for the Year Ended 30 September 2024**

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 30 September 2024. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The Society's main charitable objectives are: to promote agriculture, horticulture, forestry, rural crafts and skills and conservation for the public benefit, in particular by the holding of demonstrations and shows, and to advance education in connection with such matters; to advance understanding of the rural economy in ways which benefit the local community and foster public co-operation and goodwill; to promote the improvement of livestock and the prevention and eradication of diseases in livestock.

The Charity Commission's general guidance on public benefit has been given due regard when reviewing the Society's aims and activities to further its charitable purposes for public benefit.

The 78 acre site known as Turnpike Showground, is held in trust on behalf of the Society.

Objective - To successfully stage the Gillingham & Shaftesbury Agricultural Show, so as to promote the Society's main charitable objectives.

Strategy - The use of established structures, practices and systems developed in previous years so as to maximise the raising of funds for the charity.

Objective - to ensure that the Society maintains and improves the quality of the Show.

Strategy - Explore possible additional sources of funding to help improve the Show and further the Society's objectives.

Objective - To increase awareness and understanding of agricultural and environmental issues to the widest audience.

Strategy - To increase links with agricultural and environmental organisations to provide an area dedicated to education and information at the Show.

Objective - To continue to improve the Turnpike Showground for the benefit of all who use it.

Strategy - Review the long term potential of the site, develop a vision for the future and draw up a plan that can be activated as and when funding is available.

Objective - To increase the Society's reserves for the purpose of funding future shows and to provide a revenue source for future developments.

Strategy - To use budgets, careful planning and minimising expenditure to increase cash reserves.

The main objective of the Society's subsidiary, Turnpike Events Limited, is to arrange and organise with other groups the holding of events on the Turnpike Showground alongside implementing new events themselves.

OBJECTIVES AND ACTIVITIES

Social investments

The Trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Society's aims and objectives and in the planning of future activities. The Trustees have used the main charitable objective to finalise the objectives and strategies as set out in this document and are of the opinion that these will increase the benefit to the widest possible audience.

Family tickets were selectively given to local charitable groups to support their fundraising activities. Support was also given to various charities and local groups in the form of discounted trade stands to enable promotion of their objectives and for fund raising.

The Society launched its Student Support Fund in 2020 with the aim of supporting the Countryside professionals of tomorrow by supporting students financially that are entering into Agricultural, Horticultural and Countryside courses. The fund will encourage and support the very best talent that is training for, and entering into careers in agriculture and related land-based industries. The Society will offer help with costs towards college or university course fees, books and equipment or even to help meet the significant transport costs of accessing their place of study, we know that there is a real and pressing need to help our students, apprentices and trainees at this time.

Volunteers

The Society is greatly indebted to the 250 plus volunteers who give their time freely to assist throughout the year and at the annual show. No estimate of the monetary value has been placed on this work in these accounts.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

The Gillingham & Shaftesbury Show and the Spring Countryside Show allow the society to meet its objectives of the demonstration of agricultural and allied rural methods of education and entertainment to the public, to support local community activities whilst offering families interested in rural matters an enjoyable day out and offering the local farmers a networking opportunity with local agricultural dealers along with buyers and suppliers to local industry. While the society has looked at running the two shows for success, it knew it had to have other options both financially and reputationally though its trading company (Turnpike Events Limited) throughout the year the showground has been used at different times as a campsite, event venue for local horse & dog shows, circus, car boot sales, Young Farmers Rally, local specialist shows and as a wedding reception venue as well as providing a safe environment for young people to learn to drive.

FINANCIAL REVIEW

Reserves policy

The Society maintains a prudent level of reserves to generate income to help fund the activities that further the Society's charitable aims and objectives. This income is intended to counter the large fluctuations in irregular income such as donations and to help fund the Society through difficult years and to help fund the annual show. The sum of £75,000 has been designated as a pluvius insurance fund, reserved to ensure the Society survive should the main event have to be cancelled or curtailed. The Trustees decided to maintain these reserves in deposit accounts in view of the volatile nature of the equity and bond market.

The net incoming resources / (deficit) for the year were £(78,159) (2023: deficit of £59,726).

