Trustees' Report

for the year ended 31st August 2024

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31st August 2024. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

The trustees are responsible for preparing the trustees' annual report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year. Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charity and of the incoming resources, including its income and expenditure, of the charity for the year. In preparing those financial statements the trustees are required to:

- Select suitable accounting policies and then apply them consistently;
- Observe the methods and principles in the Charities SORP;
- Make judgments and accounting estimates that are reasonable and prudent;
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the requirements of the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Structure, governance and management

The company was incorporated on 23rd August, 2005 as a private company limited by guarantee. On 30th August, 2006 the company was registered as a charity with the Charity Commission under registration number 1115966.

The directors of the company also act as the trustees and the day to day management is the responsibility of Mr I. C. Palmer. New directors/trustees are recruited and appointed by the directors/trustees in office at that time. All new directors/trustees are given suitable training to enable them to fulfil their responsibilities.

At 31st August, 2024 Mrs M. Gooding, Mr I. C. Palmer and Mr D. Armitage had, in the event of the company being wound up, guaranteed to contribute towards the debts of the company up to a maximum of £1 each whilst they remained directors and for a period of one year thereafter.

Trustees' Report (continued)
for the year ended 31st August 2024

Public benefit, principal activities and review of the activities

The trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the charitable company's aims and objectives and in planning future activities and setting the charitable expenditure policy for the year. The charitable company's objectives are the provision of facilities for use of religious, community and youth organisations and the company fulfils these objectives by the operation of a charitable community centre to enable people of all ages to develop emotionally, physically, socially and spiritually and to empower them to become caring and considerate members of the community. During the year the company has continued to provide facilities for the use of organisations involved in youth work, community services and social activities, sports and religious outreach projects. There are now over twenty-five regular users of the premises that provide more than thirty separate sessions on a regular weekly/monthly basis. The trustees are satisfied with the progress made in maximising the use of the premises in accordance with the charitable company's objectives, but are exploring ways of achieving more involvement with the local community.

Risk management

The trustees examine the major risks that the company faces each year. The charitable company has developed systems to monitor and control these risks to mitigate any impact that they may have on the company in the future.

Financial review and reserves policy

The charity's income for the year ended 31st August 2024 was £30,390 (2023 £17,290). Total expenditure amounted to £36,198 (2023 £23,852) resulting in a deficit of £5,808 (2023 deficit £6,562). At 31st August 2024 the charity had unrestricted reserves of £19,914 (2023 £25,722). Taking into account the nature of the charity's income streams, the trustees are of the view that reserves at these levels are sufficient.
