Structure, governance and management

Organisational Structure

As part of a broad consultation and strategy setting process, it was agreed that incorporation was a key part of the development of the church. In tandem with this, a board of trustees ("Business team") was formed in 2006. The business team has key responsibilities for financial, business, risk management and governance of the church's activities.

Alongside this team, a broader church Leadership team exists to develop the spiritual, pastoral and social aspects of church life. To ensure a consistent and integrated approach, two members have a seat on both teams.

Governing Document

The Vine (Teesside) formerly known as Yarm Vineyard Church was established in January 2003, and was formally registered as a charitable company limited by guarantee, incorporated on 9th January 2006 and registered as a charity on 5th July 2006. The company was established under a Memorandum of Association which established the objects and powers of the charitable company and is governed under its Articles of Association. In the event of the company being wound up members are required to contribute an amount not exceeding £1.

Change of Name

A resolution was passed in June 2017 to change the charity name from The Vine (Teesside) to Teesside Vineyard Church.

Objectives and activities

The Vine (Teesside) is a registered charitable company limited by guarantee. The charity operates as a church community offering religious activities and other socially beneficial community activities to the people of Teesside and the surrounding areas.

Teesside Vineyard Church (formerly The Vine Church) is part of the Vineyard Network, and our aim is to BUILD OUR CHURCH with people from all walks of life through discipleship and by doing life together, to REACH OUR COMMUNITY with the good news of Jesus, and to IMPACT OUR WORLD by training and equipping people to radically transform others across Thornaby, Teesside and beyond.

Public Benefit

We have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing our aim and objectives and in planning our future activities. In particular, the Trustee Board consider how planned activities will contribute to the aims and objectives they have set. The Trustee Board reached the conclusion that the Charity's aims and objectives did fall within the appropriate charitable purpose.

Strategic report

The following sections for achievements and performance and financial review form the strategic report of the charity.

Achievements and performance

Our Story

Teesside Vineyard is part of the Vineyard Movement: a group of churches committed to loving others with all we've got and living out all that Jesus called us to do.

Pastored by Ross & Miriam Aggett. Teesside Vineyard Church is based in Thornaby and gathers from all across the Tees Valley. Our hope; to provide spaces for people to encounter Jesus, be transformed forever and to impact the world.

Have a read of our story so far...

In the autumn of 2002, Jon & Sandra Burns gathered a group of people to meet in Yarm with the aim of starting a new church in the area - 'a church for people who don't like church' and Yarm Vineyard Church was born. In late 2009, Yarm Vineyard Church moved out of its home at Yarm School due to building works. With church members living all across The Tees Valley area, we decided the time was right for a name change to reflect the direction we were moving. Yarm Vineyard Church was then renamed 'The Vine Teesside.'

In September 2011 Jon & Sandra handed the church over to Mike & Kookie Taylor. Mike and Kookie have served churches in the United States since 1982. Their passion and love for the Tees Valley began in 2005 when Mike came and served on a short term mission trip. Mike led multiple mission teams that came and served in Teesside over the next six years and then moved his family across the pond in 2011. Their love for the area and the people of The Vine Church led them to accept the call to come and invest their lives here.

In August 2016, The Vine Church moved into St Lukes, Thornaby and in order to reflect our belonging to the Vineyard movement we have decided that another name change was necessary. From June 2017 we will be known as Teesside Vineyard and our journey continues as we BUILD OUR CHURCH, REACH OUR COMMUNITY, IMPACT OUR WORLD and live out expectantly for God to use us across the Tees Valley and beyond.

Financial review

The finances of the church remain healthy with a core group of regular donations complemented by individual contributions donated during regular church services.

The Statement of Financial Activities for the year is set out on page 6 of the Financial Statements.

Details of movements in fixed assets are set out in Note 14 to the accounts.

The unrestricted funds of the charity at 31st August 2021 amounted to £47,210 of which free reserves (that is those not tied up in fixed assets) amount to £42,739.

Reserves Policy and Risk Management

The trustees have examined the requirements for free reserves. Whilst the current level of reserves may prove sufficient, it is the trustees' view that it is prudent to ensure that there are sufficient free reserves at a level which equates to approximately six months unrestricted expenditure. This provides sufficient funds to cover support costs, management and administration.

The trustees have conducted a review of the major risks to which the charity is exposed. Any major financial risks during the year have been brought to the attention of the Trustee Board and a Risk Management Strategy is in place.

The trustees' annual report and the strategic report were approved on 8 May 2022 and signed on behalf of the board of trustees by:

Independent Examiner's Report to the Trustees of Teesside Vineyard Church

Year ended 31 August 2021

I report to the trustees on my examination of the financial statements of Teesside Vineyard Church ('the charity') for the year ended 31 August 2021.

Responsibilities and basis of report

As the trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Going concern

3. Accounting policies *(continued)*

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Short leasehold property	-	Over life time of the asset
Equipment	-	25% straight line

Defined contribution plans

Contributions to defined contribution plans are recognised as an expense in the period in which the related service is provided. Prepaid contributions are recognised as an asset to the extent that the prepayment will lead to a reduction in future payments or a cash refund.

4. Limited by guarantee

The Vine (Teesside) is a company limited by guarantee and accordingly does not have a share capital.

Every member of the company undertakes to contribute such amount as may be required not exceeding £1 to the assets of the charitable company in the event of its being wound up while he or she is a member, or within one year after he or she ceases to be a member.