The Society's wholly owned subsidiary, Turnpike Events Limited, made a profit of £4,904 (2023: £15,663) after donating £15,663 (2023: £Nil) to the Society.

FUTURE PLANS

The Society continues to develop with increased methods of raising its profile online, on the Showground and through its marketing. It knows it must stay ahead of the times and reach new people. In 2025 the Gillingham & Shaftesbury Show will continue to run over two days and continues to aim to welcome high visitor crowds, increase entries across competitive sections and offer a platform for businesses to meet new and existing customers.

I report to the charity trustees on my examination of the accounts of the Company for the year ended 30 September 2024.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under Section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under Section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by Section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of Section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

**REPORT OF THE TRUSTEES
for the Year Ended 30 September 2023**

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 30 September 2023. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The Society's main charitable objectives are: to promote agriculture, horticulture, forestry, rural crafts and skills and conservation for the public benefit, in particular by the holding of demonstrations and shows, and to advance education in connection with such matters; to advance understanding of the rural economy in ways which benefit the local community and foster public co-operation and goodwill; to promote the improvement of livestock and the prevention and eradication of diseases in livestock.

The Charity Commission's general guidance on public benefit has been given due regard when reviewing the Society's aims and activities to further its charitable purposes for public benefit.

The 78 acre site known as Turnpike Showground, is held in trust on behalf of the Society.

Objective - To successfully stage the Gillingham & Shaftesbury Agricultural Show, so as to promote the Society's main charitable objectives.

Strategy - The use of established structures, practices and systems developed in previous years so as to maximise the raising of funds for the charity.

Objective - to ensure that the Society maintains and improves the quality of the Show.

Strategy - Explore possible additional sources of funding to help improve the Show and further the Society's objectives.

Objective - To increase awareness and understanding of agricultural and environmental issues to the widest audience.

Strategy - To increase links with agricultural and environmental organisations to provide an area dedicated to education and information at the Show.

Objective - To continue to improve the Turnpike Showground for the benefit of all who use it.

Strategy - Review the long term potential of the site, develop a vision for the future and draw up a plan that can be activated as and when funding is available.

Objective - To increase the Society's reserves for the purpose of funding future shows and to provide a revenue source for future developments.

Strategy - To use budgets, careful planning and minimising expenditure to increase cash reserves.

The main objective of the Society's subsidiary, Turnpike Events Limited, is to arrange and organise with other groups the holding of events on the Turnpike Showground alongside implementing new events themselves. Recent improvements include the creation of onsite showers, creation of a campsite and moving the Show Office onto the Showground itself.

OBJECTIVES AND ACTIVITIES

Social investments

The Trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Society's aims and objectives and in the planning of future activities. The Trustees have used the main charitable objective to finalise the objectives and strategies as set out in this document and are of the opinion that these will increase the benefit to the widest possible audience.

Family tickets were selectively given to local charitable groups to support their fundraising activities. Support was also given to various charities and local groups in the form of discounted trade stands to enable promotion of their objectives and for fund raising.

The Society launched its Student Support Fund in 2020 with the aim of supporting the Countryside professionals of tomorrow by supporting students financially that are entering into Agricultural, Horticultural and Countryside courses. The fund will encourage and support the very best talent that is training for, and entering into careers in agriculture and related land-based industries. The Society will offer help with costs towards college or university course fees, books and equipment or even to help meet the significant transport costs of accessing their place of study, we know that there is a real and pressing need to help our students, apprentices and trainees at this time.

Volunteers

The Society is greatly indebted to the 250 plus volunteers who give their time freely to assist throughout the year and at the annual show. No estimate of the monetary value has been placed on this work in these accounts.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

The Gillingham & Shaftesbury Show and the new Spring Countryside Show allow the society to meet its objectives of the demonstration of agricultural and allied rural methods of education and entertainment to the public, to support local community activities whilst offering families interested in rural matters an enjoyable day out and offering the local farmers a networking opportunity with local agricultural dealers along with buyers and suppliers to local industry. While the society has looked at running the two shows for success, it knew it had to have other options both financially and reputationally though its trading company (Turnpike Events Limited) throughout the year the showground has been used at different times as a campsite, event venue for local horse & dog shows, circus, car boot sales, Young Farmers Rally, local specialist shows and as a wedding reception venue as well as providing a safe environment for young people to learn to drive.

