Activities

Objects: THE PRESERVATION AND PROTECTION OF GOOD MENTAL HEALTH OF MOTHERS LIVING APART FROM THEIR CHILDREN BY THE PROVISION OF INFORMATION, ADVICE AND SUPPORT.

Activities: MATCH offers non-judgmental support and information to mothers apart from their children in a wide variety of circumstances. Our members include those who are sharing parenting and those who have little or no contact. We believe that children have a basic human right to continue to be part of a loving, nurturing family network for life; no matter how many times that family re-makes itself.
