HURSTPIERPOINT COTTAGE TRUST

REPORT OF THE TRUSTEES **FOR THE YEAR ENDED 31 OCTOBER 2024**

The trustees present their report with the financial statements of the charity for the year ended 31 October 2024. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The Charity's main aim is to provide housing for the people of Hurstpierpoint and its immediate surrounding area who face housing and financial difficulties.

The Trust was originally set up in 1902 as a limited company, but charitable status was obtained in 2006.

Significant activities

The charity's principal activity is the ownership and letting of its portfolio of 20 freehold properties known as numbers 1 to 20 Manor Cottages, Manor Road, Hurstpierpoint, West Sussex, BN6 9UN.

Public benefit

The Trustees have complied with the duty in section 4 of the Charities Act 2011 to have due regard to guidance published by the Charity Commission, including guidance on public benefit.

Our main activities and who we try to help are described below. All of our charitable activities focus on providing housing for people of Hurstpierpoint and its immediate surroundings who face housing and financial difficulties ('the vulnerable beneficiaries') to whom the cottages are let at concessionary rents.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

Tenancies of the Trust's cottages are granted to potential tenancy applicants registered on a waiting list. When a vacancy occurs, the Trustees meet to review the applicants and their respective circumstances, and the tenancy is granted to those who are perceived to be in the greatest need.

The cottages are let at concessionary rates, currently £250 per month from 1 March 2024, (previously £240 per month) exclusive of Council Tax, water and sewerage rates.

Historically, the profile of the Trust's Tenants has been largely older people, mostly retired and with some degree of infirmity. Over the years, this has changed and many of the current tenants are younger, in employment and more physically able.

The Trust sees itself as having a good degree of pastoral care, but this is balanced with potentially not being seen to interfere with the tenants' lives. All the tenants are known personally to the Trustees and at every Trustee meeting (normally four times a year) the circumstances of each tenant are reviewed and any particular needs or problems identified. Where necessary, the Trust support and assist the installation of disabled aids, including stair lifts, walk-in showers, grab rails, key safes etc.

The Trustees have ensured that the charity has delivered public benefit in the areas of relief of housing and financial difficulties suffered by local people in the Hurstpierpoint area. The trustees carefully consider housing applications and maintain a list of those currently seeking assistance for when a vacancy occurs.

REPORT OF THE TRUSTEES **FOR THE YEAR ENDED 31 OCTOBER 2024**

FINANCIAL REVIEW

Financial position

The charity owns 20 properties which generated income to be used for the objects of the charity. The properties are kept in good order and regularly maintained. They are valued annually.

There are no restrictions on the charity's powers to invest. The investment strategy set by the trustees is to protect the capital base and maintain cash deposits in case the opportunity arises to acquire additional suitable property.

The charity has made a surplus for the year of £11,647 (2023 : £19,393) - of which £Nil (2023 : £Nil) related to an uplift in property values. There is a stable asset base with net assets of £6,384,773 (2023- £6,373,126) of which £50,359 are net current assets (2023 : £40,390)

The reason for the fall in net assets was the part repayment of the mortgage which was taken out to purchase Number 1 Manor Gardens.

Principal funding sources

The charity is self sufficient and all income is generated from the rental of its own property portfolio. In 2022 the charity borrowed £145,000, on commercial terms, from Reliance Bank to assist in the purchase of Number 1, Manor Cottages.

Reserves policy

The trustees have set a policy to maintain sufficient capital to maintain and increase the level of cash deposits.

Going concern

These accounts have been prepared on a going concern basis.

FUTURE PLANS

The charity now plans to consolidate its current position and to maintain its level of working capital whilst maintaining the Cottages under a medium term refurbishment plan which includes external decoration, replacement of windows and heating boilers.

Capital Commitments

The charity is committed to a programme of window replacement costing £20,244 of which £17,904 has been paid to date.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is governed by its governing document, a deed of trust dated 13 October 2006, and constitutes an unincorporated charity.

