-□Improving the welfare of the children of the Waterberg in health, education and their environment

Chairman's Report
for the Year Ending 31 March 2024

For the last ten years, the Waterberg Welfare Society Trust has been operating under its new and broader remit as The Waterberg Trust (TWT) supporting welfare initiatives across the Waterberg, uplifting the people and their environment. Quarterly reports from Sister Grace and Dr Peter Farrant on behalf of TWT detail the social welfare of the less privileged of the Waterberg. They give a measure of what TWT is seeking to address and they are increasingly alarming. Major concerns include increasing substance abuse, vagrancy, absenteeism from school and general poor behaviour. The academic performance of the local schools is deteriorating because they are underfunded and teacher vacancies are often either poorly filled or remain unfilled. However, there are encouraging factors also with some teachers providing extra classes to help children catch up and prepare better for their exams, and some supporting after school activities, with sport being increasingly encouraged.

TWT initiatives include conserving the environment and helping the poorest and all the young people of the Waterberg to achieve their potential by encouraging them to stay in education. This involves basic and simple initiatives.

By providing reusable washable sanitary wear (Dignity Dreams), TWT has again met its priority this year by enabling all the adolescent girls of the Waterberg (about 400) to attend school for all of every month for the five years of their secondary education. As a result, far fewer girls drop out of education because they no longer fall behind through missing school.

TWT pays the salary of Sister Grace (c£15,500 depending on the exchange rate) out of raised income. Her work involves providing the first line of primary care for the medical, mental and general welfare needs of the school children of the Waterberg. She manages the distribution of the Dignity Dreams packs and instructing the girls in how to use them, when she explains also the sex education leaflet that is an important part of the package. Through dedicated teaching sessions, she instructs the pupils in human reproduction and sex education and the use and availability of contraception methods. As a direct consequence, the numbers of teenage pregnancies have been reduced consistently each year. Sister Grace supports the teenage mums with baby care instruction, guidance and baby essentials where they are not available. Also, she champions important initiatives such as the school vegetable gardens that the children cultivate, and helping the children to remain motivated to study and to choose the right subjects that will support their career choices. In addition, she supports the health of the weakest in the community and distributes food parcels with the local "Acts of Mercy" initiative of the local St John's Church to those who are destitute.

In South Africa, you cannot go to school if you do not have a uniform, which is something that the poorest families in the community cannot afford. So TWT helps to fund the provision of school uniforms and shoes so that every child in the Waterberg can go to school.

TWT provides scholarships so that the more able can continue into further education and not be held back by the poverty of their family circumstances. For example, Elton Chitandra is a deserving and able student from the Waterberg who is an orphan living with his aunt. TWT awarded Elton a scholarship for his university tuition fees for three years. He is now in the third year of his Computer Software degree at a local university.

Importantly, TWT also conserves the environment of the Waterberg. Over many years, TWT has contributed much to help the rangers protect the Rhinos of the Waterberg from poachers by funding cameras and road gates. As a consequence, the Waterberg has lost very few Rhino to poachers these last few years, which is sadly in contrast to other areas of South Africa. This year, TWT has made another large donation to the Save the Waterberg Rhino initiative that has changed its name to the Waterberg Landscape Alliance (WLA) charity to reflect its broader conservation remit that is enabled by its focus on saving the endangered Waterberg rhino. TWT sends school children to the Lapalala Wilderness School so that the young people can learn about their precious environment amongst which they live and the importance of conserving the habitat and diversity of species. Educating the young in such important matters also results in the parents becoming much more aware.

TWT pioneered a new circular cycle route from Cambridge across the counties of Cambridgeshire and Bedfordshire for its annual sponsored cycle ride that was much enjoyed by an ever increasing field of riders. Circa £13,794 was raised, beating the £10,000 target.

Total Funds received by TWT for the financial year ending March 2024 were: £48,087 (2023: £53,630)

Total funds outgoing from TWT for the year were £39,687 (2023: £52,257)

Chairman's Report
for the Year Ending 31 March 2024

- ☐ **Waterberg Landscape Alliance/Save The Waterberg Rhino** **£20,000**
Donations (£20,000) (2023 - £30,200)
- ☐ **Northern Education Trust - Sister Grace (School Nurse)** **£12,503**
Salary June 2023 to May 2024
(2023- £15,071)
- ☐ **Northern Education Trust – Elton Chitandra** **£2,454**
Tuition fees (2023 - £0)
- ☐ **Dignity Dreams (addressing period poverty, keeping girls in education)** **£0**
(Part payment previously paid and a key sponsor's fund being paid directly to the Dignity Dreams on behalf of TWT)
(2023 - £3,500)

Total costs for the year were £4,730 (£3,486 – 2023) of which £2,777 was paid to The Trust Partnership, £1,140 to Dunkley's for their financial advice, and £610 for bank and JustGiving fees and website costs.