FINANCIAL REVIEW

Reserves policy

The Society maintains a prudent level of reserves to generate income to help fund the activities that further the Society's charitable aims and objectives. This income is intended to counter the large fluctuations in irregular income such as donations and to help fund the Society through difficult years and to help fund the annual show. The sum of £75,000 has been designated as a pluvius insurance fund, reserved to ensure the Society survive should the main event have to be cancelled or curtailed. The Trustees decided to maintain these reserves in deposit accounts in view of the volatile nature of the equity and bond market.

The net incoming resources / (deficit) for the year were £(59,726) (2022: £13,585).

The Society's wholly owned subsidiary, Turnpike Events Limited, made a profit of £15,663 (2022: loss of £5,938) after donating £Nil (2022: £19,061) to the Society.

FUTURE PLANS

The Society continues to develop with increased methods of raising its profile online, on the Showground and through its marketing. It knows it must stay ahead of the times and reach new people. In 2024 the Gillingham & Shaftesbury Show will continue to run over two days and continues to aim to welcome high visitor crowds, increase entries across competitive sections and offer a platform for businesses to meet new and existing customers. The Agricultural Society will also run a weekend long Spring Countryside Show, combining its charitable aims and new aspects not reached by the Gillingham & Shaftesbury Show.

I report to the charity trustees on my examination of the accounts of the Company for the year ended 30 September 2023.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under Section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under Section 145(5) (b) of the 2011 Act.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by Section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of Section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Improvements to property	- not provided
Plant and machinery	- 33% on reducing balance, 25% on reducing balance and 20% on cost
Fixtures and fittings	- 25% on reducing balance
Tractors	- 10% on reducing balance

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

**REPORT OF THE TRUSTEES
for the Year Ended 30 September 2022**

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 30 September 2022. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The Society's main charitable objectives are: to promote agriculture, horticulture, forestry, rural crafts and skills and conservation for the public benefit, in particular by the holding of demonstrations and shows, and to advance education in connection with such matters; to advance understanding of the rural economy in ways which benefit the local community and foster public co-operation and goodwill; to promote the improvement of livestock and the prevention and eradication of diseases in livestock.

The Charity Commission's general guidance on public benefit has been given due regard when reviewing the Society's aims and activities to further its charitable purposes for public benefit.

The 78 acre site known as Turnpike Showground, is held in trust on behalf of the Society.

Objective - To successfully stage the Gillingham & Shaftesbury Agricultural Show, so as to promote the Society's main charitable objectives.

Strategy - The use of established structures, practices and systems developed in previous years so as to maximise the raising of funds for the charity.

Objective - to ensure that the Society maintains and improves the quality of the Show.

Strategy - Explore possible additional sources of funding to help improve the Show and further the Society's objectives.

Objective - To increase awareness and understanding of agricultural and environmental issues to the widest audience.

Strategy - To increase links with agricultural and environmental organisations to provide an area dedicated to education and information at the Show.

Objective - To continue to improve the Turnpike Showground for the benefit of all who use it.

Strategy - Review the long term potential of the site, develop a vision for the future and draw up a plan that can be activated as and when funding is available.

Objective - To increase the Society's reserves for the purpose of funding future shows and to provide a revenue source for future developments.

Strategy - To use budgets, careful planning and minimising expenditure to increase cash reserves.

The main objective of the Society's subsidiary, Turnpike Events Limited, is to arrange and organise with other groups the holding of events on the Turnpike Showground alongside implementing new events themselves. Recent improvements include the creation of onsite showers, creation of a campsite and moving the Show Office onto the Showground itself.

OBJECTIVES AND ACTIVITIES

Social investments

The Trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Society's aims and objectives and in the planning of future activities. The Trustees have used the main charitable objective to finalise the objectives and strategies as set out in this document and are of the opinion that these will increase the benefit to the widest possible audience.

