WARSOP SPORTING TRUST

REPORT OF THE TRUSTEES for the year ended 30 September 2020

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 30 September 2020. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The objectives of the charity are as follows:

To promote for the benefit of the inhabitants of Warsop and the surrounding area the provision of facilities for recreation and sport for individuals who have need of such facilities by reasons of their youth, age, infirmity or disablement, financial hardship or social and economic circumstances or for the public at large in the interests of social welfare and with the object of improving the condition of life of the said inhabitants. The advancement of physical education for young people not undergoing formal education and those who are elderly and/or disabled.

Public benefit

The trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the charity's aims and objectives for the year.

Activities for achieving objectives

In furtherance of the charitable objectives, Warsop Sporting Limited was incorporated on 28 September 2006 as a wholly owned subsidiary of the trust. Its principal activity is the provision of a bar and function facilities.

Volunteers

The company and the group is grateful for the unstinting efforts of its volunteers who are involved in service provision.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

The charity has continued to provide facilities for sports and recreation for the benefit of the inhabitants of Warsop and the surrounding area.

FINANCIAL REVIEW

Reserves policy

The charity needs reserves to enable it to meet the ongoing commitments of its general charitable activities and to meet its future operating requirements.

The usual level of reserves is judged to be appropriate for the needs of the charity. However, given present situation where the charity has been unable to hold events to provide an income source, they have relied upon donations and room hire as an income stream for most of the year. Sports England have supported the charity with a £10,000 grant and profits from the trading subsidiary of £16,596 made before the lockdown restrictions, have enabled the charity costs to be met. The trustees will review this position and policy on an annual basis. The results of the charity and the subsidiary company are given in the notes to the financial statements.

Going concern

After making appropriate enquiries, the trustees have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. Due to the Coronavirus Pandemic the trading of the subsidiary company had to stop as the doors of the facility had to close alongside all the sporting facilities in the country. Within the trading subsidiary, the Job Retention Scheme grant was utilised to ensure the continued employment of its staff and in June 2020 the outdoor spaces were reopened but have once again closed in accordance with Government guidelines. As stated above Sports England have supported the Charity with a £10,000 grant and Mr John Fretwell has confirmed his continued funding and support and for this reason they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in note 15 of the financial statements.

FUTURE PLANS

The charity will continue to provide facilities for sports and recreation for the benefit of the inhabitants of Warsop and the surrounding area.

Warsop Sporting Limited, a subsidiary of the trust, will continue with the provision of a bar and function bookings. All of this will be in line with the government guidelines surrounding the coronavirus pandemic.

During the year the charity paid grants to Welbeck Colliery Cricket Club, where one of the charity's trustees, J C Fretwell, is the club's president.

There are no further related party transactions to disclose.

15. GOING CONCERN

The company is dependent on the support of a trustee and the subsidiary company, Warsop Sporting Limited. The trustee has indicated that he intends to provide sufficient financial support to enable the company to continue its operations until at least May 2025. The subsidiary company is expected to continue to generate positive cash flows on its own account, once they are allowed to reopen and for the foreseeable future.

The trustees, having assessed the responses of both the supporting trustee and the director of Warsop Sporting Limited to their enquiries, have no reason to believe that a material uncertainty exists that may cast significant doubt about the ability of the group to continue as a going concern.

On the basis of their assessment of the company's financial position and of the enquiries made of the supporting trustee and the director of Warsop Sporting Limited, the company's trustees have a reasonable expectation that the company will be able to continue in operational existence for the foreseeable future, this is after taking into account the affect of the pandemic lockdown and being unable to fully reopen until mid 2021. Thus they continue to adopt the going concern basis of accounting in preparing the financial statements.

REPORT OF THE TRUSTEES
for the year ended 30 September 2020

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 30 September 2020. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The objectives of the charity are as follows:

To promote for the benefit of the inhabitants of Warsop and the surrounding area the provision of facilities for recreation and sport for individuals who have need of such facilities by reasons of their youth, age, infirmity or disablement, financial hardship or social and economic circumstances or for the public at large in the interests of social welfare and with the object of improving the condition of life of the said inhabitants. The advancement of physical education for young people not undergoing formal education and those who are elderly and/or disabled.

Public benefit

The trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the charity's aims and objectives for the year.

Activities for achieving objectives

In furtherance of the charitable objectives, Warsop Sporting Limited was incorporated on 28 September 2006 as a wholly owned subsidiary of the trust. Its principal activity is the provision of a bar and function facilities.

Volunteers

The company and the group is grateful for the unstinting efforts of its volunteers who are involved in service provision.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

The charity has continued to provide facilities for sports and recreation for the benefit of the inhabitants of Warsop and the surrounding area.

FINANCIAL REVIEW

Reserves policy

The charity needs reserves to enable it to meet the ongoing commitments of its general charitable activities and to meet its future operating requirements.

The usual level of reserves is judged to be appropriate for the needs of the charity. However, given present situation where the charity has been unable to hold events to provide an income source, they have relied upon donations and room hire as an income stream for most of the year. Sports England have supported the charity with a £10,000 grant and profits from the trading subsidiary of £16,596 made before the lockdown restrictions, have enabled the charity costs to be met. The trustees will review this position and policy on an annual basis. The results of the charity and the subsidiary company are given in the notes to the financial statements.