Recruitment and appointment of new trustees

When a vacancy occurs, the Trustees are appointed from the local community and from people already known either socially or in business by the existing Trustees.

HURSTPIERPOINT COTTAGE TRUST
REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 OCTOBER 2022

The trustees present their report with the financial statements of the charity for the year ended 31 October 2022. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The Charity's main aim is to provide housing for the people of Hurstpierpoint and its immediate surrounding area who face housing and financial difficulties.

The Trust was originally set up in 1902 as a limited company, but charitable status was obtained in 2006.

Significant activities

The charity's principal activity is the ownership and letting of its portfolio of 20 freehold properties known as numbers 1 to 20 Manor Cottages, Manor Road, Hurstpierpoint, West Sussex, BN6 9UN.

Public benefit

The Trustees have complied with the duty in section 4 of the Charities Act 2011 to have due regard to guidance published by the Charity Commission, including guidance on public benefit.

Our main activities and who we try to help are described below. All of our charitable activities focus on providing housing for people of Hurstpierpoint and its immediate surroundings who face housing and financial difficulties ('the vulnerable beneficiaries') to whom the cottages are let at concessionary rents.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

Tenancies of the Trust's cottages are granted to potential tenancy applicants registered on a waiting list. When a vacancy occurs, the Trustees meet to review the applicants and their respective circumstances, and the tenancy is granted to those who are perceived to be in the greatest need.

The cottages are let at concessionary rates, currently £50 per week exclusive of Council Tax, water and sewerage rates.

Historically, the profile of the Trust's Tenants has been largely older people, mostly retired and with some degree of infirmity. Over the years, this has changed and many of the current tenants are younger, in employment and more physically able.

The Trust sees itself as having a good degree of pastoral care, but this is balanced with potentially being seen to interfere with the tenants' lives. All the tenants are known personally to the Trustees and at every Trustee meeting (normally four times a year) the circumstances of each tenant are reviewed and any particular needs or problems identified. Where necessary, the Trust support and assist the installation of disabled aids, including stair lifts, walk-in showers, grab rails, key safes etc.

The Trustees have ensured that the charity has delivered public benefit in the areas of relief of housing and financial difficulties suffered by local people in the Hurstpierpoint area. The trustees carefully consider housing applications and maintain a list of those currently seeking assistance for when a vacancy occurs.

HURSTPIERPOINT COTTAGE TRUST

REPORT OF THE TRUSTEES **FOR THE YEAR ENDED 31 OCTOBER 2022**

FINANCIAL REVIEW

Financial position

The charity now owns 20 properties which generated income to be used for the objects of the charity. The properties are kept in good order and regularly maintained. They are valued annually.

There are no restrictions on the charity's powers to invest. The investment strategy set by the trustees is to protect the capital base and maintain cash deposits in case the opportunity arises to acquire additional suitable property.

The charity has made a surplus for the year of £270,652 (2021 : £292,692) - of which £245,535 (2021 : £270,000) related to an uplift in property values). There is a stable asset base with net assets of £6,353,733 (2021:- £6,083,081) of which £22,580 are net current assets (2021 : £134,861)

The reason for the fall in net assets was the funds on deposit were used to complete the purchase of Number 1, Manor Cottages.

Principal funding sources

The charity is self sufficient and all income is generated from the rental of its own property portfolio. In addition the charity borrowed £145,000, on commercial terms, from Reliance Bank to assist in the purchase of Number 1, Manor Cottages.

Reserves policy

The trustees have set a policy to maintain sufficient capital to maintain and increase the level of cash deposits.

Going concern

These accounts have been prepared on a going concern basis.

FUTURE PLANS

The charity now plans to consolidate its current position and to maintain its level of working capital whilst maintaining the Cottages under a medium term refurbishment plan which includes external decoration, replacement of windows and heating boilers.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is governed by its governing document, a deed of trust dated 13 October 2006, and constitutes an unincorporated charity.