Family tickets were selectively given to local charitable groups to support their fundraising activities. Support was also given to various charities and local groups in the form of discounted trade stands to enable promotion of their objectives and for fund raising.

The Society launched its Student Support Fund in 2020 with the aim of supporting the Countryside professionals of tomorrow by supporting students financially that are entering into Agricultural, Horticultural and Countryside courses. The fund will encourage and support the very best talent that is training for, and entering into careers in agriculture and related land-based industries. The Society will offer help with costs towards college or university course fees, books and equipment or even to help meet the significant transport costs of accessing their place of study, we know that there is a real and pressing need to help our students, apprentices and trainees at this time.

Volunteers

The Society is greatly indebted to the 250 plus volunteers who give their time freely to assist throughout the year and at the annual show. No estimate of the monetary value has been placed on this work in these accounts.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

The Gillingham & Shaftesbury Show and the new Spring Countryside Show allow the society to meet its objectives of the demonstration of agricultural and allied rural methods of education and entertainment to the public, to support local community activities whilst offering families interested in rural matters an enjoyable day out and offering the local farmers a networking opportunity with local agricultural dealers along with buyers and suppliers to local industry. While the society has looked at running the two shows for success, it knew it had to have other options both financially and reputationally though its trading company (Turnpike Events Limited) throughout the year the showground has been used at different times as a campsite, event venue for local horse & dog shows, circus, car boot sales, Young Farmers Rally, local specialist shows and as a wedding reception venue as well as providing a safe environment for young people to learn to drive.

FINANCIAL REVIEW

Reserves policy

The Society maintains a prudent level of reserves to generate income to help fund the activities that further the Society's charitable aims and objectives. This income is intended to counter the large fluctuations in irregular income such as donations and to help fund the Society through difficult years and to help fund the annual show. The sum of £75,000 has been designated as a pluvius insurance fund, reserved to ensure the Society survive should the main event have to be cancelled or curtailed. The Trustees decided to maintain these reserves in deposit accounts in view of the volatile nature of the equity and bond market.

The net incoming resources / (deficit) for the year were £13,585 (2021: £98,353).

The Society's wholly owned subsidiary, Turnpike Events Limited, made a loss of £5,938 (2021: profit of £2,961) after donating £19,061 (2021: £27,000) to the Society.

FUTURE PLANS

The Society continues to develop with increased methods of raising its profile online, on the Showground and through its marketing. It knows it must stay ahead of the times and reach new people. In 2023 the Gillingham & Shaftesbury Show will continue to run over two days and continues to aim to welcome high visitor crowds, increase entries across competitive sections and offer a platform for businesses to meet new and existing customers. The Agricultural Society will also run a weekend long Spring Countryside Show, combining its charitable aims and new aspects not reached by the Gillingham & Shaftesbury Show.

The Society can appoint a person who is willing to act as a Charity Trustee by ordinary resolution. Trustees have to be paid up members of the Society, proposed and seconded by existing members. The Trustees who are also company directors on the board of management serve on a three year rotation and can be re-elected. The maximum number of trustees is twenty and the minimum is four.

A number of sub-committees are responsible for the different sections of the Show, such as cattle, horse show, sheep, ground etc. The sub-committees report to the Show Council.

Copies of the last two years accounts and Memorandum and Articles of Association are given to the new Trustees. A full briefing about responsibilities, operations and management is given to new Trustees by the Secretary and Chairman.

Related parties

The Society is a full member of the Association of Show & Agricultural Organisations which provides access to all new and relative legislation through meetings, conferences, training days and newsletters, it provides access to other charities involved in running similar events.

The Society's wholly owned subsidiary, Turnpike Events Limited, operates the commercial and trading facilities on the Turnpike Showground. Two of the directors are Trustees of the Society also. The Society charged Turnpike Events Limited £nil (2021: £nil) for rental of the Showground and equipment, and £nil (2021: £nil) for administration charges during the year. At the end of the year Turnpike Events Limited owed the Society £1,000 (2021: £1,000) for rental of showground and equipment and administration charges.

During the year a total of £19,061 (2021: £27,000) was donated to the Society from Turnpike Events Ltd.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under Section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under Section 145(5) (b) of the 2011 Act.

