### **Report of the Trustees for the Year Ended 30th June 2022**

#### **Structure, Governance and Management**

##### Governing Document

The Sylvia Webber Trust was established on 13<sup>th</sup> February 2006 by a Trust Deed which was subsequently amended on 12<sup>th</sup> July 2006.

It is governed by a Trust Deed and is controlled by a Board of Trustees.

##### Role of Board of Trustees

The role of the Board of Trustees is to oversee the overall direction and activities of the charity, including its policies and procedures, to ensure that they are consistently in accordance with the charitable purposes defined in the objects clause in its constitution. The Board of Trustees confirms and monitors the strategic direction of the charity.

The Trustees meet regularly to monitor progress and to take decisions concerning the strategic direction of the charity.

##### **Objectives**

The objectives of the charity are:

1. To advance education (including social and physical education) of children and young adults in the United Kingdom or Israel by the provision of grants, clothing, tools, instruments and other such items as deemed necessary by the Trustees.
2. To support the Jewish institutions in the advancement of Jewish religion and/or education for children and young adults in the United Kingdom or Israel.
3. To support Jewish institutions which assist provision of facilities in the interests of social welfare for recreation or other leisure time, occupation for children and young adults in the United Kingdom or Israel with the object of improving their conditions of life
4. To relieve financial hardship, sickness or distress and further general charitable purposes for children and young adults resident in the United Kingdom or Israel who are in need of such help.

##### **Achievement and Performance**

The income of the Trust has been maintained from dividends received from its shares in the Brymore Group. In view of this income stream, which it is realistically expected to continue in the future at this year's level. Last year the Trust decided to provide £60,000 per annum for three years to finance the rebuilding of a children's' house in the Carmel Children's' Village in Israel. The second instalment became due this year, but payment was deferred due to slow progress on the project. Further updates are awaited, and this instalment will be paid when the Trustees are satisfied on the progress. The Trust agreed to continue its support of those the organizations which it has done in the past. The Trustee made several grants to organizations providing social and welfare facilities in the UK and Israel.

The Trustees consider that the grants made during the year meet the objects and purposes of the Trust.

#### **Reserves Policy**

In view of the assurance of a steady income flow from the Brymore Group, and in view of the pressure on charities due to the Covid epidemic, the Trustees felt that all funds available should be used to support its charitable aims. The policy will be reviewed in future years.

#### **Plans for the Future**

The main plan for the year ahead is the continuing development and expansion of our ability to help all those who fall into our "Objectives" category.

#### **Trustees**

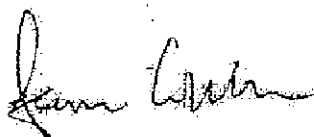

The Trustees are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and the United Kingdom Generally Accepted Accounting Practice applicable to small charities.