Recruitment and appointment of new trustees

When a vacancy occurs, the Trustees are appointed from the local community and from people already known either socially or in business by the existing Trustees.

HURSTPIERPOINT COTTAGE TRUST
REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 OCTOBER 2021

The trustees present their report with the financial statements of the charity for the year ended 31 October 2021. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The Charity's main aim is to provide housing for the people of Hurstpierpoint and its immediate surrounding area who face housing and financial difficulties.

The Trust was originally set up in 1902 as a limited company, but charitable status was obtained in 2006.

Significant activities

The charity's principal activity is the ownership and letting of its portfolio of 19 freehold properties known as numbers 2 to 20 Manor Cottages, Manor Road, Hurstpierpoint, West Sussex, BN6 9UN.

Public benefit

The Trustees have complied with the duty in section 4 of the Charities Act 2011 to have due regard to guidance published by the Charity Commission, including guidance on public benefit.

Our main activities and who we try to help are described below. All of our charitable activities focus on providing housing for people of Hurstpierpoint and its immediate surroundings who face housing and financial difficulties ('the vulnerable beneficiaries') to whom the cottages are let at concessionary rents.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

Tenancies of the Trust's cottages are granted to potential tenancy applicants registered on a waiting list. When a vacancy occurs, the Trustees meet to review the applicants and their respective circumstances, and the tenancy is granted to those who are perceived to be in the greatest need.

The cottages are let at concessionary rates, currently £50 per week exclusive of Council Tax, water and sewerage rates.

Historically, the profile of the Trust's Tenants has been largely older people, mostly retired and with some degree of infirmity. Over the years, this has changed and many of the current tenants are younger, in employment and more physically able.

The Trust sees itself as having a good degree of pastoral care, but this is balanced with potentially being seen to interfere with the tenants' lives. All the tenants are known personally to the Trustees and at every Trustee meeting (normally four times a year) the circumstances of each tenant are reviewed and any particular needs or problems identified. Where necessary, the Trust support and assist the installation of disabled aids, including stair lifts, walk-in showers, grab rails, key safes etc.

The Trustees have ensured that the charity has delivered public benefit in the areas of relief of housing and financial difficulties suffered by local people in the Hurstpierpoint area. The trustees carefully consider housing applications and maintain a list of those currently seeking assistance for when a vacancy occurs.

REPORT OF THE TRUSTEES **FOR THE YEAR ENDED 31 OCTOBER 2021**

FINANCIAL REVIEW

Financial position

The charity owned 19 properties which generated income to be used for the objects of the charity. The properties are kept in good order and regularly maintained. They are valued annually.

There are no restrictions on the charity's powers to invest. The investment strategy set by the trustees is to protect the capital base and maintain cash deposits in case the opportunity arises to acquire additional suitable property.

The charity has made a surplus for the year of £292,692 (2020 : £19,741) - of which £270,000 (2020 : £Nil) related to an uplift in property values). There is a stable asset base with net assets of £6,083,081 (2020:- £5,790,389) of which £134,861 are net current assets (2020 : £140,389)

Principal funding sources

The charity is self sufficient and all income is generated from the rental of its own property portfolio.

Reserves policy

The trustees have set a policy to maintain sufficient capital to maintain and increase the level of cash deposits.

Going concern

These accounts have been prepared on a going concern basis.

FUTURE PLANS

On the 8th December 2021 the Charity completed the acquisition of Number 1 Manor Cottage for the sum of £270,000 excluding costs. This realised a long held ambition to own all of the properties 1 to 20 on Manor Cottages. The initial costs of £1,220 and deposit of £27,000 have been capitalised as an addition in the current year and the completion in November 2021 will be reflected in 2022.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is governed by its governing document, a deed of trust dated 13 October 2006, and constitutes an unincorporated charity.

Recruitment and appointment of new trustees

When a vacancy occurs, the Trustees are appointed from the local community and from people already known either socially or in business by the existing Trustees.