Since your charity's gross income exceeded £250,000 your examiner must be a member of a listed body. I can confirm that I am qualified to undertake the examination because I am a member of the ****ERROR - relevant professional body must be completed****, which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by Section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of Section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

**NOTES TO THE FINANCIAL STATEMENTS
for the Year Ended 30 September 2022**

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value.

No material uncertainties exist.

The charitable company has taken advantage of the following disclosure exemptions in preparing these financial statements, as permitted by FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland':

- the requirements of Section 7 Statement of Cash Flows;
- the requirement of paragraph 3.17(d);
- the requirements of paragraphs 11.42, 11.44, 11.45, 11.47, 11.48(a)(iii), 11.48(a)(iv), 11.48(b) and 11.48(c);
- the requirements of paragraphs 12.26, 12.27, 12.29(a), 12.29(b) and 12.29A;
- the requirement of paragraph 33.7.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Improvements to property	- 4% on cost
Plant and machinery	- 25% on reducing balance and 20% on cost
Fixtures and fittings	- 25% on reducing balance

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Taxation

The charity is exempt from corporation tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

AGRICULTURAL SOCIETY**

**NOTES TO THE FINANCIAL STATEMENTS - continued

1. ACCOUNTING POLICIES - continued

Rentals paid under operating leases are charged to the Statement of Financial Activities on a straight line basis over the period of the lease.

Pension costs and other post-retirement benefits

The charitable company operates a defined contribution pension scheme. Contributions payable to the charitable company's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.

Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

Cash at bank

**REPORT OF THE TRUSTEES
for the Year Ended 30 September 2021**

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 30 September 2021. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The Society's main charitable objectives are: to promote agriculture, horticulture, forestry, rural crafts and skills and conservation for the public benefit, in particular by the holding of demonstrations and shows; and to advance education in connection with such matters; to advance understanding of the rural economy in ways which benefit the local community and foster public co-operation and goodwill; to promote the improvement of livestock and the prevention and eradication of diseases in livestock.

The Charity Commission's general guidance on public benefit has been given due regard when reviewing the Society's aims and activities to further its charitable purposes for public benefit.

The 78 acre site known as Turnpike Showground, is held in trust on behalf of the Society.

Objective - To successfully stage the Gillingham & Shaftesbury Agricultural Show, so as to promote the Society's main charitable objectives.

Strategy - The use of established structures, practices and systems developed in previous years so as to maximise the raising of funds for the charity.

Objective - to ensure that the Society maintains and improves the quality of the Show.

Strategy - Explore possible additional sources of funding to help improve the Show and further the Society's objectives.

Objective - To increase awareness and understanding of agricultural and environmental issues to the widest audience.

Strategy - To increase links with agricultural and environmental organisations to provide an area dedicated to education and information at the Show.

Objective - To continue to improve the Turnpike Showground for the benefit of all who use it.

Strategy - Review the long term potential of the site, develop a vision for the future and draw up a plan that can be activated as and when funding is available.

Objective - To increase the Society's reserves for the purpose of funding future shows and to provide a revenue source for future developments.

Strategy - To use budgets, careful planning and minimising expenditure to increase cash reserves.

The main objective of the Society's subsidiary, Turnpike Events Limited, is to arrange and organise with other groups the holding of events on the Turnpike Showground alongside implementing new events themselves. Recent improvements include the creation of onsite showers, creation of a campsite and moving the Show Office onto the Showground itself.

OBJECTIVES AND ACTIVITIES

Social investments

The Trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Society's aims and objectives and in the planning of future activities. The Trustees have used the main charitable objective to finalise the objectives and strategies as set out in this document and are of the opinion that these will increase the benefit to the widest possible audience.

Family tickets were selectively given to local charitable groups to support their fundraising activities. Support was also given to various charities and local groups in the form of discounted trade stands to enable promotion of their objectives and for fund raising.

