Structure, governance and management

The organisation is a charitable organisation, incorporated on 12 September 2006. The charity is governed by constitution adopted on 03 June 2006, which established the objects and powers of the charitable company. It was registered with the Charity Commission with registration number 1116106. The trustees who served during the year were:

Mrs Florangel Fernandez De Cabrera
Mr Elvis De Jesus Cabrera
Mr Max Hamilton

The Church operates under the leadership, directorship and supervision of a technically elected Board of Trustees. The board of trustees is made up of the chairpersons of the church's administrative board committees who are elected to serve a two-year term of office.

Trustees Induction and Training

Elections are conducted in May of the year and the elected trustees are inducted into office in June thereby allowing for a two-month transition period. Additional training is organised throughout the year as and when the need arises to keep them up to date with new developments as a way of ensuring that they are aware of their responsibilities and roles as trustees. Most trustees are familiar with the workings of the church and charity being drawn from long-standing church members and Christians from other denominations that have a skill-set to offer and an empathy with our core values. An information pack has been prepared from Charity Commission signpost through the commissions guide "the Essential Trustee" this is given to all new Trustees couple with training seminars. New trustees are invited and encouraged to attend a series of short training sessions led by the Chair of the trustees who is the resident Pastor. These covers: The Obligation of trustees, The main documents of the charity - - Memorandum and Article of Association, The Charities Financial Statements and the future plans and objectives. The board of trustees is made up of 12 members who administer the charity. The board is drawn from the chairpersons of the various administrative committees such as finance, welfare and youth development. Whereas the committee members meet regularly during the year, the board of trustees meet every quarter in a year to review and take decisions regarding the running of the church.

Statement of Trustee responsibilities

The Trustees are responsible for preparing the Trustee Report and the accounts in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice). The law applicable to charities in England and Wales requires the Trustee to prepare accounts for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that year. In preparing these accounts, the Trustee are required to: -select suitable accounting policies and then apply them consistently; - observe the methods and principles in the Charities SORP; - make judgements and estimates that are reasonable and prudent; - state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the accounts; and - prepare the accounts on the going concern basis unless it is inappropriate to presume that the charity will continue in operation. The Trustees are responsible for keeping sufficient accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the accounts comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Strategic report

The following sections for achievements and performance and financial review form the strategic report of the charity.

Achievements and performance

The accounting year ending 05 May 2021 was marred by Covid-19 Pandemic. This led to government closure and ban on physical attendance of churches through United Kingdom. Aside all this, the church managed to organise online worship through various social medium to keep the growth, stability and newness in all areas of our operations which is in line with the main objective of the charity: to advance the Christian faith in London and beyond.

There was a strong emphasis on the teaching of God's word via online.

As part of our community services, the social networking forum for the Bereavement group that takes place every Thursday in the church reception hall continues to be a channel of encouragement to a good number of them. We supported and donated gift items for their Christmas celebration.

Furthermore, during this accounting period, there has been an increase in the number of people who receive and watch our posted Christian messages of hope through our TV broadcast U tube channel Our Friday and Sunday services which are streamed live through our u tube channel.

The Trustees are very grateful for all the church members and friends of the ministry who gave financial and moral support through their regular donations for the execution of our programs, mission work. May God bless and reward their generosity.

Financial review

The total incoming resources for the year was £38,596 (2020 -£23,152) which represents an increase of £15,444 or 66.70% on the previous year. The total resources expended for the year was £21,108 (2020-£22,358) which represents a decrease of £1,250 or 5.59% on the previous year. The overall effect resulted in a surplus of £17,488 (2020 - £794). The trustees are truly grateful to the faithful members and visitors for their continued support of the charity.

Reserve Policy

The trustees recognise the need to maintain reserves. Unrestricted funds are needed to cover the day-to-day administration and support costs of the charity. It is a policy to hold reserves of approximately three months' expenditure in addition to any designated funds. Even though no formal policy is in place, they have always kept reserves at a level that exceeds the current periods running and administration expenses. Reserves funds are always maintained at levels that mitigate unexpected incidents including sudden increase in expenses, unexpected loss of income, uninsured losses or one-time nonrecurring expenses that build long term capacity.

Risk Management

The major risks to which the charity is exposed have been identified as the safeguarding the assets of charity and ensuring funds are applied for charitable purposes. Systems and strategies have been put in place to mitigate these risks. Income and expenditure is monitored through the setting of budgets which are compared with actual figures. Regular finance quarterly reports are given to members in the congregations.

The trustees' annual report and the strategic report were approved on 9 February 2023 and signed on behalf of the board of trustees by:

Independent Examiner's Report to the Trustees of PASSION FOR CHRIST TABERNACLE

Year ended 5 May 2021

I report to the trustees on my examination of the financial statements of PASSION FOR CHRIST TABERNACLE ('the charity') for the year ended 5 May 2021.

Responsibilities and basis of report

As the trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

3. Accounting policies *(continued)*

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Financial instruments

A financial asset or a financial liability is recognised only when the charity becomes a party to the contractual provisions of the instrument.

PASSION FOR CHRIST TABERNACLE

Notes to the Financial Statements *(continued)*

Year ended 5 May 2021

3. Accounting policies *(continued)*

Financial instruments *(continued)*

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

Where investments in shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in income and expenditure. All other such investments are subsequently measured at cost less impairment.

Other financial instruments, including derivatives, are initially recognised at fair value, unless payment for an asset is deferred beyond normal business terms or financed at a rate of interest that is not a market rate, in which case the asset is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Other financial instruments are subsequently measured at fair value, with any changes recognised in the statement of financial activities, with the exception of hedging instruments in a designated hedging relationship.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised under the appropriate heading in the statement of financial activities in which the initial gain was recognised.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Any reversals of impairment are recognised immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.