While there is still work to be done in enhancing the conspicuity of the Trust in the Waterberg, it has been the lead supporter of some important projects to do with health, education and the environment.

TTP have continued to provide massive support both administratively and in consultation, which is much appreciated.

Barry Burles
Chairman

Report of the Trustees
for the Year Ending 31 March 2024

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the Year Ending 31 March 2024. The financial statements have been prepared in accordance with the accounting policies set out on pages eleven to thirteen of the attached accounts and comply with the charity's trust deed, the Charities Act 2011, regulations applicable to that Act, and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102), effective from accounting periods commencing 1st January 2019 or later.

Report of the Trustees
for the Year Ending 31 March 2024

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, Memorandum and Articles of Association, and constitutes a company, by guarantee, as defined by the Companies Act 1985. The Charity changed its operating name to The Waterberg Trust on 13.03.2015.

Key Management Personnel

The trustees consider that they comprise the key management of the charity in charge of directing and controlling, running and operating the charity on a day to day basis. The trustees receive no remuneration for their duties but may claim reimbursement of expenses.

Recruitment and appointment of new trustees

The charity has six trustees who meet three times every year. The identification of potential new trustees is carried out by the board, the aim being to appoint those with the appropriate expertise and experience for the charity's work. On agreeing to become a trustee of the charity, they are thoroughly briefed by their co-trustees on the history of the trust, the day-to-day management, the responsibilities of the trustees, the current objectives and future plans. The trustees are also encouraged to attend any courses.

Organisational structure

The trustees are ultimately responsible for the policies, activities and assets of the charity. They meet three times every year to review developments with regard to the charity, its grant giving activities and to make any important decisions. When necessary, the trustees seek advice and support from the charity's professional advisers.

Risk management

In line with the requirement for trustees to undertake a risk assessment exercise and report on the same in their annual report, the trustees have looked at the risks. The trustees have identified five main areas where risks may occur and considered how they might mitigate against them:

Governance and management risk looks at the risk the charity might suffer from the lack of direction, the skills and training of the trustees and the good use of its funds.

Operational risk looks at the risk inherent in the charity's activities including supporting unsuitable appeals from charities, continuity of staff, lack of a disaster recovery policy, etc.

Financial risks include those arising as a result of poor budgetary control, inappropriate spending, poor accounting, inappropriate investment policies, etc. The Charities finances are reviewed by trustees at the trustee meetings to consider investments and funds available for grant making.

Reputational risk looks at the possible damage to the charity's reputation, through association with unsuitable charities, or with inappropriate activity.

Laws, regulations, external and environmental risk looks at the effects of government policies and the consequences of non-compliance with the laws and regulations.

Having assessed the major risks to which the charity is exposed, in particular to its finances, the trustees believe that by monitoring reserve levels, by ensuring that controls exist over the key financial systems, and by examining the operational and business risks faced by the charity, they have established effective systems to mitigate those risks.

OBJECTIVES AND ACTIVITIES

Charitable objectives

The Trust's charitable objectives are:

- a) the furtherance of charitable purposes which, in the Republic of South Africa, promote the welfare of those infected with HIV / Aids and of those dependent on them and the widows, children and other dependants of persons who have died from the consequences of such infection, or which promote education and other work aimed to prevent the spread of HIV / Aids.
- b) to support organisations or individuals promoting the welfare of the people of the Waterberg and;
- c) ☐ general charitable purposes in the Waterberg.

Report of the Trustees
for the Year Ending 31 March 2024

Charitable activities

The Waterberg Trust supports individuals and organisations in the Waterberg SA via a range of healthcare, education, welfare, conservation and general charitable projects, in order to uplift the people and place of the Waterberg.

Public benefit

The trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Trust's aims and objectives and in planning future activities and setting the grant making policy for the year.

The Trustees are satisfied that all grants made during the year are for the benefit of the public and the benefits of each and every grant are clearly identifiable.

ACHIEVEMENT AND PERFORMANCE

Summary of achievements

The Chairman's Report summarises the main achievements in the year.

Donations

The trustees would like to thank most warmly all those who support us financially with donations and grants.

