Trustees Responsibilities.

Laws applicable to charities in England and Wales require the Trust to prepare financial statements for each financial year which give a true and fair view of the Foundation's financial statements. The Trustees should follow best practice and:

- select suitable accounting policies and then apply them consistently:
 - make judgments and estimates that are reasonable and prudent:
 - state whether applicable accounting standards and the recommendations of the Statement Of Recommended Practice "Accounting by Charities" issued in March 2005 have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy the financial position of the charity and which enable them to ensure that the financial statements comply with the Charities Act 1993, Statement Of Recommended Practice "Accounting by Charities" issued in March 2005, and the trust deed. Independent Examiners Report to The Trustees of Global Help For The Period Ended 10th October 2020

We report on the accounts of the Trust for the year ended 10th October 2020, which are set out on pages 7 to 12.

Respective Responsibilities of Trustees and Independent Examiner.

The charity's Trustees are responsible for the preparation of the accounts. The charity's Trustees consider that an audit is not required for this year (under section 42(2) of the Charities Act 1993 (the 1993 Act, as amended by the Charities Act 2006) and that an independent examination is needed.

It is our responsibility to:

- Examine the accounts (under section 43(3) of the 1993 Act)
- To follow the procedures laid down in the General Directions given by the Charity Commissioners (under section 43(7)(b) of the 1993 Act; and
- To state whether particular matter have come to our attention.

Basis of Independent Examiner's Report.

Our examination was carried out in accordance with the General Directions given by the Charity Commissioners. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and the seeking of explanations from you as Trustees concerning such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and, consequently, no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent Examiner's Statement.

In connection with my examination, no matter has come to our attention which gives us reasonable cause to believe that, in any material respect, the requirements:

- to keep accounting records in accordance with s.41 of the 1993 Act; and
- to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 1993 Act have not been met.

No other matter has come to our attention with our examination to which, in our opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

1. Accounting Policies

Accounting Convention

The principal accounting policies are summarized below. The accounting policies have been applied consistently throughout the year and in dealing with items which are considered material to the charity's financial statements.

Basis of Preparation

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2007), the **Statement of Recommended Practice 'Accounting and Reporting by Charities'** issued in March 2005 (SORP 2005) and the **Companies Act 1985**.

Incoming Resources

All incoming resources are included in the statement of financial activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income:

Voluntary income is received by way of donations & gifts and is included in full in the statement of financial activities when receivable. Grants where entitlement is not conditional on the delivery of a specific performance by the charity are recognised when the charity becomes unconditionally entitled to the grant.

Donated services and facilities are included at the value to the charity where this can be quantified. The value of services provided by volunteers has not been included.

Gifts donated for resale are included as incoming resources within activities for generating funds when they are sold.

Grants, including grants for the purchase of fixed assets, are recognised in full in the statement of financial activities in the year in which they are receivable.

Resources Expended

Expenditure is recognised on an accrual basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services or its beneficiaries.

Investment

Fixed asset investments are revalued annually by trustees on an open market basis. No depreciation is provided on properties or on leasehold investment properties where the unexpired lease term exceeds 20 years.

Donations Paid

The financial statements reflect donation on the basis of actual receipt and payment made during the period under review.

Taxation

No provision has been made for taxation on the basis that the charity has been granted exemption from tax under **'S505 Income and Corporation Taxes Act 1988**.
