Objectives and activities

The objects of the charity are to pay and apply and appropriate the whole of the Trust Fund to those purposes both in the United Kingdom and abroad recognised as charitable by English Law. In furtherance of its objects the charitable trust continued to:

- a) Fund and support Jewish Communities throughout the world.
- b) Fund and support the promotion of the Jewish faith worldwide.
- c) Fund and support medical research and health care provision worldwide.

The trustees consider that the charitable expenditure during the period under review was wholly in accordance with the objects of the charity. The trustees are responsible for the preparation of the financial statements for each period and for keeping proper accounting records. The trustees consider that prudence demands that they build up and thereafter maintain sufficient reserves to be able to fund the cost of the annual direct charitable expenditure over a reasonable period of time. The trustees have assessed the major risks to which the charity is exposed and are satisfied that systems are in place to mitigate such risks.

INVESTMENT

The trust deed authorises the trustees to make and hold investments.

In light of current economic conditions the trustees consider it prudent to continue their existing investment policy.

Achievements and performance

The charity is organised so that the trustees meet regularly to manage its affairs. There are no paid employees and all administration work is carried out on a voluntary basis by the trustees.

During the period, the charity's funds have been applied in furtherance of its objectives and the day to day running of the charity. In the period to 5 April 2025, incoming resources amounted to £120,000 (2024: £100,000) and resources expended amounted to £108,437 (2024: £134,751). At 5 April 2025, the charity had a total unrestricted fund balance of £19,658 (2024: £8,095). There have been no changes in the accounting policies of the charity during the period.

RESERVE POLICY

The trustees have reviewed the charity's needs for reserves in line with the guidance issued by the Charity Commission and have concluded that the general reserves amounting to £19,658 (2024: £8,095) are necessary to maintain the day to day running of the charity and to achieving its objectives.

RISK MANAGEMENT

The trustees have assessed the major risks to which the charity is exposed and are satisfied that systems are in place to mitigate such risks.

PUBLIC BENEFIT

The trustees have considered the guidance published by the Charity Commission and believe that the charity in carrying out its objectives, fully complies with these requirements. In carrying out this review the trustees have considered the Charity Commission's general guidance on public benefit and in particular its supplementary public guidance on the advancement of religion for the public benefit.

FUNDING

The charity does not partake in external funding activities.

Plans for future periods

The trustees intend to continue performing at similar levels to current year which has been most satisfactory. Substantial donations will continue to be paid to various institutions.

The Peires Family Foundation
Independent Examiner's Report to the Trustees of The Peires Family
Foundation

Year ended 5 April 2025

I report to the trustees on my examination of the financial statements of The Peires Family Foundation ('the charity') for the year ended 5 April 2025.

Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

There are no material uncertainties about the charity's ability to continue.

Disclosure exemptions

The entity satisfies the criteria of being a qualifying entity as defined in FRS 102. As such, advantage has been taken of the following disclosure exemptions available under paragraph 1.12 of FRS 102: (a) No cash flow statement has been presented for the company. (b) Disclosures in respect of financial instruments have not been presented.

Judgements and key sources of estimation uncertainty

These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

3. Accounting policies *(continued)*

Incoming resources

All income is included in the statement of financial activities when entitlement has passed to the charity, it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income: - income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Financial instruments

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument. Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument. Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.
