**SUTTON CHRISTIAN CENTRE TRUST**  
**REPORT OF THE DIRECTORS**  
**FOR THE YEAR ENDED 31 OCTOBER 2022**

The Directors, who are also trustees of the charity, present their annual report and the financial statements for the year ended 31 October 2022, which comply with current statutory and accounting requirements.

**About Sutton Christian Centre Trust and its principal activities**

Sutton Christian Centre Trust is a registered charity legally organised in the form of a company limited by guarantee and governed by its Articles of Association. The Board of Trustees are the members of the company and their liability in the event of the company being wound up is limited to £1 each.

The company was incorporated on 17 July 2006 to take over the activities of Sutton Christian Centre Trust, a registered charity created by a trust deed dated 31 December 1985. The company became a registered charity (Charity Number 1115813) in England and Wales on 15 August 2006, its overall purpose being to proclaim the gospel of Jesus Christ. Its charitable objectives are to advance the Christian faith in the United Kingdom or overseas, to further religious or secular education, to give relief to the poor and needy, and to help and comfort the sick and aged.

The Directors seek to achieve the company's charitable objectives by maintaining a centre of worship and fellowship, by regularly meeting for fellowship and prayer, by the baptising of believers by total immersion, by the dedication of infants and by the solemnisation of marriages. We run Sunday meetings where we preach the gospel, teach from the Bible and pray. The Church is split into small groups for pastoral care, we provide a wide range of activities for children and young adults and we reach out to Sutton's elderly through our ROSE ministries – a coordinated ministry with a specific vision to reach the elderly in our community for Christ. We host other activities to which all in our community are welcome.

**Governance**

The Company is controlled by a Board of Directors who also serve as trustees of the Charity. The Directors set out the vision, direction and strategies for the successful fulfilment of the company's purposes and continuing development. They are volunteers and do not receive any remuneration for their service. The current membership of the Board is set out in the Legal, Administrative and Professional Information page of these financial statements. New Directors are appointed by the existing Directors. The Directors receive training by holding regular accountability sessions with our apostolic cover, Ray Djan, and holding Away Days.

The Directors are supported in their role by a Board of Deacons who oversee the day-to-day administration of the Company and ensure that the policies set out by the Directors are implemented. Deacons are elected by the church members to serve a term of two years each and can be re-elected. They do not receive any remuneration for their service.

**Grant making policy**

The recipients of grants are usually organisations or individuals known to church members and grants given are approved by Directors and/or Deacons. The amounts earmarked to be given but not yet passed over to recipients at the year-end are set aside in the reserves.

**Investment powers and policy**

Directors have powers to invest surplus funds at their absolute discretion. Funds in excess of our day to day needs are held in bank deposits with UK banks. The Directors believe this represents the best balance of good returns, good service and a safe place to keep our money.

**Risk assessment**

The Directors examine regularly the major risks facing the company and ensure that systems are established to enable the necessary steps to be taken to lessen these risks.

**SUTTON CHRISTIAN CENTRE TRUST  
REPORT OF THE DIRECTORS  
FOR THE YEAR ENDED 31 OCTOBER 2022**

**Review of the Year**

This year we continued to hold our services in the church building, and we recorded services and streamed them on YouTube. This helped many people who could not attend or preferred to stay at home during this period, and it also enabled us to reach people who do not normally attend Sutton Christian Centre.

We continued to articulate our vision using our mission which is:

*To be a loving family church, where people of all ages, races, cultures, abilities, and backgrounds can experience the love of Jesus, be transformed by His word, discover their calling, and lovingly serve and connect others to Christ.*

In practical terms this is shown up strongly through our small groups, called Connect Groups, who met together regularly and helped people in their groups. Running the meetings virtually via Zoom appear to have enabled more people to attend and some groups increased the number of meetings that they had. We encourage everyone to join a Connect Group as these groups play a very important role in church life. It is where strong relationships are built, prayer needs are met, people grow and develop. The leaders of these groups are vital to the health of the church, and we thank them for their service and dedication.

Prayer is an important element of any church. There is a lot of prayer through the Connect Groups, the Wednesday prayer meeting and we have a prayer chain where we can get prayer request out to everyone in the church very quickly. We have a monthly church prayer meeting in addition.

Another group which has really flourished is the ladies' meetings. The breakfast meetings have been very positive with ladies being blessed and greatly encouraged.

The children and youth meetings have moved to face to face meetings which helps all the age groups. The local school no longer allows us to use their premises on Sunday morning so there is a real squeeze to get the creche, beginners, Kings Club, and the youth in the premises at the same time. We are currently considering options to alleviate this squeeze but delighted that despite these difficulties, much care and nurturing has taken place through the dedicated teams.

The youth went to a youth camp called DTI (Dream The Impossible) during the summer holidays. It proved to be a wonderful success with testimony after testimony from the youth who went. Five of them made decisions to accept the Lord as their saviour. Thank you to all the leaders and helpers who took part.

On June the 5<sup>th</sup> we had a special service to celebrate the Queens Platinum Jubilee, attended by the Mayor of Sutton, Cllr. Trish Fivey. We had a tent in the car park and provided breakfast rolls and a hot drink while inviting our neighbours to join us. The late Queen had such a strong faith and made no secret of her belief and trust in God which spoke to many people. We celebrated with many people giving thanks to God for Her Majesty.