The Society launched its Student Support Fund in 2020 with the aim of supporting the Countryside professionals of tomorrow by supporting students financially that are entering into Agricultural, Horticultural and Countryside courses. The fund will encourage and support the very best talent that is training for, and entering into careers in agriculture and related land-based industries. The Society will offer help with costs towards college or university course fees, books and equipment or even to help meet the significant transport costs of accessing their place of study, we know that there is a real and pressing need to help our students, apprentices and trainees at this time.

Volunteers

The Society is greatly indebted to the 250 plus volunteers who give their time freely to assist throughout the year and at the annual show. No estimate of the monetary value has been placed on this work in these accounts.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

The Society against all odds associated with the Coronavirus (COVID-19) pandemic put on the 2021 Gillingham & Shaftesbury Show. The Society made the brave decision in January 2021 to run the Show over two days allowing it to be adapted for restrictions including social distancing, it saw the Show reduce costs to accommodate a lesser crowd. While other Shows across the country cancelled. Momentum for the Show gained pace and after the Societies Board of Management held its nerve all Coronavirus restrictions were eased just a month prior to the Show, allowing the Show to increase capacity and saw it's highest ever Visitor Attendance and most successful Show financially to date.

The Gillingham & Shaftesbury Show allows the Society to meet its objectives of the demonstration of agriculture and allied methods of education and entertainment to the public, to support the local community activities whilst offering families an enjoyable day out and farmers a networking day with local machinery dealers along with buyers and suppliers to the industry. The 2021 Show most of all reunited families and friends following the pandemic.

While the Society looked to the running of the Show for success, it knew it had to have other options both financially and reputational through the trading company, throughout the season the Showground was used as a campsite, event venue and put on two Food & Crafts Markets.

FINANCIAL REVIEW

Reserves policy

The Society maintains a prudent level of reserves to generate income to help fund the activities that further the Society's charitable aims and objectives. This income is intended to counter the large fluctuations in irregular income such as donations and to help fund the Society through difficult years and to help fund the annual show. The sum of £75,000 has been designated as a pluvius insurance fund, reserved to ensure the Society survive should the main event have to be cancelled or curtailed. The Trustees decided to maintain these reserves in deposit accounts in view of the volatile nature of the equity and bond market.

The net incoming resources / (deficit) for the year were £98,353 (2020: £(25,519)).

The Society's wholly owned subsidiary, Turnpike Events Limited, made a profit of £2,961 (2020: loss of £3,839) after donating £27,000 (2020: £38,000) to the Society.

FUTURE PLANS

The Society continues to develop with increased methods of raising its profile online, on the Showground and through its marketing. It knows it must stay ahead of the times and reach new people. In 2022 the Gillingham & Shaftesbury Show will return to one day but continues to aim to welcome high visitor crowds, increase entries across competitive sections and offer a platform for businesses to meet new and existing customers. The Agricultural Society will also launch a brand new Show for 2022, combining its charitable aims and new aspects not reached by the Gillingham & Shaftesbury Show in a weekend long Spring Countryside Show.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

**REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 30 SEPTEMBER 2021**

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 30 September 2021. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The Society's main charitable objectives are: to promote agriculture, horticulture, forestry, rural crafts and skills and conservation for the public benefit, in particular by the holding of demonstrations and shows, and to advance education in connection with such matters; to advance understanding of the rural economy in ways which benefit the local community and foster public co-operation and goodwill; to promote the improvement of livestock and the prevention and eradication of diseases in livestock.

The Charity Commission's general guidance on public benefit has been given due regard when reviewing the Society's aims and activities to further its charitable purposes for public benefit.

The 78 acre site known as Turnpike Showground, is held in trust on behalf of the Society.

Objective - To successfully stage the Gillingham & Shaftesbury Agricultural Show, so as to promote the Society's main charitable objectives.

Strategy - The use of established structures, practices and systems developed in previous years so as to maximise the raising of funds for the charity.

Objective - to ensure that the Society maintains and improves the quality of the Show.

Strategy - Explore possible additional sources of funding to help improve the Show and further the Society's objectives.

Objective - To increase awareness and understanding of agricultural and environmental issues to the widest audience.

Strategy - To increase links with agricultural and environmental organisations to provide an area dedicated to education and information at the Show.

