expenditure needs in the short, medium and long term. The unrestricted funds in place as at 31 January 2024 will be essential to ensure the charity remains a going concern, and to endeavour to support the expansion of other related activities, such as Nature Farming (which forms part of the objects of the Charitable Company) in the near future. The unrestricted funds in place as at 31 January 2024 will be essential to ensure the charity remains a going concern, and to endeavour to support the expansion of its activities. In particular, the Charitable Company intends to purchase property – a place of worship – in London with a view to further its objects more effectively. The unrestricted funds will be instrumental in achieving this.

#### Trustees' responsibilities statement

The trustees (who are also directors of World Church of Messiah UK for the purposes of company law) are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP 2019 (FRS 102);
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The report has been prepared having taken advantage of the small companies exemption in the Companies Act 2006.

The trustees have reviewed the charity's requirements to remain a going concern for a period of more than 12 months from the date of approval of these financial statements. Despite factoring in reasonable downsides to their review, the trustees are confident that the charity has sufficient resources so as to meet the liabilities of the charity as they fall due.

Creditors are recognised where the Charitable Company has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. **Objectives and Activities**

**Objectives**

The purpose of the Charitable Company is to promote and advance religion and education in accordance with the doctrines of Meishu-Sama and in particular but not exclusively to benefit the public by teaching and practice of Johrei, natural farming, artistic activities and activities to aid the preservation and regeneration of the environment.

**Activities**

To achieve the objectives the World Church of Messiah UK organises regular services of worship, lectures and study sessions on the doctrines of Meishu-Sama, based on the spiritual guidance of the current Spiritual Leader, Kyoshu-sama, as well as guidance to members of the congregation and frequenters of the general public. These activities are open to all members of the public, without any distinction of any kind.

Since end October 2021, when the lease of the church's premises in London came to an end, such activities have been conducted primarily online and at rented rooms in conference centres in London, where our main services of worship and larger study sessions/lectures are held. Most of the congregation resides in London and approximately 25 volunteers are currently actively involved in our activities, helping in the provision of guidance to members and frequenters.

Support is also given to a smaller group of members in Dublin, Ireland, online by means of virtual meetings, lectures, etc.

In shaping our objectives for the year and planning our activities, the Trustees have paid due regard to the Charitable Company Commission's guidance on public benefit.

It is the judgement of the trustees that the activities in pursuit of the above objectives fully meet the public benefit test, which they have kept in mind in all operational and strategic planning decisions.

**Achievements and Performance**

The regular support and activities promoted by the World Church of Messiah UK have resulted in a general deepening of the understanding of the doctrines of Meishu-Sama among the followers throughout the UK. This is reflected in the number of regular volunteers involved in the activities of the Charitable Company as well as the steady number of people attending the services, lectures and study sessions of the World Church of Messiah UK regularly.

**Financial Review**

The trustees continue to apply their funds in accordance with the objectives of the charity. Total receipts, on unrestricted funds totalled £52,282 (2022 - £49,321). The charity expenditure totalled £17,559 (2022 - £52,475).

#### 1.1 Basis of preparation

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 October 2019) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102), and the Companies Act 2006. The registered office is 3<sup>rd</sup> Floor, 24 Old Bond Street, London, W1S 4AP. The principle office is 3<sup>rd</sup> Floor, 24 Old Bond Street, London, W1S 4AP.

The Charitable Company meets the definition of a public benefit entity, under FRS 102. Assets and liabilities are initially recognised at historic cost or transaction value, unless otherwise stated in the accounting policy notes. The financial statements are presented in Sterling and are rounded to the nearest £.

#### 1.2 Company status

The charity is a Company limited by guarantee, incorporated in England and Wales. In the event of the Charitable Company being wound up, the liability in respect of the guarantee is limited to £1 per member of the Charitable Company.

#### 1.3 Income

Donations and gifts are accounted for on a received basis. No amounts are included in the financial statements for services donated by volunteers.

