HOREB OF GOD PARISH  
Trustees' Report**

The Trustees present their report and the financial statements for the year ended 31 December 2022. The financial statements have been prepared in accordance with the Statement of Recommended Practice (SORP 2005) and applicable law.

**Structure, governance and management**

Horeb Of God Parish Church is governed by an Approved Governing Document which states that the principal purpose of the church is the advancement of the Christian Faith according to the principles of the Worldwide Celestial Church Of Christ to include the advancement of education, community service and such other general charitable purposes in such parts of the United Kingdom and the world as the Church shall determine.

Horeb of God Parish is a rented Property and we are striving to buy a property that will help to maximize our charitable functions (training, educational and seminars). Members of the Church are accepted in accordance with the Constitution which requires to be baptized after one Year

Members are encouraged to take an appropriate part in the spiritual and practical tasks involved in furtherance of the charitable objective.

Relevant matters may be submitted to the Church meeting by the Trustees for guidance, or may be raised by members in Church meeting for further consideration by the Trustee. Though the Constitution permits decisions to be made at Church meetings by appropriate majorities, the Church seeks to work by consensus wherever possible.

In order to achieve the principal objective which is set out above, the Church provides a variety of activities both to its membership and to the community generally. The aim is to show the love of Jesus Christ in both word and deed and to bring people into a closer relationship with Our Lord Jesus Christ as living Lord.

Central to the work and witness of the Church is the provision of regular public services of Christian worship. These services take place each Sunday 10:00am, Wednesday 7:00pm and Bible Class After Friday: 7:00pm

There are also occasional services at other times which are advertised on the Church Notice Board.

There is a full children's programme during the Sunday services.

The church seeks to be a friendly and welcoming community and anybody is free to attend any of these services and Seminars. The 3rd Sundays of the Month is set aside for full Youth Participation in Sermon, Evangelical and Prophetic Services and Seminars.

The Church runs a series of house groups for the growth of faith and discipleship in the homes of some members, and further details of these can be obtained from the Trustees on request, or at the Sunday services of worship.

The Church operates systems to ensure that all people working with children and vulnerable adults are appropriately vetted with regard to the Criminal Records Bureau.

The church has read the Charity Commission guidance on public benefit, and is satisfied that the activities outlined above clearly demonstrate that the charity is providing a benefit to the public.

## **Achievements and Performance**

We welcome you all to this Annual General Meeting and it has been another challenging year for the Parish.

We are not just a church to serve our God but also to extend hand of fellowship to the community and especially the vulnerable old and young people.

As we are aware we offer services/prayer session at awkward times virtually for the needy, we also have new arrivals who are student in the United Kingdom who needs all sorts of support, this is to inform and encourage ourselves of the needs ahead.

The resources both technical and human are increasingly becoming daunting and hence the need to think of cost to improve in this area.

I cannot praise you all enough for the dedication and selflessness you have exhibited all these times.

A huge thank you to all the parishioners for your continued support and you have really gone the extra mile."

Very quickly this Church has evolved to enable us to continue to serve our Parishioners without as much disruption as possible." communication with our members has been a priority and we have been communicating with all members with social media for all updates which includes WhatsApp's, Emails, Facebook and Zoom and of recent we added Instagram (IG) the church has been a visible supporting member with all spiritual and daily living concerns."

Obviously, a busy year with increased average of Prayer and fasting for the members and even the community."

We also bought goodies to distribute to the families in the community, we are also on ground in some local communities to feed and train young girls and boys in skill acquisition such as pastry, painting, and event planning through FOREHOREB UK.

The church is back and activities are revitalised but reality is that we need funding to stay afloat as people needs are not only prayers, we need to support the community more via feeding, charitable activities.

The Church will look into Learning and Organizing opportunities for our members and this will be developed throughout this 2023.

Collectively we can all make a difference please think seriously about becoming a good christian and a pragmatic one at that this year and make the difference serving the church and the community.

Our charity status demands that we function more effectively, in the means of reaching out to both immediate and overseas communities.

There is a greater need which are very pressing in the following areas:"

Adolescent issues in the black community.

1. Women and single parents

2. Elderly care

3. Homelessness & Statistics both locally and nationally paint different images in comparison to the reality of these situations in the communities.

We can never truly see the impact of these issues unless we are present in these areas ourselves.

I believe that it is time for us as a charity organisation to look further field for support from other well-meaning organisations as to ease the burden on our own financial situation.

We are also campaigning for changes in all strata of Mankind.

We thank the elders for the hard work and support which we once again, I know all of us are doing our best and we should not be daunted by the enormity of the challenge that we face.

It is my hope and prayer that your individual effort shall not go in vain.

Over the years CCC Horeb of God Parish, has focused her attention not only on the spiritual growth of its members but also on their personal, psychological and social wellbeing.

This is made more prominent because of modern day challenges that is facing not only the adults but children and youths of today.

We see it has our spiritual obligation to see to the wellbeing of our members principally in supporting them in areas they cannot access. There is a great rise in nervous breakdown and mental breakdown and such challenges are what people face today, and help is non-existent or not adequate, therefore the church as a charity entity is a sanctuary that people run to as their last result. This parish has been blessed with able bodied men and women who are professionals in their own calling bringing in their expertise to help and assist whenever it is needed. We can assert that we are overstretched this year and that we are cash strapped as a result, what with the cost of running the church vis a vis rent, stipend and bills. But as a church we cannot fold our hands and feel unconcerned.

Finally, I want to thank all for steering this church, and parishioners safely through this difficult time. I appreciate that the majority of this report has been to thank people and hope this 2023 will be a better Year.

Thank You

#### UPDATES ON CHARITY WORK IN NIGERIA

We Shipped Clothing, Food and Toys and Children Books of Educational Materials to Nigeria and continually sponsoring 3 Children in School in the Last 5 Years and 2 pupils gained admission to study petroleum engineering and agricultural engineering respectively and hence increased financial responsibility to the beneficiaries and the 3rd beneficiary is telling us she wants to study medicine. We also feed in the East London Community.

#### CHURCH PROPERTY

We cannot but emphasise the importance of having a building of our own whereby we can compartmentalize departments day center, weekend coaching and food bank which are relevant to our functions.

Once again, I use this occasion to wish you a more fruitful years ahead.

The financial results for the year, together with a summary of the accounting policies adopted are set out in the accompanying financial statements.

The Trustees have established a Reserves Policy, and are still struggling to have sufficient fund to run the Church, but with ongoing income anticipated, to enable the church to function effectively in the coming year.

The Trustees have made an assessment of the major risks facing the church, and are satisfied that there are policies in place to minimise these risks.

Charity Law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity at the year end and of its incoming resources and resources expended for that year. In preparing those financial statements the trustees are required to;

- select suitable accounting policies and apply them consistently,
- make judgement and estimates that are reasonable and prudent,
- prepare the financial statements on the ongoing concern basis unless it is inappropriate to presume that the charity will continue in operation

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statement comply with the Charities Act 1993. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

HOREB OF GOD PARISH  
Accounts for the year ended 31 December 2022**

**Independent Examiner's Report**

We report on the accounts for the year ended 31 December 2022, which are set out on pages 6 to 11.

**Respective responsibilities of trustees and examiner**

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to;

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act), and
- to state whether particular matters have come to my attention.

**Basis of Independent examiner's report**

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

**Independent examiner's statement**

In connection with my examination, no matter has come to my attention;

- (1) which gives me reasonable cause to believe that in any material respect the requirements:
  - to keep accounting records in accordance with section 130 of the Charities Act;
  - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act have not been met; or
- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