Sadly, one of our members, Marion Browne, passed on and went to be with their Lord and Saviour. Marion and her family were the first family of Afro-Caribbean background to join the church several years ago and were always a special blessing. She served in the creche for many years and only stopped when her knees caused her too much pain. We mourn with her family for their great loss while we rejoice in that Marion was such a strong Christian whose faith shone brightly. The service was broadcast on YouTube and large numbers of people watched the service and saw the witness of a strong believer.

**SUTTON CHRISTIAN CENTRE TRUST**  
**REPORT OF THE DIRECTORS**  
**FOR THE YEAR ENDED 31 OCTOBER 2022**

The church continues to give 10% of its income to missions and also has a fund to help those in need. One of the charities we give to in India has helped thousands of children and adults and we rejoice in God's goodness and pray for a continued blessing on all involved in this work. At Christmas a special offering was taken as usual, and the money was given to those who needed help.

The church has a wonderful and dedicated group of leaders, all who volunteer their time, and this year, the role of those who broadcast our services have been especially crucial. We sincerely thank each one for all that they do. We are blessed to have Ric Adams and Allison Marsh as key staff, and we thank them for all that they do, often going "far beyond". We are also blessed to have Ray Djan as our covering apostle, supporting and guiding the elders, and we thank him for his service.

As the year progressed, we were able to give many the opportunity to speak or lead during our Sunday morning services. There is so much talent and ability. We will continue this policy of giving people opportunities and marvel that God has brought these people with such gifts to us.

The church also has a wonderful worship team and worship is a strong part of our culture. These dedicated people give their time and talent to us week after week, leading us again and again into God's presence. We have also had some special worship nights with Merland Rise Church which have been very enjoyable times.

The church has been known for many years as the church that goes to elderly folks' homes which we did for nearly 50 years and saw hundreds make decision. COVID meant that we could no longer visit the home, but we are so pleased that Mercia Macdonald has taken the challenge of leading this work and now three homes have visits and services.

As we finish the financial year, we look forward to a new meeting called Cornerstone which is specifically aimed at adults with learning difficulties. We also will start a series on 'The church that God wants us to be' next January, and we look forward to celebrating the church's 125<sup>th</sup> anniversary in the summer.

#### **Public Benefit**

Sutton Christian Centre has a strong belief that we should benefit the community and that we are community minded. The trustees have had regard to the Charity Commission's guidance on public benefit when considering their activities. Some of the activities this financial year which are of direct benefit are:

- Our premises are used to host a weekly table tennis session to which everyone is welcome.
- We run a youth club.
- We visit several elderly folk's homes and act as Chaplain to some.
- We belong to Sutton LinK partnership which looks at health issues in Sutton.
- We donate to the Sutton Foodbank scheme.
- We encourage our members to be active in the community from school governors to those who help local government.
- We help and donate to other charities.
- We run a children and mum's group that is open to the entire community.

#### **Financial review and reserves**

At the end of this financial year, unrestricted funds amounted to £983,286 of which £205,971 is freely available and £777,315 is invested in fixed assets, including the church building at Tate Road. The building was professionally re-valued at £700,000 in October 2007 and this was treated as deemed cost on transition to FRS 102. Restricted funds include £90,572 donated towards the development of the church building in due course.

**SUTTON CHRISTIAN CENTRE TRUST  
REPORT OF THE DIRECTORS  
FOR THE YEAR ENDED 31 OCTOBER 2022**

In order to ensure that the trust can continue to operate effectively should it experience a significant drop in income, it must hold reserves at a level that the Directors consider to be sufficient. The Directors adopt a risk-based approach to determining the minimum reserves that would be required to sustain the charity over twelve months. Thus, each line of income and expenditure budget was risk-adjusted, resulting in a need to hold a minimum of £59,650 in free reserve. Based on the budget for 2022/23, this is equivalent to around 18 weeks of expenditure. However, additional reserves are needed to replace fixed assets at the appropriate time and the Directors would like to gradually build up reserves to enable the charity to purchase a new building or redevelop Tate Road.

**Statements of Directors' Responsibilities**

The directors (who are also trustees of Sutton Christian Centre Trust for the purposes of company law) are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the directors to prepare financial statements for each financial year which gives a true and fair view of the state of affairs of the charitable company and of the income and expenditure of the charitable company for that period. In preparing those financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The Directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The directors are responsible for the maintenance and integrity of the corporate and financial information included in the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

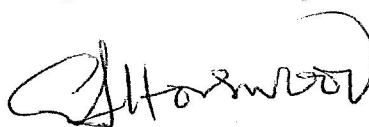

This report has been prepared in accordance with the special provisions relating to small companies within Part 15 of the Companies Act 2006.

SUTTON CHRISTIAN CENTRE TRUST  
FOR THE YEAR ENDED 31 OCTOBER 2022**

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 October 2022 set out on pages 8 to 16.

**Responsibilities and basis of report**

As the charity's trustees (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

**Independent examiner's statement**

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and the Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

**b) Fixed assets**

Assets purchased or donated for charity use are included in the balance sheet at their cost or the Directors estimation of cost.

Building improvements	-	15 years
Industrial boiler	-	15 years

Motor vehicles	-	4 years

**d) Income**

Income is accounted for when the conditions of entitlement, probability and measurability are met.

**j) Creditors and provision**

Creditors and provisions are recognised where the charity has a present obligation arising from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably.