Income from grants (including government grants) are recognised when the charity has established entitlement to the funds, any performance conditions attached to the grants have been met, it is probable that the income will be received and the amount can be measured reliably and is not deferred.

#### 1.4 Expenditure

Expenses are accounted for on an accruals basis.

Charitable activities are those costs incurred directly in support of expenditure on the objects of the Charitable Company. Governance costs are those incurred in connection with administration of the Charitable Company and compliance with constitutional and statutory requirements.

#### 1.5 Taxation

The Company is accepted as a Charitable Company for tax purposes. It is, therefore, exempt from tax on its income and gains to the extent that income and gains are applicable to and are applied for charitable purposes only.

#### 1.6 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Charitable Company and which have not been designated for other purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the Charitable Company for particular purposes.

**1.7 Going Concern**

The financial statements have been prepared on a going concern basis which forecasts that the Company will have adequate resources to continue in operational existence for a period of at least 12 months from the date of this financial report.

The trustees have reviewed the charity's requirements to remain a going concern for a period of more than 12 months from the date of approval of these financial statements. Despite factoring in reasonable downsides to their review, the trustees are confident that the charity has sufficient resources so as to meet the liabilities of the charity as they fall due.

**1.8 Financial Instruments**

The Charitable Company only has financial assets and liabilities that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently recognised at the settlement value. All assets are recorded at cost which is their fair value.

**1.9 Cash flow statement**

The Charitable Company qualifies as a small entity under the Companies Act 2006 and as a consequence, it is exempt from the requirement to publish a cash flow statement under Section 7 of Financial Reporting Standard 102 'Cash flow statement'.

**1.10 Debtors**

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Accrued income and tax recoverable is included at the best estimate of the amounts receivable at the balance sheet date. Prepayments are valued at the amount prepaid net of any trade discounts due.

**1.11 Creditors**

Creditors are recognised where the Charitable Company has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors are normally recognised at their settlement amount after allowing for any trade discounts due.

**1.12 Key sources of judgement and estimation uncertainty**

No significant judgements, accounting policies or assumptions have been made by management in applying the Charitable Company's accounting policies.

## **Structure, governance and management**

The Trustees, who are also the Directors of World Church of Messiah UK, for the purposes of Company Law, present their Report and Financial Statements for the year ended 31 January 2022. They comply with the current statutory requirements, the Memorandum and Articles of Association and are applicable to Charities preparing accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 October 2019) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102), and the Companies Act 2006.

### Governing document

World Church of Messiah UK is a Charitable Company limited by guarantee, incorporated on 26 January 2005. Charitable Company registration was confirmed on 6 June 2006. The Company was established under a Memorandum of Association which established the objects and powers of the Charitable Company and is governed under its Articles of Association. It is registered in the United Kingdom (Co. Number 05343009). It is registered with the Charitable Company Commission under the Charities Act 2011 (Charitable Company Number 1114568).

### Recruitment and Appointment of Trustees

The directors of the Company are also Charitable Company Trustees for the purpose of Charitable Company law and under the Company's articles are known as members of the Board of Trustees. Under the requirements of the Memorandum and Articles of Association, at each Annual General Meeting one third of the elected Trustees or such member of elected Trustees as in nearest to one third shall retire and shall immediately be eligible for re-election. The Trustees to retire shall be those who have been in office for the longest period since their last appointment or re-appointment, but as between persons who became or were last re-appointed on the same day those to retire shall be determined by a secret ballot of all the Directors.

### Risk Management

The Trustees have examined the major strategic business and operational risks which the Charitable Company faces and confirm that systems have been established to enable regular reports to be produced so that the necessary steps can be taken to lessen these risks.

### Fundraising

Fundraising statement Section 162a of the Charities Act 2011 requires charities to make a statement regarding fundraising activities.

Although we do not undertake widespread fundraising from the general public, the legislation defines fundraising as "soliciting or otherwise procuring money or other property for charitable purposes".

Such amounts receivable are presented in our accounts as "Donations and legacies" and are all voluntary in nature.

In relation to the above we confirm that all solicitations are managed internally, without involvement of commercial participators or professional fundraisers, or third parties.

