STRUCTURE, GOVERNANCE AND MANAGEMENT

Constitution

Guitar Circus Ltd is a company limited by guarantee and has no share capital. A change in name from The Arts Circus (Winchester) to Guitar Circus Ltd was approved by the Board of Trustees and subsequently registered with Companies House and the Charity Commission on 26 June 2016.

It is governed by its Memorandum and Articles of Association and was incorporated on 09 June 2006 under the name The Arts Circus (Winchester) and commenced trading on that date. It is incorporated under the Companies Acts and is registered in England and Wales. On 16 October 2006 The Arts Circus (Winchester) was registered as a charity with the Charity Commission. As at 30 June 2007 each trustee had guaranteed £1 in the event of winding up the company.

Selection of trustees

Every trustee has the power to nominate another trustee who must be then approved by the board. The minimum number of trustees is 3 and the maximum is 5.

Induction and training of trustees

Potential new trustees are invited to attend a trustees' meeting before consenting to be proposed for appointment. Once appointed, new trustees receive a copy of the Constitution, a description of the role of a trustee and any relevant documents and background information relating to the charity. Opportunities to observe the charity's activities and any relevant training opportunities are brought to the attention of the trustees by the Charity Administrator.

Organisational Structure

The trustees take final responsibility for the operation of the charity and its financial and general well-being, with day-to-day management provided by the Charity Administrator's team. The trustees are available on-line and are responsible for approving all projects and workshops that are undertaken.

Risk assessment

The trustees have assessed the major risks to which the charity is exposed, such as those relating to finance and child welfare and are satisfied that systems are in place to mitigate our exposure to the major risks. Our Safeguarding and Child Protection policy was reviewed and updated in 2020 and all trustees/employees/contracted artists, who are United Kingdom citizens, are subject to enhanced checks via the Disclosure and Barring Service. For international tutors, where the Disclosure and Barring Service checks are not possible, the trustees are satisfied that we have procedures in place that follow our Safeguarding and Child Protection guidelines.

Serious Incidents

The trustees confirm that there have been no serious incidents which need to be reported to the Charity Commission.

FINANCIAL REVIEW

Reserves policy

The charity's policy is to carry forward sufficient funds in reserve to cover the organisation's running costs and to ensure stability. As some charity projects are biennial, relevant restricted funds such as bursary and scholarship donations are held until the next available project.

OBJECTIVES & ACTIVITIES

Guitar Circus is dedicated to promoting events and activities which support the education and performance of the classical guitar in a variety of different settings. These range from celebrating exceptional musical achievement to encouraging the grass-roots, or supporting teachers by developing their professional skills. Our work is defined by participatory and inclusive events which promote ensemble playing, such as the National Youth Guitar Ensembles (NYGE) and the World Youth Guitar Festival (WYGF).

Guitar Circus prides itself on being able to nurture artistic development in those who have little, or no experience of the arts, whilst being able to inspire gifted youngsters to even greater creative achievements and experiences. Guitar Circus promotes educational activities, ranging from one-day events to annual residential festivals which unite people of different ages, abilities and backgrounds. These events give participants an opportunity to learn with leading musicians, hear professional concerts and experience all the benefits of social music-making. The quality and expertise of the festival tutors and guest artists at our events is at a level that is particularly difficult for people to normally access.

We are also keenly aware that despite keeping fees to a minimum, some children will struggle to attend our events and so our Bursary Schemes are able to offer both partially and fully assisted places to those with financial need.

The administration of Guitar Circus is almost exclusively run on a voluntary basis. We continue to actively pursue a wider funding base in order to achieve our potential and play a lead role in guitar education throughout the UK.

ACHIEVEMENTS & PERFORMANCE 2023/2024

Significant activities

National Youth Guitar Ensemble

The regional National Youth Guitar Ensembles have a total of five groups based in London, Birmingham and Cardiff. Monthly rehearsals take place in our regional locations from September through to March, followed by an intensive Easter residential bringing together all groups from around the UK. Combining ensembles provides the players with a unique experience to create larger guitar orchestras and our NYGE Camerata Orchestra have been preparing for their second European tour to Dresden, Germany in July 2024.

NYGE Fellowship

The NYGE Fellowship Ensemble draws on the exceptional talent studying at, or recently graduated from, UK Music Conservatoires, and offers 16 early-career guitarists unparalleled opportunities to develop their performing, workshop leadership and ensemble skills.

The NYGE Fellowship ensemble is entering a development phase to lay the foundations for increased engagement as peer mentors and workshop leaders. Plans include looking to commission new works for the ensemble.

Development

Guitar Circus has continued to pursue its programme of team development in order to strengthen its resilience as an organisation and create more opportunities for future expansion.

Guitar Circus supports a mentor scheme for undergraduates and recent graduates to develop their professional skills working within Guitar Circus settings. Each NYGE UK location has a mentor who shadows the musical director, helping in rehearsals and leading sectionals as required.

NYGE represents the pinnacle of the route of progression for young guitarists throughout the UK and Guitar Circus has been exploring ways in which to inspire young guitarists at an earlier stage of development and engage with the wider musical community.

PUBLIC BENEFIT STATEMENT

Guitar Circus's charitable purposes support the advancement of education, arts and culture predominantly, but not exclusively, for children and young adults. Our activities give children access to the highest possible level of classical guitar tuition, from internationally renowned teachers and our concerts nurture their artistic appreciation. Increasingly, Guitar Circus is creating opportunities to broaden our reach and work with young guitarists in the earlier stages of their musical journeys. Sessions, such as those held in partnership with the Royal Welsh College of Music and Drama Junior Department, are free and open to all levels of experience.

Guitar Circus trustees recognise the need to support students from all backgrounds and strive to keep participation costs as low and affordable as possible. To assist with this policy, Guitar Circus has a Bursary scheme to help support participants with financial need. These bursaries are not geographically restricted, nor are they ability related. During this reporting period, Guitar Circus was able to provide 4 children with bursaries.

PLANS FOR FUTURE PERIODS

The key strategic aims for Guitar Circus remain unchanged for the future.

Objectives for 2024/2025

- Create opportunities for our Fellowship Ensemble to showcase the NYGE brand.
- Promote and hold auditions for NYGE to reflect our wider geographical reach.
- Promote and encourage greater participation at the World Youth Guitar Festival.
- Expand Guitar Circus team, volunteers and trustees.
- Pursue new funding avenues.
- Explore partnership projects with Royal Welsh College of Music and Drama
