Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	<p>(1) to relieve poverty and suffering in sub-Saharan Africa and particularly (but not exclusively) Ethiopia (the "Region") through the support and provision of aid for construction and development projects with particular emphasis on projects relating to healthcare (including the equipping of health facilities such as hospitals, clinics and health centres), and self-help projects supporting local communities (such as securing water supplies and the development of small agricultural projects), but excluding support for any commercial activities or projects which are of a purely political, religious or pacifist nature;</p> <p>(2) to promote and support the advancement of education in the Region in particular through projects supporting the establishment and support of schools, and the provision of teaching and education for children and young people;</p> <p>(3) to relieve poverty and financial hardship among beneficiaries in the Region, by providing or procuring, amongst other things, financial assistance and support for the welfare and health of beneficiaries, who by reason of their social and economic conditions are in need of such assistance.</p>
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	<p>Fund-raising takes place in the UK to raise money for the projects, which are currently in Ethiopia only. Most of the donations received from UK citizens are from individuals who sponsor a child to attend the Nicolas Robinson School in Mekele, Tigray, Ethiopia. The biggest donor in 2022 supported supplementary food during the Civil war (November 2020-November 2022).</p> <p>The project funds in 2022 have been used for 2 main purposes: to pay the school staff and to provide food and medical assistance for the staff and the school children and their</p>

		<p>families during the civil war.</p> <p>The Nicolas Robinson School continues to educate 1400 students from kindergarten (aged 3.5 years) to graduation at Grade 12, aged 18 years)</p> <p>The building work of the essential buildings to run the school is now complete. In 2020 we continued to improve facilities. However formal school was suspended in mid-March due to the Covid pandemic and teachers prepared work for students at all levels as paper handouts, which were collected and distributed by family members. This continued until the end of June and resumed in October 2020. In November 2020 war broke out in the region. Education continued in Mekele until the end of November 2020 when the town was bombarded.</p> <p>Throughout 2022 the school staff prepared for the re-start of school. School restarted in February 2022 and ran until September 2022, when the town was bombarded again. The staff were trained in coping with their trauma and, also, to help the children recover from the stress and trauma of war and family bereavements.</p> <p>The school has been a feeding centre for our community of families, always helping any family in severe need.</p> <p>The school also grew vegetables and other crops to provide better nutrition. A donor supported the installation of some solar panels which were at the school, having been donated previously.</p> <p>All monies raised go directly to further the aims of the Trust. No trustees receive any remuneration. There are no employees of the Trust.</p>
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	The trustees have read and understood the Charity Commission guidance on public benefit are in compliance. The activity in the continuing education and care of children's health and well-being demonstrates this

Contribution made by volunteers	Para 1.38	<p>Volunteers travel to Ethiopia to help in the school either at their own expense or supported directly by the founders, Max and Kathryn Robinson. Exceptionally, in 2021 and 2022 there were no volunteers at the school due to the ongoing civil war in the region and consequent security issues for the volunteers.</p> <p>Normally, volunteers visit the school on a regular basis to help train the teachers and management staff. All volunteers are DBS checked and have to sign that they are in compliance with the school's child safety policy as well as sign a contract for their work.</p>

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended **31 / 12 / 2022**.

Responsibilities and
basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination (other than that disclosed below *) which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