Although the Charity is not required to be bound by any regulatory scheme, the Charity complies with the relevant codes of practice. We have received no complaints in relation to fundraising activities (2021 – none).

**Objectives and Activities**

***Objectives***

The purpose of the Charitable Company is to promote and advance religion and education in accordance with the doctrines of Meishu-Sama and in particular but not exclusively to benefit the public by teaching and practice of Johrei, natural farming, artistic activities and activities to aid the preservation and regeneration of the environment.

***Activities***

To achieve the objectives the World Church of Messiah UK organises regular services of worship, lectures and study sessions on the doctrines of Meishu-sama as well as spiritual guidance to members of the congregation and frequenters of the general public. These activities are open to all members of the public, without any distinction of any kind.

Since end October 2021, when the existing lease of the church's premises in London came to an end, such activities have been conducted primarily online and also, with the easing of Covid restriction, at rented rooms in conference centres in London where our main services of worship and larger study sessions/lectures are now being held. Approximately 30 volunteers are currently actively involved in our activities, helping in the provision of guidance to members and frequenters.

Support is also given to a group of members in Dublin, Ireland, which throughout 2021 has been provided primarily online by means of virtual meetings, lectures, etc. In shaping our objectives for the year and planning our activities, the Trustees have paid due regard to the Charitable Company Commission's guidance on public benefit.

It is the judgement of the trustees that the activities in pursuit of the above objectives fully meet the public benefit test, which they have kept in mind in all operational and strategic planning decisions.

**Achievements and Performance**

The regular support and activities promoted by the World Church of Messiah UK have resulted in a general deepening of the understanding of the doctrines of Meishu-Sama among the followers throughout the UK. This is reflected in the number of regular volunteers involved in the activities of the Charitable Company as well as the steady number of people attending the services, lectures and study sessions of the World Church of Messiah UK regularly.

**Financial Review**

The trustees continue to apply their funds in accordance with the objectives of the charity. Total receipts, on unrestricted funds totalled £49,321 (2021 - £84,264). The charity expenditure totalled £52,475 (2021 - £37,799).

**Future Plans**

The Charitable Company's future plans involve the plan to purchase of a place of worship in London or surrounding areas, which will be fundamental in moving their charitable activities further in accordance with the objects. The Charitable Company are currently in the process of finding a suitable property, having viewed a number of places and having sufficient reserves to purchase a place of worship.

**WORLD CHURCH OF MESSIAH UK  
A COMPANY LIMITED BY GUARANTEE WITHOUT SHARE CAPITAL  
TRUSTEES' REPORT (continued)**

---

Reserves

It is the policy of the Charitable Company that the unrestricted funds, not specifically designated, should be maintained at a level equivalent to between three and six months expenditure, which is considered to be a reasonable target. As funds come exclusively from voluntary donations, it is felt that if these donations ceased a six month period should be long enough to assess why donations have ceased and to seek additional funding sources.

The current level of reserves £435,989 (2021: £439,143) is in excess of this three to six month requirement and therefore sufficient to meet their expenditure needs in the short, medium and long term. The unrestricted funds in place as at 31 January 2022 will be essential to ensure the charity remains a going concern, and to endeavour to support the expansion of other related activities, such as Nature Farming (which forms part of the objects of the Charitable Company) in the near future. The unrestricted funds in place as at 31 January 2022 will be essential to ensure the charity remains a going concern, and to endeavour to support the expansion of its activities. In particular, the Charitable Company intends to purchase property – a place of worship – in London with a view to further its objects more effectively. The unrestricted funds will be instrumental in achieving this.

**Trustees' responsibilities statement**

The trustees (who are also directors of World Church of Messiah UK for the purposes of company law) are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP 2019 (FRS 102);
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

## **Structure, governance and management**

The Trustees, who are also the Directors of World Church of Messiah UK, for the purposes of Company Law, present their Report and Financial Statements for the year ended 31 January 2021. They comply with the current statutory requirements, the Memorandum and Articles of Association and are applicable to Charities preparing accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 October 2019) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102), and the Companies Act 2006.