Going concern

After making appropriate enquiries, the trustees have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. Due to the Coronavirus Pandemic the trading of the subsidiary company had to stop as the doors of the facility had to close alongside all the sporting facilities in the country. Within the trading subsidiary, the Job Retention Scheme grant was utilised to ensure the continued employment of its staff and in June 2020 the outdoor spaces were reopened but have once again closed in accordance with Government guidelines. As stated above Sports England have supported the Charity with a £10,000 grant and Mr John Fretwell has confirmed his continued funding and support and for this reason they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in note 15 of the financial statements.

FUTURE PLANS

The charity will continue to provide facilities for sports and recreation for the benefit of the inhabitants of Warsop and the surrounding area.

Warsop Sporting Limited, a subsidiary of the trust, will continue with the provision of a bar and function bookings. All of this will be in line with the government guidelines surrounding the coronavirus pandemic.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

15. GOING CONCERN

The company is dependent on the support of a trustee and the subsidiary company, Warsop Sporting Limited. The trustee has indicated that he intends to provide sufficient financial support to enable the company to continue its operations until at least May 2025. The subsidiary company is expected to continue to generate positive cash flows on its own account, once they are allowed to reopen and for the foreseeable future.

The trustees, having assessed the responses of both the supporting trustee and the director of Warsop Sporting Limited to their enquiries, have no reason to believe that a material uncertainty exists that may cast significant doubt about the ability of the group to continue as a going concern.

On the basis of their assessment of the company's financial position and of the enquiries made of the supporting trustee and the director of Warsop Sporting Limited, the company's trustees have a reasonable expectation that the company will be able to continue in operational existence for the foreseeable future, this is after taking into account the affect of the pandemic lockdown and being unable to fully reopen until mid 2021. Thus they continue to adopt the going concern basis of accounting in preparing the financial statements.

WARSOP SPORTING TRUST

REPORT OF THE TRUSTEES for the year ended 30 September 2020

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 30 September 2020. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The objectives of the charity are as follows:

To promote for the benefit of the inhabitants of Warsop and the surrounding area the provision of facilities for recreation and sport for individuals who have need of such facilities by reasons of their youth, age, infirmity or disablement, financial hardship or social and economic circumstances or for the public at large in the interests of social welfare and with the object of improving the condition of life of the said inhabitants. The advancement of physical education for young people not undergoing formal education and those who are elderly and/or disabled.

Public benefit

The trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the charity's aims and objectives for the year.

Activities for achieving objectives

In furtherance of the charitable objectives, Warsop Sporting Limited was incorporated on 28 September 2006 as a wholly owned subsidiary of the trust. Its principal activity is the provision of a bar and function facilities.

Volunteers

The company and the group is grateful for the unstinting efforts of its volunteers who are involved in service provision.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

The charity has continued to provide facilities for sports and recreation for the benefit of the inhabitants of Warsop and the surrounding area.

FINANCIAL REVIEW

Reserves policy

The charity needs reserves to enable it to meet the ongoing commitments of its general charitable activities and to meet its future operating requirements.

The usual level of reserves is judged to be appropriate for the needs of the charity. However, given present situation where the charity has been unable to hold events to provide an income source, they have relied upon donations and room hire as an income stream for most of the year. Sports England have supported the charity with a £10,000 grant and profits from the trading subsidiary of £16,596 made before the lockdown restrictions, have enabled the charity costs to be met. The trustees will review this position and policy on an annual basis. The results of the charity and the subsidiary company are given in the notes to the financial statements.

Going concern

After making appropriate enquiries, the trustees have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. Due to the Coronavirus Pandemic the trading of the subsidiary company had to stop as the doors of the facility had to close alongside all the sporting facilities in the country. Within the trading subsidiary, the Job Retention Scheme grant was utilised to ensure the continued employment of its staff and in June 2020 the outdoor spaces were reopened but have once again closed in accordance with Government guidelines. As stated above Sports England have supported the Charity with a £10,000 grant and Mr John Fretwell has confirmed his continued funding and support and for this reason they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in note 15 of the financial statements.

FUTURE PLANS

The charity will continue to provide facilities for sports and recreation for the benefit of the inhabitants of Warsop and the surrounding area.

Warsop Sporting Limited, a subsidiary of the trust, will continue with the provision of a bar and function bookings. All of this will be in line with the government guidelines surrounding the coronavirus pandemic.

15. GOING CONCERN

The company is dependent on the support of a trustee and the subsidiary company, Warsop Sporting Limited. The trustee has indicated that he intends to provide sufficient financial support to enable the company to continue its operations until at least May 2025. The subsidiary company is expected to continue to generate positive cash flows on its own account, once they are allowed to reopen and for the foreseeable future.

The trustees, having assessed the responses of both the supporting trustee and the director of Warsop Sporting Limited to their enquiries, have no reason to believe that a material uncertainty exists that may cast significant doubt about the ability of the group to continue as a going concern.

On the basis of their assessment of the company's financial position and of the enquiries made of the supporting trustee and the director of Warsop Sporting Limited, the company's trustees have a reasonable expectation that the company will be able to continue in operational existence for the foreseeable future, this is after taking into account the affect of the pandemic lockdown and being unable to fully reopen until mid 2021. Thus they continue to adopt the going concern basis of accounting in preparing the financial statements.
