Independent Examiner's Report on the Accounts

I report on the financial statements for the year ended 31st March 2021 which comprise the Statement of Financial Activities, the Balance Sheet and the related notes set out on pages 7 to 10.

Respective responsibilities of trustees and examiner

The charity's trustees consider that an audit is not required for this year under the Charities Act 2011 (the Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Act,
- to follow the procedures laid down in the General Directions given by the Charity Commission (under section 145(5)(b) of the Act), and
- to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination was carried out in accordance with General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the accounts.

Independent examiner's statement

In connection with my examination, no matter has come to my attention to indicate that:

- accounting records have not been kept in accordance with section 386 of the Companies Act 2006;
- the accounts do not accord with such records:
- where accounts are prepared on an accruals basis, whether they fail to comply with relevant accounting requirements under section 396 of the Companies Act 2006, or are not consistent with the Charities SORP (FRS102)
- any matter which the examiner believes should be drawn to the attention of the reader to gain a proper understanding of the accounts.

(c) Expenditure

All expenditure is accounted for on an accruals basis. Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party. It is probable that settlement will be required and the amount of the obligation can be measured reliably.

Costs are allocated to a category either because such costs are directly incurred in relation to such category, or because they are support costs in respect of which an apportionment has been made between the categories.

Support costs consist of infrastructure costs for salaries, premises, office administration. Such costs are apportioned on a reasonable and consistent basis to the various categories with a view to determining, as accurately as possible, the total resources expended for each category. The basis of apportionment used is either a function of staff time applied to a given activity, or an estimate of the proportion of costs associated with the same, or a combination of both.

Direct and Support costs are separately shown by natural classification in Note 5 to these accounts for each category of cost.

(d) Taxation

The company as a registered charity (number 1115881) is exempt from taxation on most investment income insofar as it is applied for charitable purposes. The company is also exempt from taxation on capital gains.

(f) Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.