Investment performance

During March 2012 the trustees invested £5,600 in the M&G Investments, Charibond Charities Fixed Interest Common Investment Fund. The value of this investment at 31st March 2024 was £7,488 (2023 £7,157) an increase of £1,888 on the original investment.

FINANCIAL REVIEW

Financial Summary

Income for the year was £48,087 (2023 £53,630). Expenditure for the year was £39,356 (2023 £52,632). As a result, for the year ended 31st March 2024, there was a benefit of £8,731 (2023 benefit £998).

Reserves Policy

The trustees will maintain adequate reserves to cover grant commitments and budgeted costs for the current financial year and maintain an appropriate budget for future years to cover longer term grant commitments. The investments held by M&G Investments as at 31st March 2024 are treated as a reserve by The Waterberg Trust, to cover one years' worth of operating cost of £4,730. Reserves available at 31st March 2024 are £62,102.

Going Concern

The Trustees of the Charity have concluded that there are no material uncertainties related to events or conditions that may cast significant doubt on the ability of the Charity to continue as a going concern. Given the additional challenges of Covid-19 in 2020 and 2021 and the Cost of Living Crisis in 2022 and 2023, the Trustees are of the opinion that the Charity will still have sufficient resources to meet its liabilities as they fall due.

FUTURE DEVELOPMENTS

We will continue to maintain and develop relationships with funders in the UK in the coming year.

Report of the Trustees
for the Year Ending 31 March 2024

STATEMENT OF TRUSTEES RESPONSIBILITIES

The trustees (who are also the directors of Waterberg Welfare Society Trust for the purposes of company law) are responsible for preparing the trustees' report and accounts in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the income and expenditure of the charitable company for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102);
- make judgements and estimates that are reasonable and prudent;
- state whether applicable United Kingdom Accounting Standards have been followed, subject to any material departures disclosed and explained in the accounts; and
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006, the Charities Act 2011, applicable Charity (Accounts and Reports) Regulations and the provisions of the charity's trust deed. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

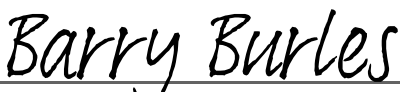

In so far as the trustees are aware:

- there is no relevant audit information of which the charitable company's examiners are unaware; and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the examiners are aware of that information.

Independent Examiners

The Independent Examiners, Dunkley's, will be proposed for re-appointment at the forthcoming Annual General Meeting.

ON BEHALF OF THE BOARD:

Barry Burles (Nov 7, 2024 12:18 GMT)

Barry Burles
Trustee - Chair

Date: 
Barry Burles (Nov 7, 2024 12:18 GMT)

**Independent Examiner's Report to the Trustees of
Waterberg Welfare Society Trust operating as The Waterberg Trust**

Independent examiner's report to the trustees of Waterberg Welfare Society Trust operating as The Waterberg Trust ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the period 1 April 2023 to 31 March 2024.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

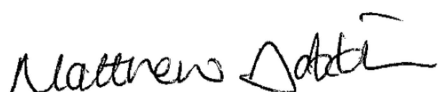

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

The charitable company is entitled to exemption from audit under Section 477 of the Companies Act 2006 for the year ended 31 March 2024. The members have not required the company to obtain an audit of its financial statements for the year ended 31 March 2024 in accordance with Section 476 of the Companies Act 2006.

The trustees acknowledge their responsibilities for

- (a) ☐ ensuring that the charitable company keeps accounting records that comply with Sections 386 and 387 of the Companies Act 2006 and
- (b) ☐ preparing financial statements which give a true and fair view of the state of affairs of the charitable company as at the end of each financial year and of its surplus or deficit for each financial year in accordance with the requirements of Sections 394 and 395 and which otherwise comply with the requirements of the Companies Act 2006 relating to financial statements, so far as applicable to the charitable company.

These financial statements have been prepared in accordance with the provisions applicable to charitable companies subject to the small companies regime.

The financial statements were approved by the Board of Trustees and authorised for issue on 03.10. 2024, and were signed on its behalf by:

Barry Burles

Trustee – Chair

Notes to the Financial Statements
for the Year Ending 31 March 2024

1. ACCOUNTING POLICIES

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the accounts are laid out below.

i) Basis of preparation

These accounts have been prepared for the year to 31 March 2024.

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value.

The accounts are presented in sterling and are rounded to the nearest pound.

ii) Critical accounting estimates and areas of judgement

Preparation of the financial statements requires the trustees to make significant judgements and estimates.