Objective - To continue to improve the Turnpike Showground for the benefit of all who use it.

Strategy - Review the long term potential of the site, develop a vision for the future and draw up a plan that can be activated as and when funding is available.

Objective - To increase the Society's reserves for the purpose of funding future shows and to provide a revenue source for future developments.

Strategy - To use budgets, careful planning and minimising expenditure to increase cash reserves.

The main objective of the Society's subsidiary, Turnpike Events Limited, is to arrange and organise with other groups the holding of events on the Turnpike Showground alongside implementing new events themselves. Recent improvements include the creation of onsite showers, creation of a campsite and moving the Show Office onto the Showground itself.

OBJECTIVES AND ACTIVITIES

Social investments

The Trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Society's aims and objectives and in the planning of future activities. The Trustees have used the main charitable objective to finalise the objectives and strategies as set out in this document and are of the opinion that these will increase the benefit to the widest possible audience.

Family tickets were selectively given to local charitable groups to support their fundraising activities. Support was also given to various charities and local groups in the form of discounted trade stands to enable promotion of their objectives and for fund raising.

The Society launched its Student Support Fund in 2020 with the aim of supporting the Countryside professionals of tomorrow by supporting students financially that are entering into Agricultural, Horticultural and Countryside courses. The fund will encourage and support the very best talent that is training for, and entering into careers in agriculture and related land-based industries. The Society will offer help with costs towards college or university course fees, books and equipment or even to help meet the significant transport costs of accessing their place of study, we know that there is a real and pressing need to help our students, apprentices and trainees at this time.

Volunteers

The Society is greatly indebted to the 250 plus volunteers who give their time freely to assist throughout the year and at the annual show. No estimate of the monetary value has been placed on this work in these accounts.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

The Society against all odds associated with the Coronavirus (COVID-19) pandemic put on the 2021 Gillingham & Shaftesbury Show. The Society made the brave decision in January 2021 to run the Show over two days allowing it to be adapted for restrictions including social distancing, it saw the Show reduce costs to accommodate a lesser crowd. While other Shows across the country cancelled. Momentum for the Show gained pace and after the Societies Board of Management held its nerve all Coronavirus restrictions were eased just a month prior to the Show, allowing the Show to increase capacity and saw it's highest ever Visitor Attendance and most successful Show financially to date.

The Gillingham & Shaftesbury Show allows the Society to meet its objectives of the demonstration of agriculture and allied methods of education and entertainment to the public, to support the local community activities whilst offering families an enjoyable day out and farmers a networking day with local machinery dealers along with buyers and suppliers to the industry. The 2021 Show most of all reunited families and friends following the pandemic.

While the Society looked to the running of the Show for success, it knew it had to have other options both financially and reputational through the trading company, throughout the season the Showground was used as a campsite, event venue and put on two Food & Crafts Markets.

FINANCIAL REVIEW

Reserves policy

The Society maintains a prudent level of reserves to generate income to help fund the activities that further the Society's charitable aims and objectives. This income is intended to counter the large fluctuations in irregular income such as donations and to help fund the Society through difficult years and to help fund the annual show. The sum of £75,000 has been designated as a pluvius insurance fund, reserved to ensure the Society survive should the main event have to be cancelled or curtailed. The Trustees decided to maintain these reserves in deposit accounts in view of the volatile nature of the equity and bond market.

The net incoming resources / (deficit) for the year were £98,353 (2020: £(25,519)).

The Society's wholly owned subsidiary, Turnpike Events Limited, made a profit of £2,961 (2020: loss of £3,839) after donating £27,000 (2020: £38,000) to the Society.

FUTURE PLANS

The Society continues to develop with increased methods of raising its profile online, on the Showground and through its marketing. It knows it must stay ahead of the times and reach new people. In 2022 the Gillingham & Shaftesbury Show will return to one day but continues to aim to welcome high visitor crowds, increase entries across competitive sections and offer a platform for businesses to meet new and existing customers. The Agricultural Society will also launch a brand new Show for 2022, combining its charitable aims and new aspects not reached by the Gillingham & Shaftesbury Show in a weekend long Spring Countryside Show.
