Achievements and Performance

Trustees and charity management:

Hexham Community Church (HCC) has 5 Trustees, taking responsibility for legal, compliance and finance issues, assessing risk and have drawn up policies to minimize this. The Church is a Charitable Incorporated Organisation and has charitable status. HCC is an active member of Hexham Churches Together.

Leadership:

HCC is spiritually led, under God's direction, by a team of Elders who meet with the Trustees regularly. The Church is part of Taking Ground, a group of seven churches based in the Northeast of England.

Pastoral and relational activity - caring for church members:

Support and encouragement is provided across the Church family, by means of small groups. Opportunities to serve others in the Church and in the wider community help to enhance personal wellbeing.

REPORT OF THE TRUSTEES
for the year ended 31st December 2024 (Continued)

Achievements and Performance (continued)**Church Life:**

Sunday services remain the main church gathering each week, with Betel of Hexham holding a service one Sunday a month, and Messy Church, (church aimed mainly at families), also meeting monthly. The remaining Sundays focus on teaching, worship and encouragement. Over the year, the congregation of HCC continued to grow, through both new commitments to faith, and people relocating to Hexham and choosing to worship with us. The growing work with children and young people has been enhanced by the appointment of a part-time youth worker by the Church.

Outward focused activity - reaching out to our communities:

HCC volunteers continue to serve the older members of the community with a weekly lunch club, while adults with additional needs are supported with the twice monthly My Time! event.

- Several *Alpha* courses (an introduction to the Christian faith) were held over the year, with a number of those who attended coming to faith in Christ and becoming members of HCC
- *Eden Hexham* – Support and encouragement for the community in a needy area of the town continues, with community drop ins and work such as tidying the area and gardening work. Three days of holiday activities for children proved popular in August.
- *The Community Grocery*, also in the East End of Hexham, continued to provide affordable food and reduced waste, and was very popular with local residents, and also with people from further afield. As with Eden, this development is linked to the ministry of the Message Trust.
- *Core Foundations*, a Christian charity focused on providing housing for those in need has been set up with several church members actively engaged with the project. During the past year, one Hexham house has been purchased and renovated and now providing accommodation for two women.
- *Texan mission to Hexham* – As in previous years, a team from Waco in Texas visited local Schools, renewing links with local young people and local people in the Eden Lounge. A DJ night in the Church was particularly popular.

Financial position:

The finances of the Church reflect the faithful commitment of church members, and adequate reserves are held in line with the policy of the Trustees. The Church again received grant support from external sources.

Conclusion:

During 2024, HCC continued to achieve its charitable objective of advancing the Christian faith through Sunday services, week-night group activities and work in the community, which have all focused-on faith in Jesus Christ in the communities where our members live, educated and work.

The Trustees would like to thank all the Church congregation who have given so freely their time, talents and money to make possible the activities reported above and more that space does not allow us to mention. Without all these contributions Hexham Community Church would be unable to offer so much to the people of Hexham and surrounding areas. The Trustees can confirm that the activities provided are available to and provided for the benefit of everyone, of any or no faith. The Trustees believe the Hexham Community Church charity is continuing to thrive and to fulfil all its charitable objectives.

Financial Review

The total income for the year was £224,148 and total expenditure on charitable activities amounted to £227,900. The balance on unrestricted funds at the year end was £251,343 and on restricted funds £84,117. The main source of income for the year was donations.

3.

Reserves Policy

The balance on unrestricted reserves at the balance sheet date, excluding fixed assets, was £124,642. This represents approximately 12 months of expenditure. The trustees policy is that free reserves should be a minimum of £68,400 which is approximately 6 months of expenditure (£11,400 per month). The level of reserves at the balance sheet date is higher than the minimum and is considered reasonable in view of working capital requirements and the major risks to the Charity. These risks include possible losses in funding and the continuing possibility of significant property and repair costs.

NOTES TO THE ACCOUNTS
for the year ended 31st December 2024

1. Accounting Policies

The principal accounting policies adopted, judgments and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

a) Basis of Preparation

The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities (second addition) preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued in October 2019 and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011.

Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

The charity constitutes a public benefit entity as defined by FRS 102.

The Trustees consider that there are no material uncertainties about the Charity's ability to continue as a going concern.

b) Income Recognition Policies

Items of income are recognised and included in the accounts when all of the following criteria are met:

- The charity has entitlement to the funds;
- any performance conditions attached to the items of income have been met or are fully within the control of the charity;
- there is sufficient certainty that receipt of the income is considered probable; and
- the amount can be measured reliably.

Income received in advance of a specific performance or provision of other specified service is deferred until the criteria for income recognition are met.

c) Donated Services and Facilities

In accordance with the Charities SORP (FRS102) the general time of volunteers is not recognised in the accounts.

d) Interest Receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Charity; this is normally upon notification of the interest paid or payable by the bank.

e) Fund Accounting

Unrestricted funds are available to spend on activities that further any of the purposes of the Charity. Designated funds are unrestricted funds of the Charity which the trustees have decided at their discretion to set aside to use for a specific purpose. Restricted funds are donations which the donor has specified are to be solely used for the particular areas of the Charity's work or for specific projects being undertaken by the Charity.

NOTES TO THE ACCOUNTS
for the year ended 31st December 2024 (continued)

f) Expenditure and Irrecoverable VAT

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably. Expenditure is classified under the following activity headings:

- Expenditure on Charitable activities includes the cost of running the church and associated projects.
- Other expenditure represents those items not falling into any other heading.

Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

g) Operating Leases

The Charity classifies the lease of the photocopier as operating leases: the title to the equipment remains with the lessor. Rental charges are charged on a straight line basis over the term of the lease.

h) Tangible Fixed Assets

Individual fixed assets costing £5,000 or more are capitalised at cost and are depreciated over their estimated useful economic lives on the straight line basis as follows:

Asset Category	Annual Rate
Land	No depreciation
Freehold buildings	Over 40 years
Freehold equipment	Over 10 years
Other equipment	Over 3 years

i) Debtors

Trade and other debtors are recognised at the settlement amounts due after any trade discount offered. Prepayments are valued at the amount prepaid after taking account of any trade discounts due.

j) Cash at Bank and in Hand

Cash at bank and cash in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

k) Creditors and Provisions

Creditors and provisions are recognised where the Charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

l) Pensions

The Charity operates a defined contribution scheme, the assets of which are held outside the Charity. The contributions by the Charity in the year are detailed in note 8.

m) Grants

Income from Government and other grants, whether 'capital' grants or 'revenue' grants, is recognised when the charity has entitlement to the funds, any performance conditions attached to the grants have been met, it is probable that the income will be received and the amount can be measured reliably and is not deferred.