### Governing document

World Church of Messiah UK is a Charitable Company limited by guarantee, incorporated on 26 January 2005. Charitable Company registration was confirmed on 6 June 2006. The Company was established under a Memorandum of Association which established the objects and powers of the Charitable Company and is governed under its Articles of Association. It is registered in the United Kingdom (Co. Number 05343009). It is registered with the Charitable Company Commission under the Charities Act 2011 (Charity Number 1114568).

### Recruitment and Appointment of Trustees

The directors of the Company are also Charitable Company Trustees for the purpose of Company law and under the Company's articles are known as members of the Board of Trustees. Under the requirements of the Memorandum and Articles of Association, at each Annual General Meeting one third of the elected Trustees or such member of elected Trustees as in nearest to one third shall retire and shall immediately be eligible for re-election. The Trustees to retire shall be those who have been in office for the longest period since their last appointment or re-appointment, but as between persons who became or were last re-appointed on the same day those to retire shall be determined by a secret ballot of all the Directors.

### Risk Management

The Trustees have examined the major strategic business and operational risks which the Charitable Company faces and confirm that systems have been established to enable regular reports to be produced so that the necessary steps can be taken to lessen these risks.

The Trustees have noted that COVID-19 could have a negative impact on the charitable company's income and cash flows. They will take sufficient mitigating action where required, such as reducing expenditure such as travel, to ensure the charitable company can continue to settle its liabilities as they fall due for at least the next 12 months after the authorisation of these financial statements.

Despite the negative outcomes expected as a result of the COVID-19 pandemic during 2020/2021, the Charity has coped very well with all liabilities being met successfully, and we expect the Charity to continue to do so going forward.

### Fundraising

Fundraising statement Section 162a of the Charities Act 2011 requires charities to make a statement regarding fundraising activities.

Although we do not undertake widespread fundraising from the general public, the legislation defines fundraising as "soliciting or otherwise procuring money or other property for charitable purposes".

## **WORLD CHURCH OF MESSIAH UK A COMPANY LIMITED BY GUARANTEE WITHOUT SHARE CAPITAL TRUSTEES' REPORT**

---

Such amounts receivable are presented in our accounts as "Donations and legacies" and are all voluntary in nature.

In relation to the above we confirm that all solicitations are managed internally, without involvement of commercial participators or professional fundraisers, or third parties.

Although the Charity is not required to be bound by any regulatory scheme, the Charity complies with the relevant codes of practice. We have received no complaints in relation to fundraising activities (2020 - none).

### **Objectives and Activities**

#### ***Objectives***

The purpose of the Charitable Company is to promote and advance religion and education in accordance with the doctrines of Meishu-Sama and in particular but not exclusively to benefit the public by teaching and practice of Johrei, natural farming, artistic activities and activities to aid the preservation and regeneration of the environment.

#### ***Activities***

To achieve the objectives there are normally regular services of worship, provision of regular lectures/talks/workshops/courses on the doctrines of Meishu-Sama and spiritual guidance to the general public, as well as special visits by ministers of religion from Japan, Germany and other countries to deliver talks and workshops at the premises of the World Church of Messiah UK in London.

Starting from the first COVID-19 lockdown in March 2020, these face-to-face activities have moved online, focussing mainly of daily services of worship and regular study sessions on the doctrines of Meishu-Sama. These activities have remained online throughout the remainder of the period covered by the present report. About 30 volunteers remained actively involved in these activities, but mainly by providing guidance and support to members and frequenters online.

Support is also being given to a group of volunteers based in Dublin, Ireland, which would normally be in the form of regular visits by Ministers of Religion of the World Church of Messiah to provide spiritual guidance to this group. During the period of lockdowns in 2020, this support moved online with activities focussed on spiritual guidance and support to members and frequenters through virtual meetings, in close collaboration with the World Church of Messiah Ireland.

In shaping our objectives for the year and planning our activities, the Trustees have paid due regard to the Charitable Company Commission's guidance on public benefit.