The trustees do not consider that there are any sources of estimation uncertainty or any key judgements made in the preparation of the financial statements.

iii) Assessment of going concern

The trustees have assessed whether the use of the going concern assumption is appropriate in preparing these financial statements. The trustees have made this assessment in respect to a period of one year from the date of approval of these financial statements.

The Trustees of the Charity have concluded that there are no material uncertainties related to events or conditions that may cast significant doubt on the ability of the Charity to continue as a going concern. Given the additional challenges of Covid-19 and the Cost of Living Crisis in 2022 and 2023, the Trustees are of the opinion that the Charity will still have sufficient resources to meet its liabilities as they fall due. The most significant areas of judgement that affect items in the accounts are detailed above.

iv) Income recognition

Income is recognised in the period in which the charity has entitlement to the income, the amount of income can be measured reliably and it is probable that the income will be received.

Income is deferred only when the group or charity has to fulfil conditions before becoming entitled to it or where the donor has specified that the income is to be expended in a future accounting period.

Income comprises donations, investment income and interest receivable.

Donations are recognised when the charity has confirmation of both the amount and settlement date. In the event of donations pledged but not received, the amount is accrued for where the receipt is considered probable. In the event that a donation is subject to conditions that require a level of performance before the charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity and it is probable that those conditions will be fulfilled in the reporting period.

Dividends are recognised at the earlier of declaration and notification of dividends or when the dividend is received.

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the bank.

The notes form part of these financial statements

Notes to the Financial Statements - continued
for the Year Ending 31 March 2024

v) Expenditure recognition

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the group or charity to make a payment to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably.

All expenditure is accounted for on an accruals basis and includes attributable VAT which cannot be recovered. Expenditure comprises direct costs and support costs. All expenses, including support costs, are allocated to the applicable expenditure heading.

The cost of charitable activities comprises grants payable to nurses, the cost of the Telephone Befriending Service and allocated support costs.

Grants payable are included in the statement of financial activities when approved and when the intended recipient has either received the funds or been informed of the decision to make the grant and has satisfied all related conditions

vi) Allocation of support and governance costs

Support costs represent indirect charitable expenditure. In order to carry out the primary purposes of the charity it is necessary to provide support in the form of financial and governance procedures, provision of office services and equipment and a suitable working environment.

Governance costs comprise all costs relating to the public accountability of the charity and its compliance with regulation and good practice. These costs include costs relating to the independent examination of the financial statements and legal fees.

Support costs and governance costs are allocated to the charity's single charitable activity.

vii) Investments

Listed investments are a form of basic financial instrument and are initially recognised at their transaction value and subsequently measured at their fair value as at the balance sheet date using the closing quoted market price.

The charity does not acquire put options, derivatives or other complex financial instruments.

Realised gains (or losses) on investment assets are calculated as the difference between disposal proceeds and their opening carrying value or their purchase value is acquired subsequent to the first day of the financial year. Unrealised gains and losses are calculated as the difference between the fair value at the year end and their carrying value at that date. Realised and unrealised investment gains (or losses) are combined in the statement of financial activities and are credited (or debited) in the year in which they arise.

Other Investments are included at cost, which is considered to be approximate to their market value.

viii) Debtors

Debtors are recognised at their settlement amount, less any provision for non-recoverability. They have been discounted to the present value of the future cash receipt where such discounting is material.

ix) Cash at bank and in hand

Cash at bank and in hand represents such accounts and instruments that are available on demand or have a maturity of less than three months from the date of acquisition.

x) Creditors and provisions

Creditors and provisions are recognised when there is an obligation at the balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Creditors and provisions are recognised at the amount the charity anticipates it will pay to settle the debt. They have been discounted to the present value of the future cash payment where such discounting is material.

The notes form part of these financial statements

Notes to the Financial Statements - continued
for the Year Ending 31 March 2024

xi) Fund accounting

Restricted funds are monies raised for, and their use restricted to, a specific purpose, or donations subject to donor-imposed conditions

Unrestricted funds represent those monies that are freely available for application towards achieving any charitable purpose that fall within the charity's charitable objects.

Designated funds are set aside as part of the unrestricted funds to be used for a particular future project or commitment.

xii) Statement of cash flows

The financial statements do not include a statement of cash flows because the charity is exempt from the requirement to prepare such a statement under the Charities SORP FRS 102 Update Bulletins 1 and 2.

xiii) Taxation

The charity is exempt from corporation tax on its charitable activities.

xiv) Foreign Currencies

Assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of transaction. Exchange differences are taken into account in arriving at the operating result.