It is the judgement of the trustees that the activities in pursuit of the above objectives fully meet the public benefit test, which they have kept in mind in all operational and strategic planning decisions.

## **Achievements and Performance**

The regular support and activities promoted by the Word Church of Messiah UK have resulted in a general deepening of the understanding of the doctrines of Meishu-Sama among the followers throughout the UK. Despite the closure of the London premises because of the COVID-19 pandemic, and all challenges individuals faced as a result of lockdowns and other restrictive measures, during most of the period covered in the present report the World Church of Messiah UK congregation remained strong in their faith, with a steady number actively participating in online activities.

## **Financial Review**

The trustees continue to apply their funds in accordance with the objectives of the charity. Total receipts, on unrestricted funds totalled £84,264 (2020 - £74,493). The charity expenditure totalled £37,799 (2020 - £49,166).

## **Reserves**

It is the policy of the Charitable Company that the unrestricted funds, not specifically designated, should be maintained at a level equivalent to between three and six months expenditure, which is considered to be a reasonable target. As funds come exclusively from voluntary donations, it is felt that if these donations ceased a six month period should be long enough to assess why donations have ceased and to seek additional funding sources.

The current level of reserves £439,143 (2020: £392,678) is in excess of this three to six month requirement and is necessary to maintain charitable operations given the current uncertainty caused by the Coronavirus Pandemic. The unrestricted funds in place as at 31 January 2021 will be essential to ensure the charity remains a going concern, and to endeavour to support the expansion of other related activities, such as Nature Farming (which forms part of the objects of the Charitable Company) in the near future. With such future investments, the Charitable Company plans to place itself in a position to further its objects more effectively.

## **Trustees' responsibilities statement**

The trustees (who are also directors of World Church of Messiah UK for the purposes of company law) are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP 2019 (FRS 102);
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the trustees are aware:

- there is no relevant audit information of which the charitable company's independent examiner is unaware; and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the independent examiner is aware of that information.

The report has been prepared having taken advantage of the small companies exemption in the Companies Act 2006.

**WORLD CHURCH OF MESSIAH UK**  
**NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 31 JANUARY 2021**  
**(continued)**

---

**1.7 Going Concern**

The financial statements have been prepared on a going concern basis which forecasts that the Company will have adequate resources to continue in operational existence for a period of at least 12 months from the date of this financial report.

The trustees have reviewed the charity's requirements to remain a going concern for a period of more than 12 months from the date of approval of these financial statements. Despite factoring in reasonable downsides to their review, the trustees are confident that the charity has sufficient resources so as to meet the liabilities of the charity as they fall due.

As part of their review the trustees have additionally considered the implications of the current Coronavirus Pandemic on the going concern assumption.

The economic impact on the charity due to the Coronavirus Pandemic is subject to an unprecedented level of uncertainty with the full range of possible effects unknown. Whilst there is evidence of potential negative effects on income and cash flows, the resulting reviews continue to support the going concern assumption and the trustees are confident they can take sufficient mitigating action to ensure that available funds will be sufficient for the charity's needs.

**1.8 Financial Instruments**

The Charitable Company only has financial assets and liabilities that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently recognised at the settlement value. All assets are recorded at cost which is their fair value.

**1.9 Cash flow statement**

The Charitable Company qualifies as a small entity under the Companies Act 2006 and as a consequence, it is exempt from the requirement to publish a cash flow statement under Section 7 of Financial Reporting Standard 102 'Cash flow statement'.

**1.10 Debtors**

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Accrued income and tax recoverable is included at the best estimate of the amounts receivable at the balance sheet date. Prepayments are valued at the amount prepaid net of any trade discounts due.

**1.11 Creditors**

Creditors are recognised where the Charitable Company has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors are normally recognised at their settlement amount after allowing for any trade discounts due.

**1.12 Key sources of judgement and estimation uncertainty**

No significant judgements, accounting policies or assumptions have been made by management in applying the Charitable Company's accounting policies.
